'It's just another song to me. I've written 1,000 of them and it's really just another one.' Jimmy Webb 'When I heard it I cried. It made me cry because I was homesick. It's just a masterfully written song.' Glen Campbell The sound of 'Wichita Lineman' was the sound of ecstatic solitude, but then its hero was the quintessential loner. What a great metaphor he was: a man who needed a woman more than he actually wanted her. Written in 1968 by Jimmy Webb, 'Wichita Lineman' is the first philosophical country song: a heartbreaking torch ballad still celebrated for its mercurial songwriting genius fifty years later. It was recorded by Glen Campbell in LA with a legendary group of musicians known as 'the Wrecking Crew', and something about the song's enigmatic mood seemed to capture the tensions in America at a moment of crisis. Fusing a dribble of bass, searing strings, tremolo guitar and Campbell's plaintive vocals, Webb's paean to the American West describes a telephone lineman's longing for an absent lover, who he hears 'singing in the wire' - and like all good love songs, it's an SOS from the heart. Mixing close-listening, interviews and travelogue, Dylan Jones explores the legacy of a record that has entertained and haunted millions for over half a century. What is it about this song that continues to seduce listeners, and how did the parallel stories of Campbell and Webb - songwriters and recording artists from different ends of the spectrum - unfold in the decades following? Part biography, part work of musicological archaeology, The Wichita Lineman opens a window on to America in the late-twentieth century through the prism of a song that has been covered by myriad artists in the intervening decades. 'Americana in the truest sense: evocative and real.' Bob Stanley

The alien planet offers special agent Yutaro rest and romance, until his own government's anti-matter bomb falls. Burnt-out Yutaro just wants the vacation he needs. Cushy duty, and a beautiful alien woman as his guide. Heaven. When the anti-matter bomb threatens to destroy the entire planet, Yutaro must learn her crazy-making alien language and -- even more difficult -- to love a woman for herself. In a galaxy full of aliens very -- er -- alien, the Lia fall quite close to humanoid standards. On their planet Yutaro doesn't need a spacesuit. He survives quite easily

breathing its air, drinking its water, and eating its food. Even better, Lia women appear quite beautiful, especially to a hardcore alienophile such as Yutaro. He doesn't even need to take special precautions during sexual intercourse. However, the Lia language greatly concerns Yutaro's superiors. Previous explorers, who learn it as a matter of standard procedure, go insane. Therefore, his boss orders him not to learn the language. Fortunately, one alien woman speaks Cyrillic, the galactic lingua franca. A gorgeous guide, Lavita. Yutaro needs and wants nothing else. Until he receives the news via special message. During a test, an anti-matter bomb loses its hyperspace navigational signal. Instead of blowing up a lifeless planet in a remote solar system, it appears close to a planet where lives an intelligent species. It crash-lands in a wilderness region of that planet. Lia. The missile's force field continues to keep the anti-matter suspended in a perfect vacuum. But nobody knows how much damage the crash caused, so nobody know how long before the force field malfunctions, allowing the anti-matter to touch ordinary matter -- ka boom! No Lia. His agency gives Yutaro the instructions to disarm the missile. But Yutaro must reach it himself. He must travel through a hostile rain forest the Lia themselves avoid. During the storm season. He hires porters who see no reason to risk their lives. Outlaws and powerful predators threaten. And then another human shows up -- a woman. Vardi. Yutaro knows she must represent Earth's empire -- his enemy. But how could she know about the anti-matter bomb? And would she really set it off, dying with tens of millions of Lia, and Yutaro, so his government gets punished for breaking intergalactic treaties? Sworn to silence, Yutaro lies to Lavita, not realizing to Lia, truthful speech equals life itself. To keep her on his side -- to save both their lives and millions of other Lia -- Yutaro promises to learn the Lia language. He tries to grasp the concept of a language where every word functions as a verb. And soon it begins to drive him insane. According to Lavita, it drives him toward sanity -- for the first time in his life. Can he reach and disarm the anti-matter bomb before the missile's physical condition deteriorates, the force field fails, and the anti-matter encounters ordinary matter, and therefore explodes, destroying the entire planet? The general opinion of Warren Harding is that he has been justly ranked as the "Worst" of our Presidents, based largely on the corruption that was brought to light after his death. The truth is, however, that he had no personal involvement in any of the scandals perpetrated by members of his Administration, some of whom, like Jess Smith, an unofficial aid to the Attorney General, engaged in notorious grafting that often netted six figure rewards. Harding, by contrast, died a debtor. Neither a lawyer or general, Harding, head of a rural Ohio newspaper, was not considered an appropriate candidate for high office, no less the Presidency. But an awareness of shortcomings, lead to his making a studious effort to overcome them-- successfully, as recorded by leading reporters like William Allen White. As spelled out in this book, there is much to be said on the positive side of Harding's Presidency. Due recognition is given to his accomplishments. In his first year in office, for example he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament. He also created the Bureau of the Budget. Early on, a New York Times story was headlined "Harding Assumes Real Leadership as Congress lags." In contrast to his performance as President, handsome Warren was beset by a sex addiction that lead to numerous infidelities, the principal ones being with Carrie Phillips, wife of a friend, and Nan Britton, a hometown admiring young lady, 31 years his junior. Nan's memoir of an affair which blossomed into love covered the last six years of Harding's life. Though generally mentioned, and equally suppressed, its intimate content, is, herewith for the first time set forth in detail that reveals a crucial aspect of Harding's oft mentioned love life.

