

Horse Lovers 2017 Monthly Personal Planner

Kids can learn to draw their favorite steeds, show off their knowledge of horses with trivia cards, and saddle up to an assortment of horsey items, like door hangers, bookmarks, and stickers.

ONE OF USA TODAY'S "20 SUMMER BOOKS YOU WON'T WANT TO MISS" In the bestselling tradition of works by such authors as Susan Orlean and Mary Roach, a New York Times reporter and Pulitzer Prize finalist explores why so many people—including herself—are obsessed with horses. It may surprise you to learn that there are over seven million horses in America—even more than when they were the only means of transportation—and nearly two million horse owners. Acclaimed journalist and avid equestrian Sarah Maslin Nir is one of them; she began riding horses when she was just two years old and hasn't stopped since. *Horse Crazy* is a fascinating, funny, and moving love letter to these graceful animals and the people who—like her—are obsessed with them. It is also a coming-of-age story of Nir growing up an outsider within the world's most elite inner circles, and finding her true north in horses. Nir takes readers into the lesser-known corners of the riding world and profiles some of its most captivating figures. We meet Monty Roberts, the California trainer whose prowess earned him the nickname "the man who listens to horses," and his pet deer; George and Ann Blair, who at their riding academy on a tiny island in Manhattan's Harlem River seek to resurrect the erased legacy of the African American cowboy; and Francesca Kelly, whose love for an Indian nobleman shaped her life's mission: to protect an endangered Indian breed of horse and bring them to America. Woven into these compelling character studies, Nir shares her own moving personal narrative. She details her father's harrowing tale of surviving the Holocaust, and describes an enchanted but deeply lonely upbringing in Manhattan, where horses became her family. She found them even in the middle of the city, in a stable disguised in an old townhouse and in Central Park, when she chased down truants as an auxiliary mounted patrol officer. And she speaks candidly of how horses have helped her overcome heartbreak and loss. Infused with heart and wit, and with each chapter named after a horse Nir has loved, *Horse Crazy* is an unforgettable blend of beautifully written memoir and first-rate reporting. *Chicken Soup for the Horse Lover's Soul* is filled with inspiring stories of rescue and rehabilitation, heartbreaking losses, dedication and commitment, and positive messages of responsibility and unconditional love.

Complete, easy-to-follow guide for managing your scoliosis during pregnancy! "An Essential Guide for Scoliosis and a Healthy Pregnancy" is a month-by-month guide on covering everything you need to know about taking care of your spine and your baby. The book supports your feelings and empathizes with you throughout your amazing journey towards delivering a healthy baby. Horses are the epitome of grace, power, and freedom. They also have an ability to touch our souls and connect with our hearts in a way that few other animals can. From a little girl's first pony to a gnarled cowboy's last quarter horse, they can offer us some of our deepest friendships and inspire us to be the best version of ourselves. *Spirit: A book of happiness for horse lovers* is a compendium of enduring quotes that capture the essence of our affection for these magnificent animals. Some are by famous people (Winston Churchill, Nathaniel Hawthorne, William Faulkner, Dale Carnegie, Ralph Waldo Emerson), others not; some are philosophical, others light-hearted - all are memorable. This best-selling collection of memorable quotes and beautiful photography is now available in paperback.

An homage to the many facets of the equestrian sport world and a must-have for all horse lovers With breathtaking candid photos by selected equine photographers Insider tips on the best hotels and destinations for horseback riders

Full of youthful idealism, he is eager to begin his training against the Darkland demons. Finally, after many months of flight training, he accompanies an angelic scouting party on a short mission to the miserable realm of the Borderlands. Excitement turns to terror as the dark forces succeed in separating Raneous from the angelic troop. Utterly lost, seemingly abandoned, and unable to fly in the mortal world, Raneous begins his quest to return to the heavenly realm. Through his friendship with a troubled boy, Brian, Raneous learns to fight the demons lurking in the shadows, but also the darkness of the mind. Can he trust the goodness of what he has been taught? Has the High King abandoned him? Why has no one come for him? Join Raneous and Brian as they battle dark forces of evil, learn the true secrets for victory, and step into the power and freedom of becoming a true servant of the High King. Horse lovers, and warriors of all ages will love to take this coming-of-age journey with the beloved winged colt, Raneous.

Unbridled Faith is a 30 - day devotional full of short stories and testimonies about life, farming, and horses. Take this 30 day journey and learn how to put your faith and trust in something bigger than you. Life happens, bad things happen to good people, and sometimes we have more questions than we do answers, but ultimately there is one who cares for us more than we can imagine. In fact, the scripture tells us that the Lord rejoices over us with gladness. YOU have someone in your life that loves you, cares for you, and rejoices over you. That person is our Lord Jesus Christ. Get to know Him over the next month and learn how you can put full faith and trust in Him.

