From this "fabulous storyteller" (Carolyn Brown, New York Times bestselling author) comes the first book in an all-new western romance series. Delaney Harper thought she'd seen the last of Meadow Valley after her deadbeat husband left her brokenhearted and, well, just flat broke. But news that her ex sold their land means she's heading back to reclaim her share of the property and the dreams she was forced to put on hold. Only one thing stands in her way now: a smoking hot cowboy. Sam Callahan is too busy trying to keep his new guest ranch afloat to spend any time on serious relationships—at least, that's what he tells himself. But when a gorgeous blonde shows up insisting she owns half his property, Sam quickly realizes he's got bigger problems than Delaney's claim on the land---she could also claim his heart. /~B~Includes the bonus novel *The Toughest Cowboy in Texas* by New York Times bestselling author Carolyn Brown!

A Strictly Biblical Perspective Ministries Inc. has strategically designed a biblical cognitive character-based training curriculum. It is designed to equip pastors, chaplains, and faith-based instructors with insight for preparing reentry volunteers as mentors to be matched with returning citizens upon their release from prison or while incarcerated. The curriculum is designed with six modules to assist faith-based volunteers in developing a biblical perspective into God's fourfold purpose for their lives: relationships, character development, service, and reproduction. The fifth module is designed to address the spiritual warfare that ministry leaders and faith-based volunteers will encounter in mentoring the "returning citizen population." The final module is designed to assist ministry leaders and faith-based volunteers in understanding how to assist returning citizens in overcoming the effects of alcohol and drug addiction. This course will build the capacity of members within the faith-based community to minister to returning citizens in restoration from crime and addiction. The curriculum is designed to enhance the quality of care to the "ex offender population" by producing spiritually mature mentors walking in close fellowship with God. The curriculum is extremely comprehensive and highly interactive and will assist volunteers in developing a functional understanding of their roles in mentoring returning citizens through the use of scriptures, a series of individual and small group exercises.

This is a poetry book I've been working on for thirty-five years, and these poems are of real-life events, situations of day-to-day reality.

"Tales of my Landlord" is a series of novels by Sir Walter Scott that form a subset of the Waverley Novels. Of these novels, *The Heart of Midlothian* and *The Bride of Lammermoor* have been the most successful and *Old Mortality* is considered by modern critics to be among Scott's best work. They were so called, because they were supposed to be tales collected from the fictional landlord of the Wallace Inn at Gandercleugh. This is gone into in great depth in the introduction to *The Black Dwarf*. They were supposed to reflect aspects of Scottish regional life. Table of Contents: OLD MORTALITY BLACK DWARF THE HEART OF MIDLOTHIAN THE BRIDE OF LAMMERMOOR A LEGEND OF MONTROSE COUNT ROBERT OF PARIS CASTLE DANGEROUS Sir Walter Scott (1771-1832) was a Scottish historical novelist, playwright and poet. He was the first modern English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and North America. His novels and poetry are still read, and many of his works remain classics of both English-language literature and of Scottish literature. Famous titles include *Ivanhoe*, *Rob Roy*, *The Lady of the Lake*, *Waverley*, *The Heart of Midlothian* and *The Bride of Lammermoor*.

"Incredible!... Anyone interested in the hardship, frustration, and courage of soldiers at war will be enthralled by this book." -- James G. Hollandsworth, author of *The Louisiana Native Guards* Until now, Union army colonel Nathan W. Daniels has been a forgotten man with a forgotten regiment. The white commanding officer of the 2nd Louisiana Native Guard Volunteers, a black regiment, he was removed with his men from mainland military activity and confined to obscure duty on Ship Island, ten miles off the coast of Mississippi. However, as Daniels' intriguing diary documents, despite an unrenowned existence that has earned them little attention from historians, the 2nd Native Guards represent a pioneering stage in the history of black troops at war. The story of the Louisiana Native Guards is essentially the story of the first black commissioned officers in the Civil War. Ordered by General Benjamin F. Butler, the promotion of seventy-six educated, free blacks was an experimental step taken during the early days of black enlistment. However, within one year, nearly all the officers, including their white colonels, were forced out or had resigned in frustration. Daniels lived the tale of these removals and confided his thoughts to his diary, a rare surviving narrative from someone of his rank and position. Woven through daily entries of routine life on the military post are his comments about his responsibilities and frustrations of being caught between the black and white military worlds of the day. He vividly recalls a fierce skirmish on the mainland at East Pascagoula, Mississippi, in which his black troops, having fought superbly, suffered most of their casualties from apparently intentional "friendly" fire from the Union gunboat *Jackson*, sent there to protect them. In May, 1863, Daniels was arrested in New Orleans on seemingly trifling charges related to his duty on Ship Island. He continued his diary in the Federally occupied city, giving fascinating details of life there and chronicling his slow torture in the machinery of the military bureaucracy. He eventually separated from the army under circumstances that remain curious. The diary also provides never-before-published pictures from wartime Ship Island, including photographs of members of Daniels' regiment, visiting ship captains, and Major Francis E. Dumas -- the highest-ranking black officer to see combat during the war. A superb resource in and of themselves, these photographs will fascinate Civil War enthusiasts. The first published personal narrative by a regimental commander of free black troops, *Thank God My Regiment an African One* offers a unique glimpse into the daily lives of white leaders of the earliest black soldiers. It is a significant contribution to the ongoing documentation of the experience of black troops in the Civil War.

