How can Charlotte walk away when she's finally found where she belongs? Charlotte shook off the shackles of the human world and is struggling to find her place amongst the Lupine. Within the Bronze pack, everyone has a path and she's eager to find hers. Yet thoughts of romance begin to cloud her mind as she finds herself surrounded by blissfully mated couples. But her hunt for love and direction takes an unexpected turn when Charlotte learns that somewhere out there, her long-lost family is searching for her. Will she walk away from the pack that took her in to dig up secrets that may be better left buried? This most recent edition of Night Revelations has been expanded to include the previously separate sequel, Night Discovered.

My name is Fynn Young. Fynn is pronounced as it sounds - F-I-N-N. I live in Mississippi in a small city called Tupelo. I was born in 1901. If you guessed my age to be 114 years old, you are correct. So how am I still alive? I am a female wolf shifter. I was born in 1925. When I was 24 years old, I learned I had a unique gift. I could change into a black wolf. I will forever look as though I am in my early 30s now. Being a shifter is something I have struggled with for 90 years. Coming to terms with it, I mean. I live in the South and I haven't come into contact of any of my kind but once and he was no help. I don't want to live in a pack, although they say packs are healthier and are more adjusted. I don't have very much information as far as being a wolf shifter. I don't know anyone else like me. So while I do my tracking, I also look for people like me who can hopefully answer my questions. I do know a little about what I can do. I can shift anytime, I don't need a full moon. Silver does hurt very badly and will kill a shifter if it isn't treated immediately. I don't kill humans when I shift, I hunt for small game animals. I do love dogs. I actually have a dachshund named Riley. And as far as I know, there is no cure for Lycanthropy. When I shift, I transform into a 110 pound female wolf with hazel green eyes and thick dark brown, almost black fur. I chose to use my, curse, as I call it, for good. I track down missing people. People who may be missing by choice, or who may not be. I also track children who are lost, kidnapped, or are runaways. I work alongside my trusting companion Riley and two other friends. This is our story.

Never lead a widowed shifter cop to his true mate then tell him he can't have her. "If you're looking for a great shifter story, this one will pull you into the series!" Mya Being a single mom is hard. Not dying at the hands of my kids' deadbeat dad is harder.

Especially when the shifter elders won't lift a finger to help me. But for my daughters, I'll risk everything for freedom. Even if that means trusting the new cop in town with our protection. And my heart. But loving Rick feels more natural than anything I've ever experienced. It's as if he already knows my soul... Rick A century ago, I lost my breeding partner and unborn babies. Then I walked away from pack life to protect the innocent. A cold murder brought me back and gave me a second chance with the one woman I never expected to find. Mya is my true mate. My wolf knows it. I know it. Only one thing stands in our way. The criminal who kidnapped her from her human life would rather see her dead than with me. And Mya's death isn't something I could bear.

So it comes down to kill or be killed. And I have no plans on losing my life or Mya. _____ This book is the closed-door version of Rescued by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. _____ Dana's Note: Welcome to the Shifter

