Jimmy the little bunny doesn't start off knowing how to ride a two-wheeler bike like his big brothers. In fact, sometimes he gets teased for it. When Dad shows Jimmy how not to be afraid to try something new, that's when the fun begins. Love is so much more than a feeling; a temporary, changeable emotion. Love is a choice you make over and over every day. Love should never be an impulse; it requires an investment. Love means to cherish, treasure, adore, and that should be reserved for people, not things. My dad Poochie loved me, and because he loved me, he enjoyed doing things with me and for me...Father God loves me too with a special all-encompassing love. It is unconditional. He loves me no matter what I do or say or how I behave. It's a forever love. We're all searching for love. But do we really understand it? How do we find it? How do we access and keep it? Do we even know what it is? Katherine Ford tackles each of these question using her wonderful father's love as a picture of the love of our heavenly Father she came to know as an adult. Wherever you're at in your search for love, you'll find encouragement and inspiration in Father God and My Dad Poochie.

"Most men spend very little time pondering the question, Am I doing the right things to become a great dad? This book addresses this most important question in a profound way. It's filled with personal stories, focused on powerful principles, and is written for real people. We all know how easy it is, biologically, to become a father. What we often don't realize is that it takes work, dedication, and learned skills to become a dad, especially a great dad." - From the foreword by Jack Canfield, Co-Creator, #1 New York Times best selling series Chicken Soup for the Soul (r) In How to Be a Great Dad, you will learn: The 15-day Great Dad Challenge that transforms fathers into dads. Why dads matter way more than you may think. The lifelong impact fathers have on their children. The three simple and strategic skills to great dad success that all dads can master. Why bad or absent dads can land kids in prison. How to become the father you wish you'd had. Why "father nurture" is as important as "mother nurture." Neil Chethik Executive Director, The Carnegie Center for Literacy and Learning Author, FatherLoss and VoiceMale "WOW!!! 'Healing a Father Wound' was by far the most impactful and emotional section of any book I have ever read. I can't even describe how deeply this teaching affected me. The feeling of 'choked up' stayed throughout reading the section, and keeps coming back even now. I realized clearly how my own father wound has

affected my entire life, and still does to this day. It also made me realize how the healing process is a daily reward to me and my boys, and so worth the effort. My heart was smiling while my eyes filled with tears. Awesome book!" Patrick McMillan Founder, TeachingHappiness.com Author, An Exercise in Happiness for Ki

The novel delves deep into African American historical roots in the Southern United States and correlates that experience with Nigeria's own distinctive tribal connectedness. In the story, the Ames family experienced racial injustice, tension, tragedy, and embarrassment. They struggled with economic freedom, infidelity, and love. But in the end, that family continued to grow and prosper. When granddaughter Sonora Francine Ames Zaid appeared in the story, she is thrust between maintaining and developing Native American and African American traditions and heritage, which she adopted from her mother and grandmother to reinforcing, protecting, and re-establishing the sanctity of her Yoruba and Hausa tribal connections. Before long, Sonora learns that her different ethnic and cultural differences are bonded through one important and special connection—spiritual guidance by God. Through the biblical teachings, reminders, and reinforcements from Sonora's African American / Native American grandmother Jasmine and her Nigerian grandmother Damilala, she learns to keep the promises laid by her murdered mother and father to acquire an education, to take social judicial responsibility for the improvement and enhancement of human life, and to use money as a benefit to all according to biblical practice, not selfish gain or greed.

"Magical prose stylist" Michael Chabon (Michiko Kakutani, New York Times) delivers a collection of essays—heartfelt, humorous, insightful, wise—on the meaning of fatherhood. For the September 2016 issue of GQ, Michael Chabon wrote a piece about accompanying his son Abraham Chabon, then thirteen, to Paris Men's Fashion Week. Possessed with a precocious sense of style, Abe was in his element chatting with designers he idolized and turning a critical eye to the freshest runway looks of the season; Chabon Sr., whose interest in clothing stops at "thrift-shopping for vintage western shirts or Hermès neckties," sat idly by, staving off yawns and fighting the impulse that the whole thing was a massive waste of time. Despite his own indifference, however, what gradually emerged as Chabon ferried his son to and from fashion shows was a deep respect for his son's passion. The piece quickly became a viral sensation. With the GQ story as its centerpiece, and featuring six additional essays plus an introduction, Pops illuminates the meaning, magic, and mysteries of fatherhood as only Michael Chabon can.

