Read the entire Special Ops Shifters series in one sizzling, action-packed collection! Book 1: Daddy Soldier Bear As soon as I encountered Nikki, my bear went wild with need. But my mate died in childbirth years ago, and as a military trained doctor, I still beat myself up for not being able to save her. I never thought I'd love again. But the way my bear yearns for her now has me thinking otherwise. No matter what my bear wants, I won't give up until I get to the bottom of the mystery behind Nikki's three devious mates. I can't let my heart get involved. Or can I? Book 2: Fake Mate For The Soldier Lion God, I've been craving a mate for far too long. But between my tactical missions with the Special Ops Shifter Force and working my ass off, I've had no choice but to ignore the roar of my inner lion. Until the day a sassy, iron-willed lioness showed up at the Force's secret headquarters unannounced. Desire surged through my veins the moment our feline eyes met, lighting every cell in my body ablaze. We weren't recruiting, but our Alpha reluctantly agreed to deploy her on a test mission-where she and I will be posing as mates. The only problem? I know she's my one true match. And dating within the Force is strictly forbidden. Will honor and duty keep my inner big cat from finally claiming what's his? Book 3: Captured By The Soldier Wolf I was sent on a covert mission to infiltrate a pack in the Rockies, but once I met the Alpha's raging hot sister, I knew this mission was going to be a hell of a lot harder than I thought. But one night deep in the forest, she overheard my phone call with the Force, leaving me no choice but to take her hostage. I've gotta keep my cover and protect the integrity of the mission. But when tensions rise between that hot little wolf and I in the middle of the woods, will we be able to ignore the demands of our inner beasts? Braeden: For five agonizing years now, I've tried to push the lush, far-too-sweet woman out of my life, and my dreams. She's a human, which makes her a danger to all the shifters in Night Falls. She's also untouched, which makes her a danger to what little restraint I possess around her with each passing day. But seeing as how she's my little sister's best friend, avoiding her hasn't been easy. And now that there's a shooter targeting the pack, the only way I can keep Paisley safe is to keep her close. As if that weren't impossible enough, the pack alpha goes and makes a decree. For her protection, Paisley needs to be mated to someone in the pack by the end of the month. Damn it all to hell. Paisley: I'm pretty sure the man hates me. To Braeden, I've always been the human he wished his sister would stop being friends with—literally a different species from him, being that he and his sister are wolf-shifters and all.