Nearly twenty years ago, Ruby was stolen from her pack by an alpha who saw her as the key to his power. Now she's free, but freedom comes with its own problems. Her old pack comes calling, and they aren't the sort of visitors that come bearing gifts. They bring danger, threats, and for whatever reason, Ash. To quell the tension between her old alpha and her new one, Ruby volunteers to go with Ash on a mission to find information about lupine being hunted. Working together leads to more discoveries between themselves than anything else, however, when Ruby's honed defenses prove flimsy against Ash's charm and persistence. The last thing she needs is to play with a younger lover, especially when lupine are going missing. With too many questions and mysteries floating around her, will Ruby find the balance between her lupine loyalties and her own free will? Her heart has been broken before, and now she's protecting her very spirit. *** KEYWORDS: steamy paranormal wolf shifter romance, shapeshifter romance, standalone romance for adults, interracial, werewolf romance, younger man older woman romance USA TODAY BESTSELLING AUTHOR Megan Linski conjures a fantasy shifter romance where fae bond with fated mates and royals rule a dark kingdom. Finding your soulmate can be deadly... Emma I never believed magic was real— until I used it to kill a werewolf. Not long after, a letter arrived from a supernatural school, claiming I was a sorceress. I'm forced into a world where dragons breathe fire, griffins fly, alicorns battle and wolves hunt monsters. At this academy, sorceresses are bound to alpha shifter mates, and pagan rituals are used to connect with the gods. I know my mate is somewhere within the school... along with those who want my blood. A cult of dark magic is following my every move, and I have to master my powers before they come for me... Ethan I never meant to kill my own father. What happened led to the loss of my leg, and my reputation as heir to the throne. I found a way to pay for my sins by playing the role of Prince Ethan during the day, and a vigilante hunting cultists by night. Keeping my secret identity hidden has been far more difficult than I imagined. But now my kingdom is at stake. A new leader will be chosen through the King's Contest, a fatal competition where contestants battle for power and, more often than not, die in the process. Without a mate, I cannot compete for the crown. I formed an unbreakable bond with Emma upon first sight. But I have to keep my love a secret. Emma can't know she's my true mate; otherwise, she'll be in more danger than ever before. But the King's Contest is rapidly approaching, and if I don't choose a mate soon, the fate of my country will fall into the wrong hands... *** A Court of Thorns and Roses meets The Witcher in this fae academy series that's haunted with sexy shifters and dark deception. This daughter of dragons has learned to hide to survive. Until she meets the only man with the power to set her true heart free...or destroy her. Mia My whole life I've been trained to hide what I am. Run. Lie. Survive. One night, my worst nightmare caught up with me. His name is Viktor. The strongest Alpha wolf I've ever encountered. And I've known them all. Dark. Dangerous. Raw. Sensual. I could have fought. I could have run. But then he would have known my true self. To a ruthless bounty hunter like Viktor, my secret is far too valuable. Now, I'm his prisoner. My body. My life is at his mercy. At least, that's what I need him to think. I should break free. I know I can. And yet...I don't. He wants to keep me for himself. Claim me. Mark me. Own me. His darkest nature ignites a fire within me I never knew I had. My head tells me to run. But my heart and primal instinct tells me to let him have what he wants. All of me. Viktor She was just a job. A means to an end. A bargain I made with the devil to set myself and my pack free for good. Then I saw her. Beautiful. Sheltered. Protected her whole life from the horrors I and shifters like me have had to face. Then I touched her. Flawless skin. Pouty lips begging to be kissed. A perfect body that bends to mine on instinct when I reach for her. Then I knew her name. She belongs to me. Her family swore an oath to mine. One I mean to make her honor. In body. In soul. In fate. I see the fire in her eyes. She's oh so innocent, but wild. Untamed. She has secrets she thinks she can hide from me. She can't. I see her. I know what she is. Mine. And I'll have her. No matter the price. No matter the danger Even if it destroys us both. America has gone Hamilton crazy. Lin-Manuel Miranda's Tony-winning musical has spawned sold-out performances, a triple platinum cast album, and a score so catchy that it is being used to teach U.S. history in classrooms across the country. But just how historically accurate is Hamilton? And how is the show itself making history? Historians on Hamilton brings together a collection of top scholars to explain the Hamilton phenomenon and explore what it might mean for our understanding of America's history. The contributors examine what the musical got right, what it got wrong, and why it matters. Does Hamilton's hip-hop take on the Founding Fathers misrepresent our nation's past, or does it offer a bold positive vision for our nation's future? Can a musical so unabashedly contemporary and deliberately anachronistic still communicate historical truths about American culture and politics? And is Hamilton as revolutionary as its creators and many commentators claim? Perfect for students, teachers, theatre fans, hip-hop heads, and history buffs alike, these short and lively essays examine why Hamilton became an Obama-era sensation and consider its continued relevance in the age of Trump. Whether you are a fan or a skeptic, you will come away from this collection with a new appreciation for the meaning and importance of the Hamilton phenomenon.

Uncover the dark secrets of the shifters from Hidden Pines... Wolf's Game I feel trapped and need to escape. I am a grown woman, and my parents have ruled my world for far too long. When I am given the opportunity to become a mail-order bride, I agree without hesitation. Eliot is arrogant, and one of those strong, silent types who I just can't stand. But, he also has smoldering eyes and a god-like body. I can't stop imagining all the things I want him to do to me. And then there's his secret... *** I'm ready to settle down with my one true love, but the dating agency got it wrong this time. Sure, Ashlyn is gorgeous and sexy, but she's not my type at all. She talks constantly. She hates the outdoors. And, it's obvious she's never had to work for anything in her life. If I can't stand her, why do I stay awake at night thinking about how good she looks, tastes, and feels? Dragon's Refuge I have to break this curse. On my father's deathbed, he told me one thing: Find Hawthorn Davis. I imagined Hawthorn and I would break this curse together. Instead, he turns out to be the biggest jerk I have ever met. Although, I can't deny

the electricity I feel when I am near him. But none of that matters. I need his help, and he will give it to me. *** My mortal enemy shows up on my doorstep and expects me to help her. I send her on her way, despite the fact that she is the most beautiful girl I have ever seen. But with Callie, nothing is ever simple. She doesn't give up when she wants something, and right now, she seems to want me. Second Chance Shifter Women mean nothing to me—except the one that got away. I try to tell myself I am over her, but it's a lie. When I see her unexpectedly, my world is turned upside down. She is mine, and I will claim her as my own. *** I thought it would be safe to go back. So much time had passed. I was wrong, though. One last night with Forrest was all I wanted. One year later, and my baby and I are in more danger than ever. I have to get to Forrest before my past catches up with me. I know he will help me. I just hope he can forgive me. Bear's Fox I moved to Hidden Pines to get away from men like Jarod—men who are hot and sexy but ultimately bad for me. When my house burns down, I have no other option than to accept his offer. I guess I will be his new roommate for the time being. All he needs to know is that he needs to stay away. He can keep his smoldering looks, rock-hard abs, and god-like muscles to himself. *** I don't want to get close to anybody. Being with me is too dangerous. I am being hunted. I would never put anyone I love in danger. But, I didn't expect Winter Everhart to rock my world. I need her out of my life as soon as possible, or else the Triad will come after her, too. 18+ only.

As Tracker for the Redwood Pack, Kaylee Jamenson knows her duty. She's seen war and heartache, but now the battle hits closer to home when a Packmate goes missing. With rogues on the rise, the Alphas of the Redwood and Talon Packs send her to find their lost wolf before all is lost. Yet nothing is as it seems and as the hunt grows dangerous, so does the threat to her heart when fate throws a curveball in her path. Her mate.

