

I Tarocchi Della Triplice Dea

Take a Tarot walk through an enchanted forest. Throughout human history and across every culture, there have been legends, myths, and tales of talking animals. This delightful Tarot takes advantage of this by using animals on all of the cards, adding to the Rider-Waite-Smith symbolism that was already there. The Major Arcana cleverly features sheep, lions, bears, pigs, hedgehogs, and kangaroos, adding a wonderful feel to the cards that is happy and basic. The Strength card, which shows a lamb and a lion nuzzling each other, has to be the sweetest version of this card ever. The Sun card shows a baby kangaroo in his mother's pouch in a field of sunflowers under a huge sun happily waving a little red flag with innocent, blissful joy. The Minor Arcana suits, while traditionally named, each feature a specific animal: Cups have bunnies, Pentacles have foxes, Wands have frogs, and Swords have cats. These choices brilliantly represent the suit qualities. Bunnies bring forth feelings of warmth and sweetness. Foxes are thought to be clever. Cats can be seen as intelligent and emotionally distant. Frogs, well, they like games (leap frog, anyone?). So the 4 of Cups shows a bunny under a tree with three cups in the foreground and one being offered by a hand emerging from a cloud (like the RWS). This bunny has her eyes closed and is very much at peace, using creative visualization to manifest what she wants. This refreshing, whimsical, and wonderful deck will surprise you every time you use its immediately evocative images.

Embrace the night as you succumb to visions of blood-red roses and feel the impassioned rhythms of your feverishly pounding heart. The Vampyre legend is rooted in darkness and seduction, yet its eternal message is one of spiritual hunger—to taste the Divine. Featuring Ian Daniels' richly evocative Gothic-style artwork, this hauntingly romantic deck is a tool for spiritual awakening. With it, you can plumb the depths of your inner shadows and emerge in the radiant light of truth. Inspired by the Rider-Waite structure, the deck shows the Fool, Priestess, and other traditional figures, while the suits bear unique names that call forth the mysterious and macabre: Scepters, Grails, Knives, and Skulls. The companion book provides detailed card meanings, creative exercises, original spreads, and instructions for creating your own Vampyre character. Includes a 78-card deck and a 312-page book.

A survey of how, over the past 4,000 years, religious leaders, poets, painters, and ordinary people have visualized Hell--its location, architecture, furnishings, purpose, and inhabitants.

Il labirinto è un archetipo antichissimo, diffuso in ogni parte del mondo, che ha sempre avuto il significato di viaggio iniziatico, di prova. La prima parte di questo libro, scritto a sei mani e ricco di illustrazioni, ripercorre in modo sintetico la storia e il significato del labirinto attraverso i secoli. La seconda descrive poi come si disegna un labirinto (il primo passo per crearne uno proprio, da percorrere sia a mano che a piedi), come si utilizza – sia su pavimento che su parete o su

qualsiasi supporto si ritenga opportuno – e infine come si può giocare al gioco dell’oca percorrendolo come se fosse un labirinto. La terza parte approfondisce il suo uso come strumento di auto-iniziazione e auto-guarigione, mentre la quarta associa a ogni Arcano dei Tarocchi un diverso percorso labirintico. I Tarocchi del Labirinto venutisi in tal modo a creare offrono quindi ai lettori una doppia opportunità: da un lato conservano i significati legati al classico ruolo di Ars Divinandi e dall’altro diventano delle guide maestre durante il cammino, nel momento in cui ognuno di loro, preso nell’essenza dei significati che trasmette, ispirerà l’intero iter del percorso.

A Book of Shadows is a journal where witches record their spells--and this keepsake one, by the authors of Wiccapedia, accompanies that stylish guide. It features basic information distilled from Wiccapedia on spells, key herbs and crystals, moon phases and magick, and more. In the journal portion, witches can note the details of their spellcraft, including the date, ingredients, phase of the moon . . . and results.