The zodiac race is starting soon! Henri the Horse wants to win the race, but he lives really far away. Will he make it there in time? In addition to climbing tall mountains and entering dark forests, he will also have to make it across a scorching desert! Will he get lost? Join Henri's adventure to see how he uses his knowledge and wits to meet every challenge! Little readers will find out about how Henri the Horse claimed his Zodiac sign, and also learn the order in which all the zodiac animals were placed in the race. W C Jefferson's charming rhymes and T F Wister's whimsical drawings bring to life a new version of an ancient tale of how the 12 animals of the Chinese Zodiac came to have a year named after them.

This stunningly photographed book is just what young equestrian enthusiasts need to fuel their excitement, be they budding riders who already have their own pony or those who dream of horse ownership. The informative and inspiring text, combined with exquisite photographs, covers in detail all aspects of first horse and pony facts, care and riding. *My First Horse and Pony Book* by Judith Draper and Matthew Roberts provides a solid foundation in the first principles of horse and pony management and an exciting introduction to the world of riding.

This adult coloring book features 30 beautiful images a variety of gorgeous horses! It's a horse lover's dream! Enjoy the Stress Relieving Relaxation of Coloring You Had When You Were a Child with More Elaborate Drawings Than A Children's Coloring Book! Each page is single sided so you can cut out the page and frame it or use markers without worrying about them bleeding to an image on the other side. It's recommended to use a blank sheet of paper behind the page you are coloring so the color doesn't bleed to the image on the next page. This horse book is great for beginner and advanced colorists. The horses are left open so you can do realistic shading for experienced colorists or solid colors for beginners.

She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in *Cat Person* happens to countless people every day. But *Cat Person* is not an everyday story. In less than a week, Kristen Roupenian's *New Yorker* debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. *You Know You Want This*, Kristen Roupenian's debut collection, will be published in February 2019.

Imagine having the financial security to pursue your dreams. Imagine not having to live paycheck to paycheck. Imagine living a life with no limitations. What's stopping you from turning this dream into a reality? The answer for many of us, is fear. The fear of the first step often paralyzes us from taking any at all. The fear of making a mistake is among our greatest. Mission35 shares the story of Brian Hogben, a mortgage broker in Hamilton, Ontario, whose path to success was not without its fair share of mistakes. It was through trial and many errors, Brian learned the lessons that only these mistakes could teach. He insists he would not be the successful business owner he is today without these experiences. Perhaps you've experienced your fair share as well – you've taken the first step in pursuit of your passion and been shut out or shot down. Brian encourages you to persevere through these challenges. He believes the right decisions today can lead to your financial security tomorrow, and he wants to show you how. Make this book the first step in your journey and the springboard to launch your own dreams – the world is waiting!

Over 100 accurate drawings examine the horse — inside and out. The skeleton, muscles, nervous system, and major organs are clearly labeled and explained.

Do you wish your horseback riding lessons could come with a user manual? Do you feel that you could serve your horses better as a rider if you only know how and what to do? Would you like to be the rider that all horses dream of? "*Horse Listening: The Book*" focuses specifically on riding as a means of improving the horse. Based on the popular blog, HorseListening.com, the exercises and ideas are purposely handpicked to help you develop your path to becoming an effective rider, not only for your own benefit, but also for your horse's long-term well being. Special "In the Ring" sections give specific suggestions to try while riding. By following these simple, useful exercises, you will be able to develop a better understanding about: - the rider's aids - the use of the seat - the half-halt - accurate turns and circles - transitions - hind end engagement - rein lameness

"From his first time riding at age ten, William Shatner has felt a deep love for horses. Whether riding them, communicating with them, or simply appreciating their beauty, he has been enthralled by horses ever since he was a child. And for decades, he has sought to bring that joy to others--children, veterans, and those with disabilities, among others--through his annual Hollywood Charity Horse Show. In this book, Shatner speaks from the heart about the ... effect horses have had on his life, and on the lives of others. Drawing not just from his own decades of experience but also from a wealth of classic horse stories, this book captures the unique connection between humans and horses"-- This book was written for you - someone who loves horses - and cares enough to want to improve their welfare. It provides simple instructions on how every horse person can do something to help unwanted horses. The book describes how you can make a difference just by sharing a post on Facebook from a rescue page or by educating others that American horses are still slaughtered across the borders. It will describe how to find a reputable rescue to donate, or adopt a horse. The book also details the process of purchasing a horse from a killpen or at an auction. And for those who want to dive in fully, it provides details on how to start your own 501c3 horse rescue organization. The problem of unwanted horses is complicated, systemic and there is no simple answer. The first step is to acknowledge the problem and open your eyes to all factors that make horses unwanted. Where do they come from? Why are they unwanted, and finally how do we make unwanted horses wanted? Creative ideas, collaboration and committed people are the answer. Brace yourself. Rescuing animals is an addictive high when successful and a crushing low when not. Regardless, the net sum of the experience is overwhelmingly positive and will change you forever.