Shifters keep their friends close and their enemies closer in a shadowy world where the line between hunter and hunted thins, blurs, and finally shatters. Boxed set contains the complete Underground Heat Series. Three full length books. Three HEAs. No cliffhangers. Roman's Gold Once respected members of society, shifters are running for their lives. Devon's been a cop for a long time. He has shifter blood, but not enough to change into anything. His latest assignment is Kate. From the moment he sees her, he can't get her out of his mind. But she's the enemy he's sworn to eradicate. As he tracks her, the line between hunter and hunted explodes into fiery attraction. If their passion doesn't save them, it'll doom them forever. Wolf Born Max leads a dangerous double life in a futuristic California that's almost out of resources. If Audrey could finesse it, she'd go to work helping the shifter underground. The only sticking point is Max. She's been in love with him forever. If she joins the underground, she believes she'll never see him again—but that's because she has no idea he's the head of it. After a second attempt on his life, Max faces critical choices. He can't believe Audrey's behind the assassination attempts, but everything points her way. Will he follow his head or his heart? Blood Bond Head of the shifter underground's security force, Johannes has his hands full. He's the most compelling man Daria's ever met, but he's also stubborn and arrogant. Her cat thinks he's their mate, but if Daria had her way, she'd run hard the other way. Just her bad luck, a series of lethal attacks keep her square in his gunsights. Johannes is desperately attracted to Daria, but anything beyond sex isn't part of his life plan. He has his reasons. They've served him well, and he's not changing them now.

Onyx: I'm a city wolf—a damaged and injured one at that. Obviously, the absolute last place I should be when I'm in heat is in the middle of the woods with unmated male shifters in the wild able to scent me. But here I am, running for my life. I'm not used to anyone being nice to me, let alone helping me. Even being the daughter of a pack alpha doesn't keep you safe when you're the lone freak in your pack who can't shift. I'm being hunted out here in the woods, and yet somehow I feel safe on the doorstep of the big, brusque stranger who offers me sanctuary. Taron isn't like any of the shifters I grew up around. He's a bear shifter for one—an alpha, no less—with a protective streak a mile wide...for me. Taron: Not much to say. I knew from the moment Onyx found herself trying to escape her troubles in my woods. It hit me like a damn freight train. The she-wolf was my mate. Meaning she was mine to heal. And mine to protect at all costs. Previously published as Ride The Wicked Woodsman (c) 2015 with revisions throughout, newly added content, and a different extended ending. PROTECTED BY THE PACK (MC shifters) Book 1: Harboring His Mate (Taron & Onyx) Book 2: Resisting His Mate (Braeden & Paisley) Book 3: Enticing His Mate (Joshua & Clover) keywords: shifter romance, PNR romance, sexy small town, steamy PNR, alpha shifter, alpha MC, BBW, curvy girl romance, curvy woman romance, new adult PNR, paranormal suspense, alpha hero, MC romance

Shifters keep their friends close and their enemies closer in a shadowy world where the line between hunter and hunted thins, blurs, and finally shatters Author's Note: Wolf Born is book two in the Underground Heat Trilogy. All three novels are full length shifter romances with happy-ever-after endings! You can buy the books individually, or in the boxed set titled Underground Heat. Max leads a double life in a futuristic California that's almost out of resources. Despite grave risks, he ran for state governor to protect his people. He's also leader of the shifter underground. Threatened with genocide, many shifters have gone into hiding. Some blame Max and the underground for their plight, rather than the governmental edict that's meant death for so many. Audrey works for Max. Unlike most humans with low levels of shifter blood who bless their lucky stars they avoided the purge, she wants to be a shifter. If she could find a way to finesse it, she'd quit her job in a heartbeat and go to work helping the shifter underground. The only sticking point is Max. She's been half in love with him forever. Against a dog-eat-dog political backdrop where no one knows who their allies are, Max and Audrey spar with one another. Max fears she's part of the group trying to kill him. Audrey has no idea about Max's double identity and worries she won't be able to walk away from their fiery attraction to help the underground. After a second attempt on his life, Max faces critical choices. Will he follow his head or his heart?

A group of scientists from Area 51 named me Elixia. I am a hunter with abilities. My inception began in one of their laboratories founded by the 'The Abnormal Hunters Society' a group of eccentric millionaires. My job is to kill or capture hostiles who are not human. They made me look like a nineteen-year-old girl. My skin and short hair have a combination of blue and green colors. My veins look white, and my eyes are the lightest yellow you can imagine. In fact, I always have to wear dark sunglasses because if humans see them, they think I am a vampire or a werewolf. I am not a shape-shifter, so I can only change the color of my hair to platinum silver, and my skin turns white. My eyes stay the same color. My abilities allow me to do the job that I was created for; hunting aliens, vampires, rogue angels, werewolves, etc.

