

## I Just Made The Tea Tales Of 30 Years Inside Formula 1 Paperback

In Pennsylvania's Amish country, Daisy Swanson finds herself going back to school expecting to serve tea—only to get a crash course in criminal justice . . . The faculty of Willow Creek High School are having a get-together after the spring concert with refreshments provided, courtesy of Daisy's Tea Garden. Oolong tea and chocolate biscuits are just what the staff needs to help them unwind from Althea Higgins' demanding curriculum. Her lessons on such controversial subjects as school uniforms and underqualified substitute teachers are earning her an F from her colleagues. But a failing grade was preferable to Althea falling victim to foul play. Daisy was there when her body was discovered in the school swimming pool, murdered by strangulation. Althea was certainly a strict, opinionated taskmaster, unliked by both teachers and students, but would any of them actually want to kill her? As Daisy starts asking questions, she gets a real education in Althea's history, discovering more than enough enemies with more than enough motives to cancel her classes permanently . . . Includes delicious recipes!

The Book of Tea was written by Okakura Kakuzo in the early 20th century. It was first published in 1906, and has since been republished many times. In the book, Kakuzo introduces the term Teism and how Tea has affected nearly every aspect of Japanese culture, thought, and life. The book is accessible to Western audiences because Kakuzo was taught at a young age to speak English; and spoke it all his life, becoming proficient at communicating his thoughts to the Western Mind. In his book, he discusses such topics as Zen and Taoism, but also the secular aspects of Tea and Japanese life. The book emphasises how Teism taught the Japanese many things; most importantly, simplicity. Kakuzo argues that this tea-induced simplicity affected art and architecture, and he was a long-time student of the visual arts. He ends the book with a chapter on Tea Masters, and spends some time talking about Sen no Rikyu and his contribution to the Japanese Tea Ceremony. According to Tomonobu Imamichi, Heidegger's concept of Dasein in Sein und Zeit was inspired -- although Heidegger remains silent on this -- by Okakura Kakuzo's concept of das-in-dem-Welt-sein (to be in the being of the world) expressed in The Book of Tea to describe Zhuangzi's philosophy, which Imamichi's teacher had offered to Heidegger in 1919, after having followed lessons with him the year before.

Let Joseph Wesley Uhl be your guide to the entire world of tea; from peeks into tea production around the world to brewing your own blends at home. "Water is the mother of tea, a teapot its father, and fire the teacher." -- Chinese Proverb As one of the most consumed beverages in the world, a cup of tea is a common shared experience across cultures and traditions. Companies and consumers alike are reawakening to the benefits of high-quality, unprocessed, natural beverages, and tea is a perfect obsession for anyone interested in artisan food and healthy eating. In The Art and Craft of Tea, entrepreneur and enthusiast Joseph Wesley Uhl brings to the story of tea its due reverence, making its history, traditions, and possibilities accessible to all. If you want to go beyond reading and enter your kitchen, Joseph offers "recipes" for creating your own tea blends using natural ingredients. Inside you'll find: - A detailed overview of tea's history and origins - Thoughtful descriptions of global brewing methods - Innovative ideas for iced tea, tea cocktails, and DIY blends.

A raw and surprisingly beautiful coming-of-age memoir, Coal to Diamonds tells the story of Mary Beth Ditto, a girl from rural Arkansas who found her voice. Born and raised in Judsonia, Arkansas—a place where indoor plumbing was a luxury, squirrel was a meal, and sex ed was taught during senior year in high school (long after many girls had gotten pregnant and dropped out) Beth Ditto stood out. Beth was a fat, pro-

