

## I Am Peace A Book Of Mindfulness

From the author and illustrator of the bestselling *Not Quite Narwhal* comes a sweet and funny story about remembering where you belong, no matter how far you roam, or what you're wearing when you get there. Harriet loves costumes. She wears them to the dentist, to the supermarket, and most importantly, to her super-special dress-up birthday party. Her dads have decorated everything for the party and Harriet has her most favorite costume all picked out for the big day. There's just one thing missing—party hats! But when Harriet dons her special penguin errand-running costume and sets out to find the perfect ones, she finds something else instead—real penguins! Harriet gets carried away with the flock. She may look like a penguin, but she's not so sure she belongs in the arctic. Can Harriet manage her way back to her dads (and the party hats!) in time for her special day?

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans

than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

The book will help readers to discover the meaning of inner peace and happiness by

## Access Free I Am Peace A Book Of Mindfulness

living the consciousness that has been meticulously explained in the book. The book explains various techniques of transcending the separate self- the mind and body combination, based on experiential knowledge of Kashmiri mystics and the followers of the Shaivite School of the philosophy of Kashmir. The author, however, cautions us to the dangers of downplaying the role of religions or form, in the name of mysticism, sold to many, eager for spiritual experience. An intense spiritual and life-changing book. Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

"[An] all around brilliant space opera, I absolutely love it."—Ann Leckie, on *A Memory Called Empire* *A Desolation Called Peace* is the spectacular space opera sequel to Arkady Martine's genre-reinventing, Hugo Award-winning debut, *A Memory Called Empire*. An alien armada lurks on the edges of Teixcalaanli space. No one can

## Access Free I Am Peace A Book Of Mindfulness

communicate with it, no one can destroy it, and Fleet Captain Nine Hibiscus is running out of options. In a desperate attempt at diplomacy with the mysterious invaders, the fleet captain has sent for a diplomatic envoy. Now Mahit Dzmare and Three Seagrass—still reeling from the recent upheaval in the Empire—face the impossible task of trying to communicate with a hostile entity. Their failure will guarantee millions of deaths in an endless war. Their success might prevent Teixcalaan's destruction—and allow the empire to continue its rapacious expansion. Or it might create something far stranger . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Discover the power of activism in this companion to New York Times bestsellers I Am Human and I Am Love! One seed to start a garden, one note to start a melody, one brick to start breaking down walls: Every movement and moment of change starts with purpose, with intention, with one. With me. With you. the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

This early work by Robert E. Howard was originally published in 1935 and we are now republishing it with a brand new introductory biography. 'Hawk of the Hills' is a story in the El Borak series where El Borak leads a tribe to war in Afganistan. Robert Ervin Howard was born in Peaster, Texas in 1906. During his youth, his family moved between a variety of Texan boomtowns, and Howard – a bookish and somewhat introverted child – was steeped in the violent myths and legends of the Old South. At fifteen Howard began to read the pulp magazines of the day, and to write more

## Access Free I Am Peace A Book Of Mindfulness

seriously. The December 1922 issue of his high school newspaper featured two of his stories, 'Golden Hope Christmas' and 'West is West'. In 1924 he sold his first piece – a short caveman tale titled 'Spear and Fang' – for \$16 to the not-yet-famous Weird Tales magazine. Howard's most famous character, Conan the Cimmerian, was a barbarian-turned-King during the Hyborian Age, a mythical period of some 12,000 years ago. Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the 'sword and sorcery' genre. The Conan stories have since been adapted many times, most famously in the series of films starring Arnold Schwarzenegger.

The companion to I Am Yoga that celebrates mindfulness--now available as a board book! When the world feels chaotic, find peace within through an accessible mindfulness practice from the picture book dream team that brought us I Am Yoga and the #1 New York Times bestseller I Am Human. Express emotions through direct speech. Find empathy through imagination. Connect with the Earth. Wonder at the beauty of the natural world. Breathe, taste, smell, touch, and be present. Perfect for the classroom or for bedtime, Susan Verde's gentle, concrete narration and Peter H. Reynolds's expressive watercolor illustrations bring the tenets of mindfulness to a kid-friendly level.

Encourage kids to find their inner strength with this companion to the New York Times bestsellers I Am Human and I Am Love! I move ahead one breath at a

time. I act with bravery. I am courage. When we picture someone brave, we might think they're fearless but real courage comes from feeling scared and facing what challenges us anyway. When our minds tell us "I can't," we can look inside ourselves and find the strength to say, "Yes, I CAN!" From the New York Times bestselling team behind the I Am series comes a triumphant celebration of everyday courage: believing in ourselves, speaking out, trying new things, asking for help, and getting back up no matter how many times we may fall. Grounded in mindfulness and awareness, I Am Courage is an empowering reminder that we can conquer anything. Inside, you'll also find exercises to inspire confidence.

