

I Was Told There D Be Cake By Sloane Crosley

Emily Gould

I Was Told There'd Be Cake Sloane Crosley, 2008-04-01 Hailed by David Sedaris as perfectly, relentlessly funny and by Colson Whitehead as sardonic without being cruel, tender without being sentimental, from the author of the new collection *Look Alive Out There*. Wry, hilarious, and profoundly genuine, this debut collection of literary essays is a celebration of fallibility and haplessness in all their glory. From despoiling an exhibit at the Natural History Museum to provoking the ire of her first boss to siccing the cops on her mysterious neighbor, Crosley can do no right despite the best of intentions -- or perhaps because of them. Together, these essays create a startlingly funny and revealing portrait of a complex and utterly recognizable character who aims for the stars but hits the ceiling, and the inimitable city that has helped shape who she is. *I Was Told There'd Be Cake* introduces a strikingly original voice, chronicling the struggles and unexpected beauty of modern urban life.

I Was Told There'd Be Cake Sloane Crosley, 2012-02-09 From getting locked out of her flat twice on the same day and being fired for baking a giant cookie in the shape of her boss's head, to playing bridesmaid for a friend she'd long forgotten, Sloane Crosley can do no right, despite the best of intentions. With sharp, original and irresistible storytelling that confounds expectations at every turn, Crosley recounts her victories and catastrophes, finding uproarious comedy and genuine insights in the most unpredictable places.

How Did You Get This Number Sloane Crosley, 2010-06-15 From the author of the sensational bestseller *I Was Told There'd Be Cake* comes a new book of personal essays brimming with all the charm and wit that have earned Sloane Crosley widespread acclaim, award nominations, and an ever-growing cadre of loyal fans. In *Cake* readers were introduced to the foibles of Crosley's life in New York City--always teetering between the glamour of Manhattan parties, the indignity of entry-level work, and the special joy of suburban nostalgia--and to a literary voice that mixed Dorothy Parker with David Sedaris and became something all its own. Crosley still lives and works in New York City, but she's no longer the newcomer for whom a trip beyond the Upper West Side is a big adventure. She can pack up her sensibility and takes us with her to Paris, to Portugal (having picked it by spinning a globe and putting down her finger, and finally falling in with a group of Portuguese clowns), and even to Alaska, where the bear bells on her fellow bridesmaids' ponytails seemed silly until a grizzly cub dramatically intrudes. Meanwhile, back in New York, where new apartments beckon and taxi rides go awry, her sense of the

city has become more layered, her relationships with friends and family more complicated. As always, Crosley's voice is fueled by the perfect witticism, buoyant optimism, flair for drama, and easy charm in the face of minor suffering or potential drudgery. But in *How Did You Get This Number* it has also become increasingly sophisticated, quicker and sharper to the point, more complex and lasting in the emotions it explores. And yet, Crosley remains the unfailingly hilarious young Everywoman, healthily equipped with intelligence and poise to fend off any potential mundanity in maturity.

Look Alive Out There Sloane Crosley, 2018-04-03 Sloane Crosley returns to the form that made her a household name in really quite a lot of households: Essays! From the New York Times–bestselling author Sloane Crosley comes *Look Alive Out There*—a brand-new collection of essays filled with her trademark hilarity, wit, and charm. The characteristic heart and punch-packing observations are back, but with a newfound coat of maturity. A thin coat. More of a blazer, really. Fans of *I Was Told There'd Be Cake* and *How Did You Get This Number* know Sloane Crosley's life as a series of relatable but madcap misadventures. In *Look Alive Out There*, whether it's playing herself on *Gossip Girl*, scaling active volcanoes, crashing shivas, befriending swingers, or staring down the barrel of the fertility gun, Crosley continues to rise to the occasion with unmatched nerve and electric one-liners. And as her subjects become more serious, her essays deliver not just laughs but lasting emotional heft and insight. Crosley has taken up the gauntlets thrown by her predecessors—Dorothy Parker, Nora Ephron, David Sedaris—and crafted something rare, affecting, and true. *Look Alive Out There* arrives on the tenth anniversary of *I Was Told There'd Be Cake*, and Crosley's essays have managed to grow simultaneously more sophisticated and even funnier. And yet she's still very much herself, and it's great to have her back—and not a moment too soon (or late, for that matter).

