The Book titled: "The 1, 2, 3 Steps to Distinguish Between the Good, Acceptable and Perfect Will Of God in Marriage" is a comprehensive book about Marriage. It is fantastic and loaded with great revelations on how to make our choices aligned with the will of God for our lives in Marriage. It covers every subject that is required to bring us to the knowledge of how to identify and distinguish between the Good, Acceptable and Perfect will of God in Marriage. Everyone sincerely prays for the Perfect will of God in Marriage yet lacks the confidence to make a choice because when we are about to make a commitment, a racing thought drives down cold sweat on our faces. In most serious cases we hear a voice asking a pertinent question. Are you sure of what you are about doing? Did God say this is the right one to be with you for ever and ever? Are you sure that what is presented to you is a true love. Wait a minute you have to re-examine his or her life style, do you think he or she will be faithful to you? Many more of these staggering questions flood our minds without clear answers. We are always left in a deep state of despair and confusion. Voices in our mind conflicting with what we perceive in our spirit. This should never be so. When God brought Eve to Adam he said: "this is the bone of my bones and the flesh of my flesh". He was definitely sure of who God presented to him that she was rightly his wife. The plain reason for this is that Adam was created a Living soul as such he was able to link up with God easily and was fully persuaded that God took from his bones and created Eve. This book explains how we can become Living souls to obtain God's divine favor in Marriage. This book reveals the areas of our weaknesses in choosing a life partner. It also shows how the devil entraps us during Courtship with petting, necking, fondling all in the guise of love while with impunity we set out to defile the bed of marriage. When we finally marry we carry along the judgment of God into our new Homes because we have polluted and corrupted our bodies which is meant to be the Lord's property. This book exposes the Fruit of the Spirit, the Gifts of the Spirit and our Ministry Gifts as our three in one mandatory package to be fulfilled before Believers can enter into God's Perfect will in Marriage. It also stresses the need for every Believer not to be hasty in their choice for life partners thus slip into the Good or Permissive will of God in Marriage these last days. This is because there will be no time to correct the wrongs and make the crooked places straightened in our lives due to the pressures of the present world challenges. The book reveals that marriage is an institution created by God and not the traditions of men. As an institution there are laid down pre-requisite conditions that must be fulfilled in order to gain entrance into it. With scriptural proofs the book explains step by step how we can fulfill these conditions to gain access into the Perfect will of God in Marriage. It also defines the union of the man and his wife as Christ and the Church to be in the state of spirit to spirit, soul to soul and body to body compatibility. No Wonder the scripture describes Marriage as a Great Mystery. We cannot afford to make mistakes at this time through the random sampling and defilement of our bodies before we make a choice of a life partner. This is because God has provided enough knowledge for us these last days to put our lives straight with Him. Besides Jesus had warned us in Matthew 24 that our last days shall be like the days of Noah when many were marrying and given into marriage but the flood came and swept them all away. Therefore Marriage these last days should be taken seriously. Ignorance is not an Excuse. 'Crims and screws agree on one thing: that the people who run prisons wouldn't know if a tram was up them unless you rang the bell.' How to Shoot Friends and Influence People, Mark Brandon 'Chopper' Read's third book, was written behind bars as Chopper faced life in prison for a

shooting he claimed he didn't commit. For this book, Chopper obtained confidential and extensive prison files relating to him under the Freedom of Information Act. These included psychological assessments, plus prison classification and discipline records. They provide a fascinating insight into how this maverick criminal dealt with the prison system over two decades. Featuring the infamous story of Tanya and Eddy, Chopper's coming-of-age yarn from his 18th birthday, plus reflections on the end of his long-term relationship and what it's like to be the most famous author-in-residence at Risdon Prison, this third volume of his memoirs contains more tales of the criminal underworld told in Chopper's unique style.

