

Human Resource Management Gary Dessler 13th Edition

Dessler: Preparing today's students to be tomorrow's HR Professionals Management of Human Resources: The Essentials, Fourth Canadian Edition, brings both human resources and non-human resources students into the current and comprehensive discussion on the ways in which human resources are among the most important assets in organizations today. The Canadian fourth edition provides extensive coverage of all HRM topics, such as job analysis, HR planning, recruitment, selection, orientation and training, career development, compensation and benefits, performance appraisal, health and safety, and labour relations. Note: If you are purchasing an electronic version, MyManagementLab does not come automatically packaged with it. To purchase MyManagementLab, please visit www.MyManagementLab.com or you can purchase a package of the physical text and MyManagementLab by searching for ISBN 10: 0133807339 / ISBN 13: 9780133807332.

This second edition contains a wealth of material on the theory and practice of Human Resource Management in Australia. The authors draw on engaging material from practitioner experience, academic literature and current media sources. Author Griffiths from La Trobe University and author Lloyd-Walker from Victoria Uni of Technology.

Human Resource Management Pearson Education India Human Resource Management Prentice Hall

As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 5th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

For introductory courses in human resource management. Foundations in management beyond the HR department Fundamentals of Human Resources Management supports human resources training for all students of management -- not just HR managers. The text presents a wide range of HR topics within a single semester of material, and a wealth of functional examples and applications. Fundamentals is also the first text of its kind to make talent management processes a core study. This 5th Edition has been updated with practical personnel techniques, real company examples,

and new material on business sustainability. Each chapter touches on important recurring themes in management, including employee engagement tactics, small/global business management, employment law features, and positive employee relations, to help students become stronger and more effective managers. Also available with MyLab Management By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Managing people is the most challenging part of any leader's job. And that job's not getting any easier as the human resources profession grows more dynamic and constantly changes. The Big Book of HR provides any business owner, manager, or HR professional with the most current information to get the most from their talent--from strategic HR-related issues to the smallest tactical detail of managing people. Each topic covered includes information on associated legal issues--such as the recent changes to the Fair Labor Standards Act's overtime regulations--and stories from leading organizations to illustrate the positive impact human resources can have on organizations of any size. Each chapter ends with discussion questions to encourage additional thought. Sample forms and templates plus a list of additional resources are also included. The latest edition of The Big Book of HR includes up-to-date information about how to: Select, engage, and retain the best talent for your organization. Develop attractive and fair compensation and benefits programs. Manage and develop your employees. Resolve conflict and maintain communications throughout the organization. Develop performance-management systems that reflect current trends and best practices. Use technology to effectively manage the human resources function.

A review of management concepts and techniques in a traditional management-process format. This new edition has been revised to reflect changes in managing organizations. It also covers globalization, deregulation and technological advances.

Human Resource Management provides students with the daily tools and skills they need to function as successful managers—in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms such as LinkedIn and cloud computing. The fifteenth edition focuses on the positive impacts technology has had on the HR field. The ability to vet potential employees on the Internet shifts more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavours for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century.

Since 2008, busy managers by the tens of thousands have turned to this best-selling book as a handy guide to the ins and outs of human resources. And no wonder! Because whether you're a small business owner, a manager in a business without an HR department, or even a seasoned HR professional, The Essential HR Handbook will help you handle any personnel problem--from onboarding to outplacement--quickly and easily. This fully updated 10th anniversary edition is packed with information, tools, checklists, sample forms, and timely tips to guide you through the maze of personnel issues in today's complex business environment. In it you'll find out how to: Attract talented staff through social media recruiting Identify legal pitfalls to avoid lawsuits

and regulatory interference Train a diverse and inclusive multigenerational workforce Provide the compensation and benefits package that will make your organization an "employer of choice" Streamline your orientation and onboarding practices so new employees hit the ground running Whenever personnel problems arise, having The Essential HR Handbook on your bookshelf is like having a team of expert HR consultants at your beck and call!
