[Siren LoveXtreme Forever: Erotic Fantasy Menage Paranormal Romance, Reverse Harem, shape-shifter, werewolves, M/F/M/M/M, HEA] Alexandra and her sister are special. The stories they were told as children are suddenly real, and their part in this strange world sends them into further danger, but on a course they are meant to travel. Once the spells are broken, the evil doers will not stand a chance in succeeding in their agendas. The process is neither easy nor does it help to suddenly be bound to four powerful men who are destined to be warriors, and ultimately risk their lives for the sanctity of the Circle. With Elders behind them, and as hunters of the gods, their destiny seems set. They have seen so much violence and death that they lose a little hope that this world can stay on track or be changed forever because of the power of evil they can't identify. That is until Alexandra comes along and binds their fate. Being mated to someone so special suddenly makes every day a dangerous mission. Hunters of the Gods 3: Pride of a Princess [Siren Menage Everlasting: Erotic Menage a Quatre Paranormal Romantic Suspense, shape-shifter, werewolves, M/F/M/M, HEA] Luna is out for revenge against Costaldo, the wolf who killed her father and abducted her mother and brother. She's getting closer and closer to gathering evidence that will label her actions acceptable before the circle of the elders. But she needs to know if her mom and brother are still alive and how she can get them back before she kills him. The last thing she needs is to meet her Alphas, and lose the chance to seek revenge, as they immediately try to control her life, her actions, and not let her out of their sights. She learns quickly that the power of the mating bond is for life and something she can trust more than anything she has ever been exposed to. As she accepts her mates and reveals who she is and her need for revenge, she is abducted by Costaldo, who she

wants to kill, and must make a promise to ensure that her mother and brother live. She makes the promise, but vows to break it and kill her enemy once and for all. Hunters of the Gods 4: Belonging to a Pack [Siren LoveXtreme Forever: Erotic Fantasy Menage Paranormal Science Fiction Romance, Reverse Harem, shape-shifter, vampires, werewolves, M/F/M/M/M, HEA] Avi is working for the gods and trying to help other women like herself displaced from their original packs. The last thing she expects is to join one of the largest packs around and also be the mate to three of their Alphas. One of the few friends she has is Buschool, the vampire. She saved his life and he watched over her, so when he is caught by a witch and held captive, it isn't until he is out of danger that she realizes their bond is stronger than friendship and may cause a problem with her wolf mates. Sometimes it takes the power of the mating bond to bring out a wolf's full powers. As Avi realizes who she is and how capable, she sets out to not only free the women and children who are being forced to do the unthinkable, but also find them a place to live, a safety they can count on, and a pack to truly belong to.

A special hardcover release of the seventh book in the blockbuster Dark-Hunter series.

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal,

the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. In this volume, the adventure continues with Talon and Sunshine as they face off against the Greek and Celtic gods bent on making a major comeback.

Zarek is the most dangerous of all the Dark-Hunters. He endured a lifetime as a Roman slave and centuries as a Dark-Hunter in exile. Zarek trusts no one. Because of his steadfast denial to follow any orders, he is kept in isolation in Alaska where his activity is seriously limited and closely monitored. There are many who fear he will one day unleash his powers against humans as well as vampires. Have nine hundred years of exile made Zarek too vicious to be redeemed? The gods want Zarek dead but reluctantly agree to allow justice goddess Astrid to judge him. Astrid has never yet judged a man innocent, and yet there is something about Zarek that tugs at her heart. He views even the smallest act of kindness with shock and suspicion. But while Astrid struggles to maintain her impartiality in the face of her growing attraction to Zarek, an executioner has already been dispatched...

Photographs display the variety of animals found in Indian sculpture from prehistoric times to the eighteenth century and offer examples of the places animals occupy in Indian thought.

Four girls at a southwestern boarding school discover they have amazing feline powers and must unite to stop an ancient evil in this riveting adventure. Ana's average, suburban life is turned upside down when she's offered a place at the exclusive boarding school in New Mexico that both of her late parents attended. As she struggles to navigate the wealthy cliques of her new school, mysterious things begin to occur: sudden power failures, terrible storms, and even an earthquake! Ana soon learns that she and three other girls—with Chinese, Navajo, and Egyptian heritages—harbor connections to priceless objects in the school's museum, and the museum's curator, Ms. Benitez, is adamant that the girls understand their ancestry, and its importance. It turns out that the school sits on top of a mysterious temple, the ancient meeting place of the dangerous Brotherhood of Chaos. And when one of the priceless museum objects is shattered, the girls find out exactly why their heritage is so important: they have the power to turn into wildcats! Now in their powerful forms of jaguar, tiger, puma, and lion they must work together to fight the chaos spirits unleashed in the ensuing battle...and uncover the terrifying plans of those who want to resurrect the Brotherhood of Chaos.

