Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-wired differently. Men like to hear, while women like to visualize, and that's completely natural too. A man wants to hear what their partner wants done to them, or wants to do for them before it's done. Hearing the words, screamed, moaned, whimpered, or whispered just flat out does it for most men. Women like to hear the words and imagine what those words or phrases will mean to them, how their partner will react, or how something will feel, even seconds or milliseconds beforehand, giving their brains time to process the possibilities, thus heightening the sensations. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed. Do you sometimes feel that your relationship and intimate relationship especially is declining over time? After all, the greatest sex organ is the brain. Once you start getting the hang of it, learning all the examples is still the tip of the iceberg. While it's great to become a top student and master the entire vocabulary of this book, it won't be enough. The next step is to affirm your own blossoming confidence. There are several self-affirmations out there to help you build confidence. It may seem strange to say things about yourself out loud, but it will help you build your confidence even more, because you will be training your brain to be more confident and self-assured. Once you have a bit of confidence, you have to realize that there will always be something around the corner trying to tear it down. You have to realize that only you can determine how confident you are. If you believe in yourself, then nothing anyone else says will matter. Building your confidence will make your life easier. It will also make your sex life better. Having confidence in yourself will help you be more confident in yourself in the bedroom. When you are confident in the bedroom, you will find that you have a lot more interest in intimacy with your partner, and they may even feel the same. Once you are confident, then you can move on to setting the mood, and creating a conducive and sexual atmosphere in and out of the bedroom within your relationship. A woman in the business of love that's never been in a real relationship. Check. That's me. Nessa Night. Now I know what you're thinking. That sounds like a stripper name. Hold up. Let me explain. It's my radio talk-show name. My incognito way of helping the world love deeper and more often. Though my love life is like a ten-year-old fall leaf trapped between the pages of an old journal. #dramatic I'm short. Curvy. Average at best. And I'm a fraud. For all the advice I give on the air, I have zero experience to back it up. I'm eternally single. Forever alone. And the only man I've ever caught feelings for is one of my callers: Mr No Name. Much to my surprise, he's not unknown at all. The grandson of the great Jack Daniels is my caller, and worse? He's my brother's best friend from high school. Only one way to right these increasingly awkward wrongs. High school reunion time. He wants in, and I want a date who looks like him. The only thing off is his advice about love. It's from Nessa night. Me! And if he swoons over her (me!) one more time, I'll have to give in and tell him. Besides, I'm in the business of love. If I don't got this, who does? *Gulp*

This type of engaging is a form of communication that allows a couple to explore role-playing and their innermost fantasies and to really feel like they are meeting the sexual needs of their partner. Dirty talking can take on many forms, and there is no right or wrong way to go about it. However, for this to work, both people must be invested in giving and receiving. The feedback you share is going to help your relationship to be as satisfying as possible. With that in mind, don't be shy about sharing what you enjoy. Critic Ralph Gleason said, "So many taboos have been lifted and so many comics have rushed through the doors Lenny opened. He utterly changed the world of comedy." He died in 1966 at the age of 40. Whatever the reason, you've chosen the right book to learn how to talk dirty! Talking dirty has become so much a part of our sexual culture that it has spawned surveys, interviews, forums, books, and research galore. In fact, before it was called "dirty talk," the art of saying sexual things to your lover with the intent to arouse had a scientific name: Lagnolalia. There's good reason for all this scientific interest. Over 80% of our sex life takes place in our heads, meaning that fantasy, memory, and desire are some of the most powerful driving forces behind everything we do behind closed doors. Studies have shown that by the time you actually get physical with your partner, your mind has been leading up to the encounter. So why not go for the dirty talk? It's been in the back of your mind all day anyway! According to Aline P. Zoldbrod, PhD, the author of more than a few books on naughtiness, sexy talk with your partner not only revs up play between the sheets, but enriches your life in ways you never would have imagined. It makes your partner feel good to know how excited you are, and your excitement makes them feel like the best lover in the world. That might explain why talking dirty makes you tingle in all the right places, but it doesn't explain why the naughtiest dirty talk can also be the hottest. It's one thing to say "fuck" and get a smile, but it's quite another to tell your partner exactly how you want to fuck them, in the most graphic terms you can imagine. The dirtier the words, the better. What's up with that? One word: Taboo. This book helps you break the taboo and teaches you how to talk dirty to a guy. **INSIDE YOU WILL LEARN:** 1. He makes dirty sound so good. So right. The moment I heard his velvety voice growl that I'm his 'Kitty Kat', I knew I was in trouble. Derrick 'The Love Whisperer' King gives out relationship and sex advice on the radio to everyone, but he's giving me something a bit more personal. Nobody's ever talked to me the way he does. Daring, Demanding, Sexy... and oh, so Dirty. Maybe we started this whole thing a little backward, sex first and getting to know each other after. But I'm starting to let my guard down, my untrusting heart beginning to think that maybe fairy tales do come true. Even for me. I feel beautiful and hopeful when he worships my body. I feel dirty and naughty when he whispers filthy things in my ear. But is it real? Can something so naughty really be good for me? And more importantly, against all odds, can it last... forever? Dirty Talk is a full-length Romance with a happy ever after, no cheating, and no cliffhanger!