choice, sexually confused choir nerd with a great voice, an eighties perm, and a Kool Aid dye job. Her single mother worked overtime, which meant Beth and her five siblings were often left to fend for themselves. Beth spent much of her childhood as a transient, shuttling between relatives, caring for a sickly, volatile aunt she nonetheless loved, looking after sisters, brothers, and cousins, and trying to steer clear of her mother's bad boyfriends. Her punk education began in high school under the tutelage of a group of teens—her second family—who embraced their outsider status and introduced her to safety-pinned clothing, mail-order tapes, queer and fat-positive zines, and any shred of counterculture they could smuggle into Arkansas. With their help, Beth survived high school, a tragic family scandal, and a mental breakdown, and then she got the hell out of Judsonia. She decamped to Olympia, Washington, a late-1990s paradise for Riot Grrrls and punks, and began to cultivate her glamorous, queer, fat, femme image. On a whim—with longtime friends Nathan, a guitarist and musical savant in a polyester suit, and Kathy, a quiet intellectual turned drummer—she formed the band Gossip. She gave up trying to remake her singing voice into the ethereal wisp she thought it should be and instead embraced its full, soulful potential. Gossip gave her that chance, and the raw power of her voice won her and Gossip the attention they deserved. Marked with the frankness, humor, and defiance that have made her an international icon, Beth Ditto's unapologetic, startlingly direct, and poetic memoir is a hypnotic and inspiring account of a woman coming into her own.

This cutting-edge tome on one of the world's oldest ingredients and most popular beverages will be an invaluable tool for both home and professional cooks. Gold and Stern offer new ways of looking at tea: the leaves with a history stretching thousands of years is now a secret weapon in the culinary arsenal. Tea in its many forms has been around for thousands of years, and is a burgeoning industry in many countries as the demand for specialty leaves grows. Read all about the picking and drying techniques virtually unchanged for centuries, popular growing regions in the world, and the storied past of trading. Culinary Tea has all this, plus more than 100 recipes using everything from garden-variety black teas to exclusive fresh tea leaves and an in-depth treatment of tea cocktails. The book will include classics, such as the centuries-old Chinese Tea-Smoked Duck and Thousand-Year Old Eggs, as well as recipes the authors have developed and collected, such as Smoked Tea-Brined Capon and Assam Shortbread.

Provides instructions for creating several different tea parties, with such themes as a princess party, a teddy bears' picnic, and a pajama breakfast tea party. Includes recipes, games, crafts and other activities.

Where does tea come from? With DK's The Tea Book, learn where in the world tea is cultivated and how to drink each variety at its best, with steeping notes and step-by-step recipes. Visit tea plantations from India to Kenya, recreate a Japanese tea ceremony, discover the benefits of green tea, or learn how to make the increasingly popular Chai tea. Exploring the spectrum of herbal, plant, and fruit infusions, as well as tea leaves, this is a comprehensive guide for all tea lovers.

The Tea Rose is a towering old-fashioned story, imbued with a modern sensibility, of a family's destruction, of murder and revenge, of love lost and won again, and of one determined woman's quest to survive and triumph. East London, 1888—a city apart. A place of shadow and light where thieves, whores, and dreamers mingle, where children play in the cobbled streets by day and a killer stalks at night, where bright hopes meet the darkest truths. Here, by the whispering waters of the Thames, a bright and defiant young woman dares to dream of a life beyond tumbledown wharves, gaslit alleys, and the grim and crumbling dwellings of the poor. Fiona Finnegan, a worker in a tea factory, hopes to own a shop one day, together with her lifelong love, Joe Bristow, a costermonger's son. With nothing but their faith in each other to spur them on, Fiona and Joe struggle, save, and sacrifice to achieve their dreams. But Fiona's dreams are shattered when the actions of a

dark and brutal man take from her nearly everything-and everyone-she holds dear. Fearing her own death at the dark man's hands, she is forced to flee London for New York. There, her indomitable spirit-and the ghosts of her past-propel her rise from a modest west side shopfront to the top of Manhattan's tea trade. Authentic and moving, Jennifer Donnelly's *The Tea Rose* is an unforgettable novel.

Kikko sets out after her father with a forgotten pie for Grandma. When she arrives at a strange house in the wintry woods, a peek in the window reveals that the footprints Kikko had been following did not belong to her father at all, but to a bear in a long coat and hat! Alice in Wonderland meets Little Red Riding Hood in this charmed tale.