After being diagnosed with a potentially fatal disease I began journaling. It became a healing process. In between relapses I began writing stories of my youth and continued to what could now be called the last third of my life. Reflections of happy days spent with my grandparents, helping to care for my younger siblings, to my escape from a controlling mother. I began to realize how the conditions and environment they were living under created the turmoil and circumstances of those years. I continued to write my life through marriage, foster children, exchange students, several businesses and countless friends. The entire process made me realized what an extraordinary life I'd lived so far. How much better can it get? I can hardly wait.

The Unholy Bible Of Pink Floyd Related Drug Abuse and the Associated Mental Illness I AM NOT CHARLIE, THERE IS NO PLACE FOR SUCH OPEN ABUSE AND DISRESPECT OF ANOTHER PERSONS FAITH, KEEP YOUR PUBLIC COMMENTS DECENT, OR DISCUSS THEM WITHIN A BOOK, NOT ON THE FRONT PAGE FOR ALL TO SEE. This is the "DON'T READ" comedy classic for all Pink Floyd and Roger Waters fans, people love it or hate it! if you hate it then be gracious, if you love it keep it quiet. But don't think for a moment that this is a "love in" of all things Pink Floyd. Because it is the story of how one man went insane because of his love for Roger Waters; when he combined it with his his hatred of David Gilmour for the theft of the sacred name. So, if you once had good times with the help of illegal substance abuse; or indeed, just legal substance abuse, whilst listening to the music of Pink Floyd and Roger Waters, then sit back and enjoy reading about the past you had almost forgotten about.

Iyanla Vanzant is the much-loved and bestselling author of *IN THE MEANTIME* and *UNTIL TODAY!*. Through her work, millions of

readers have found the inspiration to make profound changes in their lives. Calling on both personal experience and her work with others, Iyanla's ONE DAY MY SOUL JUST OPENED UP is a message of empowerment both for women and men, encouraging us to tap into our strengths and make our dreams come true. Through a forty day and forty night programme of exercises and readings, Iyanla guides us through our daily obstacles towards greater emotional and spiritual health.

A gripping story of despair, heartbreak, and hope. As their anniversary approaches, Claudia can hardly contain her excitement and even worry. This year will finally be the one, she's sure. Expecting her boyfriend's long-awaited marriage proposal, she counts down the days to their anniversary. But when the day finally arrives, her life begins to unravel. Faced with a terrible breakup and secrets he's held from her, Claudia reels from the shock of his sudden change of heart. Aimless and too heartbroken to contact her family and best-friend, she sets her sight on giving everything up, including life. But in her darkest moment, something catches her eye. Will she give everything up or will it compel her to give this new single life a try? If you like gripping short fiction series which explores real human emotions and struggles through a gritty and realistic lens for Christian singles, then you won't want to miss I Am The One. Grab your copy today.

This story takes place in a typical small college town in Illinois that holds a long time dark secret. By a mere chance several college students are connected in a way they would never have thought possible. As a string of "accidents" occur that are soon to be discovered murders, the secrets and lies begin to unravel the small town and some of its oldest residents. New relationships are beginning to form as old ones are revisited or tested. Among the fight, confusion, truth and lies a struggle to save lives, may cost more than anyone is willing to give.

