every grade, students represent, solve, and explain -- all in one place. - Publisher.

"An instructional solution that develops students' understanding of the Common Core State Standards (CCSS) in an interactive format while addressing the Standards for Mathematical Practice. Use On core mathematics with your current elementary mathematics program to ensure complete coverage of the Common Core State Standards. Consider On core mathematics as your complete companion for transition to the CCSS."--Publisher.

This photo-based workbook series was designed by Houghton Mifflin Harcourt, a global leader in education serving 60 million students worldwide. Achieve! offers a comprehensive curriculum with a funny bone. Vibrant photographs form the center of each activity: math, reading, science, and social studies. The book's central character is Cosmo. Cosmo appears on selected activity pages to help extend ideas to every day life. Whether it's used as a summer refresher or for weekend reinforcement, it's the perfect tool to nurture kids' natural interest in the world and how it works. In the Achieve! Grade 3 workbook, kids have hundreds of opportunities to practice Common-Core aligned math, literacy, science, and social studies. Multiply and divide, recognize and decode Latin suffixes, and explore the concept of global citizenship.