Guido Araldo nel suo libro propone un viaggio virtuale tra miti arcani e antiche leggende conducendo una dettagliata analisi di tipo comparatistico tra varie opere, con particolare attenzione alla “Divina Commedia” di Dante. Tali opere, differenti tra loro per cronologia e contenuto, sono accomunate dall’individuazione di un percorso iniziatico, conducente alla maturazione interiore dei protagonisti. Un cammino di conoscenza che attraversa un percorso buio, la selva oscura di Dante, per arrivare infine alla luce rischiaratrice della sapienza suprema: “la virtute e canoscenza” che hanno portato gli uomini nel corso dei secoli a sfidare i limiti più insormontabili. L’analisi è interamente incentrata su una doppia lettura delle opere adducendo collegamenti ideologici ed esoterici a lungo insospettabili e accessibili solo a quanti sanno andare oltre la superficie. L’autore dimostra che l’opera maestra di Dante nasconde insospettati riferimenti alla simbologia dei Tarocchi riferendosi in modo particolare alla loro funzione esoterica o didattica piuttosto che ludica o divinatoria, stessi elementi inaspettatamente riscontrabili anche in altri capolavori come “Pinocchio” o “Biancaneve”. Emblema di tale processo agnostico diventa la civetta identificata nella figura di Matelda che, nonostante varie interpretazioni contraddittorie tra loro, è simbolo di saggezza di conoscenza, una conoscenza che si addentra oltre il substrato di ogni cosa penetrando nel buio più profondo.

In questo manuale gli Arcani maggiori dei Tarocchi diventano uno strumento da usare nella vita personale, sul lavoro, per la formazione in azienda e per il coaching, superando il tradizionale utilizzo divinatorio. Come attingere alle nostre risorse nascoste per orientarci in situazioni complesse? Nei momenti di stasi, di dubbio, quando vogliamo comprendere meglio dove siamo e dove vogliamo andare, le risposte sono più semplici da trovare, se ci poniamo le domande giuste. Gli Arcani sono proposti come mezzo di introspezione, che accresce la consapevolezza e aiuta ad assumere la giusta prospettiva nelle fasi di incertezza. La descrizione degli esercizi e dei giochi spiega come avvalersi dei

Tarocchi in azienda, per la formazione, per il coaching e persino nel marketing, oltre che per l'uso personale. Le autrici ci guidano in un innovativo e originale utilizzo del simbolismo delle carte, illustrandoci come un antico gioco può diventare un supporto per gestire la transizione.

Everything You Need to Know to Begin Your Wiccan Ritual Practice You most likely already know that Wicca is very different from most other contemporary religions. There is no specified holy text to follow, no single, all-encompassing deity, and there are no official buildings-churches, temples, or otherwise-where worship and prayer take place. There are also no specific centuries-old traditions to adhere to rigidly, because although Wicca was inspired by practices from earlier times in history, it is a modern religion that is continually evolving. Nonetheless, Wicca still shares one significant element with various other religions around the globe: the use of an altar with sacred objects to honor and communicate with the divine. The altar is widely considered to be the central physical focus of Wiccan spiritual activity, as it hosts the rituals for Sabbats and Esbats, as well as any personal rituals and/or spellwork that practitioners wish to engage in. If you're looking to learn how to participate in this beautiful and inspiring religion, acquiring or creating a personal altar is an excellent place to begin. You'll also need at least a few ritual tools to start with, such as candles for honoring the God and Goddess, as well as an athame and a chalice. Through symbolism and ritual, these tools-along with the altar itself-connect us with the Goddess and the God in celebration of our participation in the natural cycles of life on Earth. There is as much divinity in each of us as there is in the ocean, and as much power in the branch of a tree as in the beam of a temple. Similarly, when we dedicate a physical object like a wand or a chalice to the pursuit of spiritual connection, that's exactly what results. In *Wicca Altar and Tools*, best-selling author Lisa Chamberlain provides an introduction to the Wiccan altar and the tools of ritual and spellwork. With ideas for how to find or make an altar that's perfect for your own personal practice, descriptions and explanations of each ritual tool, and even suggestions for clothing and jewelry you might wear for these spiritual occasions, this guide contains everything you need to know to get started with your ritual practice. Making Your Practice Your Own For people new to Wicca, the amount of "stuff" that seems to be required can seem overwhelming, but it needn't be. First off, it should be made clear that nothing at all is required for connecting with the divine beyond your mind, your heart, and your spirit. Secondly, you have options in terms of your own personal practice-not every tool is absolutely necessary, and you don't have to spend a fortune in order to have a beautiful altar with all the items you wish to incorporate. *Wicca Altar and Tools* will show you how to take your own unique approach to your physical practice, with plenty of information, including: - The pagan origins of the altar and its incorporation into Wicca - The role of the altar and ritual tools in Wiccan ceremony - The key ritual tools used in most traditional forms of Wicca - The most common magical ingredients used in Wiccan spellwork - The purpose and