Describes how tea is grown, harvested, and turned into a beverage; discusses the historical and societal importance of tea; and explores the tea trade.

Southern traditions, history, and hope come together in author Piper Huguley's heartfelt romance from Hallmark Publishing. Althea Dailey has succeeded beyond her wildest dreams: she's about to make partner at her prestigious law firm in New York. So why doesn't she feel more excited about it? When she has to travel South for a case, she pays a long-overdue visit back home to Milford, Georgia. To her surprise, a white man she's never met has befriended her grandmother. Jack Darwent wasn't interested in the definition of success dictated by Southern high society. His passion for cooking led him to his current project: a documentary and cookbook about authentic Southern food. Althea's grandmother is famous for her cooking at Milford College, a historically Black institution. But Althea suspects Jack of trying to steal her grandmother's recipes. Despite Althea and Jack's first impressions of one another, they discover they have more in common than they'd guessed...and even as they learn about one another's pasts, they both see glimmers of a better future. This Southern small-town romance includes a free Hallmark original recipe for Grandma's Biscuits and Gravy.

When Jane decides to leave her Wall Street job to join her husband Pete in Tokyo she unwittingly places herself on a trajectory that challenges her marriage, her career and risks her very life. This is her emotional journey of love, betrayal, hope and disillusionment. A family's secret atrocities and treachery are revealed amid the financial manipulation of the Tokyo capital market bubble. Jane finds renewal in an unexpected place. "The anomie of the ex-pat in Japan is captured in 'Lost in Translation,' and in this book." James Fallows, *The Atlantic* "More twists and turns than a Tokyo alley." Mary Lord, former Tokyo bureau chief *U.S. News & World Report*

From tea guru Sebastian Beckwith and New York Times bestsellers Caroline Paul and Wendy MacNaughton comes the essential guide to exploring and enjoying the vast world of tea. Tea, the most popular beverage in the world after water, has brought nations to war, defined cultures, bankrupted coffers, and toppled kings. And yet in many ways this fragrantly comforting and storied brew remains elusive, even to its devotees. As down-to-earth yet stylishly refined as the drink itself, *A Little Tea Book* submerges readers into tea, exploring its varieties, subtleties, and pleasures right down to the

process of selecting and brewing the perfect cup. From orange pekoe to pu-erh, tea expert Sebastian Beckwith provides surprising tips, fun facts, and flavorful recipes to launch dabblers and connoisseurs alike on a journey of taste and appreciation. Along with writer and fellow tea-enthusiast Caroline Paul, Beckwith walks us through the cultural and political history of the elixir that has touched every corner of the world. Featuring featuring charming, colorful charts, graphs, and illustrations by bestselling illustrator Wendy MacNaughton and Beckwith's sumptuous photographs, A Little Tea Book is a friendly, handsome, and illuminating primer with a dash of sass and sophistication. Cheers!

A thrilling new novel from #1 New York Times bestselling author Lisa See explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, Snow Flower and the Secret Fan, See introduced the Yao people to her readers. Here she shares the customs of another Chinese ethnic minority, the Akha, whose world will soon change. Li-yan, one of the few educated girls on her mountain, translates for the stranger and is among the first to reject the rules that have shaped her existence. When she has a baby outside of wedlock, rather than stand by tradition, she wraps her daughter in a blanket, with a tea cake hidden in her swaddling, and abandons her in the nearest city. After mother and daughter have gone their separate ways, Li-yan slowly emerges from the security and insularity of her village to encounter modern life while Haley grows up a privileged and well-loved California girl. Despite Haley's happy home life, she wonders about her origins; and Li-yan longs for her lost daughter. They both search for and find answers in the tea that has shaped their family's destiny for generations. A powerful story about a family, separated by circumstances, culture, and distance, Tea Girl of Hummingbird Lane paints an unforgettable

