Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her—the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

"The stories here are the raw heart of Michael Moorcock. They are the spells that first drew me and all the numerous admirers of his work with whom I am acquainted into Moorcock's luminous and captivating web." —from the Foreword by Alan Moore, creator of V for Vendetta When Michael Moorcock began chronicling the adventures of the albino sorcerer Elric, last king of decadent Melniboné, and his sentient vampiric sword, Stormbringer, he set out to create a new kind of fantasy adventure, one that broke with tradition and reflected a more up-to-date sophistication of theme and style. The result was a bold and unique hero—weak in body, subtle in mind, dependent on drugs for the vitality to sustain himself—with great crimes behind him and a greater destiny ahead: a rock-and-roll antihero who would channel all the violent excesses of the sixties into one enduring archetype. Now, with a major film in development, here is the first volume of a dazzling collection of stories containing the seminal appearances of Elric and lavishly illustrated by award-winning artist John Picacio—plus essays, letters, maps, and other material. Adventures include "The Dreaming City," "While the Gods Laugh," "Kings in Darkness," "Dead God's Homecoming," "Black Sword's Brothers," and "Sad Giant's Shield." An indispensable addition to any fantasy collection, Elric: The Stealer of Souls is an unmatched introduction to a brilliant writer and his most famous—or infamous—creation. "The most significant UK author of sword and sorcery, a form he has both borrowed from and transformed." —The Encyclopedia of Fantasy From the Trade Paperback edition.

COMPLETED! Snippet: A year ago Raine was discharged from mental institution and had to live in the orphanage. It wasn't the best place. At least not for someone like her. Until one faithful night she met him. \*\*\* He stopped the car. The blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. "Don't." He said firmly, "I want to see you, don't hide yourself..." \*\*\*\*\* "The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors." "Protectors!?" Jedrek snapped. In the end, he stopped walking and turned his back to look at the moon goddess from far distance away, his eyes glistening red with anger. His wolf was livid. "Why do you think we will help?" Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. "You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. "Aren't you afraid that we will snap them into two?" The guardian angel was so fragile and they as lycanthropes didn't appreciate the weaknesses. "No, you will not." Selene said patiently. "You will not be their slave nor hurt them, you will cherish them in every way possible." Jedrek laughed menacingly upon hearing this, they didn't care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. "I will be the last person they will see, once I find them." He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. "You will not hurt your mate." ===== Session 1 (chapter 1 - 394) : Torak Donovan - Raine (completed). But sometimes other people.. and things... do. One day while chilling in a sanitarium Sally gets an offer to come to a school for supernatural killers. Given the choice between meals of gelatin and lithium or heading to a school full of undead psychos Sally decides to go. Now faced with every horror movie villain she's ever heard of as both her fellow students and teachers Sally has to survive the school year amid plots, massacres, and anything else they can throw at her.
