Mad about you His boat off course, distracted by a randy she-whale whose infatuation had somehow thrust him into the twenty-first century, Jorund Ericsson thought he'd found heaven when he caught sight of the comely wench with the man-hair and the kiss-some lips. The lovely doctor, however, simply thought Jorund insane—even as she drove the befuddled Viking crazy with her enticing figure. He leapt from the water and into Maggie's life, all sinewy muscles in a flawlessly proportioned body, a swath of long blond hair swept back from his brow. His claim to be a Viking from the tenth century made her smile. But it wasn't laughter that caused her stomach to flutter when the Hercules look-alike claimed her lips. And soon he had her believing his story and questioning her own sanity—though the psychologist realized there was another possibility. They were, neither of them, truly mad . . . simply truly, madly in love.

When a brash princess in need of a husband spies a handsome healer, she throws him over her shoulder and sets sail to love, and laugh, happily ever after. Reissue.

When Simon Majumdar hit forty, he realized there had to be more to life than his stable but uninspiring desk job. As he wondered how to escape his career, he rediscovered a list of goals he had scrawled out years before, the last of which said: Go everywhere, eat everything. With that, he had found his mission -- a yearlong search for the delicious, and curious, and the curiously delicious, which he names Eat My Globe and memorably chronicles in these pages. In Majumdar's world, food is everything. Like every member of his family, he has a savant's memory for meals, with instant recall of dishes eaten decades before. Simon's unstoppable wit and passion for all things edible (especially those things that once had eyes, and a face, and a mom and a pop) makes this an armchair traveler's and foodie's delight -- Majumdar does all the heavy lifting, eats the heavy foods (and suffers the weighty consequences), so you don't have to. He jets to thirty countries in just over twelve months, diving mouth-first into local cuisines and cultures as different as those of Japan and Iceland. His journey takes him from China, where he consumes one of his "Top Ten Worst Eats," stir-fried rat, to the United States, where he glories in our greatest sandwiches: the delectable treasures of Katz's Delicatessen in Manhattan, BBQ in Kansas and Texas, the still-rich po' boys of post-Katrina New Orleans. The meat of the story -- besides the peerless ham in Spain, the celebrated steaks of Argentina, the best of Munich's wursts as well as their descendants, the famous hot dogs of Chicago -- is the friends that Simon makes as he eats. They are as passionate about food as he is and are eager to welcome him to their homes and tables, share their choicest meals, and reveal their local secrets. Also a poignant memoir, Eat My Globe is a life told through food and spiced with Majumdar's remembrances of foods past, including those from his colorful childhood. (Raised in Northern England, he is the son of a fiery Welsh nurse and a distinguished Bengali surgeon.) A captivating look at one man's passion for food, family, and unique life experiences, Eat My Globe will make you laugh -- while it makes you hungry. It is sure to satiate any gastronome obsessed with globetrotting -- for now.

Viking Age Brew brings beer history alive and takes readers on a lavishly illustrated tour of rustic brewhouses fueled by wood and passion. Sahti is a Nordic farmhouse ale that is still crafted in accordance with ancient traditions dating back to early medieval times and the Viking Age. Sahti is often thought of as a freak among beer styles, but this book demonstrates that a thousand years ago such ales were the norm in northern Europe, before the modern-style hopped beer we drink today reached the masses. *Viking Age Brew* is the first English-language book to describe the tradition, history and hands-on brewing of this ale. Whether you are a brewing virgin or an experienced brewer, the book unlocks the doors to brewing sahti and other ancient ales from medieval times and the Viking Age.

Tal tries to steal a sunstone, but during his act of thievery is thrown off the Castle of Seven Towers by a powerful Spiritshadow Keeper. He falls down to the iceworld below, where he is captured by Icecarls. To save his life, he must team up with Milla - a Shield-Maiden in training - and offer his aid to the nomads.

