It's time to sleep, it's time to sleep, the fishes croon in waters deep. The songbirds sing in trees above, "It's time to sleep, my love, my love." As children prepare for bed, the world around them is also settling down for the night.

Animals who live in the jungle, the forest, the sea—all whisper to their babies a soft refrain: It's time to sleep, my love. As comforting as a soft blanket and warm as a goodnight hug, Eric Metaxas's lullaby is lovingly brought to life by bestselling artist Nancy Tillman (*On the Night You Were Born*), whose illustrations celebrate the wonders of the natural world, and the bonds of family. *It's Time to Sleep, My Love* is a 2009 Bank Street - Best Children's Book of the Year.

A mother relates the milestones in her preschooler's life from the day she was born to her first birthday. Lift-up flaps compare current abilities to former ones, and "Fast Facts" provide more details about a baby's growth and development. Years ago, Millman had the good fortune to be tutored by a number of mentors as mysterious and wise as his best-known teacher he called Socrates. One of those masters revealed to him (and a few other close disciples) a previously secret (and more accurate) method of numerological insight that bordered on psychic abilities, and in fact opened doorways to profound insight into the core issues at the heart of one's own life and the lives of others. Millman worked with this system for a decade, providing "spiritual law alignment" readings for countless people, before teaching this system to a relatively small group of people — and finally, the time came to write *The Life You Were Born to Live*. In this book he presents the method and revelations of The Life Purpose system, a modern method based on ancient wisdom that has helped hundreds of thousands to find new meaning, purpose and direction. *The Life You Were Born to Live* describes:

- the thirty-seven paths of life
- a precise method to determine your own life path and the paths of others
- the core issues, innate talents and

special needs related to each path, including areas of health, money and sexuality • guidelines for approaching a career consistent with your innate drives and abilities • the hidden purpose behind your own primary relationships • how to live in harmony with the cycles of your life • the key spiritual laws to help you understand your past, clarify your present, and empower your future.

His New York Times phenomenon *The Prayer of Jabez* changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles—not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? *You Were Born for This* starts with the dramatic premise that everyone at

all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. *You Were Born for This* will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today—and I expect to!" From the Hardcover edition.

It is natural for young children to be curious about where they come from. Using vivid full-color photographs and a clear, straightforward text, this comprehensive book answers the questions they have about how an egg cell grows to become a baby, how a baby lives inside its mother's uterus, and how a baby is born.

"Before...You were a song in our hearts, a star in our eyes." Told from the perspective of new parents welcoming their baby to the world, this touching love letter to young children by Governor General's Literary Award-nominated author Deborah Kerbel describes with lyrical grace all of the promise held by new life. As the seasons change from fall through winter and into spring, the expectant parents' anticipation over the baby's arrival is mirrored in the animals around the family's seaside home, marrying the natural world to the family's experience. Suzanne Del Rizzo, author-illustrator of *My Beautiful Birds* — a New York Times Notable Children's Books selection and winner of the 2018 SCBWI Crystal Kite Award — adds an intricately tactile element with her lush illustrations rendered in polymer clay and acrylic wash, depicting the animals in scenes at times playful and other times serene.

"Even before you were born, I was your grandma and I loved you." A loving grandmother eagerly awaits the arrival of her grandchild. She dreams of the baby's soft sighs, sweet smells, and tiny toes, and imagines the infant smiling, rolling over, and crawling for the first time. Finally, the baby arrives and Grandma is ready with a very special message.

On The Day That You Were Born tells a beautiful story as to how the Universe conspires and call forth each one of us to live out our purpose as co-creators with the Divine. Long before your conception and birth on this earthly plain, each spirit is first birthed in the Universe.

How You Were Born Harper Collins

The Earth celebrates the birth of a newborn baby, as around the planet the moon pulls, the tides rise, and the rain falls.

This sweet story "The Day You Were Born" is a delightful book for the mother-to-be and her children. This short story helps explain how a child is brought into the world and celebrates a birthday. This book would be great for first time moms explaining to their young children how they came into the world, or a second time mom explaining the birth of a sibling. It emphasizes strongly the bond between mother and child, and strong ties to family throughout a child's life.

Did The Sun Shine Before You Were Born? is written mainly for children aged 3 to 7. Although primarily intended to be read aloud by a parent, it has also been written and designed for use with the beginning reader in mind. The book focuses on the family and how it grows, because young children are intensely curious about their relationship to it. The illustrations show a wide variety of family situations to stimulate a child's awareness and acceptance of differences in lifestyles and cultures. This sharing of values and ideas will help parent and child communicate better with each other. *Did The Sun Shine Before You Were Born?* does not try to give all the answers about sex and the family to every child, nor does it presume to make choices or determine attitudes for parent and child. It is

intended to be an open, comfortable book that provides a simple framework of important information without prejudicing individual growth. Exceptional guides for sex education -Parenting. . . this book fosters communication between parents and children by sharing values and ideas. -SIECUS Report

How You Were Born is a collection of short stories looking at the bizarre, the tragicomic and the unbelievable elements that run through our lives. An aging academic becomes convinced that he is haunted by his double. Two children believe their neighbours are war criminals in hiding. A dwarf in a circus dreams of a perfect wedding. An eleven-year-old girl becomes obsessed with the acrobat who visits her small town. Two women fall in love over a painting of the apocalypse. A group of siblings put their senile Holocaust survivor father into institutional care, while failing to notice that he is reliving the past. Each story examines, from a different angle, the difficult business of love, loyalty and memory. With elegance and restraint, in spare language, these narratives run the gamut from realistic to uncanny, from ordinary epiphanies to extremities of experience. Settings range from present-day Toronto, to small town Ontario in 1914, to West Virginia in 1967, characters ranging from the very young to the very old, the manifestly unhinged to the ostensibly sane. These are dark stories in which light finds a foothold, and in which connections, frequently missed or mislaid, offer redemption. - Guest editor: Alayna Munce