In this urgent book, Alan M. Dershowitz shows why American Jews are in danger of disappearing - and what must be done now to create a renewed sense of Jewish identity for the next century. In previous times, the threats to Jewish survival were external - the virulent consequences of anti-Semitism. Now, however, in late-twentieth-century America, the danger has shifted. Jews today are more secure, more accepted, more assimilated, and more successful than ever before. They've dived into the melting pot - and they've achieved the American Dream. And that, according to Dershowitz, is precisely the problem. More than 50 percent of Jews will marry non-Jews, and their children will most often be raised as non-Jews. Which means, in the view of Dershowitz, that

## Access Free I Am Peace A Book Of Mindfulness

American Jews will vanish as a distinct cultural group sometime in the next century - unless they act now. Speaking to concerned Jews everywhere, Dershowitz calls for a new Jewish identity that focuses on the positive - the 3,500-year-old legacy of Jewish culture, values, and traditions. Dershowitz shows how this new Jewish identity can compete in America's open environment of opportunity and choice - and offers concrete proposals on how to instill it in the younger generation.

When the world feels chaotic, find peace within through an accessible mindfulness practice from the bestselling picture-book dream team that brought us I Am Yoga. Express emotions through direct speech. Find empathy through imagination. Connect with the earth. Wonder at the beauty of the natural world. Breathe, taste, smell, touch, and be present. Perfect for the classroom or for bedtime, Susan Verde's gentle, concrete narration and Peter H. Reynolds's expressive watercolor illustrations bring the tenets of mindfulness to a kid-friendly level. Featuring an author's note about the importance of mindfulness and a guided meditation for children, I Am Peace will help readers of all ages feel grounded and restored.

This e-book includes 26 bonus photos from the author! Margaret Roach worked at Martha Stewart Living Omnimedia for 15 years, serving as Editorial Director for

the last 6. She first made her name in gardening, writing a classic gardening book among other things. She now has a hugely popular gardening blog, "A Way to Garden." But despite the financial and professional rewards of her job, Margaret felt unfulfilled. So she moved to her weekend house upstate in an effort to lead a more authentic life by connecting with her garden and with nature. The memoir she wrote about this journey is funny, quirky, humble--and uplifting--an Eat, Pray, Love without the travel--and allows readers to live out the fantasy of quitting the rat race and getting away from it all.

DIVÂ /div When I see a work of art, something happens in my heart! As a little girl tours and twirls through the halls of the art museum, she finds herself on an exciting adventure. Each piece of art evokes something new inside of her: silliness, curiosity, joy, and ultimately inspiration. When confronted with an empty white canvas, she is energized to create and express herself—which is the greatest feeling of all. With exuberant illustrations by Peter H. Reynolds, The Museum playfully captures the many emotions experienced through the power of art, and each child's unique creative process. UPraise for The Museum/u "Verde and Reynolds deliver a simple premise with a charming payoff... this "twirly-whirly†? homage to a museum is, on balance, a sweet-natured and handsome celebration." —Kirkus Reviews "Debut author Verde makes an engaging case for

## Access Free I Am Peace A Book Of Mindfulness

understanding art as an experience rather than an object." —Publishers Weekly  
"The rhymed text captures the excitement of a being sparked by art.†? —Booklist  
"Communicates a fresh, playful, childlike perspective on art and normalizes childlike responses to it. The idea that posing, laughing, and curious questions are all appropriate museum behavior may be a new one for both children and parents, and knowing this is sure to make for more enjoyable museum visits."  
—School Library Journal "For parents who have trouble communicating the excitement of art to their children, The Museum can serve as the starting point for a conversation. The book is also a wonderful reminder of visual art's power to encourage and empower self-expression. Children and adults will finish this book excited about their next art experience, and perhaps tempted to dance through the halls of a museum in the near future." —Bookpage "This playful picture book pays tribute to the joyous effect art can have on the viewer." —Shelf-Awareness  
I am human I am a work in progress Striving to be the best version of ME From the picture book dream team behind I Am Yoga and I Am Peace comes the third book in their wellness series: I Am Human. A hopeful meditation on all the great (and challenging) parts of being human, I Am Human shows that it's okay to make mistakes while also emphasizing the power of good choices by offering a kind word or smile or by saying "I'm sorry." At its heart, this picture book is a

## Access Free I Am Peace A Book Of Mindfulness

celebration of empathy and compassion that lifts up the flawed fullness of humanity and encourages children to see themselves as part of one big imperfect family—millions strong.