importance of casting the circle before ritual - Tips for creating and setting up your own altar - Suggestions for locating and acquiring tools for ritual and spellwork - Instructions for energetic clearing and charging of all tools By the end of this guide, you'll be well-prepared to begin your own practice of observing the Sabbats and Esbats, working spells, and performing various other rites and rituals that make up the wonderfully eclectic faith we call Wicca. Take your time, listen to your intuition, and enjoy the journey! Scroll to the top of the page, hit the Buy button, and receive an exclusive free eBook!

Lo scarabeo sacro è un simbolo che attraversa non solo la storia religiosa dell'Egitto, ma che si ritrova in diverse civiltà del mondo antico. Abbiamo scarabei provenienti da Canaan, fenici, greci e finanche etruschi. Scarabei scolpiti sulle pietre, come le centinaia ritrovati in Sardegna e in particolare, quello della penisola del Sinis. Si tratta di simboli che attestano un legame tra l'Egitto e civiltà diverse, ma soprattutto, la diffusione di misteri appartenenti a una religione esoterica, che in Egitto fiorisce e di cui prima l'Ebraismo e il Cristianesimo, ma anche l'Illuminismo e la Massoneria in seguito, sono stati grandi veicoli. Il seguente lavoro permette di cogliere come lo scarabeo sia il simbolo dell'omoerotismo, dell'amore dello stesso, del Sé: l'amore originario e fondante ogni altra forma di amore. Esso rappresenta l'amore della divinità per Sé, con Sé e in Sé, generante tutte le cose. Ma è anche l'amore indomito del portatore di luce, Lucifero, che annuncia all'alba l'arrivo del sole, come Stella del Mattino, e che ribelle si stacca al vespro dal suo sole per attraversare le tenebre.

La chiromanzia è l'arte di descrivere la personalità e prevedere il destino di un individuo attraverso lo studio del palmo della sua mano. La chiromanzia, universalmente considerata una pseudoscienza, si divide in due discipline principali: la chirologia, che si occupa dello studio delle linee del palmo, e la chirognomia, che si occupa dello studio della forma della mano. Ci sono molte interpretazioni diverse delle linee della mano a seconda delle differenti scuole di chiromanzia, e i moderni chiromanti spesso combinano le tradizionali tecniche di preveggenza con la psicologia, la medicina olistica e altri metodi di divinazione. I Tarocchi sono il metodo popolarmente più conosciuto di divinazione e predizione. Il mazzo dei Tarocchi è composto da un totale di 78 carte distribuite in due gruppi differenziati detti "Arcani": Gruppo 1: "Arcani Maggiori": composto da 22 carte. Gruppo 2: "Arcani Minori": composto da 56 carte. Gli Arcani Maggiori si riferiscono alle ventidue lettere dell'alfabeto ebraico, delle quali tre sono attribuite ai tre elementi attivi, sette ai pianeti (deve essere ricordato che la scoperta di Urano e Nettuno è piuttosto recente), e dodici ai segni dello Zodiaco. Gli arcani minori sono il secondo gruppo di carte dei tarocchi. Nei mazzi moderni sono 56 carte, divise in 4 semi: bastoni, coppe, denari e spade, trasformati nelle carte "francesi" rispettivamente in fiori, cuori, quadri e picche. I mazzetti di ogni seme sono costituiti da 14 carte suddivise in carte scoperte e carte coperte o figure. L'astrologia è un complesso di credenze e tradizioni che ritiene che le posizioni e i movimenti dei corpi celesti rispetto alla Terra influiscano sugli eventi umani

