Top-secret information gathered at Santa's base under the North Pole reveals the machinations and hard work behind how Santa makes Christmas happen. Reprint. An early collection of Kahlil Gibran's writings, showcasing the many styles of this prolific thinker, all profoundly beautiful Kahlil Gibran reveals his vision of the soul and understanding of the world—past, present, and future—in this rich sampling of more than twenty works. Prose tales, fables, and poems evoke the mystic East and form a world at once powerful, tender, joyous, and melancholy. This collection, penned when Gibran was still a young writer, reveals many of the themes and styles plumbed throughout his life, including his lifelong struggle against injustice in “The Crucified,” his heart-wrenching lament for a Lebanon shackled by tradition and politics in “My Countrymen,” and his masterful use of symbolism and simile in “The Secrets of the Heart.” A writer with infinite abilities, Gibran continually seeks true beauty, no matter the form.

Moneyball meets Freakonomics in this myth-busting guide to understanding—and winning—the most popular sport on the planet. Innovation is coming to soccer, and at the center of it all are the numbers—a way of thinking about the game that ignores the obvious in favor of how things actually are. In *The Numbers Game*, Chris Anderson, a former professional goalkeeper turned soccer statistics guru, teams up with behavioral analyst David Sally to uncover the numbers that really matter when it comes to predicting a winner. Investigating basic

but profound questions—How valuable are corners? Which goal matters most? Is possession really nine-tenths of the law? How should a player's value be judged?—they deliver an incisive, revolutionary new way of watching and understanding soccer.

One of the greatest players of all time, Duncan Edwards's story is one of tragic heroism. From a working-class Dudley upbringing, Edwards rose to great heights at Manchester United. In only five years, he helped United to win two league championships and to reach the semi-finals of the European Cup. Edwards made his England debut in a game against Scotland at just 18 years and 183 days. He went on to play 18 games for his country, including all four of the qualifying matches for the 1958 World Cup, in which he was expected to be a key player. Sir Bobby Charlton has described him as 'the only player that made me feel inferior' and Terry Venables claimed that, had he lived, it would have been Edwards, not Bobby Moore, who would have lifted the World Cup as captain in 1966. Page-turning and poignant, author James Leighton tells a story of a magnificent sportsman and great man - the perfect contrast to the headline-grabbing footballers of today.

of tulips and peaceful pot smoking residents spring to mind. Bring up soccer, and most will think of Johan Cruyff, the Dutch player thought to rival Pele in preternatural skill, and Ajax, one of the most influential soccer clubs in the world whose academy system for young athletes has been replicated around the globe (and most notably by Barcelona and the 2010 world champions, Spain). But as international bestselling author Simon Kuper writes in *Ajax, The Dutch, The War: Soccer in Europe During the Second World War*, the story of soccer in Holland cannot be understood without investigating what really occurred in this country during WWII. For decades, the Dutch have enjoyed the reputation of having a “good war.” The myth is even resonant in Israel where Ajax is celebrated. The fact is, the Jews suffered shocking persecution at the hands of Dutch collaborators. Holland had the second largest Nazi movement in Europe outside Germany, and in no other country except Poland was so high a percentage of Jews deported. Kuper challenges Holland's historical amnesia and uses soccer—particularly the experience of Ajax, a club long supported by Amsterdam's Jews—as a window on wartime Holland and Europe. Through interviews with Resistance fighters, survivors, wartime soccer players and more, Kuper uncovers this history that has been ignored, and also finds out why the Holocaust had a profound effect on soccer in the country. Ajax produced Cruyff but was also built by members of the Dutch resistance and Holocaust survivors. It became a surrogate family for many who survived the war and its method for producing unparalleled talent became the

envy of clubs around the world. In this passionate, haunting and moving work of forensic reporting, Kuper tells the breathtaking story of how Dutch Jews survived the unspeakable and came to play a strong role in the rise of the most exciting and revolutionary style of soccer — “Total Football” — the world had ever seen.

1000 themed stickers and exciting scenes to decorate.

From the heraldry of the four Hogwarts houses to the extravagant wares of Weasleys’ Wizard Wheezes, the world of Harry Potter overflows with radiant color. Featuring artwork from the hugely successful Harry Potter Coloring Book and Harry Potter Creatures Coloring Book, this special poster collection features twenty stunning, one-sided prints that are perfect for coloring. From fan-favorite characters and scenes to creatures and gorgeous patterns inspired by the wizarding world, each detailed illustration is printed on high-quality card stock and can be easily removed for displaying. Includes two EXCLUSIVE images that you can't find in any of the other coloring books!
