Perfect for fans of Mo Willems's *Don't Let the Pigeon Drive the Bus!* and Jon Klassen's *I Want My Hat Back!* Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? 'One of the funniest books of the year' - Guardian A collection of hilarious personal essays, poems and even amusement park maps on the subjects of insecurity, fame, anxiety, and much more from the charming and wickedly funny creator of Crazy Ex-Girlfriend. "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old. It's a hilarious, smart, and infinitely relatable collection (except for the pooping thing).

Readers love I Want to Be Where the Normal People Are 'I adore Crazy Ex-Girlfriend and this book was exactly what I needed it to be. Would highly

recommend.' 5\* 'Rachel's voice is loud and clear from the first lines of the book. I've been missing it since Crazy Ex-Girlfriend . . . this time she's talking right to me, in my head, and it is like being part of this newfound Friendtopia.' 5\* 'Heartfelt. Honest. Genuine. And funny as hell . . . Rachel writes about the things that could have broken her, but didn't, in a very funny and raw way, and she doesn't hold back.' 5\* 'Crazy Ex-Girlfriend is a hilarious and honest show which does not hold back when confronting the truth of sex, love, mental illness and life. This same comedic and chaotic energy is channelled in Bloom's wonderful book which I would highly recommend, whether you are a previous fan of hers or not.' 5\* Follow along as Daniel finds the musicality in everyday objects he discovers right at home. Monster wants to be in a scary story, so the narrator provides a story with scary forests, spooky houses, ghosts, and witches. Do you want to be a doctor?