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-Hunter series since *Acheron* is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth Just when

you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

From the #1 New York Times best-selling author of *The Darkest Minds* comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption. Every seven years, the Agon begins. As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance against their mutual enemy and a way to leave the Agon behind forever. But Lore's decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to bring humanity to its knees.

"An expert on nomadic peoples, Malcolm Hunter shares stories from a lifetime of working in some of the world's most remote, colorful, and neglected communities. In the early 1960s Malcolm and his wife, Jean, arrived in Ethiopia with only their professional skills--medicine and engineering--and a desire to show God's love to those in need. Over the next forty years God would lead them across Africa, through lush hills and scorched bush, to a dozen people groups who hadn't heard the gospel. Wherever the Hunters went, they found that God had been there first." - description of the first edition. Determined to solve an ancient mystery, a woman undertakes a forbidden quest that pits her against the Dark-Hunter leader and proud god Acheron, with whom she joins forces when ancient guardians and old enemies threaten both of them. A New York Times Book Review Editors' Choice "[Calasso's] flow of associations leaves you feeling not out of your depth, but smarter and better read." --The New York Times Book Review The eighth part of Roberto Calasso's monumental series on the primal forces of civilization The eighth part of Roberto Calasso's singular work in progress that began in 1983 with *The Ruin of Kasch*, *The Celestial Hunter* is an inspired and provocative exploration of mankind's relationship with myth, the divine, and the idea of transformation. There was a time, even before prehistory, when man was simply a defenseless animal. The gods he worshiped took the form of other beasts or were the patterns of the stars he saw above him each night in the sky, which he transformed into figures and around which he created stories. Soon, however, man learned to imitate the animals that attacked him and he became a hunter. This transformation, Calasso posits, from defenseless victim to hunter was a key moment, the first step on man's ascendance to power. Suddenly the notion of the hunter became fundamental. It would be developed over thousands of years through the figures that became central to Greek mythology, including the constellations. Among them was Orion, the celestial hunter, and his dog, Sirius. Vivid and strikingly original, and expertly translated from the Italian by Richard Dixon, *The Celestial Hunter* traces how man created the divine myths that would become the cornerstones of Western civilization. As Calasso demonstrates, the repercussions of these ideas would echo through history, from Paleolithic to modern times. And they would be the product of one thing: the human mind.

Bride McTierney has had it with men. They're cheap, self-centered, and never love her for who she is. But though she prides herself on being independent, deep down she still yearns for a knight in shining armor. She just never expected her knight in shining armor to have a shiny coat of fur... Deadly and tortured, Vane Kattalakis isn't what he seems. Most women lament that their boyfriends are dogs. In Bride's case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered--something no self-respecting wolf can accept... But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.

Animal sacrifice has been critical to the study of ancient Mediterranean religions since the nineteenth century. Recently, two theories have dominated the subject of sacrifice: the psychological and ethological approach of Walter Burkert and the sociological and cultural approach of Jean-Pierre Vernant and Marcel Detienne. These writers have argued that sacrifice allays feelings of guilt at the slaughter of sacrificial animals and that it promotes solidarity. None of them leaves much room for the role of priests or gods, or compares animal sacrifice to other oblations offered to the gods. F. S. Naiden redresses the omission of these features to show that, far from being an attempt to assuage guilt or foster

solidarity, animal sacrifice is an attempt to make contact with a divine being, and that it is so important-and perceived to be so risky-for the worshippers that it becomes subject to regulations of unequaled extent and complexity. *Smoke Signals for the Gods* addresses these regulations as well as literary texts, while drawing on recent archaeological work on faunal remains. It also seeks to explain how mistaken views of sacrifice arose, and traces them as far back as early Christianity. This many-sided study provides a new picture of ancient Greek animal sacrifice and of the religion of which sacrifice was a part.

Selene DiSilva, goddess of the hunt, squares off against a killer who threatens the very existence of the gods themselves in this stunning sequel to Jordanna Max Brodsky's *The Immortals*, "a lively re-imagining of classical mythology." (Deborah Harkness) Winter in New York: snow falls, lights twinkle, and a very disgruntled Selene DiSilva prowls the streets, knowing that even if she doesn't look for trouble, it always finds her. When a dead body is discovered sprawled atop Wall Street's iconic Charging Bull statue, it's up to Selene to hunt down the perpetrators. Her ancient skills make her the only one who can track a conspiracy that threatens the very existence of the gods, including Selene, who was once known as Artemis. *Olympus Bound*

