Earn Extra Cash The Side Hustle Path is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt. Maybe you want to save for a rainy day, or for your children's education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right? That's how I got started down this entrepreneurial path, and it's been the best choice I ever made. You're willing to work for it, because your future is worth working for. The challenge is time is limited, and you may not know where to start. There are a million and one ways to "make money online" and everyone wants to sell you their "proven system for Internet riches." It's hard to tell what's a scam and what's legit. Real-World Examples This book offers 10 real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good. And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment. Why Side Hustle? Build Skills Build Security Build Income Build Freedom My Story After college, I did what you're supposed to do: I got a job. The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers, but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other company's products to test the waters. And that's what The Side Hustle Path is about; finding a low-risk way make more money. If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are 10 down-to-earth entrepreneurs who were once sitting in your same position. They felt the same fears and uncertainties, but took action anyway. What are you waiting for? Are you caught in a debt trap you've been struggling to get out of? Read this book and learn how to be financially FREE:

- Find ways to earn extra money
- Restore what financial problems has taken away from you
- Establish a strong financial fortress
- Experience freedom from financial stress

Let JP Paul help free you from the stress you feel when you look at all your bills and then see that your income and savings are not enough to pay for everything. He will also help you be free from relationship problems created by financial debt. Start your financial success by growing your money mindset, learning how to build a strong financial fortress, and starting a side hustle that will lead you to financial freedom.

After reading this book, you'll be on your way to financial success, and soon declare to the world, "I'm financially free!" Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

The author of the New York Times Bestseller *THE \$100 STARTUP*, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it's terrifying. After all, a job that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of "job security" has become a punchline, wouldn't it be great to have an additional source of income to fall back on? And wouldn't it be great to make that happen without leaving your day job? Enter the Side Hustle. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have: they're essential. You don't need entrepreneurial experience to launch a profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

### Hustle Away Debt: Eliminate Your Debt by Making More Money

Dragonfruit Designs  
What if the solution to student debt was reinvesting in yourself? Are you a smart, hard-working person who always seems to struggle financially? Do you ever second-guess decisions to pursue higher education because of your student loans? Has extreme budgeting eliminated joy and comfort from life, yet you're still several years away from being debt-free? Conventional wisdom tells us the formula for success is simple: go to school, get a job, work hard, repeat as needed until you retire. It tells us that debt is the result of poor choices and irresponsible spending. Unfortunately, such advice fails to

take into account the recent (and not-so-recent) graduates for whom predatory student lending rates have set them back tens or even hundreds of thousands of dollars before they even enter the job market. In *Buy the Avocado Toast*, Stephanie Bousley shares lessons learned through years of working hard and perpetually undervaluing herself while coming to terms with owing almost \$300,000 in student debt. Through a holistic approach to both net worth and self-worth, Bousley offers readers hope for their own financial situations by providing step-by-step instructions on reducing debt, living better, and rooting out the self-defeating beliefs that keep us broke.

An incendiary examination of burnout in millennials--the cultural shifts that got us here, the pressures that sustain it, and the need for drastic change

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER • A ten-step plan for finding peace, safety, and harmony with your money—no matter how big or small your goals and no matter how rocky the market might be—by the inspiring and savvy “Budgetnista.” “No matter where you stand in your money journey, *Get Good with Money* has a lesson or two for you!”—Erin Lowry, bestselling author of the *Broke Millennial* series Tiffany Aliche was a successful pre-school teacher with a healthy nest egg when a recession and advice from a shady advisor put her out of a job and into a huge financial hole. As she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, *Get Good with Money* introduces the powerful concept of building wealth through financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her “Budgetnista Boosters”), *Get Good with Money* gets crystal clear on the short-term actions that lead to long-term goals, including:

- A simple technique to determine your baseline or “noodle budget,” examine and systemize your expenses, and lay out a plan that allows you to say yes to your

dreams. • An assessment tool that helps you understand whether you have a “don't make enough” problem or a “spend too much” issue—as well as ways to fix both. • Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future. • Detailed advice and action steps for taking charge of your credit score, maximizing bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs. • Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time. An invaluable guide to cultivating good financial habits and making your money work for you, *Get Good with Money* will help you build a solid foundation for your life (and legacy) that's rich in every way.