Phoenix Shifters are rare. They also hold the key to eternal life. No wonder the Dragon King wants my blood. My entire life has been spent in hiding, concealed in a traveling circus under the powerful spell of an old witch. It would be just my luck that a streak of rebellion would land me in the hands of three sexy dragon shifters. I am in so much trouble. Dragons aren't supposed to know I exist, let alone make me feel this... warm. I don't know these three heart-pounding dragon gods. I'm not even sure I can trust them, but it turns out that they might be the only ones who can protect me from the Dragon King. We are playing a dangerous game, and if we don't get our act together and defeat the tyrant who is hunting

me I am going to lose more than the three Dragon Gods that have claimed my heart, and my soul. Rise of The Witch is a full-length Shifter Reverse Harem Romance coming in at just over 105,000 words. This book contains a fair bit of swears, lots of shirtless men, and fade-to-grey steam. There may or may not be a cliff-hanger. You have been warned.

A dark cloud approaches the small community of Sun Valley, and only these Bear Shifter cowboys can save it. Will they find their Fated Mates in the process? The Bear Ranchers Ultimate Box Set is here! Contains the following novella stories: RIDING BEARBACK - Get back here you stupid cow! Jess Lincoln just wasn't cut out for this! She's a city girl from New York, used to cafe lattes in the morning and swanky bar Manhattans at night. But here she was, running from her past and her ex-husband. So why did she run to a cattle ranch of all things? Did she think she could just throw on some pumps and walk out to milk the cows? Was there anyone out here that could help her? Wyatt Wade knew his way around a ranch. His Bear Shifter Clan specialized in long distance travel of troubling species. Water buffalo, oxen and even flocks of ostrich: if it walked on this earth, they could herd it. But this fiery little city slicker that just moved into the ranch down the way was something else. She was all thorns and tangle weeds, but his primal instinct didn't care. She needed help, and he needed her. SADDLED BEARBACK - Jamie Campbell loves the family ranch, but a recent family tragedy has hung a dark cloud over the place. The cattle still graze, but her father has been a knot of worry and his whiskey is never far away. Her cousin Oliver has a knack for business, but when it comes to managing the herd of cattle, Jamie is in over her head. Not that she'd ever admit to needing help, of course. No matter how tall or handsome that help turned out to be... Jesse Crowe thought this would just be another normal gig. Help a local ranch get back on their feet and make a little spare change on the side. It looked like a win/win situation. Of course, as soon as he laid eyes on the rancher's daughter, his primal bear Shifter needs erupted. Oh yeah, this just turned into a win/win/win situation. Too blind to see the looming threat in their midst, could they have any chance of finding love when their lives were at risk?

DANCING BEARBACK - Willow Davenport and her family have always loved the wild west. They love it so much, they sing and dance in their own Western themed show. Always on the hunt to expand their holdings, they are elated when the ranch next door goes on sale. They jump on the chance to buy it. Only they aren't the only ones. Tyler Crowe, a Bear Shifter cowhand, is also interested, as are a couple of werewolves. On a tour of the place Tyler and Willow find themselves hopelessly attracted to each other. How can they bid against each other now? Luckily it's not up to them to decide who gets the farm. Tyler will have to decide if her will tell her secret. Will she still love him when she finds out he's a bear? When the bidding war starts who can keep their heads? Tyler and Willow need to keep theirs or risk losing everything. SPURRED BEARBACK - Sun Valley is in jeopardy. An age old debt has come due and the residents are in danger of losing their home. This weighs heavily on Valerie Rousseau's mind. She was sent to Sun Valley by a company, interested in buying up the land. At first it's just another job, just another corner of the land that this machine she represents wants to eat up. But then she meets the people and falls in love with a Bear Shifter named Kyle. This changes everything for her. Now she has to work to keep her job, save Sun Valley and try to win the heart of the man she's seriously falling for. But time is running out and there are no easy fixes as darker secrets come to light. BUCKING BEARBACK - Sun Valley is being threatened by an evil werewolf corporation that has its eye set on destroying the place. Jeanie Buchanan is a pawn in this game of greed and revenge. Sent to Sun Valley to do a survey of the land, she is ill prepared for what she finds there. Over 75,000 words of steamy BBW Shifter novellas! Get ready for swoon-worthy shifter heroes, kickass heroines, fated mates, and the action-packed storylines that'll keep you up at night turning the pages.

This set includes: Shift of Fate Echo of Magic Kiss of Midnight Heart of the Wolf Secret of the Fae

Shift of Fate I am Willow's protector. I am paid to give my life for hers. As a member of the elite all-shifter Wolfguard Security Team, it's the job. One last assignment and I can write my own ticket. Start my own pack. It should have been easy. Just a cross-country road trip. Get the girl home in one piece. Then I saw her... Her scent calls to the wolf inside of me. Then I got too close... A single touch and I knew we were fated. A single kiss and I knew I would kill for her. But Willow belongs to someone else... In one week, I'm supposed to deliver her to him. Except, it's my name she calls out for in the night. My mark she craves. If I take what's mine, it could destroy the life I've built and call forth a darkness too big to contain. If I claim her, it could ruin us both.

Echo of Magic Meg Crossley hired me to guard a priceless red diamond. But, the second I laid eyes on Meg, I knew she was the greatest treasure of all. My heart beats for her. Her touch rouses my inner wolf in dangerous ways. She knows what she is to me, but it scares her. She's lost everyone she loves and that rare diamond is all she thinks she has left. There's a legend surrounding it. An ancient power lurks inside waiting to be unleashed. If it falls into the wrong hands, it could spell the end for every shifter on the planet. I'm here to keep that from happening. But it might cost Meg's life.