When Elvis Presley decided he wanted to buy a horse in 1966, he didn't want just any horse. "He wanted a Golden Palomino," Priscilla Presley remembers. "He would get up at 3:00 in the morning, go to certain farms and ranches and say, 'Do you have a Golden Palomino for sale?' People would say, 'That was Elvis Presley!'" Elvis's legendary love of horses drove him to find the Golden Palomino who would become his beloved companion *Rising Sun*, and to fill Graceland's stables and Circle G Ranch with horses for family and friends to ride. In the first-ever book dedicated to

Elvis's equestrian side, horse lovers Kimberly Gatto and Victoria Racimo share rare stories, interviews, and photographs that shed light on the beautiful, quiet life the King lived when he was with his horses.

Draw closer to God in just 2-minutes per day! Increase your faith with this series of short 2-minute devotions. They relate the scriptures to horsemanship, giving the reader and rider a new insight into God's word. Even if you have no experience with horses whatsoever, you can glean amazing vision into the workings of God through your relationship with Him. If you've longed to spend time with both God and horses, this is the devotional for you!

Unique and groundbreaking, Heart To Heart With Horses is an insightful guide to unlocking the healing power of the heart. Real-life stories, inspiring case studies and simple Reiki meditative exercises show how easy it is to share the gift of true healing with the horses you love. Written by Kathleen Prasad, one of the world's leading teachers in the field of Reiki and president of the Shelter Animal Reiki Association, this book illuminates powerful ways that compassionate presence can heal.

Horse lovers will be delighted with this stunning collection of 31 detailed illustrations of these magnificent animals. Each detailed picture features a different breed, including palomino, Rocky Mountain, mustang, trotter, and more, all posed against beautiful backgrounds of natural scenery. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Great Horses and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

A "superb" account of the enduring connection between humans and horses—"Full of the sort of details that get edited out of more traditional histories" (The Economist). Fifty-six million years ago, the earliest equid walked the earth—and beginning with the first-known horse-keepers of the Copper Age, the horse has played an integral part in human history. It has sustained us as a source of food, an industrial and agricultural machine, a comrade in arms, a symbol of wealth, power, and the wild. Combining fascinating anthropological detail and incisive personal anecdote, equestrian expert Susanna Forrest draws from an immense range of archival documents as well as literature and art to illustrate how our evolution has coincided with that of horses. In paintings and poems (such as Byron's famous "Mazeppa"), in theater and classical music (including works by Liszt and Tchaikovsky), representations of the horse have changed over centuries, portraying the crucial impact that we've had on each other. Forrest combines this history with her own experience in the field, and travels the world to offer a comprehensive look at the horse in our lives today: from Mongolia where she observes the endangered takhi, to a show-horse performance at the Palace of Versailles; from a polo club in Beijing to Arlington, Virginia, where veterans with PTSD are rehabilitated through interaction with horses. "For the horse-addicted, a book can get no better than this . . . original, cerebral and from the heart." —The Times (London)

The book begins with an educational theory guide, to help deepen your understanding of why your horse is acting the way he does and what his motivating factors are. Following the theory guide are over 77 Solutions for herd bound behavior. Included in these solutions are exercises divided into sections individualized to how your horse is kept; Stall, Pasture, Pair bonded, etc. It also includes strategies for riding, Emergency "In the moment" solutions and pages to record your progress on. These strategies can be used with each member of the herd, this is most valuable in situations where a single buddy horse is left behind. By using the exercises, programs and approaches you can create horses that are more self confident and able to be separated with more ease and relaxation. I am incredibly excited to get this information in the hands of horse lovers who struggle with this frustrating and destructive issue! There is nothing more peaceful than hearing horses munching on grass instead of screaming for their herd mate!

