Once Upon A Time, a little girl called Claire and her stuffed unicorn, Capricorn, were very fond of fairy tales. Every night Claire's father read them stories of frog princes and fairy princesses, and every night every character lived happily ever after. Then one evening, just as a story came to its close, Claire suddenly wondered: What, exactly, makes someone happy forever? It was a question to answer as she slept. So Claire hugged Capricorn, and together they drifted into a dreamland adventure....

This book presents ways to draw beautiful pictures, in an easy and fun way that allows children to enjoy drawing, which makes them more open to books. These methods rely on the use of simple shapes - such as circles, ovals, rectangles and triangles, and how to customize them by adding your cool details. These methods are used to allow children to raise the mental and compulsive decisions of children at an early age, while keeping the childish style of drawing fun, which makes children more accommodating and enjoying. Drawing promotes family bonds, as it is accompanied by parents or siblings and is a good way to stimulate affection and communication. Parents should take advantage of every possible opportunity to draw with their children, who will be very pleased with this participation.