In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that."—Cristina "The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno,

and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.” —Adrian “If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

Hook Point: How to Stand Out in a 3-Second World, by out of the box thinker Brendan Kane, breaks down the most effective strategies to generate new opportunities, innovate and scale your business, and create a compelling brand--both online and off--so you can thrive in the new micro-attention world in which we live. A lot of people know who they are, what they do, and a few even know why they do it--but even when brands or individuals have clarity in these areas, they often struggle to grab a potential audience's attention for long enough to get them to learn about their attributes. Others have amazing products or services that fail to achieve great success because they don't know how to talk about what they do effectively. This is because digital and social media have reshaped our world into one of micro-attention. There are over sixty billion messages shared on digital platforms each day, and the average person is exposed to between four thousand to ten thousand ads a day. This bombardment of stimuli has changed the way we communicate and market content both online and off. In fact, research shows that you have less than three seconds to capture a person's attention. With such a short window of time, we need to hook audiences quickly, efficiently, and consistently if we want to successfully fuel brand awareness and growth. Luckily, Brendan Kane, an out of the box thinker and strategist who's built platforms for celebrities like Taylor Swift and Rhianna, and worked with Fortune 500 companies like Paramount, Viacom, and MTV has mastered the art of standing out. In Hook Point: How to Stand Out in a 3-Second World he reveals the power of hook points--a communication tool that helps marketers package their messages in a succinct, attention-grabbing way that leads to better opportunities both online and off. Whether you're promoting a brand, product, or service this book is the essential guide for making it in our three-second world.

How To Develop The Leadership Characteristic Already Within You Leaders change the world. Leaders inspire others. Leaders live their passion Vision Knowing what you want and where you are going is vital. The next step is picturing, in your mind, exactly what you want down to the smallest detail. However, the most important piece of the puzzle is your WHY - the reason you want whatever it is you want. Without that it's game over. Courage You may have your purpose, but do you possess the guts to tell the world and follow it through. Courage needn't be loud and aggressive, more often it's a voice in your mind which compels you to keep trying. Integrity Are you honest? Do you speak what you believe? Do you set the example for others to emulate? Are you a person of their word? Are you committed to becoming more than what you already are? Did you answer yes to all the above? Integrity is built upon these questions, leadership is built upon integrity. Humility The initial response to leadership and humility brings up images of oil and water - they cannot go together. On a second look you will find humility running through every great modern day leader. The role of a leader is to serve the people following them. Can you think less of yourself and more of others, to best meet their needs? It's not as easy as it sounds. Self Discipline If you cannot control yourself you will NEVER have the control of others. You will never be able to keep a team around you who complement your strengths and enhance your weakness.

Without those people the dream is just that, a dream, and will never become reality. Planning The first words that come to mind are usually -not again- accompanied with an eye roll. Many great people have said what I'm about to say - if you fail to plan you plan to fail. A plan is like the foundations when building a house. Without them all the work that's supposed to be carried out on top, will eventually collapse on itself. Influence The number one skill needed to be a great salesman and one of the 12 pillars of leadership. Influence is the ability to help people see what you see, to paint them the picture of how you see the future and for them to say -I want that too!- Decision My parents can't make a decision and it's frustrating as hell, especially when we go out for a meal. I ask them where they would like to go, I always get the same response -I'm easy-. As mad as this makes me I realised -

people will not follow a leader who cannot decide what to do. Listening Sorry to break your bubble, but you are not going to have all the great ideas. you are one mind among billions, someone else will have the same motives as you and will be able to help. Listen to them and by listen I don't mean hear what they say, actually listen with the intent to understand. Responsibility Can you handle it? The pressure, the weight of the dream on top of your shoulders. If you can't, would you turn down a new opportunity? Many people do! Communication You have the vision, the courage and the best plan since Steve Jobs released the iPhone, but can you tell me so they fully understand it without it taking a long time? It's not easy, but if it was everybody would be able to do it. Mentoring Help the people who follow you by sharing what you know. Not only do they learn, every time you share an idea you get to hear it again and again and again - repetition is the mother of skill.

Yes there is. Most of the available publications on this topic are contributions from professional academics, written from the perspective of supervisors or examiners rather than from that of successful candidates. Most of them are too long and not always user-friendly, while their approach is, more often than not, too scientific to be accessible to the average candidate. It is with these considerations in mind that the author, an average doctoral candidate who wrote his PhD thesis while working full-time, submitting his written work for examination within 24 months of becoming registered as a research student in one of the UK's top Law Schools, set out to write this book, which is, uniquely, written from a student's perspective. What makes of this work an original contribution is not the novelty of the topic addressed in it but, rather, its brevity,

its practical approach, its simplicity, the background of its author (a recent, successful PhD candidate) and the motivation of its author: to help candidates complete their PhD thesis in under three years, as the author of this book did. This short book contains a wealth of practical advice and guidance on the issues involved in conceptualizing, organizing and writing your doctoral thesis so that you can increase your chances of surviving the ordeal of PhD thesis writing with the least amount of pain and with the minimum investment in terms of the time and effort spent pursuing your objective.