portrait of a little known region and its people and celebrates the bond that connects mothers and daughters. On Rishad Saam Mehta's journeys — and as a travel writer and all-round road-trip junkie, he's been on many — there's a particular thing he noticed. There's not a highway, road or dirt track in India where you can't find a cup of chai whenever you want it. And with those cuppas come encounters and incidents that make travelling in India a fascinating adventure. In this riveting book, which includes stories of honey- and saffron-infused tea shared with a shepherd in Kashmir, and a strong brew that revives the author after almost getting lynched by an irate mob in Kerala, Rishad takes you across the length and breadth of India, from Manali to Munnar, from the Rann of Kutch to Khajuraho, with a wonderful combination of wit, sensitivity and insight.

“Poison Tea shines a spotlight on the shadowy Koch brother network and reveals hidden connections between the tobacco industry, the reclusive billionaire brothers, and the Tea Party movement. It's a major story that for too long has been underreported and poorly understood.”—REP. HENRY WAXMAN, a former chairman of the House Energy and Commerce Committee How did today's Tea Party movement really come to be? Did it suddenly appear in 2009 as a spontaneous response to Barack Obama and health-care reform? Or was its true purpose and history something far different. Was it in fact a careful, strategic effort by two of the planet's wealthiest individuals, the tobacco industry, and other corporate interests to remake the government and seize control of one of our two national parties, ultimately gaining both the White House and Congress? Jeff Nesbit was in the room at the beginning of the unholy alliance between representatives of the world's largest private oil company and the planet's largest public tobacco company. There, they planned for a grassroots national political movement—one that would later be known as the Tea Party—that would promote their own corporate interests and political goals. Drawing from his own experience as well as from troves of recently released internal tobacco industry documents, Nesbit reveals the long game that these corporate giants have played to become a dominant force in American politics.

“A gutsy, wise memoir-in-essays from a writer praised as ‘impossible to put down’”—People From PEN America Literary Award-winning author Michelle Tea comes a moving personal essay collection about the trials and triumphs of shedding your vices in order to find yourself. As an aspiring young writer in San Francisco, Michelle Tea lived in a scuzzy communal house: she drank; she smoked; she snorted anything she got her hands on; she toiled for the minimum wage; she dated men and women, and sometimes both at once. But between hangovers and dead-end jobs, she scrawled in notebooks and organized dive bar poetry readings, working to make her literary dreams a reality. In *How to Grow Up*, Tea shares her awkward stumble towards the life of a Bona Fide Grown-Up: healthy, responsible, self-aware, and stable. She writes about passion, about her fraught relationship with money, about adoring Barney's while shopping at thrift

stores, about breakups and the fertile ground between relationships, about roommates and rent, and about being superstitious (“why not, it imbues this harsh world of ours with a bit of magic”). At once heartwarming and darkly comic, *How to Grow Up* proves that the road less traveled may be a difficult one, but if you embrace life’s uncertainty and dust yourself off after every screw up, slowly but surely, you just might make it to adulthood. “Wild, wickedly funny, and refreshingly relevant.” —Elle “This compulsively readable collection is so damn good, you’ll tear through the whole thing (and possibly take notes along the way).” —Bustle

2016 Silver Nautilus Book Award Winner Brew your own kombucha at home! With more than 400 recipes, including 268 unique flavor combinations, you can get exactly the taste you want — for a fraction of the store-bought price. This complete guide, from the proprietors of Kombucha Kamp, shows you how to do it from start to finish, with illustrated step-by-step instructions and troubleshooting tips. “Revealing and heart-wrenching” - The Times Forewords by Murray Walker OBE and Michael Schumacher This is the ebook edition of *Di Spires'* unusual and revealing Formula 1 memoir. Di and her husband Stu travelled the world in Formula 1 for 30 years, running the team motorhome for a succession of different teams. As well as Formula 1 people, she encountered personalities from every walk of life, from royalty to criminals on the run. Her stories range from the hilarious to the tragic and provide a unique perspective. This is a fast-paced read packed with surprising snippets and observations, with plenty of intimate insight into what the drivers are really like. The author’s Formula 1 roles included working for Lotus in the Senna era and Benetton in the Schumacher era. She worked with five World Champions and became ‘Mum’ to some of the biggest names in the pitlane. An engaging read that's full of amusing stories from the Formula 1 paddock over the past 30 years. Very much a people book, it's packed with interest and insight into the whole cast of Formula 1, from World Champions to mechanics. Ayrton Senna features large in her story she became close to the great Brazilian driver and his family. Other great drivers she worked with, and got to know well, include Michael Schumacher, Nelson Piquet and Elio de Angelis. A motor racing memoir with a difference. Described as 'revealing and heart-wrenching' by The Times.