A complete guide to using the best ingredients and minimal equipment to create fun and flavorful brews Ancient societies brewed flavorful and healing meads, ales, and wines for millennia using only intuition, storytelling, and knowledge passed down through generations—no fancy, expensive equipment or degrees in chemistry needed. In *Make Mead Like a Viking*, homesteader, fermentation enthusiast, and self-described “Appalachian Yeti Viking” Jereme Zimmerman summons the bryggjemand of the ancient Norse to demonstrate how homebrewing mead—arguably the world’s oldest fermented alcoholic beverage—can be not only uncomplicated but fun. Armed with wild-yeast-bearing totem sticks, readers will learn techniques for brewing sweet, semi-sweet, and dry meads, melomels (fruit meads), metheglins (spiced meads), Ethiopian t’ej, flower and herbal meads, braggots, honey beers, country wines, and even Viking grog, opening the Mead Hall doors to further experimentation in fermentation and flavor. In addition, aspiring Vikings will explore:

- The importance of local and unpasteurized honey for both flavor and health benefits;
- Why modern homebrewing practices, materials, and chemicals work but aren’t necessary;
- How to grow and harvest herbs and collect wild botanicals for use in healing, nutritious, and magical meads, beers, and wines;
- Hops’ recent monopoly as a primary brewing ingredient and how to use botanicals other than hops for flavoring and preserving mead, ancient ales, and gruits;
- The rituals, mysticism, and communion with nature that were integral components of ancient brewing and can be for modern homebrewers, as well;
- Recommendations for starting a mead circle to share your wild meads with other brewers as part of the growing mead-movement subculture; and more!

Whether you’ve been intimidated by modern homebrewing’s cost or seeming complexity in the past—and its focus on the use of unnatural chemicals—or are boldly looking to expand your current brewing and fermentation practices, Zimmerman’s welcoming style and spirit will usher you into exciting new territory. Grounded in history and mythology, but—like Odin’s ever-seeking eye—focusing continually on the future of self-sufficient food culture, *Make Mead Like a Viking* is a practical and entertaining guide for the ages.

DO DREAMS COME TRUE? Kirstin Magnusson is haunted by dreams of a fierce Viking warrior in a cage, being tortured and humiliated by his Saxon captors. Is it a fantasy, or a cry for help? But she's a no-nonsense college professor, not a Navy SEAL like her brothers or a Norse fighting man, like her father once was. What can she do to help? Call on her academic training, of course, and form a plan.... **WHAT ABOUT NIGHTMARES?** Once called Hauk the Handsome, Hauk Thorsson is far from it these days, having lived in a filthy Saxon cage for over six months. All because he allowed grief over the death of his son to distract him. However, Hauk has a plan to escape soon and join the approaching army of Sweyn Forkbeard...until that lackbrain woman arrives and causes nothing but trouble. **BUT SOME DREAMS END HAPPILY EVER AFTER:** All right, it depends on the definition of "ever after." And mayhap it wasn't the best idea for Hauk to kidnap Kirstin, but she'd said she needed time; so, he was just doing what she wanted, sort of.

She'll be his greatest conquest. **INGRID** I should have been afraid of him, the brutal man with the violence covering him and blood on his face. But he'd saved me from a fate worse than death. He was a Viking, a man who took what he wanted because he could, because no one dared to cross him, to go against him. And he claimed me. I was his now, and I didn't want to fight that. **GUNNAR** From the moment I saw Ingrid I knew I wanted her as mine, as my wife, the future mother of my children. I'll go to any lengths to keep her by my side, to make her see I'm not letting her go. I may give her the option to leave, to find her own way, but the truth is I would follow her to the ends of the earth to keep her close. I'm a Viking, a savage, dangerous and violent. I don't give up when I see something I want. I've been searching for Ingrid my whole life; I just didn't realize it until I looked into her blue eyes. She will be mine. No matter what. **Warning:** Hope you like your men filthy, brutal, and willing to slay for the woman he's claimed, because in this story you're getting it all and then some. It's dirty, totally unbelievable, and probably holds no real historical facts, but it's fun and hot and hits the right spot. It is what it is, so hang on and enjoy the ride.