Tess Winchester loves her life. Her family is growing with new nieces and nephews for her to spoil. And her lingerie business is really taking off, so in order to keep up with demand she needs more capital. Though Tess had always dreamed about finding Mr. Right, and having a family of her own, dating hasn't been easy so working extra hours is never a problem. When an opportunity of a lifetime arises, Tess jumps at the chance to present to the CEO of Harrington & Co, New York's hottest investment firm. She's determined to make the right impression, but when Liam accidentally walks in the ladies room during a wardrobe malfunction, things get off to an... interesting start. Tess isn't Liam's type, they're too different: She's a romantic. He's a realist and doesn't believe in love. She's a dreamer. He's a practical man. Besides, if they're going to sign a deal, it's best not to mix business with pleasure. Something they both agree upon. Despite their differences, Liam finds himself doing anything in his power to win her over. She's captivating, and he won't back down until they explore the connection that keeps him on his toes. He can't get enough of her sassy mouth, her tenacity, and the tenderness that encounters him at every turn. Her blushes drive him crazy. Liam wants Tess. And Liam always gets what Liam wants.

When Caroline Roberts accepted a job at 25 Cromwell Street, the infamous address of Fred and Rose West, she was only 16. Realising that there was something very malevolent about the couple, she left their employment soon after, glad to be rid of them. The story should have ended there. A month later she was abducted by the Wests and suffered violent sexual abuse at their hands before being told that she would be killed and buried. Through a combination of sheer luck and quick thinking, despite the trauma of what had happened, Caroline managed to escape to freedom.

Bobby Sands was 27 years old when he died. He spent almost nine years of his life in prison because of his Irish republican activities. He died, in prison, on 5 May 1981, on the sixty-sixth day of his hunger strike at Long Kesh Prison, outside Belfast. This book documents a day in the life of Bobby Sands. It is a tale of human bravery, endurance and courage against a backdrop of suffering, terror and harassment. It will live on as a constant reminder of events that should never have happened – and hopefully will never happen again.

"One of My Sons" by Anna Katharine Green. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

With the majority of their class and the entire capital wiped out, Yogiri and Tomochika left behind the Kingdom of Manii in search of additional Philosopher's Stones, the energy sources they were told to gather if they ever want to make it back home. Having received one stone from the Sage Sion, a second from Risley, and having taken a third from the self-styled War God Raiza, the pair next set their eyes on a new country in the east, following a lead on the potential location of another Sage. With the half-demons they were assisting now comfortably settled in the City of the War God, the two have

left their previous companions behind to begin their journey home. But of course, nothing is ever simple. One after another, strange new people begin appearing in their path to block their progress, and some of their former companions may not yet be willing to let them go...

Today there are many excellent "introduction to Orthodoxy" books available for the inquirer and the catechumen-books on the faith, and those which narrate the long journey to the faith. Such writings have proven to be very helpful to those seeking the "pearl of great price." There are also many books and essays, both ancient and recent, that teach the newly-illuminated how to live, worship, pray, read the Holy Scriptures, and love God above all things. However, there are few modern books, and this thankfully is one of them, that tell of the potential struggles, misunderstandings, temptations, and fears which a person might encounter in his or her first five years of being in the Church. Meeting Christ at first enlightens the darkness, and reveals that which is hidden in the heart, the soul, the conscience and the mind of a person; this can bring the sinner to his knees in sorrow at the wounds that have been inflicted on others and on himself. But that initial meeting and change of life is again only the initial stage of repentance. Metropolitan Kallistos, in describing repentance in his essay, *The Orthodox Experience of Repentance*, quotes St. Theophan the Recluse: "Repentance is the starting point and foundation stone of our new life in Christ; and it must be present not only at the beginning, but throughout our growth in this life, increasing as we advance." How very useful, then, is Veronica Hughes's book, which describes how she learned what is truly involved in repentance, a purifying path where one will frequently encounter at least three hurdles: uncertainty, sorrow and even suffering. First uncertainty inevitably arises from the struggle to place one's trust fully in Jesus Christ. Veronica's book recounts many significant hurdles faced by the modern man and woman coming to an unalloyed faith. Veronica's story recounts how her physical disabilities and suffering brought her out of her deep initial involvement with new age spirituality. The attentive reader will see how easily one can be caught up by the spirit of the age and be deluded about who God is, and this delusion leads one to a false and fatal understanding about human nature and destiny. Yet the ancient, holy, diagnosis applies: we are invited to put off the "old nature which belongs to [our] former manner of life and is corrupt through deceitful lusts" (Eph. 4:22) and be "renewed in the spirit of [our] minds, and put on the new nature, created after the likeness of God in true righteousness and holiness" (Eph. 4:24). The Holy Spirit renews our identity and prepares it for Paradise, beyond anything we can imagine. In addition to these fundamental aspects of how God guides our repentance, Veronica also describes another aspect of Church life that challenges the no-longer-neophyte Orthodox man or woman today. Orthodox worship can be so beautiful and heavenly, but to the modern person who desires to know what is happening and what it means, it can be initially very confusing. Learning how to be in the presence of God-without having to figure it all out-is not easy. Veronica's remarks are wise and helpful in this area. All the while, the author's spiritual journey was guided and aided by her pastor and the congregation of her parish, as well as the good advice of her husband. Not all people are so blessed to find such wholesome and loving guidance. Veronica had her own particular struggles-others will have a different path; that path may be no less thorny, but may it be filled with wonder and gratitude for the presence of God-Who sends His grace so abundantly to those who love Him. "In patience possess ye your souls" (Luke 21:19). (Taken from the Introduction to, "In Christ I am a New Creation, Taking up my Cross" written by Archpriest Lawrence Margitich.)