The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban’s backyard Anyone who despairs of the individual’s power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan’s treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson’s

quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, *Three Cups of Tea* combines adventure with a celebration of the humanitarian spirit.

This is the paperback edition of Di Spires' unusual and revealing Formula 1 memoir. Her stories range from the hilarious to the tragic and provide a unique perspective. This is a fast-paced read packed with surprising snippets and observations, with plenty of intimate insight into what the drivers are really like.

An introduction to activities that occur at a tea party including what is eaten and what is worn.

A Reese Witherspoon x Hello Sunshine Book Club YA Pick “A Cuban Girl’s Guide to Tea and Tomorrow is an absolute delight. Cozier than a hand-knit gray cardigan and richer than Abuela’s pastelito recipe, Namey takes you from Miami to Winchester, and leaves your heart belonging to both.” —Rachael Lippincott, #1 New York Times bestselling author of *Five Feet Apart* Love & Gelato meets *Don’t Date Rosa Santos* in this charming, heartfelt story following a Miami girl who unexpectedly finds love—and herself—in a small English town. For Lila Reyes, a summer in England was never part of the plan. The plan was 1) take over her abuela’s role as head baker at their panadería, 2) move in with her best friend after graduation, and 3) live happily ever after with her boyfriend. But then the Trifecta happened, and everything—including Lila herself—fell apart. Worried about Lila’s mental health, her parents make a new plan for her: Spend three months with family friends in Winchester, England, to relax and reset. But with the lack of sun, a grumpy inn cook, and a small town lacking Miami flavor (both in food and otherwise), what would be a dream trip for some feels more like a nightmare to Lila...until she meets Orion Maxwell. A teashop clerk with troubles of his own, Orion is determined to help Lila out of her funk, and appoints himself as her personal tour guide. From Winchester’s drama-filled music scene to the sweeping English countryside, it isn’t long before Lila is not only charmed by Orion, but England itself. Soon a new future is beginning to form in Lila’s mind—one that would mean leaving everything she ever planned behind.

After her mother's suicide, Isabel yearns to find herself and to decipher the mystery of her mother's death

In *Together Tea*, Marjan Kamali’s delightful and heartwarming debut novel, Darya has discovered the perfect gift for her daughter’s twenty-fifth birthday: an ideal husband. Mina, however, is fed up with her mother’s years of endless matchmaking and the spreadsheets grading available Iranian-American bachelors. Having spent her childhood in Tehran and the rest of her life in New York City, Mina has experienced cultural clashes firsthand, but she’s learning that the greatest clashes sometimes happen at home. After a last ill-fated attempt at matchmaking, mother and daughter embark on a return journey to Iran. Immersed once again in Persian culture, the two women gradually begin to understand each other. But when Mina falls for a young man who never appeared on her mother’s matchmaking radar, will Mina and Darya’s new-found appreciation for each other survive? *Together Tea* is a moving and joyous debut novel about family, love, and finding the place you truly belong.

A primer on Lower East Side culture draws on the authors' work as vegetarian restaurant and tea shop proprietors and shares

anecdotes about their lives and patrons, in a volume complemented by health and beauty tips.

