More of a story than a collection of poetry, Love by Night will whisk you away from your world and into the dreamy romantic night. Love by Night begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into passionate love, delves deep into whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

How long will I love you? A second is too short. A second is no time for a love of this sort. A minute is no better, for minutes fly by! They're gone in a moment like a sweet butterfly. Moving through the day, the seasons and then the years, this ode to everlasting love will reassure children and bring a lump to the throat of parents. Moving and heartfelt, this is the perfect gift for new parents, experienced parents - and even sweethearts. For fans of Guess How Much I Love You, from the bestselling author and illustrator Mark Sperring and Alison Brown.

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. Wherever You Are is a book to share with your loved ones, no matter how near or far, young or old, they are.

"Good night. See you tomorrow. I love you." My five-year-old son would get out of bed several times a night and say this to us. My husband and I started saying it to each other up until the night he passed away. I had the quote put on his grave stone. It was also read at the funeral. It is like going to sleep and one day seeing your loved ones again.

“There’s some kind of genius sorcery in this novel. It’s startlingly original, hilarious and harrowing by turns, finally transcendent. Watkins writes like an avenging angel. It’s thrilling and terrifying to stand in her wake.” —Jenny Offill, author of *Dept. of Speculation* and *Weather* A darkly funny, soul-rending novel of love in an epoch of collapse—one woman’s furious revisiting of family, marriage, work, sex, and motherhood. Since my baby was born, I have been able to laugh and see the funny side of things. a) As much as I ever did. b) Not quite as much now. c) Not so much now. d) Not at all. Leaving behind her husband and their baby daughter, a writer gets on a flight for a speaking engagement in Reno, not carrying much besides a breast pump and a spiraling case of postpartum depression. Her temporary escape from domestic duties and an opportunity to reconnect with old friends mutates into an extended romp away from the confines of marriage and motherhood, and a seemingly bottomless descent into the past. Deep in the Mojave Desert where she grew up, she meets her ghosts at every turn: the first love whose self-destruction still haunts her; her father, a member of the most famous cult in American history; her mother, whose native spark gutters with every passing year. She can’t go back in time to make any of it right, but what exactly is her way forward? Alone in the wilderness, at last she begins to make herself at home in the world. Bold, tender, and often hilarious, *I Love You but I’ve Chosen Darkness* reaffirms Watkins as one of the signal writers of our time.

Rhyming text explores what would happen if animals kissed like humans do, from a slow kiss between a sloth and her cub to a mud-happy kiss from a hippo calf to his father.

At bedtime, a mother and child tell how much they love each other.

It was a very long time ago, in a creaky old house, where my brother, sister and I would peer down the stairs through the banister and share with my parents that magical saying that was part tradition, part superstition, part love, protection and faith. We'd quietly shout that one long sentence that was all those things and more. "Night, I love ya, see ya in the mornin'," we'd say as if it were a single word, and wait for it to be repeated back to us before we could run off to climb into our beds and feel safe and warm. Now as a father, I share this magical saying with my son, as I watch him charge through life with the excitement and confidence that all he needs in this world is mommy and daddy and his best stuff to loudly and boldly take on the world.

A beautiful and poignant celebration of the birth—and worth—of every child. Now in board book format!

A beautifully emotional and unforgettably steamy new contemporary romance from New York Times and USA Today bestseller Roni Loren Everyone knows Miz Poppy, the vibrant reviewer whose commentary brightens the New Orleans nightlife. But no one knows Hollyn Tate, the real face behind the media star...or the anxiety that keeps her isolated. All her life, Hollyn's tried to hide her true self behind an online façade, but when her boss tells her she needs to reveal the truth to the world or lose her job, she's forced to rely on an unexpected source to help face her fears. Enter Jasper Deares: actor, newly minted fake boyfriend, and way, way out of her league. Hollyn thinks Jasper must be joking when he offers private lessons to help overcome her fears. Getting up on a stage? Hello, worst nightmare. But Jasper's infectious charm has her saying yes despite herself. They're only supposed to be playing a few improv games, but as the lessons run longer and the lines grow blurrier, Hollyn can't help but wonder if she's acting at all...or if a relationship with Jasper might help give her the confidence she needs to say yes to every imperfect part of herself. "Will leave readers breathless... A must-read."—Publishers Weekly STARRED Review for *The One You Fight For* When Duncan arrives at school one morning, he finds a stack of letters, one from each of his crayons, complaining about how he uses them. Kids can imagine their own conversations with crayons with this picture book by Daywalt and "New York Times"-bestselling illustrator Jeffers. Full color.