While walking home from school one day, Izzy discovers that the only park she's ever known is being closed so townhouses can be built on the site. But Izzy plans to fight this any way she can, even if that means going all the way to town hall. Will she be able to save Harmony Hill Park?

Collects the private correspondence between Georgia O'Keeffe and Alfred Stieglitz, revealing the ups and downs of their marriage, their thoughts on their work, and their friendships with other artists.

Chevy Chase has been one of the most interesting and diverse actors in comedy. He has starred in classic hits and notorious bombs, major Hollywood productions and obscure independent films. For this one-of-a-kind book, film critic Mike McGranaghan spent twelve months watching and analyzing every movie Chevy was ever involved with. The result is a film-by-film examination of a notable cinematic career. *My Year of Chevy* looks at why some of his choices were good and others bad, finds recurring themes across movies, and argues that the comedian may not have always received the credit he deserved. Plus, you'll read the unexpected behind-the-scenes story on the making of "Vegas Vacation." Whether you're a Chevy Chase fan, or just someone interested in what makes a movie star's career tick, *My Year of Chevy* will surprise and fascinate you.

A teenager; arrogant, ignorant, busy with himself, yet focused; like almost all teenager in town finds being a parent is no big deal, mothers are meant to care and that's their given job. Slowly Life unfolds the secrets of itself... He was to soon find out the ordeal of life, most importantly, the ordeal of being a mother in a world of equality following India. Would he be able to endure the unaware facts around him? Brimming with suspense, laughter, and emotions, *The One Who Stood By My Side* is an iconic book by Vedant Bhrambhatt. This book can make you laugh, will certainly make you cry. And above all, this will make you think, on issues that really matter. It's on a topic that matters more than any topic you can think of. As stated by a great philosopher love and respect are sub-set of the economy. It simply means that if we are receiving love and respect from someone it's our duty to deliver back the same. But in this modernising and westernising India of kalyuga, this philosophical concept is just limited to its inference and argument. This concept in kalyuga holds no place between the world's purest and selfless relationship of a mother & a child. This book is trying to draw the reader's attention on a topic that holds the highest priority in the list of human conduct with respect to humanity. As here, the concern is about the relationship that develops with the onset of one's very first breath.

Peter Schmeichel is an undisputed giant of the global game -- and *One: My Autobiography* is his story. As a serial winner and larger-than-life character with Manchester United and Denmark, he rivalled Gordon Banks and Lev Yashin as the world's greatest goalkeeper. Sir Alex Ferguson, having paid just £505,000 to sign him in 1991, hailed him as 'the bargain of the century'. Schmeichel would become a key figure in United's successes during the ensuing decade, starting with a first domestic league title in more than a quarter of a century. His silverware spree culminated when he captained Ferguson's side in the incredible, last-gasp Treble-clinching win over Bayern Munich in the 1999 Champions League final. In *One: My Autobiography* he delivers the inside track on that crazy, breathless night in Barcelona and on Old

Trafford's galaxy of stars, including Eric Cantona and David Beckham, not to mention United's visionary manager. However, Schmeichel's story is no mere litany of triumphs and household names. He tells how he nearly died aged 15, and recalls a turbulent relationship with his father, an alcoholic Polish musician. His life after football, seldom straightforward, is explored with astonishing candour. Peter's own son Kasper emulated him by winning the Premier League with Leicester and taking over in Denmark's goal. It is a proud legacy, ensuring that *One: My Autobiography* is actually the story of two great goalkeeping Schmeichels.

