Did the Sun Shine Before You Were Born? Sol Gordon,Judith Gordon,1992-03 *Did The Sun Shine Before You Were Born?* is written mainly for children aged 3 to 7. Although primarily intended to be read aloud by a parent, it has also been written and designed for use with the beginning reader in mind.The book focuses on the family and how it grows, because young children are intensely curious about their relationship to it. The illustrations show a wide variety of family situations to

stimulate a child's awareness and acceptance of differences in lifestyles and cultures. This sharing of values and ideas will help parent and child communicate better with each other. Did The Sun Shine Before You Were Born? does not try to give all the answers about sex and the family to every child, nor does it presume to make choices or determine attitudes for parent and child. It is intended to be an open, comfortable book that provides a simple framework of important information without prejudicing individual growth.

Become Who You Were Born to Be Brian Souza, 2007-04-10 Do you ever feel burned out, beat up, or just plain bored, wondering, "Is this all there is?" Do you ever feel trapped in a stressful job that leaves you unhappy and unsatisfied? Do you ever question if you're doing what you're supposed to be doing—if you're fulfilling your life's purpose? If so, you are not alone. Like millions of Americans, Brian Souza found himself in this precarious position a few years back. Despite attending dozens of motivational seminars and devouring the best the self-help industry had to offer, Souza was left wanting more. The turning point came when he finally realized it wasn't artificial motivation he was after; he was really searching for a legitimate reason to be motivated. Thousands of hours of research and countless interviews later, Souza finally uncovered the secrets he was looking for all along: Just as musicians must make music, poets must write, and artists must paint, we all have a unique gift designed for a specific vocation that will bring both meaning and purpose to our lives. True joy and happiness will continue to elude us until we use that gift to become who we were born to be. *Become Who You Were Born to Be* is a blueprint for discovering your unique gift and using it to realize your personal and professional potential. Souza's program for achieving success in all areas of life reveals:

- Four steps to discovering your gift, uncovering your passion, and unlocking your purpose
- How to overcome fears and deal with change
- How to work passion into your profession
- Why a midlife crisis should be celebrated
- How to stop stressing and start living
- How to diagnose and fix flawed life patterns
- The untold secrets of top achievers

To illustrate his life-changing philosophy, Souza relates true stories of everyday people and world-famous celebrities—including Lance Armstrong, Amy Tan, Sylvester Stallone, Garth Brooks, and Oprah Winfrey—who became heroes by overcoming adversity and squeezing every ounce of opportunity from their gifts.