At the age of 15, Taylor Beauforte has only met her father twice in person. After all, he is the lead singer of a world-famous rock band, constantly on the cover of music magazines and giving interviews on MTV. He pays for Taylor to attend the Treadwell Academy, a prestigious boarding school in Massachusetts, and provides her mother with monthly checks to cover her basic needs, but has never made much of an effort to play an active part in Taylor's life. Taylor's mom Dawn is the only family she has ever really known, and because of Dawn's hard-partying Hollywood lifestyle, studious Taylor is happiest on the other side of the country in Massachusetts with her nose buried in a book. When Taylor 's mom unexpectedly dies the summer before Taylor starts her junior year, she receives a crash course in fame. She has no choice but to join her father and his new family on their summer concert tour before she has even had a chance to mourn the loss of her mother. Life as the daughter of a rock star seems like it would be enviable,

but Taylor can't figure her dad out. He seems like a supportive authority figure (even if he's kind of a fashion tragedy) , but she is collecting a growing pile of evidence that he's a liar and a cheat. Her stepmother, Jill, can't seem to decide if she wants to treat Taylor like a girlfriend or a nuisance. Having had no time to grieve and say goodbye to her childhood before being thrust into the limelight, Taylor is suddenly finding herself in situations she could have never imagined before this summer. With no one else to turn to, Taylor falls head over heels in love with Jake, the teenage son of one of the band's touring groupies. Taylor has growing concerns about Jake's background and the suspicious relationship between his mom and her own father, but is desperate for something real in her life onto which she can build a future. When Jake offers Taylor an opportunity to join him on a whirlwind adventure and leave her problems with her father far behind, Taylor has to decide – should she carve out her own way in the world, or try to repair the relationship she has with her only living parent? Over the course of the summer with the band, Taylor learns the depths of her own strength, the difficulty of overcoming loss, and that the definition of family means much more than shared bloodlines. Publisher's Advisory: This book is intended for readers aged 12 and above. This book addresses topics of grief, infidelity, and includes romantic situations and mild language. On the heels of his New York Times bestselling *Stories I Only Tell My Friends*, Rob Lowe is back with an entertaining collection that “invites readers into his world with easy charm and disarming frankness” (Kirkus Reviews). After the incredible response to his acclaimed bestseller, *Stories I Only Tell My Friends*, Rob Lowe was convinced to mine his experiences for even more stories. It has been 12 months since Beary has arrived at the Academy from his tour aboard the *Saber Claw*. He enjoyed teaching the classes he had been assigned. At first, some of the older cadets resented the fact that their instructor was younger than they were. Then they would see the ribbons on his uniform and hear the rumors. Ben, of course, helped spread them. Flight training was going well. His many hours in jump ships were proving to be a blessing instead of a curse. He expected to graduate early from flight training. Caesar had spent six months at the academy then shipped off to aid a hospital ship that had lost one of its surgeons to an accident. The Hospital ship was trying to combat a new disease that had cropped up on an agricultural colony in the Darius system. Once again, his work under Dr Maxumus was proving invaluable. Ben, along with taking accelerated classes, was teaching a class in survival and weapons. Ben had taken to this task with enthusiasm. With the help of two of the Marine Professors, he wrote the training manual for the course, which they used as a major project in two of his classes. The class he taught was so popular there was a waiting list. Pompey kept busy trying to prepare for the cub, which was due in three months, running two homes, plus working for her new father-in-law on special issues. Senator Maxumus was busy trying to get the Senate to strengthen its rules. He did not want to see new conspiracies flair up. The idea that eight senators some in critical positions could become traitors had shaken the Senate. The Bearilian house of Representatives was demanding a full and open investigation as it scrutinized its own members. The Arcrilians had suffered such a devastating defeat that they were asking for terms for a treaty and for aid. The Bearilian President immediately started negotiations along with the Antillean Supreme Council. The result was the removal of all Arcrilian ships from Bearilian and Antillean territory, in exchange for food and raw materials purchased at a reasonable price. For the Antilleans this was a big win. For Angelina Maxumus the last 12 months had been hectic as she tried to balance her time between Bearilia Prime and Andreas Prime. She enjoyed being a Neurosurgeon a lot more than being an Empress. She even found that she had to show up at State functions not as a wife of a prominent Senator, but as a Head of State. There had also been a need to appoint representatives to the two Bearilian Houses. One of her second Brother's sons, Iacomus Augustus, had joined his cousins on Andreas Prime. He found some unclaimed land near the western ocean connected to the Augustan land. A young Dragon, Silver Tail agreed to be his Family Dragon. The Dragon Counsel suggested that he be appointed as the Planet's Senator. A young nomad also moved to