In 1949, Dale Ford joined the peacetime Air Force. Two days after he graduated from flying school, the Korean War started. What a jolt that was! Rather foolishly, he had not really considered that he might be called upon to fly combat someday. President Truman's order for our armed forces to support South Korea in their fight with North Korea quickly changed that. After about ten months of additional training, Ford found himself in the middle of that fight. He flew one hundred combat missions against the Russian Mig-15 in the swept-wing F-86 jet fighters of the 4th and 51st Fighter Interceptor Wings. He was not a hero or a jet ace. He was just a buck second lieutenant doing his job. Ford spent three years as a jet fighter pilot and thoroughly enjoyed every minute of it. Ford went on to receive a bachelor's degree in aeronautical engineering from Purdue University. In 1956, he joined Convair Aeronautical Corporation, builder of the world's first supersonic bomber. He spent the next five years working closely with and flying with the B-58 test pilots as a flight test engineer. They blazed new ground taking this four-engine, 160,000-pound aircraft to twice the speed of sound in the 1950s and proved it was ready for production for the U.S. Air Force. Join author Dale Ford as he relives and relates one man's experiences through Two Hot Wars and One Cold War.

From the time she was a girl, Jane Goodall dreamed of a life spent working with animals. Finally she had her wish. When she was twenty-six years old, she ventured into the forests of Africa to observe chimpanzees in the wild. On her expeditions she braved the dangers with leopards and lions in the African bush. And she got to know an amazing group of wild chimpanzees -- intelligent animals whose lives, in work and play and family relationships, bear a surprising resemblance to our own.

Did you know you can travel with a bicycle and not the biggest wad of cash? Did you know that a bicycle is a mode of transport as well as a leisure vehicle? Did you know you can travel through your own country for free using a bicycle? What's that I hear you saying, 'it costs too much money!' What if I were to tell you to bring a tent as well? That would be the accommodation and transport sorted. How does that sound? 'Food?' You ask. Keep it simple; carbohydrates. Water is water, you will find that along the way, plenty. 'Time,' I hear you calling. Take the time off. Save it for the weekends. You have four directions you can go, north, south, east and west. What else would you realistically need? I believe everyone can take advantage of the sweet momentum of the bicycle. That is what I have done though I was not confined to a single country... Read and you will find out more... Maybe I reached your country... There were twenty countries in total... Maybe one belonged to you!

From a New York Times bestselling author and one of "the very best in today's Regency romance" (Elizabeth Hoyt) comes the story of the unconventional Wentworth family in this charming new series with a Cinderella twist. One minute, London banker Quinn Wentworth is facing execution. The next, he's declared the long-lost heir to a dukedom. Quinn has fought his way up from the worst slums, and now he's ready to use every dirty trick he knows to find the enemy who schemed against him. Jane Winston, the widowed and pregnant, crosses paths with Quinn while her father is preaching to the prisoners. Believing his days are numbered, Quinn offers her marriage as a way to guarantee her independence and provide for her child. Neither thinks they'll actually have a future together. He's a wealthy gutter rat out for vengeance. She's a minister's daughter who must turn a marriage of desperation into a proper ducal union. Are they doomed from the start or destined for a happily-ever-after? Also includes the bonus novella *Once Upon a Christmas Eve* from New York Times bestselling author Elizabeth Hoyt! When his carriage wheel snaps in a snowstorm, Adam Rutledge, Viscount d'Arque, is forced to seek shelter at the home of the most maddening, infuriating, and utterly beguiling woman he's ever met. "Skillfully crafted and exquisitely written, Burrowes' latest is pure gold; a brilliant launch to a promising series." --Library Journal, starred review