Peace. What does that word really mean? Ask children from around the world, and this is what they say....

An eagle soaring among the clouds or a star twinkling in the night sky . . . a camel in the desert or a boat sailing across the sea—yoga has the power of transformation. Not only does it strengthen bodies and calm minds, but with a little imagination, it can show us that anything is possible. New York Times bestselling illustrator Peter H. Reynolds and author and certified yoga instructor Susan Verde team up again in this book about creativity and the power of self-expression. *I Am Yoga* encourages children to explore the world of yoga and make room in their hearts for the world beyond it. A kid-friendly guide to 17 yoga poses is included.

For fans of Susan Verde's *I Am Peace* and Deborah Underwood's *The Quiet Book*, this gentle story introduces kids ages 2-6 to mindfulness and breath awareness. *I Am a Peaceful Goldfish* teaches kids and families about playful breathing techniques that we can use to overcome our anxiety and feel calm and grounded. When we are overcome with emotions, our breath—and a bit of

imagination—can bring us back to a peaceful place. In this simple story, two children learn how to settle their feelings with imaginative breathing techniques, pretending they are elephants, flowers, even dragons! This charming book teaches even the youngest readers fun ways to be mindful, relieve anxiety, and regain control over their bodies and actions—an essential and easy-to-learn life skill.

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zelie s Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelie without a mother and her people without hope.

Sometimes life seems like it's all about hurrying—so many places to go! And sometimes it's hard when things don't go your way—it can make a piggy angry and sad. So how do young piggies find a peaceful place in a frustrating world? They meditate! They find a quiet spot, a special place with a few simple things, and just breathe. They do this every day, feeling their breath going in and out. They slow down and calm down. Now it's easier to deal with whatever comes their way, and they have time to notice all the magical things in life, too!

It's time to change the way we see babies. Drawing on principles developed by the educator Dr Maria Montessori, *The Montessori Baby* shows how to raise your baby from birth to age one with love, respect, insight, and a surprising sense of calm.

## Access Free I Am Peace A Book Of Mindfulness

Cowritten by Simone Davies, author of the bestselling *The Montessori Toddler*, and Junnifa Uzodike, it's a book filled with hundreds of practical ideas for understanding what is actually happening with your baby, and how you can mindfully assist in their learning and development. Including how to: Prepare yourself for parenthood—physically, emotionally, intellectually, and spiritually. Become an active observer to understand what your baby is really telling you. Create Montessori spaces in your home, including “yes” spaces where nothing is off-limits. Set up activities that encourage baby’s movement and language development at their own pace Raise a secure baby who’s ready to explore the world with confidence.

“Do read this book if you are seeking. It keeps it simple, yet utterly profound.”—Scott Kiloby, author of *Love’s Quiet Revolution I Am That I Am* began as a journal, written at the suggestion of author Francis Bennett’s spiritual director. It was intended to help Francis clarify and explore the shift in perception that had occurred to him—not only for his own sake, but for those who might seek his spiritual guidance in the future. This deceptively simple book brings a unique freshness and humanity to the meeting of Christianity with Eastern investigation of the nature of the self. As Francis says, “Who I am is happiness and bliss ... don’t take my word for any of this. You can experiment with this on your own and discover for yourself whether or not these claims are true. This little book may be able to assist you in conducting just such an experiment in your own life. That is certainly my hope in writing it.”

empowering story about finding your voice, and using it to make the world a better place. The world needs your voice. If you have a brilliant idea... say something! If you see an injustice... say something! In this empowering new picture book, beloved author Peter H. Reynolds explores the many ways that a single voice can make a difference. Each of us, each and every day, have the chance to say something: with our actions, our words, and our voices. Perfect for kid activists everywhere, this timely story reminds readers of the undeniable importance and power of their voice. There are so many ways to tell the world who you are... what you are thinking... and what you believe. And how you'll make it better. The time is now: **SAY SOMETHING!**

Winner of the 2019 Moonbeam Children's Mind, Body, Spirit Bronze Medal and a 2020 Mom's Choice Awards® Gold Recipient! An engaging and interactive story showing children ages 3-6 the power of breath when dealing with new and difficult emotions. Read aloud and breathe along with this sweet story teaching children how to navigate powerful emotions like anger, fear, sadness, confusion, anxiety, and loneliness. With rhythmic writing and engaging illustrations, *Breathing Makes It Better* guides children to breathe through their feelings and find calm with recurring cues to stop and take a breath. Simple guided practices, like imagining you are a tree blowing in the wind, follow each story to teach children how to apply mindfulness techniques when they need them the most.

