

Iceberg Slim Pimp Audiobook

The story of the 'society murders' that rocked a family, a class and a city to its very core.

Be sure to check out *IRON AMBITION: My Life with Cus D'Amato* by Mike Tyson "Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, *Undisputed Truth* is the singular journey of an inspiring American original.

Comedian and civil rights activist Dick Gregory's million-copy-plus bestselling memoir—now in trade paperback for the first time.

“Powerful and ugly and beautiful...a moving story of a man who deeply wants a world without malice and hate and is doing something about it.”—The New York Times Fifty-five years ago, in 1964, an incredibly honest and revealing memoir by one of the America's best-loved comedians and activists, Dick Gregory, was published. With a shocking title and breathtaking writing, Dick Gregory defined a genre and changed the way race was discussed in America. Telling stories that range from his hardscrabble childhood in St. Louis to his pioneering early days as a comedian to his indefatigable activism alongside Medgar Evers and Dr. Martin Luther King, Jr., Gregory's memoir riveted readers in the sixties. In the years and decades to come, the stories and lessons became more relevant than ever, and the book attained the status of a classic. The book has sold over a million copies and become core text about race relations and civil rights, continuing to inspire readers everywhere with Dick Gregory's incredible story about triumphing over racism and poverty to become an American legend.

Chronicles the clash between Jimmy Collucci, an ambitious member of Chicago's Mafia, and Jessie Taylor, an African American driven by revenge and hatred to destroy Collucci's infamous organization.

In this astonishing account, Iceberg Slim reveals the secret inner world of the pimp, and the smells, sounds, fears and petty triumphs of his world. A legendary figure of the Chicago underworld, this is his story: from defending his mother against the men in their lives to becoming a giant of the streets. A seething tale of brutality, cunning and greed, *Pimp* is a harrowing portrait of life on the wrong side of the tracks, and a rich warning from a true survivor.

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of *Pimp*, brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. *Trick Baby* tells the story of “White Folks,” a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a “Trick Baby,” the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It's Slim's story and he tells it in the only way he knows how, in the language of the streets.

A true and chilling first hand account of the criminal involvement of the feared Bandidos gang - the most powerful and influential crime group currently operating in Australia and North America today - and how one man broke their code and turned informant. Iceberg Slim is the name Robert Beck used in the ghetto. He was a pimp and this is his story, told without bitterness and with no pretence at moralizing - the smells, the sounds, the fears, the petty triumphs in the world of the pimp.

In the tradition of Donald Goines and Iceberg Slim comes *A Pimp's Life*, the story of the rise and fall of Mack Jones. He's at the top of his pimp game in Queens, New York, until he breaks one of the cardinal rules of Pimping 101 and falls in love with one of his girls. Destiny was once an innocent young girl tricked into selling her body, but now she's as tough as the most seasoned professionals on the street. Then a tragic turn of events causes her to open her heart once again. When Mack is shot, she stays by his side during his recovery, proving herself to be as devoted as any wife would be to her husband. After she sees that Mack has regained his strength, Destiny finally gathers the courage to leave the life behind her, and Mack is forced to make a decision. He won't stop her from leaving, but he must decide if he will follow her out of the game. Will he stay with what he's always known, or take a chance on love? And even if he does choose to get out, will the streets let him go that easy?

A NEW YORK TIMES Notable Book of the Year “In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ‘I'm not going to hide behind you anymore,’ she says. ‘Who are you anyway? You're not me.’ Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off.”—Anna Quindlen, The New York Times Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. “It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn.”—The New York Times Book Review

NOTE: This edition does not include photographs.

Immerse yourself in the role of one of the most famous and prolific pimps of 20th century America. In this page-turning biography you will get to know an ambitious, ruthless and vicious man - Robert Beck, more commonly known by his street-earned nickname "Iceberg Slim". Being one of the most popular and talked about pimps of the last century, there are many stories surrounding the character of Iceberg Slim, some extraordinary and unbelievable, but this book

aims to show the reader the true and factual events from Iceberg Slim's life that shaped him into the notorious pimp he would become, and his life after his pimping career. Follow the life path of a unique character of America's last century. Many biographies about Robert Beck focus mainly on his political views, and sometimes objectionable behavior, but many overlook the dark publishing world he found himself long after he had been done with his pimping career, something which this biography aims to correct. Meet the characters of the most iconic pimp of the 20th century and discover the many little known facts about Robert Beck in this biography by Robert Lewis.