collettivi e individuali. Chi pratica l'astrologia è chiamato astrologo e la sua divinazione è chiamata oroscopo. Lo zodiaco è una fascia celeste divisa in 12 settori di 30 gradi ciascuno che si estende all'incirca per 8° da entrambi i lati dell'eclittica (il percorso apparente del Sole nel suo moto annuo) e comprendente anche i percorsi apparenti della luna e dei pianeti.

Author Londa Marks introduces readers to the related sun signs, basic meanings, astrological data elemental and number correlations and poetry of the Crow's magickal kingdom.

"A new method for reading the tarot. Using almost any tarot deck and a memory from their past, readers can gain understanding of their present and insight into their future"--Provided by publisher.

Celebrate the grace of the Art Nouveau movement! Goddess-like figures and significant symbols—the ring, the book, the key, the mouse, the fox, the tower, the lily and others—dominate this stylized deck.

This deck captures the perceptive powers of the legendary dragon. Dragon Tarot represents the fulfillment of centuries of research into symbolism by mystics from the world over.

America's most renowned Wiccan shares the beliefs and practices of this sacred feminine spirituality in an introductory book. Welcome to the oldest spiritual tradition in the world. One of the first Wiccan Priestesses to 'come out of the broom closet,' Phyllis Currott has forever changed the perception of Wicca in the Western world. In this book, Phyllis re-introduces the life-sustaining wisdom and techniques that will connect you to the Divine and to the love, abundance and spiritual wisdom of Mother Earth. You'll learn how to:

- attune your body, mind and spirit to Nature's rhythms to create a life of harmony, peace and fulfillment
- enter spirit realms and work with spirit guides, power animals and spirits of place for guidance and healing
- cast gorgeous spells and create sacred spaces and altars to nourish your soul
- practice empowering lunar and Sabbat rites to experience divine communion
- embody your spirit, empower your purpose and manifest your gifts

This engaging and inspiring book will open your heart, your mind and your spirit to the Sacred around and within you. It's time to awaken your life to its divine magic!

Yury Shakov's elegant Russian Tarot of St. Petersburg deck is illuminated by this fascinating companion book by Cynthia Giles. Giles connects Russian history, culture, and spirituality to thorough interpretations of this best-selling deck. The cards are beautifully detailed miniature paintings reminiscent of the Imperial Faberge Easter Eggs.

Over the past few years Hekate has gained increasing popularity around the world.

While there are books written about the historical Hekate, there is a lack of information applying this knowledge for personal development and practicing witchcraft. *Keeping Her Keys* blends the 'keys' of personal development, magick and the ancient goddess, Hekate, together. Topics include the power of prayer, how to create sacred space, and guidance on spell crafting. In the final chapter readers can perform an optional self-initiation to become a Keeper of Her Keys.

Discover the buried secrets in *Under the Roses*, a charming 40-card Petit Lenormand deck. In addition to the 36 standard cards, this deck includes alternate cards for the Child, the Gentleman, and the Lady. The 60-page booklet offers keywords, instructions and diagrams for learning to read with the Lenormand method

The author of *Book of Shadows* digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Currott's first book, *Book of Shadows*, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, *Witch Crafting* is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Currott's own experiences, *Witch Crafting* will also teach you how to:

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
- Keep a magical journal and create your own Book of Shadows

Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, *Witch Crafting* is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, *Witch Crafting* is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

This is a translation of one of Guenon's most significant works. It contains chapters with titles such as: *The Science of Letters*; *Symbolic Weapons*; and *The Symbolism of the Zodiac among the Pythagoreans*. The work aims to give new meaning to so many of the objects involved in daily life.

