

House Of Night Series Redeemed

When young Lenobia is Marked as a fledgling vampyre, her world turns upside down and she is drawn to the musical streets of New Orleans where she learns of the city's dark underbelly, ruled by powerful black magic.

It's Zoey's eighteenth birthmas and the Nerd Herd has been scattered across the country busily adulting for almost a year when Stark calls them back to Tulsa to surprise Z. But all is not well in T-Town. Strange, dark signs are appearing—could it be possible Neferet is stirring? Not willing to chance disaster striking again, Zoey calls on her newly reunited friends to circle with her and add a layer of protection over Neferet's grotto jail. Easy-peasy, right? Wrong. Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved? The moment Other Kevin returns to his world trouble begins. Thankfully, he finds friends and allies—some expected, some unexpected—and soon discovers he, like his sister, can wield Old Magick. But without a mentor to help him, will Kevin be tempted to embrace Darkness? Back in our Tulsa, things have settled down since Zoey and the gang closed the tear between worlds. A new school year has begun, and Zoey's exchange student program with public schools is really taking off. All is well. But if all is well, why is Zoey increasingly withdrawn and moody? Stark thinks he knows what's wrong—and he is determined not to lose Zoey to the Other World and Heath, who is there and very much alive. Stevie Rae thinks she knows what's wrong—Z just needs a break. Maybe a little vacay? And the rest of the Nerd Herd thinks their Z will be fine—just give her some time to stop missing (and worrying about) Other Kevin. But Zoey knows the truth. In the Other World her brother is using Old Magick, unaware of the dangers it holds. Without guidance, what will stop him from giving in to the potent pull of Old Magick? Without her guidance, Other Kevin could lose more than the war against Neferet—he could lose his soul. And Z knows she must help him—after all, he is her little brother ... In *Lost*, we follow Zoey, Stevie Rae, and Rephaim to an alternative version of the House of Night, where dangers take the form of friends, and allies are found in the strangest places.

The second installment in Pearl S. Buck's acclaimed Good Earth trilogy: the powerful story of three brothers whose greed will bring their family to the brink of ruin Sons begins where The Good Earth ended: Revolution is sweeping through China. Wang Lung is on his deathbed in the house of his fathers, and his three sons stand ready to inherit his hard-won estate. One son has taken the family's wealth for granted and become a landlord; another is a thriving merchant and moneylender; the youngest, an ambitious general, is destined to be a leader in the country. Through all his life's changes, Wang did not anticipate that each son would hunger to sell his beloved land for maximum profit. At once a tribute to early Chinese fiction, a saga of family dissension, and a depiction of the clashes between old and new, Sons is a vivid and compelling masterwork of fiction. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.