Kiss of Midnight I'm an Alpha wolf shifter. It's my duty to capture the woman who killed a member of the coven. Nadia is considered dangerous. Her dark and deadly spells spare no one. I never expected to be so drawn to her. Could it be her spell? Probably. There's no way we can be soulmates. But I feel an intense need to protect her... to believe her. There has to be more to the story. And it has to be us against the world. But can we truly become one and confess our love for each other?

Heart of the Wolf I've pledged my life to Wolfguard Security. They took me in when I was lost. I've killed for them. Bled for them. Kept their secrets. There's nothing I wouldn't do to serve this brotherhood. Then, a wildcat crossed my path. Nova's the last of her kind. A female jaguar. Hunted. On the run. Coveted by a rival pack, a secret organization, and just about every other shifter on the planet. If any of them find her, they'll try to claim her. Own her. Bend her to their will. And I will destroy them all. Because Nova belongs to me. My fated mate. Wanting her is dangerous. The last time I led with my heart, the woman I loved got killed. I was younger then. I thought I was invincible. I'll never make the same mistake again. No matter how much Nova's primal nature calls to mine. To save her life, I'll have to let her go.

Secret of the Fae Wolfguard Security sent me to find out what she knows. To contain the threat she poses. Zendra holds the key to unlocking a mystery that could destroy every shifter alive. Her magic is unlike any I have ever felt. I'm an Alpha Wolf. She's something different. Ancient. Powerful. Intoxicating. I crave her just like a drug. She pulls me in even though I know it will be my undoing. I have no choice but to stay bound to her. At least until I can uncover the secret she's hiding. The source of her power. Only, I have a secret of my own. If I don't take a mate soon, I'll lose control of my wolf for good. It might already be too late. I know I should just turn her over to Wolfguard and walk away. Find out if there's anything left of me to save. Though I came for the hunt, it's Zendra who holds me captive. Pulled between sin and salvation. Duty versus desire. There's only one thing left to do. Give into fate or lose everything. Book Themes: wolf shifter romance series, paranormal romance box sets, shifter romance bundles, shapeshifters, werewolves, witches and mages, fated mates, strong protective alpha male heroes, kickass strong female heroines, werebears, new adult, standalones, complete series, security guards, bodyguards,

Payne couldn't believe the situation he was in. Brought to an island to be hunted for some sick shifters pleasure. No weapons and his ability to shift into a chinchilla made everything seem hopeless until a huge Tigon shifter appeared ready to defend him...ready to kill to keep him safe... all because he and Castiel were mates. Payne just hoped he lived long enough to make that official.

I am a wolf shifter torn apart.Hunted. Broken. Destined to spark a war.My freedom has come at a cost. Anyone who cares about me will be hurt by the true nature of my power. To protect the ones I love, I must push them away.Only Tristan Masters may stand beside me, but his fate is closing in as fast as my options are running out.Surrounded by enemies, our hope lies in a secret that has been guarded for millennia-the truth about Tristan's past.He is my future, but he could just as easily be my end.My heart is already broken. Now I must risk my mind and soul to save us both.This dark wolf will break free.Content information: This is a dark urban fantasy romance, the third book in the Soul Bitten Shifter series. Recommended reading age is 17+ for sex scenes, mature themes, and language. NO cliffhanger.

There's nothing more tempting than doing something that you really shouldn't. I am Blue, the girl with the knife tattoo. My generation were born long after the ancient world crumbled and fell.Moon, my best friend and I, hunt for objects from the ancient world, things that we trade. We are always on the move, never staying in one place too long, and trying to stay away from the war zones as much as possible.Demons and humans fight each other instead of standing up against the Old Gods who returned after the death of the Ancients. Moon is a Demon, but she's like a sister to me, her coven rejected her because she's a self-proclaimed vegetarian, refusing to consume human flesh.The ruins of ancient cities are off limits because legend says they hide the entrance to the Underworld, to Hades' realm and they are patrolled by Hellhounds, deadly werewolf shifters. After finding a mysterious object we were attacked on the road and the bastards kidnapped Moon.I took up the hunt and it led me into the heart of a ruined city called Don and to the three Hellhounds'

protecting it, Aris, Damon and Nero. Aris, the eldest is handsome and always ready for a fight. Damon is strong, gorgeous and mute. His eyes tell stories I want to know. Nero is the youngest and so much like me, ready to push boundaries. Will these three handsome brothers help me find Moon? Do they really know where the entrance to Hades' realm is? Why are they living in this place, isolated from the world? Does Hades have power over them or are they willingly protecting him? Get ready for a wonderful adventure. This is a slow burn reverse harem why choose story suited for mature readers.