90 DAYS Exercise & Diet Journal is your companion during your 90 day diet. Start the year right with this food and exercise journal. Designed to easily track both your diet and exercise efforts. Here is a completely revised, full-color second edition of the established go-to source for equestrian information. This comprehensive A-to-Z guide covers "everything horse" and bridges gaps in the equestrian universe between English and Western styles. More than 1,700 entries explain wide-ranging topics such as breeds, tack, facilities, equine care and management, health and safety issues, riding styles and disciplines, shows, and much more. Whether you're a rodeo hand, thoroughbred racer, seasoned professional, or armchair admirer, you'll get everything you need from noted equestrian author Jessie Haas' clear and thorough descriptions. American Horse Publications Association's Equine Media Awards Winner

All kinds of horses and the things they do

The audacious and inspired history of horse racing told through the bloodline of twenty-five exceptional Arabian steeds. In 1704 a

bankrupt English merchant sent home the colt he had bought from Bedouin tribesmen near the ruins of Palmyra. Thomas Darley hoped this horse might be the ticket to a new life back in Yorkshire. But he turned out to be far more than that, and although Mr. Darley's Arabian never ran a race, 95% of all thoroughbreds in the world today are descended from him. In this book, for the first time, award-winning racing writer Christopher McGrath traces this extraordinary bloodline through twenty-five generations to our greatest modern racehorse, Frankel. The story of racing is about man's relationship with horses, and Mr. Darley's Arabian also celebrates the men and women who owned, trained and traded the stallions that extended the dynasty. The great Eclipse, for instance, was bred by the Duke who foiled Bonnie Prince Charlie's invasion (with militia gathered from Wakefield races) and went on to lead the Jockey Club. But he only became a success once bought and raced by a card-sharp and brothel-keeper - the racecourse has always brought high and low life together. McGrath expertly guides us through three centuries of scandals, adventures and fortunes won and lost: our sporting life offers a fascinating view into our history. With a canvas that extends from the diamond mines of South Africa to the trenches of the Great War, and a cast ranging from Smithfield meat salesmen to the inspiration for Mr Toad, and from legendary jockeys to not one, but two disreputable Princes of Wales (and a very unamused Queen Victoria), Mr. Darley's Arabian shows us the many faces of the sport of kings.

There is no creature that quite embodies the beauty and grandeur of the American West as does the wild horse. For thousands of years, the horse has roamed the plains and valleys of the American continent, free of the encumbrances of man or the saddle. In America's Wild Horses, award-winning photographer and lifelong horse lover Steven Price celebrates the timeless magnificence of the American mustang. Meticulously researched, Price offers a cultural history of the American wild horse that is unparalleled in its exquisite detail and poignant prose. Beginning with chapters on prehistoric equines, Price sweeps through all the most important historical epochs in the history of the American mustang. Detailed accounts of horse-breeding in the Southwest, Native American horsemanship, and mustangs in the golden age of the iconic American cowboys each detail the profound impact that the wild horse has had in shaping American culture. Later chapters chronicle the legacy of the horse in the twentieth and twenty-first centuries, specifically emphasizing the legal and scientific measures that are being taken by horse-lovers across the country to ensure that later generations will also be able to witness the majesty of the wild horse. Featuring dozens of stunning photographs by the author, and interspersed with firsthand interviews with some of the most renowned horse experts today, America's Wild Horses is a required read for all equine lovers.

In this fascinating best seller, Cherry Hill explores the way horses think and how it affects their behavior. Explaining why certain smells and sounds appeal to your horse's sensibility and what sets off his sudden movements, Hill stresses how recognizing the thought processes behind your horse's actions can help you communicate effectively and develop a trusting relationship based on mutual respect.

He already owned and managed two ranches and needed a third about as much as he needed a permanent migraine: that's what Alan Day said every time his friend pestered him about an old ranch in South Dakota. But in short order, he proudly owned 35,000 pristine grassy acres. The opportunity then dropped into his lap to establish a sanctuary for unadoptable wild horses previously warehoused by the Bureau of Land Management. After Day successfully lobbied Congress, those acres became Mustang Meadows Ranch, the first government-sponsored wild horse sanctuary established in the United States. The Horse Lover is Day's personal history of the sanctuary's vast enterprise, with its surprises and pleasures and its plentiful dangers, frustrations, and heartbreak. Day's deep connection with the animals in his care is clear from the outset, as is his maverick philosophy of horse-whispering, with which he trained fifteen hundred wild horses. The Horse Lover weaves together Day's recollections of his cowboying adventures astride some of his best horses, all of which taught him indispensable lessons about loyalty, perseverance, and hope. This heartfelt memoir reveals the Herculean task of balancing the requirements of the government with the needs of wild horses.