The Clasp Sloane Crosley, 2015-10-06 Part comedy of manners, part treasure hunt, the first novel from the writer whom David Sedaris calls perfectly, relentlessly funny Kezia, Nathaniel, and Victor are reunited for the extravagant wedding of a college friend. Now at the tail end of their twenties, they arrive completely absorbed in their own lives—Kezia the second-in-command to a madwoman jewelry designer in Manhattan; Nathaniel the former literary cool kid, selling his wares in Hollywood; and the Eeyore-esque Victor, just fired from a middling search engine. They soon slip back into old roles: Victor loves Kezia. Kezia loves Nathaniel. Nathaniel loves Nathaniel. In the midst of all this semi-merriment, Victor passes out in the mother of the groom's bedroom. He wakes to her jovially slapping him across the face. Instead of a scolding, she offers Victor a story she's never even told her son, about a valuable necklace that disappeared during the Nazi occupation of France. And so a madcap adventure is set into motion, one that leads Victor, Kezia, and Nathaniel from Miami to New York and L.A. to Paris and across France, until they converge at the estate of Guy de Maupassant, author of the classic short story *The Necklace*. Heartfelt, suspenseful, and told with Sloane Crosley's inimitable spark and wit, *The Clasp* is a story of friends struggling to fit together now that their lives haven't gone as planned, of how to separate the real from the fake. Such a task

might be possible when it comes to precious stones, but is far more difficult to pull off with humans.

Cult Classic Sloane Crosley, 2022-06-07 Hilariously insightful and delightfully suspenseful, *Cult Classic* is an original: a masterfully crafted tale of love, memory, morality, and mind control, as well as a fresh foray into the philosophy of romance. A BEST BOOK OF THE YEAR at the Washington Post, the BBC, *Esquire*, *Harper's Bazaar*, and more! One night in New York City's Chinatown, a woman is at a work reunion dinner with former colleagues when she excuses herself to buy a pack of cigarettes. On her way back, she runs into a former boyfriend. And then another. And . . . another. Nothing is quite what it seems as the city becomes awash with ghosts of heartbreaks past. What would normally pass for coincidence becomes something far stranger as the recently engaged Lola must contend not only with the viability of her current relationship but with the fact that both her best friend and her former boss, a magazine editor turned mystical guru, might have an unhealthy investment in the outcome. Memories of the past swirl and converge in ways both comic and eerie, as Lola is forced to decide if she will surrender herself to the conspiring of one very contemporary cult. Is it possible to have a happy ending in an age when the past is ever at your fingertips and sanity is for sale? With her gimlet eye, Sloane Crosley spins a wry literary fantasy that is equal parts page-turner and poignant portrayal of alienation.

Sad Stuff on the Street Sloane Crosley, Greg Larson, 2018-01-15 Welcome to *Sad Stuff on the Street: The Book!* With submissions from around the globe and visitors from 101 countries, this humble little blog has become the world's preeminent hub for melancholy detritus. For years, we've specialized in doll heads, board game parts, and discarded birthday cakes. You've brought us your tired, your poor, your single shoes. And now comes a physical version of this universe of meaningful trash, designed by the legendary Todd Oldham. 100% of proceeds from this book will go to the National Alliance on Mental Illness. We hope you like it! -- Sloane and Greg -- <http://sadstuffonthestreet.com/bo>

The Last Single Woman in America Cindy Guidry, 2008-01-31 A ?sassy? (USA Today), ?funny, fast-talking? (New York Daily News) ?great read? (People) that unfolds like a conversation with your bawdy best friend over a glass?or a bottle?of wine Whether she?s being greeted by the news that her brother has thrown her underwear off a Mardi Gras float, desperately trying to kick Dave Matthews out of her car before he discovers that her 6-CD changer contains six Dave Matthews CDs, or hosting a friend?s baby shower after learning that her boyfriend has impregnated another woman, Cindy Guidry writes with the ease of a born raconteur. This is the rare book that provokes both belly laughs and tears, as Guidry barrels through the obstacle course of life, refusing to see her grass as anything other than green. *The Last Single Woman in America* belongs on the same shelf as bestsellers like *Don't Get Too Comfortable* by David Rakoff, *I Was Told There'd Be Cake* by Sloane Crosley, and *I Feel Bad About My Neck* by Nora Ephron.

Meaty Samantha Irby, 2013-09-13 The smart, edgy, hilarious, and unabashedly raunchy New York Times bestselling author explodes onto the printed page in her uproarious first collection of essays. Whether she's writing about her latest

inflammatory bowel disease attack or documenting a sexual escapade gone awry (sometimes simultaneously), you'll most likely be able to relate to Irby's tell-all book. Her raw honesty and scathing sense of humor will make you laugh out loud. —JET Irby laughs her way through tragicomic mishaps, neuroses, and taboos as she struggles through adulthood: chin hairs, depression, bad sex, failed relationships, masturbation, taco feasts, inflammatory bowel disease and more. Updated with her favorite Instagramable, couch-friendly recipes, this much-beloved romp is treat for anyone in dire need of Irby's infamous, scathing wit and poignant candor. Don't miss Samantha Irby's bestselling new book, *Quietly Hostile!*