This is the revealing of the Seventh Angel that is commanded by Jesus Christ in Heaven for your reading if you expect to survive the entrapment created by Satan to destroy your freedom of the Christian Church. I must read for the survival and salvation of the Church. Satan wants you kidnapped and murdered by invasion! The time is short and you only have months before the great unveiling of Christ. This is the prophecy book of the Seventh Angel revealing the mystery of God from the time of Elijah in Malachi 4: 5-6 as the Angel Sent of Rev. 22: 16; to be the Christ Peter answering questions: Where's Jesus? Why is Satan calling himself Jesus? Why the False Prophet lied about Jesus return? Why not a murderer Saul as the Liar Paul? Who is Mystery Babylon? England really the Nation of Edom as killers of Ancient Israel: now extinct? Who is the Mystery of the Seven Stars John is to write about? Every symbol in the Book of Revelation is a question to be answered. The picture becomes clear as you read as the symbols come alive and the terror is realized you are the generation living the prophecy! There is no escape; only the truth can set you free; and the challenge will not go away from facing you in the climactic battle of the Great Day of God Almighty! The Times have been set in the stars and moon and sun; the Time is short for your preparations as the Christ Peter revealed announces in the last days before the great stage of the world reveals Satan and Christ Peter in the conflict of the ancients from Heaven now to battle upon the Earth. This is information no preacher dares to speak about because it is the shame of evil to be identified for their evil. A must reading for all people who have any chance to survive the awesome destruction that is about to come upon all mankind as a third of the earth in population will die the death in the conflict. What is the time of the birth of Christ? When will Christ announce? When shall the World War start? What was the Time, Times and Half Time? Is there an invasion of America? Who is the enemy of the church? How will Satan attack the United States? Is there any chance for survival or will no flesh be saved alive for the Elects sake? Feel the terror?

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The toughest ride on the home front just got a little smoother. Laura Gabbard faced her scariest rodeo yet when her husband of thirty years was diagnosed with a fast-growing, terminal brain tumor. Life suddenly spun into the chaos of doctors visits, an endless deluge of information, and many unimaginably tough decisions. Fortunately for her husband, Lauras decades of experience rehabilitating horses with a holistic approach had prepared her to make each step a little smoother and, with the help of a team of allies, keep him alive for nearly five years beyond the doctors predictions. In *My Toughest One*, Laura shares their story, highlighting the philosophy, skills, and tools of the rehabilitative approach she used in order to help other caregivers: Explore a more holistic approach to rehabilitation and reclaim power to fully support a loved one. Make the ride a little smoother and regain balance emotionally and physically. Rediscover the power of love and the presence of grace. If youre looking for a more powerful way to support your loved one and yourself, this is the book for you. Life has prepared you to face your toughest one, and youre about to find out how.

The Scriptures say, "In the beginning was the Word, and the word was with God. And the Word was God. He was with God in the beginning" (John 1:1). John's gospel calls Jesus the Word of God. He presents Him as the personal Word of God, which indicates

that in these last days God has spoken to us through His Son. The Scripture also revealed that Jesus Christ is the manifold wisdom of God and the perfect revelation of the nature and person of God. Just as a person's words reveal his or her heart and mind, with Christ, it is the same, as the Word reveals the heart and mind of God. All those who know Jesus Christ, earnestly desire to know Him more and more. Our Lord said, "Before Abraham was born, I Am," which means that Abraham is a creature of God, just as Adam and Eve; and Jesus Christ is the Creator; He is the beginning and the end, the first and the last, the Mediator and the Messiah, predicted by the Old Testament prophets long before Abraham was born. Jesus Christ is the manifestation of God's wisdom, righteousness, sanctification and redemption. Jesus Christ is the Lamb of God that was slain before the foundation of the universe. "He is before all things, and in him all things hold together "(Colossian 1:17). God will show His love for you in an active way, in a big way, in a way that you cannot imagine or think, or comprehend. At the present time, your most holy duty and task is to draw close to the Lord and continue in faithful obedience to His commandments, to His Word and to the control and direction of the Holy Spirit. Gain a deeper understanding of Jesus Christ and grow in knowledge, strength and truth through this uplifting read. A rabbit named Nicholas describes his favorite activities in the forest during each of the seasons.

In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. God, Take Over; I Am Finished is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. God, Take Over; I Am Finished can restore hope and improve your relationships with God and man.