Volume XII of the highly respected *Theological Dictionary of the Old Testament* expands the scope of this fundamental reference tool for biblical studies. Ranging from *pasah*, *pesah* ("Passover") to *qûm* ("stand, rise"), these eighty-six articles include thorough etymological analysis of the Hebrew roots and their derivatives within the context of Semitic and cognate languages, diachronically considered, as well as Septuagint, New Testament, and extracanonical usages. Among the articles of primary theological importance included in Volume XII are these: *par'oh* ("Pharoah"), *pasa*, *pesa*; ("sin, offense, crime"), *sebaôt* ("Sabaoth"), *sadaq*, *sedeq*, *sedaqâ* ("[be] righteous, righteousness"), *qds*, *aodes* ("holy"), and *qahal* ("congregation"). Each article is fully annotated and contains an extensive bibliography with cross-references to the entire series.

"The God Hunters: Book One " David Ruger has always been curious. That's how he landed his charming on-again, off-again boyfriend, Wyler, and how they started in St. Louis and ended up in the Expanse, an alien universe where humans take on supernatural abilities and demons munch on Chinese takeout. Thirty thousand years earlier, the Expanse was devastated by a gruesome war. The old gods and a group of shifters known as The God Hunters fought and failed to restore order. Little does David know that they've been waiting for the perfect time to try again-and they've set their eyes on him as the one with the power to restore the Expanse to its former splendor. Strolling along cobblestone streets in a technologically advanced city floating above the clouds is fascinating, and David and his companions venture ever deeper, where strange beings welcome David as an old friend. But what should have been a brief exploration becomes a

race against time to save David's life.

From tropical islands to desert mountains, the hunt is on! Predators--the hunters from the stars--have been coming to Earth since time immemorial, stalking and killing the strongest, most challenging humans for sport. But now the tables are turning as a team of human hunters set their sights on the Predators--wherever they may be found. In their first mission, the Predator Hunters located their quarry in the South Pacific. This time they've journeyed to a warzone in Afghanistan--and are competing with a mysterious government agency that is after the same prey. Only the strongest and smartest will survive! Writer Chris Warner (the artist from the original Predator comics from 1989) teams with artist Agustin Padilla for a blood-drenched adventure in the Graveyard of Empires!

"Frightened of me, little hunter?" Near the heart of the forest, a sacred order of hunters dwells, devoted to their dark and mysterious god. Ardor, they call him. As the lord of the wilds and the embodiment of vigorous pursuit, he was watched over them since ages long past, and in return, he asks only one thing. An offering every new moon. A human to hunt as his quarry. Now, it's Juna's turn. To enter the ranks of the order, she must brave the perils of Ardor's hunt, but she finds he's not quite the savage pursuer she had expected. He's passionate and ferocious, a vision of divinity. And he has set his sights on Juna. He hungers for her, desperate to possess her. And yet, he seems somehow... gentle. Perhaps, in time, he could be more than a distant spirit to her. More to her than a strange and terrible god. Perhaps, Juna dares to hope, he could learn to love a mortal. Godspouse: Bride of the Hunt is a dark, sexy fantasy standalone romance meant for adults. If you're craving a tale of carnal desire that matures into love, this is the book for you. Happily ever after guaranteed.

Jeremiah, the weeping prophet, prophesied for four decades under the last five kings of Judah--from 627 to 587 B.C. His mission: a call to repentance. Among the Apostolic Fathers, Jeremiah was rarely cited, but several later authors give prominent attention to him, including Origen, Theodoret of Cyr and Jerome who wrote individual commentaries on Jeremiah and Cyril of Alexandria and Ephrem the Syrian who compiled catenae. Justin and Irenaeus made use of Jeremiah to define Christians over against Jews. Athanasius made use of him in trinitarian debates. Cyril of Jerusalem, Irenaeus, Basil the Great and Clement of Alexandria all drew on Jeremiah for ethical exhortation. Lamentations, as might be expected, quickly became associated with losses and death, notably in Gregory of Nyssa's Funeral Orations on Meletius. By extension the Fathers saw Lamentations as a description of the challenges that face Christians in a fallen world. Readers will find some ancient authors translated into English here for the first time. Throughout they will gain insight and encouragement in the life of faith as seen through ancient pastoral eyes.

This monograph considers the painted frieze on the facade of Tomb II at Vergina (ca. 330-280 B.C.) as a visual document that offers vital evidence for the public self-stylings of Macedonian royalty in the era surrounding the reign of Alexander the Great. The hunting scene on the frieze reflects the construction of Macedonian royal identity through the appeal to specific and long-standing cultural traditions, which emerged, long before Alexander's reign, from a complex negotiation of claims to heroic and local dynastic pasts, regional ideals of kingship, and models of royal behavior provided by the East.

