Francis of Assisi is, after Mary of Nazareth, the greatest saint in the Christian calendar, and one of the most influential men in the whole of human history. By universal acclaim, this biography by G. K. Chesterton is considered the best appreciation of Francis's life--the one that gets to the heart of the matter. For Chesterton, Francis is a great paradoxical figure, a man who loved women but vowed himself to chastity; an artist who loved the pleasures of the natural

world as few have loved them, but vowed himself to the most austere poverty, stripping himself naked in the public square so all could see that he had renounced his worldly goods; a clown who stood on his head in order to see the world aright. Chesterton gives us Francis in his world—the riotously colorful world of the High Middle Ages, a world with more pageantry and romance than we have seen before or since. Here is the Francis who tried to end the Crusades by talking to the Saracens, and who interceded with the emperor on behalf of the birds. Here is the Francis who inspired a revolution in art that began with Giotto and a revolution in poetry that began with Dante. Here is the Francis who prayed and danced with pagan abandon, who talked to animals, who invented the creche.

Have you ever stopped to think how much “talk” occurs in our own little busy world every day of our lives? Do you realize how much talk is involved in our jobs in everyday business? How everything we do every day of our lives involves conversation and speech on many different topics? Our conversations in our household and community affairs, at our desk in the office, out in the factory or on the road, with our fellow workers, executives, vendors, customers, visitors, friends—all these involve thousands of words every day in our lives. Imagine what help it might be to your prospects of success if all your talk and conversation were consciously directed to specific objectives and goals of accomplishment. Think of the pleasant and desirable things that might happen if your talks, your conversations, your letters, your telephone messages, your public appearances all were consciously channeled along the road

to success. This book has as its major purpose the directing of all these words into proper, efficient, and effective lines of communication.

From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

Does the subject of money and the church leave you frustrated? If it does, you are not alone! Due to his own frustrations as a pastor, author Francis P. Martin began an extensive scriptural study, looking for an answer to this source of contention for church leadership, church members, and non-churchgoers alike. As a result, *The Kingdom's Economy: A Guide to Proper Giving* was born. Through biblical analysis and the successful implementation of these principles in his own vibrant and prospering church, Martin demonstrates how obedient tithing brings blessings. He challenges readers to imagine a church without an offertory time or fundraising schemes, recognizing that while tithing is fundamental to financing the church, there are many churches remaining malnourished. 'I have always taught that God gives generous people more to be generous with. Few understand this principle of 'kingdom economics' better than Pastor Francis Martin, especially as it relates to the tithe. This is a must-read for all Christians, especially pastors. It will revolutionize the finances of the church.' Jim Darnell Bible Teacher and Pastor

The words you speak will either put you over in life or hold you in bondage. Many people have been held captive in their circumstances by their own words. The absence of God's Word in your life will rob you of faith in His ability.

You have clout. Have you discovered it yet? It is easy to believe that power, influence, and leadership are gifts given to a special few. But the Bible says otherwise. We all

long for significance, even as we fear we will never be good enough. We listen for God, but hear only voices of doubt and practicality. Listen again. There is a call that only you can answer. Clout is power and influence. It is an undeniable trait that opens doors and moves mountains. You have it, and you can use it to change the world around you. With Scripture and stories from her own life, Jenni Catron maps out the pitfalls and clear paths on the way toward discovering and unleashing your very own clout. This is not a quest of power for power's sake. Influence is not a guarantee of fame or fortune. It is an opportunity to use your gifts to do the extraordinary. This is a journey toward dismantling what stands in the way of your influence and leadership, discovering your God-given clout, and using it to answer God's calling on your life. Learn about Jesus and others who sought to lead like him. Stop dreaming and start planning. Define your direction, set your goals, and confront the challenges that stand between you and the person God made you to be. Step into your sphere of influence with the humble confidence of Christ. Don't hide. We need you. Discover your clout here.

If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human

nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

Sisterhood, motherhood, marriage, baking, and books—these are a few of the things that make this delightful novel a recipe for getting through the tough stuff of life—from the author of *The Summer Sail* and *The Summer of Good Intentions*. Ellen McClarety, a recent divorcée, has opened a new bake shop in her small Midwestern town, hoping to turn her life around by dedicating herself to the traditional Danish pastry called kringle. She is no longer saddled by her ne'er-do-well husband, but the past still haunts her—sometimes by showing up on her

doorstep. Her younger sister, Lanie, is a successful divorce attorney with a baby at home. But Lanie is beginning to feel that her perfect life is not as perfect as it seems. Both women long for the guidance of their mother, who died years ago but left them with lasting memories of her love and a wonderful piece of advice: "At the end of every day, you can always think of three good things that happened." Wearing her big Midwestern heart proudly on her sleeve, Wendy Francis skillfully illuminates the emotional lives of two women with humor and compassion, weaving a story destined to be shared with a friend, a mother, or a sister.

This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don't envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references *The Walking Dead* and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity accessible in the 21st century. In *Own The Moment*, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn't care less about church to leading one of the country's fastest-growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music icon in an NBA player's Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about “living the dream” and learn to embrace the beauty of your reality? These are just a few of the many important

questions Lentz answers in *Own The Moment*—a powerful book that redefines not just Christianity but spirituality as a whole.