Finalist for the 2016 Dorothea Lange/Paul Taylor Prize Featured on The Washington Post, The Daily Mail, and The Huffington Post, USA Today, Business Insider, Refinery29 Based on the popular online photo series and now published in print for the first time, The Debt Project collects 99 portraits of debt across the US, featuring people of all different backgrounds and stories, to recontextualize an often stigmatized experience. In 2012, Brittany Powell made the difficult decision to file for bankruptcy for her photography business. She found herself in a significant amount of debt, a position many Americans across the country still share, a common yet isolating and private experience often steeped in shame. Her personal experience, bolstered by the 99-Percent movement, brought her to start The Debt Project, an exploration of the role debt and finance plays in our personal identity and social structure. This book presents an intimate look into 99 different lives: each shares an arrestingly honest portrait in the person's home, surrounded by all their belongings, accompanied by a handwritten note of the amount of debt that person is in and the story behind the numbers. The Debt Project, with a foreword by writer and filmmaker Astra Taylor, examines the social and personal hold debt has on us and invites others into a private world, while at the same empowering people to share their stories and overcome the shame they may feel.

Popular blogger Anna Newell Jones of AndThenWeSaved.com delivers this self-help manifesto that reveals how a "spending fast" will help you get on the road to living debt-free. In 2009, young photographer Anna Newell Jones was rapidly suffocating under the weight of too much debt. An inveterate "spender," she was in way over her head, to the tune of almost \$24,000. She knew her debt was only going to get worse if she didn't take action, but she didn't know where to look for help. On a whim, Anna decided to go on a spending fast—an idea she heard in passing but knew little about. Creating her own method, she learned what worked and what didn't and wrote about it on her blog, AndThenWeSaved.com. Amazingly, Anna was able to eliminate all \$23,605.10 of her debt in only 15 months! She was interviewed in Forbes, Self, Glamour, Good Housekeeping, and the Chicago Tribune. Anna's journey inspired people and showed them that they too could change the way they dealt with their own money woes. The Spender's Guide To Debt-Free Living takes readers through a detailed step-by-step plan on how to do a Spending Fast and get out of debt, including: Creating a personalized Debt-Free Life Pledge. Understanding where your money is going when you're in debt, and where it will come from to pay it off. Learning why putting money into a savings account before (or while) paying off debt may not be the best idea for you. Finding additional income sources and generating side gigs. Re-integrating spending

into your life once you're out of debt, so that you stay out of debt. Filled with do-it-yourself ideas, insight from experts, and tons of motivational tips and real-life practical advice, *The Spender's Guide to Debt-Free Living* proves that you don't have to win the lottery or get a new job to change your life.

Written for any woman who's ever sought out an accessible introduction to the world of investing, this book is especially suited to women interested in learning how investing works and taking guided action towards their financial success.

A dynamic, game-changing guide to finding success and fearlessly outsmarting the system Too often we feel like underdogs fighting a system that stacks the odds against us. We work hard, follow the rules, and dream of a better life. But these days, working harder doesn't always lead to fulfillment. In fact, according to Gallup research, nearly 90 percent of people feel disconnected from their jobs. So how do you break free from the drudgery and achieve more success on your own terms? You hustle. The secret lies in making manageable tweaks and placing small bets on pursuits that propel you from who you are today to the person you're destined to become. In *Hustle*, Neil Patel, Patrick Vlaskovits, and Jonas Koffler--three of the nation's top entrepreneurs and consultants--have teamed up to teach you how to look at work and life through a new lens--one based on discovering projects you enjoy and the people and opportunities that support your talents, growth, income, and happiness. The authors reveal their groundbreaking three-part framework of Heart, Head, and Habits. Along the way, you will learn to redefine hustle as the optimal path to success using powerful, often counterintuitive, advice, including:

- Why you must own your dreams, not rent dreams from others
- Ways to create your own luck and "POP"
- How to betray yourself to stay true to yourself--and develop your potential
- The four major career hustles and the path that's best for you

More than just an inspirational career guide, *Hustle* aims to fundamentally transform the way you work and live, and give yourself permission to thrive in today's uncertain world.