How to See and Think Differently Is life hard or we are just making it up in our own mind? What we perceive is what we believe, and all this is based on what we hear, see, feel, and think. Our perception drives our behaviors every day and our thoughts are perhaps the most crucial components of our ability to perceive. In this 3 books in 1 bundle, we will discuss in details on the power of our perception and explore how the way our mind works affects our perception. We will take a closer look at how each of us perceives the sight and sound we receive in a way which is very different from each others. We will also discuss the importance of perception in our understanding of what reality really is, and reveal some shocking "Real Life Scenarios" which will consolidate your understanding of our perception. we'll be diving in topics that all of us will face. Herd mentality, insecurity, and topics that are related to how we can "Think Outside The Box". We'll talk about why and how people act the same way or adopt similar behaviors as the people around them — often ignoring their own feelings in the process. *It Only Takes One Opportunity To Change Someone's Life* For the last book, we will learn and find out how to take advantage of the opportunities around us. We have countless opportunities around us that go wasted everyday and this is due to the lack of awareness that we have regarding the importance of creating opportunities for ourselves. Whether it is regarding that someone special, family, friends, co-workers, acquaintances, new individuals or jobs around us, magical opportunities are always waiting for us, but we have to be able to recognize an opportunity when we see one. She can't forgive him...Georgie Davis is a work of art. An exquisitely rendered portrait of the modern heiress, she's as much an asset to the Davis brand as anything in the family gallery. People don't touch masterpieces, of course, but that's fine by her. She's cried enough for one lifetime. Her engagement wasn't supposed to be a grand romance but then Peter Zinc came along and made her feel things. Messy things. Confusing things. Things that should've disappeared the moment he betrayed the family she adores. But they didn't, and neither did he. He's still right there down the road, making farming look hot, damn him. He can't forget her...Poverty is nothing new to Peter Zinc. But sharing that poverty with a few dozen sheep and an insubordinate dog? That's a fresh wrinkle. That's what you get when you cross Georgie Davis, though -- a thorough, systematic and well-earned destruction. So why does he want her back so badly? Because she's not the vapid trust-fund beauty he almost married. There's a whip-smart woman hiding inside that pretty shell who intrigues the hell out of him. And he means to have her. Can two wary hearts learn to love...Then a long-buried scandal rolls back into Devil's Kettle, ripping apart old lies and threatening to reveal dangerous truths. It's the kind of upheaval that could destroy Peter's fragile fresh start and force Georgie to start feeling all the messy, confusing things she's been

avoiding. But with her family's safety at stake, she'll have to trust the most dangerous man she knows. He'll have to become somebody better than the man he's always been. Somebody who'll protect the woman he loves...or die trying....before it's too late?

Field Manual (FM) 3-34.400, "General Engineering," is the primary implementing manual for the engineer function that bears its name (the others being combat and geospatial engineering). This manual provides general engineering (GE) doctrine for the United States (U.S.) Army and U.S. Marine Corps. As the implementing manual for the engineer function of general engineering (GE), FM 3-34.400 describes the operational environment (OE) and how to apply and integrate GE principles in support of full spectrum operations and the linkage of GE to assured mobility. This FM focuses on the establishment and maintenance of lines of communications (LOCs) and sustainment operations that support operational requirements throughout the area of operations (AO). FM 3-34.400 is designed primarily to assist Army engineers at all echelons in planning and coordinating GE operations at the strategic, operational, and tactical levels. It is also a resource applicable to Department of Defense (DOD), joint, and other Army organizations and agencies that have a role in supporting, establishing, and/or maintaining the infrastructure required to conduct and sustain military operations. It is the primary manual to define the engineer function of GE. FM 3-34.400 is applicable across full spectrum operations. This includes the four types of Army operations (offense, defense, stability, and/or civil support) across the spectrum of conflict (peace, crisis, and war). This FM recognizes the need for joint interdependence and the reality that operations will frequently be performed in a joint, interagency, and multinational environment.