My name is Fynn Young. Fynn is pronounced as it sounds - F-I-N-N. I live in Mississippi in a small city called Tupelo. I was born in 1901. If you guessed my age to be 114 years old, you are correct. So how am I still alive? I am a female wolf shifter. When I was 24 years old, I learned I had a unique gift. I could change into a black wolf. I will forever look as though I am in my early 30s now. Being a shifter is something I have struggled with for 90 years. Coming to terms with it, I mean. I live in the South and I haven't come into contact of any of my kind but once and he was no help. I don't want to live in a pack, although they say packs are healthier and are more adjusted. I don't have very much information as far as being a wolf shifter. I don't know anyone else like me. So while I do my tracking, I also look for people like me who can hopefully answer my questions. I do know a little about what I can do. I can shift anytime; I don't need a full moon. Silver does hurt very badly and will kill a shifter if it isn't treated immediately. I don't kill humans when I shift, I hunt for small game animals. I do love dogs. I actually have a dachshund named Riley. And as far as I know, there is no cure for what I have since I was born a shifter. When I shift, I transform into a 110-pound female wolf with hazel green eyes and thick dark brown, almost black fur. I chose to use my, curse, as I call it, for good. I track down missing people. People who may be missing by choice, or who may not be. I also track children who are lost, kidnapped, or are runaways. I work alongside my trusting companion Riley and two other friends. This is our story.

Shifters keep their friends close and their enemies closer in a shadowy world where the line between hunter and hunted thins, blurs, and finally shatters Author's Note: Roman's Gold is the kickoff volume for the Underground Heat Trilogy. All three books are full length shifter romances with happy-ever-after endings! You can buy the books individually, or in the boxed set titled Underground Heat. Once respected members of society, shifters are running for their lives. In a futuristic world where resources are scarce, Kate uses her human form to work as a sex surrogate. Furious at what looks a lot like genocide for her people, she joins the shifter underground. Devon's been a cop for a long time. He has shifter blood, but not enough to change into anything, at least not until the police department insists on a series of infusions to make him better at tracking shifters so they can be imprisoned—or killed. Devon's latest assignment is Kate. From the moment he sees her, he can't get her out of his mind. But she's the enemy he's sworn to eradicate. As he tracks her, the line between hunter and hunted explodes. Against reason and wisdom, Kate and Devon defy the rules. If their passion doesn't save them, it'll doom them forever.

Book 3 in the Black Mesa Wolves series by USA Today bestselling author J.K. Harper "I am glad I gave J.K. Harper a try! I love her shifter world! She's created a wonderful world and characters that captured my attention from the first chapter. This is my favorite in the series so far." -Night Owl Reviews, 4.5 Top Pick Caleb Bardou has a quick answer for anything that comes at him: his fists. Barreling through life, damn the consequences, has always worked for him. With dangerous rogue wolves threatening his Pack, he must be a ruthless hunter. But when a delicate little she-wolf gets in his steamroller way, he has to find a different strategy to win the unexpected battle for her body and her heart. Each time civilized Rielle Amoux thinks about caveman Caleb, she gets all tingly inside. Yet she refuses to be flustered by a hot-headed, chest-thumping, he-man of a wolf. Except Caleb is sexier than sin, and he arouses her on a primal level--the part of her she's always denied from fear she won't be able to control it. But if she doesn't free her wild side soon, she risks losing her wolf forever.... Between vicious rogues and sweetly seductive Rielle, Caleb has his hands full. Just when he thinks he has everything under control, his trigger temper erupts again. This time, the fallout could be disastrous for his Pack--as well as for any chance he has with the sexy little wolf who might be his destiny. Never tell a shifter to choose between two mates. Newly matured shifter, Hannah Kagan has her sights set on saving a neighboring pack from a corrupt leader. All she has to do is convince Ethan Jager to mate her and take over the Tanner pack. But a chance encounter with a handsome stranger makes her question everything, including her love for Ethan. Noah lost his mate decades ago. His secret relationship with fellow pack mate, Ethan, soothed the sting of her loss. Hannah, however, can either heal him once and for all...or rip his heart in half. With his pack in shambles, Ethan struggles with the choice of mating Hannah and taking over as leader or huddling in the dark with Noah while his friends and neighbors suffer. Neither option fits his wants. That leaves him with one alternative: Claim both of his mates...and try not to die in the process. _____ This book is the closed-door version of **SHARED MATE** (previously titled: **SHARED FOR LOVE**) by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. _____ Dana's Note: Welcome to the Shifter World® where primal heroes take on the world to claim their true mates! This book explores the development of queer Gothic fiction, contextualizing it with reference to representations of queer sexualities and genders in eighteenth and nineteenth-century Gothic, as well as the sexual-political perspectives generated by the 1970s lesbian and gay liberation movements and the development of queer theory in the 1990s. The book examines the roles that Gothic motifs and narrative strategies play in depicting aspects of lesbian, gay, bisexual, transsexual and intersex experience in contemporary Gothic fiction. Gothic motifs discussed include spectrality, the haunted house, the vampire, doppelganger and monster. Regional Gothic and the contribution that Gothic tropes make to queer historical fiction and historiography receive attention, as does the AIDS narrative. Female Gothic and feminist perspectives are also explored. Writers discussed include Peter Ackroyd, Vincent Brome, Jim Grimsley, Alan Hollinghurst, Randall Kenan, Meg Kingston, Michelle Paver, Susan Swan, Louise Tondeur, Sarah Waters, Kathleen Winter and Jeanette Winterson.