The entire Holy Bible rewritten as parody. The history, poetry, gospels, prophets of the Old Testament, letters of the New Testament -- the entire thing rewritten to make you laugh as it points out the lunacy, immorality and horror of the "good

book". Audacious, sacrilegious, blasphemous, scandalous, but most of all hilarious, as long as you are not one who takes this book of mythology seriously. You may learn more about the Bible by reading this version than by reading the original. After moving to New York City to become a Broadway actress, Stefanie O'Connell faced one of two inevitabilities when faced with unemployment--spiral into debt or learn how to effectively manage her money. Punctuated with humor, insight, and essential money management lessons, *The Broke and Beautiful Life* offers practical strategies to make smarter financial decisions today as a means to fulfill the goals and dreams of tomorrow. Specializing in personal finance (with an emphasis on personal), Stefanie engages those who shy away from the word "investing," scoff at the word "budget," and equate interest rates with "snooze fest." She encourages readers to redefine their relationship with money and approach budgeting as an exciting and sexy tool to transform from broke to beautiful while enjoying every step along the way.

**Eliminate Your Student Loan Debt** Step-by-step approach to financial freedom: David Carlson is the author of the book *Hustle Away Debt* and founder of the millennial personal finance blog *Young Adult Money*. In *Student Loan Solution* David explains what student loan borrowers should be focusing on. He provides a 5-step approach to help you understand your loans, your options, and how to improve your greater financial life, while paying down your student loan debt. Learn how to take advantage of strategies that help you make more money, save more money, and ultimately pay down your student loans faster. Everything you need to know about student loan debt: Student loans are complicated. College financial aid terms like "federal direct subsidized" and "GRAD Plus" mean little to most of us. Each type of student loan is slightly different, with its own set of rules and repayment options. *Student Loan Solution* explains everything you need to know about your student loans including how they work, repayment options and opportunities for loan forgiveness, and plans for managing and paying down your loans. David Carlson covers it all. De-complicate your life: By the time you are done reading this book, you will understand student loans, gain control of your finances, and be armed with strategies to improve your finances. Don't be a statistic: For millions of Americans, paying for college meant taking out loans. If you are one of the 70% of college graduates burdened with these loans, *Student Loan Solution* could change your life. Fight the student loans epidemic affecting 40 million borrowers? learn the best way to pay off the college degree you worked so hard to earn. *Student Loan Solution* has the tools you need to start your student loans repayment with a bang. Learn how to:

- Pay off your student loan debt
- Personalize your student loan repayment plan
- Live a happier, financially smarter life

No theory. Just results. This is your side hustle "sampler platter" -- you'll get a quick profile of 100 different entrepreneurs to see: How they got their side hustle idea How much it cost to start How they found their initial traction or customers Their favorite marketing strategies How long it took to reach \$1000 in profit Their mistakes along the way and more

According to a recent study, 69% of Americans have less than \$1,000 in a savings account. Worse, 45% reported having \$0 in a savings account! I don't have to tell you--if you're in that position, you know it's a fragile way to live. You're one unexpected expense, one missed paycheck, one surprise layoff away from taking on more debt. This book is about creating some financial margin in your life. What do I mean by margin? Margin is the gap between your income and your expenses. If you're living paycheck to paycheck, or spending nearly everything you make, you don't have any margin. Think of it like financial breathing room. Life becomes a lot less stressful and a lot more fun when you have some breathing room in your budget. But the truth is, most people don't. Nearly four out of five families live paycheck to paycheck. It doesn't have to be that way. Real people are making real money on the side--on their own terms. This book shares their stories. Scroll up and order now to start (or accelerate) your own side hustle journey! I'd love to include YOU in the sequel :)

If you're a cash-strapped 20- or 30-something, it's time to stop scraping by and take control of your money-- and your life. Lowry shows step-by-step how to go from flat-broke to financial badass. And she doesn't just cover boring stuff like credit card debt, investing, and budgeting. You'll learn to understand your relationship with moolah, manage your student loans, and get "financially naked" with your partner and find out his or her debt number. and much more. This is the essential roadmap every financially clueless millennial needs to become a money master. -- adapted from publisher info