Every September 21 on the International Day of Peace, children around the world wish

in many different languages for peace.

Boys love sneakers. But when a child finds that his toes have outgrown his favorite shoes, and they've gotten too dirty and smelly, his mom says it's time for a new pair. Resistant to let go, the boy reminisces about all the good times he's had with his favorite kicks on the city streets. There's the paint splatter from his masterpiece and the drip from a Popsicle. There's the scuff from when he fell off his skateboard. And there are those frayed laces that he learned to tie in bows and doubles. A new pair just won't be the same. But, with bigger shoes to fill, the boy realizes new adventures await him. Maybe he could paint a little better? Or skate a little faster? This new picture book from the bestselling author of *I Am Yoga* explores the love and pride that kids have for their sneakers and the joy that can be found in growing up, growing out, and moving on. Celebrate kindness, compassion, self-care, and love in all its forms in this instant New York Times bestseller! Love means showing kindness, living with gratitude, and taking care of our minds and bodies. Letting our hearts lead the way can help move us closer to a better world. From the bestselling team that created *I Am Yoga*, *I Am Peace*, *I Am Human*, and *I Am One* comes a celebration of love in all its forms. Grounded in mindfulness and wellness, *I Am Love* asks readers to look inward when they feel afraid, angry, hurt, or sad. When a storm is brewing inside us and the skies grow dark, the transformative power of love lets the light back in. Includes heart-opening yoga poses and a guided meditation.

Launched with a powerful narrative thrust of the suicide of her son in 1978, LaRita Archibald leads the reader from the initial trauma of violent death, through the ragged, brutal and unknown psychological and emotional landscape that must be traversed to find eventual peace. Using lessons learned from decades of work with suicide bereaved LaRita helps survivors of suicide loss have a framework for understanding the complexities of suicide grief and the reassurance that what they are experiencing is normal for what they have experienced. She gives names to the unsettling experiences of 'phantom pain' and 'flashbacks' and validates feelings of anger, responsibility, frustration, even relief, as well as the need to search for answers, reasons and cause. By addressing the concept of 'choice' and the impact of religious beliefs, misconceptions and age-old bias, LaRita helps uncover layers of cultural influence that often create barriers to healing. She shares anecdotes of military suicide loss, the compounded tragedy of murder/suicide and multiple suicide loss and how those left behind gained the strength to work through the extreme circumstance of their tragedies. She offers practical advice for protecting the parents marriage after a child's suicide, for meeting needs of bereaved children and for taking care of one's physical, emotional and spiritual self during acute grief. She acknowledges the evolvment of a 'new normal'; the adjustment to the physical and social environment suicide grievers must make to live beyond the death of their loved one and, as well, to live with the fact of suicide as the cause of the death. LaRita offers the reader suggestions for moving from

## Access Free I Am Peace A Book Of Mindfulness

being a victim to a survivor, and eventually, a "thrivor." In her book, *Finding Peace Without All The Pieces*, LaRita Archibald helps the reader place the pieces of their own loss into a mosaic that brings hope and healing just by reading it. She extends the promise that the overwhelming anguish of today will eventually subside into manageable sorrow, that the suicide of one dealy loved IS survivable and there is healing and peace waiting in the future. She takes the hand of suicide bereaved, lending the strength of her own healing, as she helps them cross crevasses of deep suffering and tread the rugged paths through mountains of grief toward a plateau of peace. All the while she comforts and encourages, telling them. "Follow me, dear survivor. I've made this bitter journey. I will show you the way."

Today I feel silly. Mom says it's the heat. I put rouge on the cat and gloves on my feet. I ate noodles for breakfast and pancakes at night. I dressed like a star and was quite a sight. Today I am sad, my mood's heavy and gray. There's a frown on my face and it's been there all day. My best friend and I had a really big fight. She said that I tattled and I know that she's right. Silly, cranky, excited, or sad--everyone has moods that can change each day. Jamie Lee Curtis's zany and touching verse, paired with Laura Cornell's whimsical and original illustrations, helps kids explore, identify, and, even have fun with their ever-changing moods. Here's another inspired picture book from the bestselling author-illustrator team of *Tell Me Again About the Night I Was Born* and *When I Was Little: A Four-Year-Old's Memoir of Her Youth*.