Shifters keep their friends close and their enemies closer in a shadowy world where the line between hunter and hunted thins, blurs, and finally shatters Futuristic Shifter Paranormal Romance Author's Note: Blood Bond is book three in the Underground Heat Trilogy. All three novels are full length shifter romances with happy-ever-after endings! You can buy the books individually, or in the boxed set titled Underground Heat. Head of the shifter underground's security force, Johannes has his hands full. When Max, the underground's leader, is almost killed by sniper fire, Johannes breaks a cardinal rule to save his friend and makes a discovery about himself that changes everything. Daria's been a healer in one capacity or another for hundreds of years, but wholesale slaughter aimed at wiping out her kin is something new. Called to the governor's mansion after Max gets shot, she finds him wallowing in a river of his own blood. By rights he should be dead. She questions Johannes, but he remains stubbornly silent—after telling her an outright lie. If Johannes wasn't so knockout gorgeous, and she wasn't so wiped out, Daria would've left after treating Max. Instead, Johannes talks her into staying, then orders her to work for the underground. As head of security, it's his right to commandeer personnel. Daria is torn. Johannes is the most compelling man she's ever met, but he's also arrogant. Compounding the problem, her cat thinks he's their mate. After he runs roughshod over her, she doesn't care about anything except getting as far away from him as she can, but escape isn't possible. A series of lethal attacks throw Daria into Johannes's path—and keep her there. He's desperately attracted to her, but anything beyond sex with any woman isn't part of his life plan. His cat says she's their mate, but it doesn't alter Johannes's staunch refusal to consider anything that might turn into love. He has his reasons. They've served him well, and he sees no reason to change them now. PRAISE FOR THE UNDERGROUND HEAT SERIES: "What a great read!! This one combines two of my fav things sci-fi and shifters!! Oh and loads of steamy action!!"

Goodreads review "Ann Gimpel does it again, another fantastic shifter book! I loved the futuristic spin on the shifter tale, it's the first I've read of its kind. The characters were loveable, the story engaging. Romance Readers Retreat" "Ann Gimpel is frickin awesome!!!!!!!! I cannot explain how much I loved this book, the way she writes is so expressive, imaginative and real!"

After a string of failed relationships, thirty-five-year-old Madeline Majors worries her life will never be complete. Her obsession with having a child and her inability to conceive—even though a multitude of doctors have said there is nothing medically wrong with her—drives her to Madame Evangeline as her last resort. Garth Summers is a shape shifter with a problem. As Alpha of his pack, he must have an heir by the time he is fifty years of age or a new alpha is chosen from the eligible males in the pack. But as a wolf shifter, he can only conceive with his mate who he has yet to find. With only six weeks remaining, he turns to Madame Eve for help. Can a one-night stand bring two people the one thing they most desperately want, or will the reality of what they are send them both running?

"I want to know what it's like to be your mate." From her lips, like an arrow to his chest. Michelle, the wolf clans' newest discovered latent, is the mate Tanner can't claim, but would give his life to protect. A lone wolf for far too many years, he's simply

too hardened, too old for her. Too bad she's even more stubborn than he is. The woman's got a mile-wide protective streak for the cubs being attacked by the Hunters, meaning he can't let her out of his sight. Not with the war between shifters and Hunters at its deadliest. With each passing day, Esme, the wolves' most powerful witch, is dying before their eyes. And the search for answers leads to one vital secret the Hunters have known all along. If Esme dies, the wolf packs will die with her. Shifters or Hunters—in this final book of the Hunted Mates series, only one side will survive... The HUNTED MATES Series Mated by Fate (Two fated couples...) Masked by Danger (One lost mate...) Marked by Magic (Zero room for failure...)

Best friends share everything. Even a true mate? Gwen Burnett is being hunted. Winner takes all. And the enthralling shifter who catches her and the charismatic male who rescues her want to claim their prize—her—for eternity. Vlad, a Royal shifter from the Winchester pack, should've claimed his true mate the day he met her. But persuading his best friend and the innocent human they've pursued for months to share everything will make his victory so much sweeter. Powerful. Demanding. Enticing. As leader of the Winchester pack, Xander gets what he wants. No matter what he has to do to claim his prize. Or who he has to share Gwen with. And nobody will take his possessions away. Not his pack mates questioning his nontraditional relationship. Not the enemy looking to steal Gwen back. Not even the witches and shamans hunting them all. A wolf will fight until his dying breath to protect his pack... and his true mates. ————— This book is the closed-door version of LAST CHANCE by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. ————— Dana's Note: Welcome to the Shifter World® where primal heroes take

Sean - Maturing is a dangerous time for shifters and Sean wants nothing to do with his primal side or settling down with a mate. Until a one-night stand changes his mind. Nic - Disagreeing with the wolf you've been born with is not a fate any man wants. Neither is losing the woman you love because of your wolf. Nic is in for the fight of his life. He won't lose the woman he loves or betray his primal side. Ethan - Choosing between his true mate and the mate of his heart isn't an option. Ethan will claim them both. If he can keep them alive until he's leader of his pack. Xander - being a BBW woman in a man's world is hard. Being the human true mate to two primal shifters is harder. But Gwen knows a secret - Women are powerful. Anton - Nyx had one goal - Destroy the most feared member of the Shifter Council. She was not supposed to fall in love with him. But a smart woman knows when to change her game plan. Agents of Shifter Affairs titles: Rick - A man with nothing to live for is dangerous. But a shifter fighting for his true mate's future is unstoppable. Nothing will stop Rick from being the mate Mya should've ended up with. Ilan - Assassins don't nurture life. They take it. But an unexpected baby changes things. So does a true mate. And when death comes knocking, there's no one better prepared to beat it. Uri - Guilt is dangerous. So is ignoring the pull of your true mate. And when passion takes over, nobody is safe from a predator's instincts, especially the enemy trying to take Uri's true mate from him. Kade - Distance doesn't make the heart grow fonder. It triggers a shifter's instinct to possess. And when Kade's beloved human returns, he'll risk everything—including his pride—to ensure he never loses Zoe again. Visit Dana's website for more information: DanaArcher.com