Learn how to get out of debt from an expert Debt free living: Forbes calls David Carlson's personal finance blog Young Adult Money "a must read for millennials." Hustle Away Debt, by David Carlson, gives millennials drowning in debt - student and otherwise - a lifeline. Learn the secrets to being debt free: Carlson details his secrets to getting out of debt through the concept of "side hustles." He shows how side hustles can help you develop new sources of income that allow you to pay off debt faster. He also shows how this can lead you to explore new fields

you might not have otherwise worked in and how you can pick up useful skills for your full-time job - all while developing your earning potential to the fullest. In *Hustle Away Debt*, you will learn: What it is like to enjoy debt free living How to save more and get ahead faster What it takes to seize control of your money How to get out of debt once and for all How to eliminate student debt How to get good with money, even if you have no idea where to start. The *Financial Diet* is the personal finance book for people who don't care about personal finance. Whether you're in need of an overspending detox, buried under student debt, or just trying to figure out how to live on an entry-level salary, *The Financial Diet* gives you tools to make a budget, understand investments, and deal with your credit. Chelsea Fagan has tapped a range of experts to help you make the best choices for you, but she also knows that being smarter with money isn't just about what you put in the bank. It's about everything—from the clothes you put in your closet, to your financial relationship habits, to the food you put in your kitchen (instead of ordering in again). So *The Financial Diet* gives you the tools to negotiate a raise and the perfect cocktail recipe to celebrate your new salary. *The Financial Diet* will teach you:

- how to get good with money in a year.
- the ingredients everyone needs to have a budget-friendly kitchen.
- how to talk about awkward money stuff with your friends.
- the best way to make (and stick to!) a budget.
- how to take care of your house like a grown-up.
- what the hell it means to invest (and how you can do it).

*Make Money and Live Better*  
*The Side Hustle* is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt. Maybe you want to save for a rainy day or for your children's education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right? That's how I got started down this entrepreneurial path, and it's the best choice I ever made. You're willing to work for it because your future is worth working for. But your time is limited, and you may not know where to start. There are a million and one ways to "make money online" and everyone wants to sell you their "proven system for Internet riches." It's hard to tell what's a scam and what's legit. *Real-World Examples*  
This book offers real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good. And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment. (If you're a fan of Chris Guillebeau, Pat Flynn, or Tim Ferriss, you'll love this!)  
*Why Side Hustle?*

*My Story*  
After college, I did what you're supposed to do: I got a job. The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers, but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other companies' products to test the waters. And that's what *The Side Hustle* is about—finding a low-risk way make more money. Most entrepreneurship books assume you have limitless time and limitless startup capital, but I know from talking to thousands of side hustlers, that's simply not the reality. I started small and lean, but steadily built up my side hustle until I could say good-bye to corporate work. You can do it, too. I'll show you how.  
*What's Inside?*  
If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are the "Big 3" side hustle business models you can take action on right away. I've interviewed hundreds of profitable side hustlers on *The Side Hustle Show* to figure out how their businesses work, how they make money, and most importantly, how you can replicate their success. In this book, you'll meet these real-world side hustlers who built and sustained businesses they care about. They faced the same fears and uncertainties you're

wrestling with, but made something happen. Now it's your turn. What are you waiting for? The timing will never be perfect. Scroll up and hit the "Buy Now" button to grab your copy now!

Transform your hobby or talent into a side hustle that will provide you with inspiration, fulfillment, and a fortune. This book is the energetic motivational injection to help you overcome your fears and doubts.

From bestselling author of *The \$100 Startup* and *Side Hustle* comes Chris Guillebeau's engaging story about the power you have to create your own financial destiny. Like financial classics *The Latte Factor* and *The Richest Man in Babylon*, *The Money Tree* uses a compelling story with captivating characters to share its core insight: you are never at the mercy of fortune as long as you have an appetite for hard work and a willingness to step outside your comfort zone. Jake Aarons is in trouble. He's being evicted from his apartment in less than 30 days, the bill for his \$50,000 in overdue student loans is almost due, and the digital marketing agency he works at just implemented a new military-style grading system that might cost him his job. To top it off, Jake's new relationship with Maya was going so well... but with everything else falling down around him, he might lose her, too. In search of answers, Jake reluctantly attends a weekly group meeting at the invitation of a coworker. Everyone in the group is trying to create a lucrative side hustle with one key requirement: they can only spend up to \$500 before earning a profit. Over the course of several weeks, Jake undertakes a series of challenges, first learning how to make \$1,000 in a single weekend, and ultimately how to discover the untapped skills he needs to take control of his finances--and his life.

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart from other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.
