The oath was an institution of fundamental importance across a wide range of social interactions throughout the ancient Greek world, making a crucial contribution to social stability and harmony; yet there has been no comprehensive, dedicated scholarly study of the subject for over a century. This volume of a two-volume study explores the nature of oaths as Greeks perceived it, the ways in which they were used (and sometimes abused) in Greek life and literature, and their inherent binding power.

The Gospel Hymn Book has been revised to bring it up to date. It combines a mixture of old and new hymns suitable for general and evangelistic use.

A new translation of the foundation texts of the Zoroastrian religion, the Gathas (songs) composed by Zoroaster himself, together with the Liturgy in seven chapters composed shortly after his death some 2600 years ago. After a substantial introduction to Zoroaster's religious thought, West presents the translations with facing page explanations of the meaning of each verse.

Candles and Carols is perfect for the small- or medium-sized choir for Advent and Christmas. The considerable talents of Pamela Martin and Mark Hayes have created an intimate, participatory experience for both choir and congregation,

which celebrates the traditional Advent themes of hope, peace, joy, and love by observing the tradition of lighting the Advent candles. This work may be performed in individual movements throughout the weeks of Advent and Christmas, or in its entirety for any Advent Sunday, for Christmas Eve/Day, or for special seasonal celebrations. As each candle is lit and each narration spoken, beautiful settings of familiar carols each having a newly written verse by Pamela Martin may be sung by the choir, the congregation or any combination of the two. Choral part-writing is very accessible, and optional vocal solos are featured on some carols. The work may be performed with a full orchestra, a smaller ensemble, or a fully orchestrated Accompaniment CD.

Songs of Praise was first published in 1925, and is still an immensely popular hymnbook, particularly in schools. The compilation falls into two parts: Book 1 contains hymns grouped by subject and theme, together with a selection of verses, canticles and doxologies; Book 2 contains general hymns listed alphabetically by first line.

Hymns Ancient & Modern, Selected Poems, brings together the best of Brookes from four books and booklets, published from the early 90s: 43 Poems, The Dresden Cantata, Book, and More Last Poems and some new editions. Brookes handles with confidence and purpose poems both as neat and revealing as a mathematical equation, and poems that trip down the page on their rhymes. His subjects are as various as the world, often funny, in all the senses of the word, always unsentimental, each carefully observed and valued, whether a noisy cafe, model boats on a lake, or a neighbour dying in a hospital bed.

Famous throughout the world, Hymns Ancient and Modern was first compiled in 1860 and published the following year. Since then, its various editions have sold in excess of 165 million copies. Hymns Ancient and Modern is surely the most popular, influential and lasting of all hymn books. The New Standard Edition was introduced in 1983 and has sold well over a million copies. It contains 533 hymns, comprising an abridged selection of 333 hymns from the 1950 Revised Edition of Hymns Ancient and Modern plus the complete collection of 100 Hymns for Today and More Hymns for Today. It incorporates many additional features including thematic and seasonal indexes.

First published in 1996, this new edition has been updated in light of Common Worship: Daily Prayer. A 'chant' and 'melody' form are provided for each hymn, allowing the material to be used in both community and congregational contexts. Available in both Full Music and Melody editions, Hymns for Prayer and Praise draws on ancient patterns of worship to meet present day needs.

Codex Sinaiticus, written in Greek in the fourth century, is the oldest surviving complete New Testament and one of the two oldest manuscripts of the whole Bible. Since 2002, a major international project has been creating an electronic version of the manuscript and this facsimile is based on that project. The facsimile reunites the text, now divided between the British Library, the National Library of Russia, Saint Catherine's Monastery (Mount Sinai) and Leipzig University Library.