Read Bottom Up Neel Shah, Skye Chatham, 2015-04-07 A charming novel about falling in love (or like) in the digital age—the never-before-seen full story. Madeline and Elliot meet at a New York City restaurant opening. Flirtation—online—ensues. A romance, potentially eternal, possibly doomed, begins. And, like most things in life today, their early exchanges are available to be scrutinized and interpreted by well-intentioned friends who are a mere click away. Madeline and Elliot's relationship unfolds through a series of thrilling, confounding, and funny exchanges with each other, and, of course, with their best friends and dubious confidants (Emily and David). The result is a brand-new kind of modern romantic comedy, in format, in content, and even in creation—the authors exchanged e-mails in real time, blind to each other's side conversations. You will nod in appreciation and roll your eyes in recognition; you'll learn a thing or two about how the other half approaches a new relationship . . . and you will cheer for an unexpected ending that just might restore your faith in falling in love, twenty-first-century style.

Are You Afraid of the Dark Rum? Sam Slaughter, 2019-06-04 *Are You Afraid of the Dark Rum?* is a tongue in cheek cocktail book for the former '90s kid and those just discovering how cool old-school Nickelodeon and Delia's once were. With recipes for alcoholic versions of childhood favorites like Ecto-Cooler and Mondo as well as creative pop-culture inspired originals like the Rum and Stimp and Semi-Warmed Kind of Cider, this is a perfectly giftable mix of humor, nostalgia, and tasty recipes.

Another City, Not My Own Dominick Dunne, 2009-11-17 NEW YORK TIMES BESTSELLER • A “thoroughly absorbing” (Time) novel of love, rage, and ruin amidst the chaos in Los Angeles during the O.J. Simpson trial “Compulsively readable . . . deliciously wicked.”—Vogue Gus Bailey, journalist to high society, knows the sordid secrets of the very rich. Now he turns his penetrating gaze to a courtroom in Los Angeles, witnessing the trial of the century unfold before his startled eyes. By day, Gus is at the courthouse, the confidant of the Goldman and Simpson families, the lawyers, the journalists, the hangers-on, even the judge; at night he is the honored guest at the most dazzling gatherings in town as the movers and shakers of Los Angeles—from Kirk Douglas to Heidi Fleiss, from Elizabeth Taylor to Nancy Reagan—delight in the latest news from the corridors of the courthouse. As they share their own theories of the crime, Bailey bears witness to the ultimate perversion of principle and the most amazing gossip machine in Hollywood. A vivid, revealing achievement, *Another City, Not My Own*

illuminates the meaning of guilt and innocence in America today.

Not That Kind of Girl Lena Dunham, 2014-09-30 #1 NEW YORK TIMES BESTSELLER • Includes two new essays! NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED, THE GLOBE AND MAIL, AND LIBRARY JOURNAL For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham—the acclaimed creator, producer, and star of HBO’s *Girls*—as one of the most original young talents writing today. In *Not That Kind of Girl*, Dunham illuminates the experiences that are part of making one’s way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. “Take My Virginity (No Really, Take It)” is the account of Dunham’s first time, and how her expectations of sex didn’t quite live up to the actual event (“No floodgate had been opened, no vault of true womanhood unlocked”); “Girls & Jerks” explores her former attraction to less-than-nice guys—guys who had perfected the “dynamic of disrespect” she found so intriguing; “Is This Even Real?” is a meditation on her lifelong obsession with death and dying—what she calls her “genetically predestined morbidity.” And in “I Didn’t F*** Them, but They Yelled at Me,” she imagines the tell-all she will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are “treated like the paper thingies that protect glasses in hotel bathrooms—necessary but infinitely disposable.” Exuberant, moving, and keenly observed, *Not That Kind of Girl* is a series of dispatches from the frontlines of the struggle that is growing up. “I’m already predicting my future shame at thinking I had anything to offer you,” Dunham writes. “But if I can take what I’ve learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile.” Praise for *Not That Kind of Girl* “The gifted Ms. Dunham not only writes with observant precision, but also brings a measure of perspective, nostalgia and an older person’s sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny.”—Michiko Kakutani, *The New York Times* “It’s not Lena Dunham’s candor that makes me gasp. Rather, it’s her writing—which is full of surprises where you least expect them. A fine, subversive book.”—David Sedaris “This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises.”—Carroll Dunham “Witty, illuminating, maddening, bracingly bleak . . . [Dunham] is a genuine artist, and a disturber of the order.”—*The Atlantic*