Although tea had been known and consumed in China and Japan for centuries, it was only in the seventeenth century that Londoners first began drinking it. Over the next two hundred years, its stimulating properties seduced all of British society, as tea found its way into cottages and castles alike. One of the first truly global commodities and now the world's most popular drink, tea has also, today, come to epitomize British culture and identity. This impressively detailed book offers a rich cultural history of tea, from its ancient origins in China to its spread around the world. The authors recount tea's arrival in London and follow its increasing salability and import via the East India Company throughout the eighteenth century, inaugurating the first regular exchange—both commercial and cultural—between China and Britain. They look at European scientists' struggles to understand tea's history and medicinal properties, and they recount the ways its delicate flavor and exotic preparation have enchanted poets and artists. Exploring everything from its everyday use in social settings to the political and economic controversies it has stirred—such as the Boston Tea Party and the First Opium War—they offer a multilayered look at what was ultimately an imperial industry, a collusion—and often clash—between the world's greatest powers over control of a simple beverage that has become an enduring pastime.

From the award-winning author of *Princess Princess Ever After* comes *The Tea Dragon Society*, a charming all-ages book that follows the story of Greta, a blacksmith apprentice, and the people she meets as she becomes entwined in the enchanting world of tea dragons. After discovering a lost tea dragon in the marketplace, Greta learns about the dying art form of tea dragon care-taking from the kind tea shop owners, Hesekiel and Erik. As she befriends them and their shy ward, Minette, Greta sees how the craft enriches their lives--and eventually her own.

I Just Made the TeaTales from 30 years inside Formula 1Haynes Publishing UK

A beautifully photographed and designed cookbook and guide to the cultural phenomenon that is boba, or bubble tea--featuring recipes and reflections from The Boba Guys tea shops. Andrew Chau and Bin Chen realized in 2011 that boba--the milk teas and fruit juices laced with chewy tapioca balls from Taiwan that were exploding in popularity in the States--was still made from powders and mixes. No one in the U.S. was making boba with the careful attention it deserved, or using responsible, high-quality ingredients and global, artisanal inspiration. So they founded The Boba Guys: a chic, modern boba tea shop that has now grown to include fourteen locations across the country, bringing bubble tea to the forefront of modern drinks and bridging cultures along the way. Now, with *The Boba Book*, the Boba Guys will show fans and novices alike how they can make their (new) favorite drink at home through clear step-by-step guides. Here are the recipes that people line up for--from the classics like Hong Kong Milk Tea, to signatures like the Strawberry Matcha Latte and the coffee-laced Dirty Horchata. For the Boba Guys, boba is Taiwanese, it's Japanese, it's Mexican, it's all that and more--which means it's all-American.

How do you like your tea? In *How to Make Tea*, tea experts Brian Keating and Kim Long will teach you everything you need to know to make your desired cup. We've been drinking tea for thousands of years, yet few of us realize that all tea types--from elegant lapsang to pungent pu-erh--come from the same plant. But how are there so many different styles? It comes down to science: geography, biology, chemistry, and physics; the application of heat and pressure; and the magic of time and enzymes. *How to Make Tea* breaks down these elements and lays out the techniques, tools, and methods needed to brew at home. With this guide, tea lovers of all stripes will become experts on the art and science of tea. Learn to extract the best from every cup.

Make them to enjoy, make them to share; make elderberry a healthful part of your everyday with tasty elderberry tea!

Lora wants to stay a kid forever, and she'll do anything to make that happen . . . including befriending Alexa, the ghost who haunts her house. A middle-grade graphic novel about growing up that's perfect for fans of Ghosts and Making Friends. Growing up sounds terrible. No one has time to do anything fun, or play outside, or use their imagination. Everything is suddenly so serious. People are more interested in their looks and what others think about them than having fun adventures. Who wants that? Not Lora. After watching her circle of friends seemingly fade away, Lora is determined to still have fun on her own. A tea party with a twist leaves Lora to re-discovering Alexa, the ghost that haunts her house -- and Lora's old imaginary friend! Lora and Alexa are thrilled to meet kindred spirits and they become best friends . . . but unfortunately, not everything can last forever. Reimena Yee brings to life a story about growing up, childhood, and what it means to let go. A fantastical story following lovable characters as they each realize what it means to be who you are.