A light-hearted, full-color, captioned Photo Book that tells the story of the wilderness travels of Miss Penny, the beloved thirty pound miniature Australian Shepherd hiking companion dog of Artist, Author, Photographer and Backpacker Jimmy Lange. After a decade of courageously exploring some of the most remote and pristine mountain backcountry of Colorado and the Rocky Mountain West, including Grizzly Country in Wyoming, Montana and British Columbia, Canada, as well as the desert Canyon Country of southern Utah, Miss Penny's message to us all is "You are probably a lot smarter, a lot more capable and much stronger than you could imagine...you are bigger than you think!" Ninety full-color pages, including more than 80 photos with captions, take the reader to wild & beautiful scenes in the Rocky Mountain West, such as Wyoming's Wind River Range, the Selkirk Mountains of British Columbia and the land of the Great Bear near Yellowstone National Park. In the winter off season, go south with Miss Penny to explore remote desert canyons near Moab, Utah while hiking beneath colorful and breathtaking canyon walls stained with desert varnish. Perfect for dog and nature lovers of any age, this is the story of a brave little dog taking on some very BIG country...and doing it all with courage, heart and a tenacity that we can't help but admire, perhaps in some small way encouraging all of us to also look out and beyond what we might see as our own limits...to seek new adventures and life-giving experiences beyond our everyday, seemingly small existence. It's a big world out there and, as Miss Penny says, "You are bigger than you think!" This is the first book in a

series of upcoming titles by Author / Watercolor Artist / Nature Photographer Jimmy Lange as he documents his many years of backpacking ( always solo with just his dog ) in untouched, non-trailed, deep mountain wilderness. 90 Full-Color Pages (more than 80 Color Photos) / Perfect Bound Softcover 8.5" X 8.5" Retail Price \$19.95

You and Me is a loving tribute to how fate brought two best friends together. An adorable cat muses about the what-ifs in life: What if he had slept late that one special morning? What if he'd missed his train on that fateful day? Then he might never have met his favorite person in the world, and his entire life would be different! Two friends delight in the incredible power of serendipity in this charming tale. Illustrated by the bestselling Peter H. Reynolds, You and Me is the ultimate gift for the closest of friends on Valentine's Day or any day of the year.

Based on supermodel Georgie Badiel's childhood, a young girl dreams of bringing clean drinking water to her African village With its wide sky and warm earth, Princess Gie Gie's kingdom is a beautiful land. But clean drinking water is scarce in her small African village. And try as she might, Gie Gie cannot bring the water closer; she cannot make it run clearer. Every morning, she rises before the sun to make the long journey to the well. Instead of a crown, she wears a heavy pot on her head to collect the water. After the voyage home, after boiling the water to drink and clean with, Gie Gie thinks of the trip that tomorrow will bring. And she dreams. She dreams of a day when her village will have cool, crystal-clear water of its own. Inspired by the childhood of African-born

## Access Free I Am Peace A Book Of Mindfulness

model Georgie Badiel, acclaimed author Susan Verde and award-winning author/illustrator Peter H. Reynolds have come together to tell this moving story. As a child in Burkina Faso, Georgie and the other girls in her village had to walk for miles each day to collect water. This vibrant, engaging picture book sheds light on this struggle that continues all over the world today, instilling hope for a future when all children will have access to clean drinking water.

I Am Peace A Book of Mindfulness Abrams

Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are

changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In *War and Peace* (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

Peace is making new friends. Peace is helping your neighbor. Peace is a growing a garden. Peace is being who you are. The *Peace Book* delivers positive and hopeful messages of peace in an accessible, child-friendly format featuring Todd Parr's trademark bold, bright colors and silly scenes. Perfect for the youngest readers, this book delivers a timely and timeless message about the importance of friendship, caring, and acceptance.

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers

who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

From the influential and ever-growing movement "I Am Second" comes a remarkable collection of well-known lives transformed from restless to happy by the power of God. When I Am Second launched in 2008, the organization meant

simply to tell stories of people whose lives changed utterly when they placed God first and themselves second. Although the organization has exploded in size and influence since, that original mission has remained the same--and continues to have enormous power today. I Choose Peace is the highly anticipated new book from I Am Second, gathering together stories of people who searched everywhere for fulfillment and wholeness and found it only when they surrendered to God. People whose stories appear include the following: Chip and Joanna Gaines Kathie Lee Gifford Albert Pujols Shawn Johnson Phil and Kay Robertson Brian "Head" Welch Moving, compelling, and profoundly inspiring, the stories found here remind us that our hearts will always be restless until they find their rest in God.

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper -

despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.