Marriages and babies everywhere drove me to leave town, I just hadn't expected to end up stranded on the Island of St. Martin in the Caribbean nor did I expect to have to share a room with the charter pilot. The one and only, Ford Sinclair, best friend of Ryan Townsend, my sister Amanda's, fiancé. The same man I'd refused to have a one-night stand with at my sister, Robin's wedding. I hadn't left home for anything but peace and quiet, what I found was a troubled man who also happened to be sexy, persuasive and dirty mouthed. The Kincaid Sisters is a Bad Boy Rocker spinoff series about Reece Kincaid's (Past Sins: Spicy) sisters. Book 1 – Meant to be Mine (Jessie Kincaid) Book 2 – You Were Always Mine (Amanda Kincaid) Book 3 – Will You be Mine (Sarah Kincaid)

A couple find themselves at a fading, grand European hotel full of eccentric and sometimes unsettling patrons in this "faultlessly elegant and quietly menacing" allegorical story that examines the significance of shifting desires and the uncertainty of reality (Garth Greenwell, author of Cleanness). An American couple travel to a strange, snowy European city to adopt a baby, who they hope will resurrect their failing marriage. This difficult journey leaves the wife, who is struggling with cancer, desperately weak, and her husband worries that her apparent illness will prevent the orphanage from releasing their child. The couple check into the cavernous and eerily deserted Borgarfjaroasysla Grand Imperial Hotel where the bar is always open and the restaurant serves thirteen-course dinners from centuries past. Their attempt to claim their baby is both helped and hampered by the people they encounter: an ancient, flamboyant chanteuse, a debauched businessman, an enigmatic faith healer, and a stoic bartender who dispenses an addictive, lichen-flavored schnapps. Nothing is as it seems in this mysterious, frozen world, and the longer the couple endure the punishing cold the less they seem to know about their marriage, themselves, and life itself. What Happens at Night is a "masterpiece" (Edmund White) poised on the cusp of reality, told by "an elegantly acute and mysteriously beguiling writer" (Richard Eder, The Boston Globe).

Explains how to find freedom in the love of Jesus, detailing the story of Lazarus to demonstrate that this love is separate from personal accomplishments, and includes a Bible study for group and individual reflections.

My first husband, Goldie was obsessed with kids, and he chose to be with another woman just for kids. He said he loved me, but I don't know whether he was true as when I asked him to hire a surrogate mother; he turned me down saying he wanted a child with love. Does love mean to have physical relation only and produce children? It might be so. I am still searching an answer to this. He asked me to stay in his life just as a mere doll, and I could not accomplish that. My second husband, Brainie was simply obsessed with money. For him, money was everything and other things served no importance in his life. He wanted me to be his money machine and after spending seven years with him, Dave came in my life. Dave, my third husband was obsessed with sex. For him marriage was just the license to physical relation freely. Whereas for me, marriage is a very sacred relation; a relation which I believe can be nurtured only with love, faith and happiness. Again love is not a simple as it sounds to be. It is the mental and emotional attachment between two persons. You cannot go before two or three persons at a time, and tell them that you love them. Before you tell a person that you love him or her, at first give a thought whether you have any respect for that person and if you can keep him or her happy. Have some love in your heart for the person with whom you are sharing a physical relation. I am so confused after so many incidents in my life that I still do not have answers to many questions. I am writing this book and I hope earnestly that the readers will help me in finding answers to these questions: I don't know if I had been married too many times. I don't know even if any one of my husbands loved me. I don't know if they had just abused my life and my trust and kicked me out of their lives.