In English for the first time, a wild and darkly funny book that combines Surrealist painter Leonora Carrington's fantastical writing and illustrations for children. The maverick surrealist Leonora Carrington was an extraordinary painter and storyteller who loved to make up stories and draw pictures for her children. She lived much of her life in Mexico, and her sons remember sitting in a big room whose walls were covered with images of wondrous creatures, towering mountains, and ferocious vegetation while she told fabulous and funny tales. That room was later whitewashed, but some of its wonders were preserved in the little notebook that Carrington called *The Milk of Dreams*. John, who has wings for ears, Humbert the Beautiful, an insufferable kid who befriends a crocodile and grows more insufferable yet, and the awesome Janzamajoria are all to be encountered in *The Milk of Dreams*, a book that is as unlikely, outrageous, and dreamy as dreams themselves.

How to craft and consecrate candles and use their magick to cast spells, make wishes come true, increase luck, and spark psychic powers. Discover the mystical powers of the candle, used throughout the ages as an indispensable tool for setting the proper atmosphere for spellcasting, divination, meditation, banishing darkness, and communicating with the dead. Sections include sacred candle colors of the gods and goddesses, crystals and gemstones, Voudoun candle magick, and the making of sacred oils for candle blessing rituals. Easy-to-follow instructions will guide the modern witch into crafting and consecrating various types of candles such as Witch Candles, Healing Herb Candles, Rune Candles, Magick Symbol Candles, and Voodoo Candles. Modern Wiccan expert Gerina Dunwich also discusses candle omens and provides a collection of powerful folk spells and incantations for nearly every purpose. *Wicca Candle Magick* is an essential resource for today's everyday goddesses.

“Straightforward and practical.”—Brigid's Flame

Deeply entwined for six centuries, the art of tarot and the science of astrology have an undeniably powerful link. With this unique and user-friendly guidebook, you can easily learn to combine tarot and astrology for yourself—and expand your tarot practice while enriching your life. Well-known tarot reader Corrine Kenner expertly teaches you everything you need to know, starting with tarot and astrology basics, the cards' archetypal symbols and imagery, the twelve signs of the zodiac, and the planets. You'll discover how every card in the tarot deck relates to astrology, and learn to: Read tarot cards and interpret an astrological chart Recognize the twelve houses' ruling signs and planets Pair the planets, signs, and houses with their corresponding tarot cards Understand the astrological associations of the Minor Arcana Make connections among the Court Cards, tarot suits, and the four elements Identify each card's qabalistic associations Give insightful readings for yourself and others You'll also find practical astrological spreads, interpretive techniques, real-life examples, and sample readings for everyday people and famous figures, including Salvador Dali, Marilyn Monroe, and Prince William.

Blending the romantic ideals of Art Nouveau with the dark horror and mystery of Gothic, the resulting mixture is a heady and intriguing combination. Illustrator Matt Hughes has forged these distinct forms into a new movement, perfectly named "Gothic Art Nouveau." Wander an exhilarating and forbidding gallery of unique and beautiful creations. Also contains a fascinating step-by-step section.

A look into the underlying principles behind modern magic in Witchcraft, this investigation provides an integrated training system for both solitary Witches and coven-based trainees in the form of magical energy practice and cosmology. By fully explaining the values of Witchcraft, this work makes numerous Wiccan practices approachable, including Circle casting, raising energy, elemental work, and drawing down the moon. Illustrating how Wicca is a modern, nondogmatic, and dynamic tradition still in a state of evolution, this book also features a history of the spirituality of Witchcraft.

German watercolor artist Christine Zillich has created an intriguing Thoth-style tarot deck. This contemporary pocket-sized deck is packed with powerful imagery. Beneath the colorful surface are layers of meaning and archetypal symbolism through which Zillich Tarot visually explores mythological and astrological influences. The cards in this 78-card deck present Thoth keywords as well as kabbalistic signs. In the 60-page booklet Johan Von Kirschner explains the symbolism and meaning of each card.