From the Indian Mutiny to the London Blitz, offering a 'nice cup of tea' has been a stock British response to a crisis. But tea itself has a dramatic, and often violent, history. That history is inextricably interwoven with the story of Scotland. Scots were overwhelmingly responsible for the introduction and development of the UK's national drink, and were the foremost pioneers in the development of tea as an international commodity. This book reveals how Darjeeling, Assam, Ceylon and Africa all owe their thriving tea industries to pioneering work by Scottish adventurers and entrepreneurs. It's a dramatic tale. Many of these men jeopardised their lives to lay the foundation of the tea industry. Many Scots made fortunes – but it is a story with a dark side in which racism, the exploitation of native peoples and environmental devastation was the price paid for 'a nice cup of tea'. Les Wilson brings the story right up to date, with a look at the recent development of tea plantations in Scottish hills and glens.

In this charming new cozy mystery series from national bestselling author Vicki Delany, a New York City expat-turned-Cape Cod tea shop owner must solve the murder of a local real estate developer to help her feisty grandmother out of a jam . . . As the proud proprietor and head pastry chef of Tea by the Sea, a traditional English tearoom on the picturesque bluffs of Cape Cod, Lily Roberts has her hands full, often literally. But nothing keeps her busier than steering her sassy grandmother, Rose, away from trouble. Rose operates the grand old Victorian B & B adjacent to Lily's tea shop. But an aggressive real estate developer, Jack Ford, is pushing hard to rezone nearby land, with an eye toward building a sprawling golf resort, which would drive Rose and Lily out of business. Tempers are already steaming, but things really get sticky when Ford is found dead at the foot of Rose's property and the police think she had something to do with his dramatic demise. So Lily starts her own investigation and discovers Ford's been brewing bad blood all over town. Now, it's down to Lily to stir up some clues, sift through the suspects, and uncover the real killer before Rose is left holding the tea bag. "A satisfying cozy with a beautifully described setting and a cast of charming, small-town characters. Share this new series with fans of Laura Childs' Tea Shop mysteries." —Booklist

"When Jill Clemmons returns to Adams Grove, Virginia, to settle her grandmother's estate, she must face Garrett Malloy, the man who broke her heart years ago. When a string of break-ins threatens Jill's safety, she and Garrett must join forces to unearth her grandmother's secrets"--

Willis Gidney is a born liar and rip-off artist, an expert at the scam. Growing up without parents or a home, by age twelve he is a successful young man, running his own small empire, until he meets Shadrack Davies. That's Captain Shadrack Davies, of the D.C. Police. Davies wants to reform Gidney and becomes his foster father. Though he tries not to, Gidney learns a small amount of ethics from Shad---just enough to bother a kid from the streets for the rest of his life. Now Gidney is a PI, walking those same streets. So it's no surprise that when his closest friend, jazz saxophonist Steps Jackson, asks Gidney to find his missing daughter, Gidney is compelled to say yes---even though she's been missing for twenty-five years. He finds a woman who may be the girl's mother--and within hours she turns up dead. The police accuse Gidney of the murder and throw him in jail. Maybe Gidney should quit while he's behind. But when his investigation puts him up against a ruthless multinational corporation, a two-faced congressman, and a young woman desperate to conceal her past, Gidney has no time left for second thoughts. In fact, he may have no time left at all. Thomas Kaufman is a winner of the PWA Best First Private Eye Novel Competition. His debut novel, Drink the Tea,

which boasts an original PI and an engaging cast of characters, adds a fresh perspective to the genre. This is your guide to all things tea! From the estates where tea grows to tips for tasting like a pro; from unbreakable rules for brewing the perfect cup to delicious recipes to accompany your cup, this appealing volume is packed with illustrations and fun infographics. Created by the cocreators of the teapigs brand, it celebrates tea culture and customs around the world.