Andreas Prime. He had no family or land. A young Dogon, Saraina, approached the Dogon Counsel and asked that this young Nomad be given its sheep and become its family. His name was Khristophoros. The Dogon Counsel gave him the last name Theodoros. Khristophoros Theodoros was called before Angelina. She questioned him for several cycles. She found out that he had been part of a servant family to the Pompaius family. She found goodness and strength in this young Bear. After talking with both counsels, she appointed him to the House of Representatives. He would prove to be a loyal and excellent choice. Savato Artemus was not happy. He loved the Crimson Blade but he could not find a gunner that met his standards. He also missed his friends. Captain Centaurus found he hated the paper work of a ship's captain as much as Atilus had. Yet he loved the Saber Claw, especially with the new upgrades. Commodore Atilus was a taskmaster with his Destroyer Squadron. Only Centaurus had no complaints. Yet Destroyer Squadron 9 was shapin

PUBLISHERS WEEKLY BEST BOOK OF THE YEAR In “one of the most sensitive, nuanced examinations of father and son relationships” (The Boston Globe), award-winning writer Chris Offutt struggles to understand his recently deceased father, based on his reading of the 400-plus novels his father—a well-known writer of pornography in the 1970s and 80s—left him in his will. Andrew Offutt was considered the “king of twentieth-century smut,” with a writing career that began as a strategy to pay for his son’s orthodontic needs and soon took on a life of its own, peaking during the 1970s when the commercial popularity of the erotic novel reached its height. With his dutiful wife serving as typist, Andrew wrote from their home in the Kentucky hills, locked away in an office no one dared intrude upon. In this fashion he wrote more than four hundred novels, including pirate porn, ghost porn, zombie porn, and secret agent porn. The more he wrote, the more intense his ambition became and the more difficult it was for his children to be part of his world. Over the long summer of 2013, his son, Chris, returned to his hometown to help his now widowed mother move out of his childhood home. As he began to examine his father’s manuscripts and memorabilia, journals, and letters, he realized he finally had an opportunity to gain insight into the difficult, mercurial, sometimes cruel man he’d loved and feared in equal measure. Only in his father’s absence could he truly make sense of the man and his legacy. In *My Father, the Pornographer*, Offutt takes us on the journey with him, reading his father’s prodigious literary output as both a critic and as a son seeking answers. He “enters the darkest and most mysterious of places—the cave of a monstrous enigma named Andrew J. Offutt—armed with nothing but his own restless curiosity. Spoiler alert: He makes it out alive, walking into the daylight to bring us a deeper, funnier, more tender and more heartbroken truth—and his masterpiece” (Michael Chabon).

Best-selling author Tim O’Brien shares wisdom from a life in letters, lessons learned in wartime, and the challenges, humor, and rewards of raising two sons. “We are all writing our maybe books full of maybe tomorrows, and each maybe tomorrow brings another maybe tomorrow, and then another, until the last line of the last page receives its period.” In 2003, already an older father, National Book Award–winning novelist Tim O’Brien resolved to give his young sons what he wished his own father had given to him—a few scraps of paper signed “Love, Dad.” Maybe a word of advice. Maybe a sentence or two about some long-ago Christmas Eve. Maybe some scattered glimpses of their rapidly aging father, a man they might never really know. For the next fifteen years, the author talked to his sons on paper, as if they were adults, imagining what they might want to hear from a father who was no longer among the living. O’Brien traverses the great variety of human experience and emotion, moving from soccer games to warfare to risqué lullabies, from alcoholism to magic shows to history lessons to bittersweet bedtime stories, but always returning to a father’s soul-saving love for his sons. The result is *Dad’s Maybe Book*, a funny, tender, wise, and enduring literary achievement that will squeeze the reader’s heart with joy and recognition.

Daniel hasn't had a roof over his head for years, but to him the city of London feels like home in a way that no bricks and mortar ever did. He spends every day searching for his daughter; the daughter he has never met. Until now . . . Heart-wrenching and life-affirming, *Ten Things I've Learnt About Love* is a unique story of love lost and found, of rootlessness and homecoming and the power of the ties that bind. It is a story for fathers and daughters everywhere from debut novelist, Sarah Butler.