In April, 1999, schoolgirl Keyra Steinhardt was bashed, raped and murdered in a brazen daylight attack as she walked home from school in the central Queensland town of Rockhampton. The disappearance of Keyra made international headlines as the community and law enforcement officers hunted for the nine-year-old. No one uttered it out loud, but everyone knew they were searching for a body. When her killer, Leonard Fraser, finally led them to her two weeks later, it was the catalyst that went on to expose him as a murderous sexual predator. In 2000 he was found guilty of Keyra's murder. In 2003, he was tried in the Brisbane Supreme Court for the murders of three women and a teenage girl in Rockhampton between December 1998 and April 1999. During the trial teenager Natasha Ryan was found alive hiding in the cupboard of her boyfriend's Rockhampton home - her emergence presented an intriguing twist in the story of this brutal and cunning killer. He was convicted for the murder of Beverley Leggo and Sylvia Benedetti and the manslaughter of Julie Dawn Turner. Fraser is a suspect in up to eight unsolved disappearances of women in Queensland and NSW, although no remains have been found. He was serving four indefinite life sentences until his death on New Year's Day 2007 when he died of a heart attack in a Brisbane prison hospital.

For fans of S. J. Watson and Gillian Flynn's *Sharp Objects*, comes a chilling look at marriage and madness from a talented new voice in psychological suspense. Her husband is missing. Visiting her family's South Carolina estate, socialite Gray Godfrey wakes from a night out to an empty bed. Her husband Paul is gone and a thrashing hangover has wiped her memory clean. At first, she's relieved for the break from her tumultuous marriage; perhaps Paul just needed some space. But when his car is found abandoned on the highway, Gray must face the truth: Paul is gone. And Gray may not want him found. Her life is unraveling. When a stranger named Annie calls claiming to know Paul's whereabouts, Gray reluctantly accepts her help. But this ally is not what she seems: soon Annie is sending frightening messages and revealing disturbing secrets only Gray could know. As Annie's threats escalate and Gray's grip on reality begins to slip, the life she thought she had and the dark truth she's been living begin to merge, leaving an unsettling question: What does Annie want? And what will she do to get it? A chilling look at marriage, madness, and the lives we think we lead, *When You Find Me* is a daring debut from a talented new voice in psychological suspense.

The first and definitive biography of one of America's bestselling, notorious, and influential writers of the twentieth century: Iceberg Slim, né Robert Beck, author of the multimillion-copy memoir *Pimp* and such equally popular novels as *Trick Baby* and *Mama Black Widow*. From a career as a, yes, ruthless pimp in the '40s and '50s, Iceberg Slim refashioned himself as the first and still the greatest of "street lit" masters, whose vivid books have made him an icon to such rappers as Ice-T, Jay-Z, and Snoop Dogg and a presiding spirit of "blaxploitation" culture. You can't understand contemporary black (and even American) culture without reckoning with Iceberg Slim and his many acolytes and imitators. Literature professor Justin Gifford has been researching the life and work of Robert Beck for a decade, culminating in *Street Poison*, a colorful and compassionate biography of one of the most complicated figures in twentieth-century literature. Drawing on a wealth of archival material—including FBI files, prison records, and interviews with Beck, his wife, and his daughters—Gifford explores the sexual trauma and racial violence Beck endured that led to his reinvention as Iceberg Slim, one of America's most infamous pimps of the 1940s and '50s. From pimping to penning his profoundly influential confessional autobiography, *Pimp*, to his involvement in radical politics, Gifford's biography illuminates the life and works of one of American literature's most unique renegades.