—Marieke Nijikamp, #1 New York Times Bestselling Author Set in a richly detailed world inspired by ancient Arabia, Hafsah Faizal's *We Hunt the Flame*—first in the Sands of Arawiya duology—is a gripping debut of discovery, conquering fear, and taking identity into your own hands. People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost

artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine.

A Christianity Today 1999 Book of the Year! Every reader of the Bible has encountered the powerful, comforting and sometimes puzzling imagery of Scripture. These concrete pictures with their hidden force have struck sharp and lasting impressions on our minds. Their imprint has etched itself on the language and grammar of Christian faith and Western culture. Why then do traditional Bible dictionaries and reference works offer so little help to explorers of the Bible's galaxy of verbal pictures? They excel in describing the climate, borders and location of Galilee or Sinai. But they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text. The Dictionary of Biblical Imagery is the first contemporary reference work dedicated to exploring the images, symbols, motifs, metaphors and literary patterns found in the Bible. More than that, it examines the Bible's universal archetypes or master images--including the plot motifs and character types that recur throughout life, literature and the Bible. This unique dictionary explores the dazzling variety in which the Word of God comes dressed in clothes of everyday life. It traces the trail of images from Eden to the New Jerusalem. It captures the plotted patterns of biblical narrative. It surveys the imaged texture of each book of the Bible. In short, The Dictionary of Biblical Imagery is an inviting, enlightening and indispensable companion to the reading, study, contemplation and enjoyment of the Bible.

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

Wulf is an ancient Viking warrior with a useful but extremely aggravating power-amnesia. No one who meets him in person can remember him 5 minutes later. It makes it easy to have one-night stands, but hard to have a meaningful relationship, and without true love he can never regain his soul. When he finally meets Cassandra, the one woman who can remember him, she turns out to be the princess of the cursed race he's sworn to hunt-and forbidden to him. The two of them must face ancient curses, prophecies, and the direct meddling of the Greek gods to find true happiness at last.

All's fair in love and magic. Rosalind is preparing for all-out war with Drew, who wields gods-magic with terrifying skill. But now Rosalind is learning to harness gods-magic, too. When she next encounters her cousin, she wants to destroy him completely.

Unfortunately for her, Drew launches a surprise attack on the vampire city. Torn away from Caine, she's trapped in Drew's sadistic world where she has to do whatever he commands. But a quiet rage simmers under the surface... Drew thinks he can control her, but she'll do anything to be reunited with Caine, her seductive demigod. And when she does, she's determined to learn the truth about him--and herself--once and for all. Gods-magic or not, she'll find a way back to the vampire city. Because the price of failure will be far too high for her, for Caine--and for all of demon-kind.

Dear Reader, Life is great for me. I have my chicory coffee, my warm beignets, and my best friend on the cell phone. Once the sun goes down, I am the baddest thing prowling the night: I command the elements, and I know no fear. For centuries, I've protected the innocent and watched over the mankind, making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress, who wants nothing more from me than one night. Instead, I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant, Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight, no ties, no long-term commitments. But every time I look at her, I start yearning for dreams that I buried centuries ago. With her unconventional ways and ability to baffle me, Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness-not so long as my enemy waits in the night to destroy us both. --Talon of the Morigantes

She makes the promise, but vows to break it and kill her enemy once and for all. Note: This book contains triple penetration. ** A Siren Erotic Romance Dixie Lynn Dwyer is a Siren-exclusive author.

In the ethereal world of dreams, there are champions who fight to protect the dreamer and there are demons who prey on them... Arik is such a predator. Condemned by the gods to live eternity without emotions, Arik can only feel when he's in the dreams of others. For thousands of years, he's drifted through the human unconscious, searching for sensation. Now he's finally found a dreamer whose vivid mind can fill his emptiness. Dr. Megeara Kafieri watched her father ruin himself and his reputation as he searched to prove Atlantis was real. Her deathbed promise to him to salvage his reputation has now brought her to Greece where she intends to prove once and for all that the fabled island is right where her father said it was. But frustration and bad luck dog her

every step. Especially the day they find a stranger floating in the sea. His is a face she's seen many times.... in her dreams. What she doesn't know is that Arik holds more than the ancient secrets that can help her find the mythical isle of Atlantis. He has made a pact with the god Hades: In exchange for two weeks as a mortal man, he must return to Olympus with a human soul. Megeara's soul. With a secret society out to ruin her expedition, and mysterious accidents that keep threatening her life, Megeara refuses to quit. She knows she's getting closer to Atlantis and as she does, she stumbles onto the truth of what Arik really is. For Arik his quest is no longer simple. No human can know of a Dream-Hunter's existence. His dream of being mortal has quickly turned into his own nightmare and the only way to save himself will be to sacrifice the very thing he wanted to be human for. The only question is, will he?