"A riveting look at record spinning from its beginnings to the present day . . . A grander and more fascinating story than one would think" (Time Out). This is the first comprehensive history of the disc jockey, a cult classic now updated with five new

chapters and over a hundred pages of additional material. It's the definitive account of DJ culture, from the first record played over airwaves to house, hip-hop, techno, and beyond. From the early development of recorded and transmitted sound, DJs have been shaping the way we listen to music and the record industry. This book tracks down the inside story on some of music's most memorable moments. Focusing on the club DJ, the book gets first-hand accounts of the births of disco, hip-hop, house, and techno. Visiting legendary clubs like the Peppermint Lounge, Cheetah, the Loft, Sound Factory, and Ministry of Sound, and with interviews with legendary DJs, *Last Night a DJ Saved My Life* is a lively and entertaining account of musical history and some of the most legendary parties of the century. "Brewster and Broughton's ardent history is one of barriers and sonic booms, spanning almost 100 years, including nods to pioneers Christopher Stone, Martin Block, Douglas 'Jocko' Henderson, Bob 'Wolfman Jack' Smith and Alan 'Moondog' Freed." —Publishers Weekly

Illustrations and rhyming text describe how a parent and child complement one another. A sweeping story of three generations of women, crossing from London to Ireland and back again, and the enduring effort to retrieve the secrets of the past *It's London, 1960, and Aoife Kelly*—once the sparkling object of young men's affections—runs pubs with her brusque, barking husband, Cash. Their courtship began in wartime London, before they returned to Ireland with their daughters in tow. One of these daughters—fiery, independent-minded Rosaleen—moves back to London, where she meets and begins an affair with the famous sculptor Felix Lehmann, a German-Jewish refugee artist over twice her tender eighteen years. When Rosaleen finds herself pregnant with Felix's child, she is evicted from her flat, dismissed from her job, and desperate to hide the secret from her family. Where, and to whom, can she turn? Meanwhile, Kate, another generation down, lives in present-day London with her young daughter and husband, an unsuccessful musician and destructive alcoholic. Adopted and floundering to find a sense of herself in the midst of her unhappy marriage, Kate sets out to track down her birth mother, a search that leads her to a Magdalene Laundry in Ireland and the harrowing history that it holds. Stirring and nostalgic at moments, visceral and propulsive at others, *I Couldn't Love You More* is a tender, candid portrait of love, sex, motherhood, and the enduring ties of family. It is impossible not to fall under the spell of this tale of mothers and daughters, wives and muses, secrets and outright lies.

A rhyming story of unconditional love with adorable illustrations of a toddler and a teddy bear who declare "I love you through and through!"

Riding through the forest to reach his bedroom, a little knight battles crocodiles to brush his teeth and climbs a tall tower to get into his bed before settling down to sleep. By the author and illustrator of *Foxly's Feast*.

Don't miss the other books in this adorable series: *If Animals Kissed Good Night*, *If Animals Celebrated Christmas*, and *If Animals Went to School!* What if animals did what YOU do? This delightful story, the follow-up to *If Animals Kissed Good Night*, imagines how animals would say "I love you!" If animals said "I love you" like we do...how would they say it? Ostrich would boom it with wings spread wide. Impala would speak with a leapity-leap. Gorilla would add a loud chest, slap-slap. And across the animal kingdom, every creature would show love in a unique way.