These Bear Shifter country music stars are about to meet the women they never knew they needed! Contains the following novels: Matthew: Melinda Darling has always dreamed of being at the center of the Nashville country music scene. She thought getting her Master's Degree in Music Business would be her ticket to the top, but it turns out managers are a dime a dozen in Music City. With no other prospects and student loan repayments on the horizon, she takes an internship position under the devious Kitty Konstantine. The job was simple: find talent, introduce talent to Konstantine Talent Agency, and keep it all professional. When she finds The 4 Saints, she can see the men ooze with talent, their stage presence commanding rapt attention. When she lays eyes on Matt Saint, she knows she has no hope of keeping it professional... Matthew Saint has a lot on his shoulders, and he's got the scars to prove it. As guitarist for The 4 Saints, he and his brothers have to live in two worlds. On the one hand, they're up and coming country music stars just trying to make it in Nashville. On the other hand, they're a clan of Bear Shifters that have to be careful who they let get close. Trouble is never far off, and since meeting Mel Darlin', he thinks maybe he's due for a little more trouble in his life. Mark: Adelaide- Spencer has always had a natural talent for songwriting. She find herself humming a tune, then running around the house like a chicken with it's head cut off looking for a pen and scrap of paper. Receipts, index cards and magazines: nothing was safe from her scribbles. But these were songs she wrote for herself, not for anyone else. So when her Grandma sent her song to the Konstantine Talent Agency without her knowledge, Addison flipped her lid. Would these strangers even accept her, given her family secret? Mark Saint knows talent when he sees it. His Grandfather used to say "There ain't no

fakin' talent,". On stage he plays the same bass fiddle his grandfather did and is always looking for the best songs for he and his brothers to record. So he drove across the state to the dilapidated house in the middle of nowhere to meet the woman who wrote this special song. When he first laid eyes on her, he knew she'd be his mate. Luke: Candace Chance was having the worst night of her life. Of course, with a name like that, did she ever have a shot? Yet another thing she could thank her mother for, but at this point she had other things on her mind. Like the freezing cold rain, the soggy cardboard that separated her from the alley asphalt. Oh, and the gangsters who are out hunting her, because she's someone else's property. Thanks again, Mom. Luke Saint knows how to move among people. As drummer in The Four Saints, he isn't quite in the spotlight that his brother Matthew is. Sometimes that can be annoying, but sometimes being unseen has it's advantages. Coming up on these thugs beating this poor helpless woman was one of those times. He tasted sour copper in his mouth and let out a roar as he charged the men. Then their world got turned upside down. John: Meg Baker wanted for nothing growing up. The best schools: she attended them. The best instructors: she learned from them. The best talents as a violinist: she was born with them. A pampered life of chauffeurs and private jets. So why was she now on the run, trying to hide herself in the one place she knew her father would never look for her? John might have the last name of Saint, but his family swears he made a deal with the Devil. Not one person from Ozarks to the Appalachias could strum a mandolin like him. And while he loved the harmonies he helped his family achieve on stage, he always felt something was missing inside. Until that night she came into The Fiddler's Cave, and for the first time in his life he thought there might be someone who felt like he did. Bartholomew: Kitty Konstantine is used to being called names. Cut throat. Demon. Bitch. But the title that always trips her up is "daughter." No matter what she achieved, her father was always ready to cut her down. Even now that she's signed The Four Saints, it's still not good enough. Now, if she can't get them signed under a tighter contract, she'll lose everything. Bart Saint was pure swagger. He had that level of arrogance that couldn't be earned, so only the very few could pull it off. Tall? Sure. Handsome? Oh yeah. But it was something else that made heads turn when he walked into a room. He knew exactly who he was, and that made him invincible. He was manager to his nephews, and he'd be damned if he let Kitty Konstantine put the squeeze to them. Let the battle of wills begin. May the most stubborn negotiator win. USA Today Bestselling Author Becca Fanning brings you a Shifter Romance novella box set packed full of action, intrigue and steam! Fated Mates have never been so right and wrong for each other!

Avery I fell into the clutches of those hunting me. Now, I'm enslaved in chains and at their mercy. But I'm not the woman I used to be. My weaknesses have been stripped away, unveiling a strength and defiance I never knew myself capable of. And I'll be damned if I'm going down without a fight. Because my mate is coming for me. With him by my side, we will be unstoppable, and I am a storm cloud of rage ready to be unleashed. Wyatt I can't think. Can't breathe. Can't exist...without her. I failed to protect Avery, and now she's imprisoned by them. Still, I won't give up. I will bite and claw my way to her, and when I do I will unleash my wolf on any who dared harm her. Because failure isn't an option. Not when a realm is at stake and my mate's life is on the line. I can only hope that I'm not too late. ***** Kissed by Shadowlight is the final book in a rejected mates paranormal wolf shifter romance series filled with fur, fangs, and magic!
