Anyone with a little persistence and the desire can learn to draw well - this is the starting point for The Fundamentals of Drawing, a practical and comprehensive course for students of all abilities. Opportunities for practice and improvement are offered across a wide spectrum of subjects - still life, plants, landscapes, animals, figure drawing and portraiture - and supported by demonstrations of a broad range of skills and techniques, including perspective and composition. The methods used in The Fundamentals of Drawing have been practised through the centuries by art students and professional artists. They are time-honoured and proven. Barrington Barber brings his invaluable expertise as a working artist and teacher to the task of showing you how to use them effectively to create successful drawings. No matter what your level of expertise, you will find his clear approach encouraging and his way of teaching inspirational. Artists seem compelled to try to capture the amazing variety of the animal kingdom; the challenge remains how to breathe energy into your paintings and make the animals jump off the paper. This deeply practical book offers an accessible introduction to sketching

Ventitre articoli restituiscono, in forma breve, i contenuti di altrettante tesi di diploma discusse dagli allievi delle Scuole dell'Istituto Superiore per la Conservazione ed il Restauro e dell'Opificio delle Pietre Dure di Firenze. Selezionate tra le migliori degli anni accademici 2005-2007, esse documentano l'impegnativo e appassionante lavoro di studio, ricerca e sperimentazione svolto dagli allievi, con la guida e il supporto di tutti i loro docenti, su tipologie diverse di manufatti: dipinti murali e da cavalletto, ceramiche, metalli e tessuti. Il rigore metodologico e l'approccio interdisciplinare, comuni a tutti i lavori che si presentano, sono alla base dell'alto livello qualitativo che da sempre connota, riconosciuto anche in tutto il mondo, l'insegnamento delle due Scuole di Alta Formazione del Ministero per i Beni e le Attività Culturali.

LIM How to Paint Skies Search Press Limited

With over 100 step-by-step sequences demonstrating how to paint a wide range of subjects using watercolours, Marilyn Scott provides techniques from composition, brushwork and blending, to special effects like stippling and adding lustre. Skies are an important part of landscape paintings, setting the tone of the scene as a whole and often representing the dominant feature of the composition. In this revised and updated edition of Painting Skies which includes material from Geoff's Top Tops for Watercolour Artists, Geoff Kersey imparts his knowledge and expertise to artists of all abilities, demonstrating how to paint skies that give a sense of cohesion, place and atmosphere to your landscape paintings. Painting skies is also the best way to learn how watercolour behaves, and there is a large section at the start of the book that explains the techniques you need to produce a broad range of effects. Including a stormy sky, a summer sky, an evening glow, a sunset and low cloud. This comprehensive guide also includes information on the materials you need, drawing and sketching, using photographs, composition, colour and perspective, and throughout the book are examples of Geoff's finished artworks to provide inspiration and ideas for compositions of your own. The book finishes with six glorious, step-by-step projects to put into practice all you have learnt and give you the confidence to incorporate stunning skies into your own watercolour landscape paintings.
