All Earth Is Waiting invites readers to explore the familiar Advent themes of hope, preparation, joy, and peace with the heavens and earth in mind. Through her powerful and personal reflections, author Katie Z. Dawson calls us to consider how all creation longs for the coming of Christ, taking seriously the notion that the good news of Christ is good news for all the world. Anticipating in Christ's birth the reconciliation of the heavens and the earth, Dawson highlights the responsibility to care for this earth in preparation for Christ's return. This thematic Bible study is designed to be used by individuals and small groups during Advent. Each chapter offers questions for reflection and discussion, a brief prayer, and a focus for the week that will encourage readers to engage a specific act of creation care that will help them apply the week's lesson. Also included are Advent candle lighting liturgies, a Call to Worship, a Prayer of Confession that can be used throughout Advent, and hymn suggestions for each chapter. These can be used for small group worship opportunities or in corporate worship. The book's chapters include: The Source of Hope Clear the Way Discovering Joy The Peace of the World The Reconciliation of Heaven and Earth

Each chapter is based on phrases from the worship song "He Knows My Name" and communicates the wonder of how God knows each of us in an unspeakably intimate way. Emphasis is on the love of God toward us and the significance of God calling us His children. He knows us, loves us, sympathizes with us, listens to us, has a future for us, forgives us, and delights in us. The chapters end with a prayer acknowledging these truths, promoting worship and gratitude to the Father. Personal testimonies are included from people around the world who have been touched by the Father's love through the words to the song "He Knows My Name."

"When church historians reflect on the worship revolution that happened around the turn of the 21st century, Darlene Zschech will be credited for playing a major role," Bill Hybels says. Loving a prodigal is a long and desperate journey, filled with fear, worry, anger, self-recrimination. You wait for the phone call--will it be from jail or the hospital? You plead with your loved one. You search for help. You feel the shame. You cry out to God, "How long, Lord?" Author Judy Douglass knows these lovers of prodigals well. She is one herself and has created a large and growing community with others. When You Love a Prodigal is a collection of 90 essays--90 days of perspective on what God offers to you as you love your prodigal. At the end of each brief essay, response questions will help you process how God intends to use the wilderness journey to mold your spiritual life. You can work through it day by day, or you can read it straight through. Judy has traveled this road with her own prodigal--reading, learning, praying, and seeking God. Over and over he continued to give her wisdom, he sustained her, he covered her with grace, and he filled her with hope. Peripheral Neurology was the first book to innovatively utilize case presentations as a vehicle to teach peripheral neurology. In fact, it was the first to categorize the field of peripheral neurology, as most other neurology texts concentrated on diseases of the central nervous system. This case approach has since been emulated in many other texts and on various web sites. Emphasizing the clinical condition rather than electrodiagnostic technique, each topic is thoroughly addressed, first in the Fundamental Concepts of Part I, and then in multiple Case Studies presented in Part II. The reader is able to simulate a true clinical environment where a diagnosis has to be arrived at with no organizational clues from the text. Formulating conclusions by analyzing the history, physical, and laboratory data, and linking from case to related case, this is the only text which allows this type of "interactive" reading. The book addresses many rare entities that the author is able to present based on his 30-years of experience.

(Songbooks and Folios). Consider it a great joy...whenever you experience various trials (James 1:2) What if your blessings come through raindrops? What if your healing comes through tears? There's no denying some of the blessings in Laura Story's life. As the songwriter of the #1 Worship Hit, "Indescribable," recorded by Chris Tomlin in 2004, she married her high school sweetheart, Martin Elvington the following year. She then began working in music and women's ministry at the 4,000-member Perimeter Church in Atlanta. After signing an artist deal with INO Records, her 2008 national debut won a Dove Award for Inspirational Album and earned Laura two consecutive nominations for Female Vocalist of the Year all blessings, indeed! But amidst that success, a brain tumor hospitalized her husband in 2006. They faced the strong chance their long-awaited bond might last just two years. The faith Laura sang about was put through the unexpected fires of fear and loneliness; most young newlyweds don't imagine being kept alive at one point by breathing machines or having to find their way through significant post-operative vision and memory loss. Could blessings really be found in such a life-altering struggle? Laura's song, "Blessings," suggest that they can. "Life is filled with things you don't expect, but the Bible tells us to respond by trusting God and continuing to worship Him," Story begins. "Martin hasn't received complete healing and that can be hard at times when we view God as all-powerful and all-loving. But here we are now saying, 'Yes, this is how faith works. God has proven to be faithful. We have been truly blessed out of a circumstance that at first didn't seem like much of a blessing at all.'" As Laura explains it, she believes she and Martin now have a voice that wasn't there prior to the suffering. "I can hardly begin to tell you of the hundreds of hurting people we've prayed with, people going through more than we have. This is a chance to share the Gospel." "Don't get the wrong idea. It hasn't been easy," Laura admits. "Everyone wants to be a mature and equipped follower, but would I have signed up had I known what it would take? God has grown us up, deepened our faith, our awareness of our great need for Him as a Savior, daily. We knew it before, but we didn't see it. This is a good place to be." Her song, "Blessings," reflects that hopeful place. Songs include: This Is the Day * Friend of Sinners * You Are Love * What a Savior * Blessings * Your Name Will Be Praised * One Life to Lose * Prodigal Song * Remember Me

Even as the sound of modern worship has grown louder, the heartbeat of true worship has grown faint. This is a call for those whose hearts burn to see it revived— who burn with reformation's fire. Who long to see the purity of worship restored and the Lord's house of prayer once again reflect the fullness of His glory and the wonders of His heart. The Reset is not simply a book on worship, it's an appeal to the broader worshiping community to once again re-order their lives and practices in accordance with the sacred and priestly calling they were given and zealously return to the heart of worship.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