People Are Unappealing Sara Barron, 2009-03-10 Born the child of a homo and a hypochondriac (Okay, okay. Her dad’s not really a homosexual. He just acts like it. Her mom, however, really is a hypochondriac), Sara Barron never stood a chance

of being normal. At age eleven, she starts writing porn (“He humped me wildly with his wiener”). At twelve, she gets mistaken for a tranny. The pre-op sort, no less. By seventeen, she's featured on the Jerry Springer Show. And that's all before she hits New York. *People Are Unappealing* tells the strange, funny, and sometimes filthy stories of Sara Barron's twisted suburban upbringing and deranged attempt at taking the Big Apple by storm—first as an actor (then a waiter), then a dancer (then a waiter), then a comic (then a waiter). It's there that she meets the ex-boyfriend turned street clown. The silk pajama-clad poet. The OCD Xanax addict who refuses to have sex wearing any fewer than three condoms. Barron has a knack for attracting the unattractive. *People Are Unappealing* is her wickedly funny look at the dark side of humanity.

The Masque of the Black Tulip Lauren Willig, 2005-12-29 ...But now she has a million questions about the Pink Carnation's deadly French nemesis, the Black Tulip. And she's pretty sure that her handsome on-again, off-again crush, Colin Selwick, has the answers somewhere in his archives. But what she discovers in an old codebook is something juicier than she ever imagined.

Paris, I Love You But You're Bringing Me Down Rosecrans Baldwin, 2012-04-24 A comic account of an American who arrives loving Paris out of all proportion, and finds life there to be completely unlike what he expected.

Gilligan's Wake Tom Carson, 2004-02 An author, an institutionalized shadow man, twists the histories of his characters--Alger Hiss, Daisy Buchanan, Robert Oppenheimer, Jack Kennedy, and others--into a kaleidoscopic pastiche of twentieth-century America.

Southern Lady Code Helen Ellis, 2019-04-16 A collection of essays that are like being seated beside the most entertaining guest at a dinner party (Atlanta Journal Constitution)—from the New York Times bestselling author of *American Housewives* “Thank you Helen Ellis for writing down the Southern Lady Code so that others may learn.” —Ann Patchett, bestselling author of *The Dutch House* Helen Ellis has a mantra: “If you don't have something nice to say, say something not-so-nice in a nice way.” Say “weathered” instead of “she looks like a cake left out in the rain” and “I'm not in charge” instead of “they're doing it wrong.” In these twenty-three raucous essays, Ellis transforms herself into a dominatrix Donna Reed to save her marriage, inadvertently steals a Burberry trench coat, avoids a neck lift, and finds a black-tie gown that gives her the confidence of a drag queen. While she may have left Alabama for New York City, Helen Ellis is clinging to her Southern accent like mayonnaise to white bread, and offering readers a hilarious, completely singular view on womanhood for both sides of the Mason-Dixon.

Friendship Emily Gould, 2014-07-01 A Wall Street Journal Favorite Book of the Year · A New York Times Book Review Editors' Choice · Named a Best Book of the Year by Vol. 1 Brooklyn and The Globe and Mail (Canada) Emily Gould's debut novel is a searching examination of a best friendship that is at once profoundly recognizable and impossible to put down. Bev Tunney and Amy Schein have been best friends for years, but now, at thirty, they're at a crossroads. Bev is a hardworking

Midwesterner still mourning a years-old romantic catastrophe that derailed her career. Amy is an East Coast princess, whose luck and charm have, so far, allowed her to skate through life. Bev is stuck in a seemingly endless cycle of temping, drowning in student loan debt, and (still) living with roommates. Amy is riding the tailwinds of her early success, but her habit of burning bridges is finally catching up to her. And now Bev is pregnant. As the two are dragged, kicking and screaming, into real adulthood, they are confronted with the possibility that growing up might also mean growing apart.

Birds of a Lesser Paradise Megan Mayhew Bergman, 2012-11-06 Presents a collection of stories focusing on the moments when bonds with nature become evident, including the story of a mother and son attempting to reclaim an African gray parrot and of a population control activist who longs to have a baby.

I Was Told There D Be Cake By Sloane Crosley Introduction

In the digital age, access to information has become easier than ever before. The ability to download I Was Told There D Be Cake By Sloane Crosley has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download I Was Told There D Be Cake By Sloane Crosley has opened up a world of possibilities. Downloading I Was Told There D Be Cake By Sloane Crosley provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading I Was Told There D Be Cake By Sloane Crosley has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and

authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download I Was Told There D Be Cake By Sloane Crosley . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading I Was Told There D Be Cake By Sloane Crosley . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading I Was Told There D Be Cake By Sloane Crosley , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download I Was Told There D Be Cake By Sloane Crosley has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About I Was Told There D Be Cake By Sloane Crosley Books

1. Where can I buy I Was Told There D Be Cake By Sloane Crosley books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a I Was Told There D Be Cake By Sloane Crosley book to read? Genres: Consider the

genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of I Was Told There D Be Cake By Sloane Crosley books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