The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm, psychological manipulation, and persuasion. In *Pimpology*, star of the documentaries *Pimps Up*, *Ho's Down* and *American Pimp* and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall

He's a hip-hop icon credited with single-handedly creating gangsta rap. Television viewers know him as Detective Odafin "Fin" Tutuola on the top-rated drama *Law & Order: SVU*. But where the hype and the headlines end, the real story of Ice-T—the one few of his millions of fans have ever heard—truly begins. Ice is Ice-T in his own words—raw, uncensored, and unafraid to speak his mind. About his orphan upbringing on the gang-infested streets of South Central, his four-year stint in the U.S. Army, his successful career as a hustler and thief, and his fateful decision to turn away from a life of crime and forge his own path to international stardom. Along the way, Ice shares never-before-told stories about friends such as Tupac, Dick Wolf, Chris Rock, and Flavor Flav, among others. And he offers up candid observations on marriage and monogamy, the current state of hip-hop, and his latest passion: mentoring at-risk youths around the country. With

insights into the cutthroat world of the street—and the cutthroat world of Hollywood—Ice is the unforgettable story of a true American original.

In the #1 New York Times bestseller *Mindhunter*, John Douglas, who headed the FBI's elite Investigative Support Unit, told the story of his brilliant and terrifying career tracking down some of the most heinous criminals in history. Now, in *Journey into Darkness*, Douglas profiles vicious serial killers, rapists, and child molesters. He is straightforward, blunt, often irreverent, and outspoken, but takes pains not to glorify any of these murderers. Some of the unique cases Douglas discusses include: -The Clairemont killer -The schoolgirl murders -Richmond's First Serial Murderer -The brutal and sadistic murder of Suzanne Marie Collins -Polly Klaas' abduction and murder by Richard Allen Davis, -The tragedy that led to the creation of Megan's Law With *Journey into Darkness*, Douglas provides more than a glimpse into the minds of serial killers; he demonstrates what a powerful weapon behavioral science has become. Profiling criminals helps not only to capture them, but also helps society understand how these predators work and what can be done to prevent them from striking again. Douglas focuses especially on pedophiles and child abductors, fully explaining what drives them, and how to keep children away from them. As he points out, "The best way to protect your children is to know your enemy." He includes eight rules for safety, a list of steps parents can take to prevent child abduction and exploitation, tips on how to detect sexual exploitation, basic rules of safety for children, and a chart, based on age, which details the safety skills children should have to protect themselves. In his review for *Mindhunter* in *The New York Times Book Review*, Dean Koontz said, "Because of his insights and the power of the material, he leaves us shaken, gripped by a quiet grief for the innocent victims and anguished by the human condition." *Journey into Darkness* continues this perilous trip into the psyche of the serial killer, but also offers a glimmer of hope that profiling may enable law enforcement to see the indicators of a serial killer's mind and intervene before he kills, or kills again.

First written in 1999 and released in 2000, this updated and revised edition takes a unique, yet serious look at modern male/female relationships from a player's point of view.

Robert Beck, better known as Iceberg Slim, was an American pimp who subsequently became an influential author among a primarily African-American readership. Beck's novels were adapted into movies, and the imagery and tone of Beck's fiction have been acknowledged as an influence by several gangsta rap musicians, including Ice T and Ice Cube, whose names are homages to Beck.

"Jaw-dropping . . . Inspiring . . . A haunting and beautifully composed book . . . It blew my mind." --Lisa Taddeo, #1 New York Times bestselling author of *Three Women* A fearless exposé of the secrets and lies of women's intimate lives, by the bestselling author of *The Perfect Nanny*, *Adèle*, and *In the Country of Others* "All those in positions of authority--politicians, parents, teachers--maintain the same line: 'Do what you like, but do it in private.'" Leila Slimani was in her native Morocco promoting her novel *Adèle*, about a woman addicted to sex, when she began meeting women who confided the dark secrets of their sexual lives. In Morocco, adultery, abortion, homosexuality, prostitution, and sex outside of marriage are all punishable by law, and women have only two choices: They can be wives or virgins. *Sex and Lies* combines vivid, often harrowing testimonies with Slimani's passionate and intelligent commentary to make a galvanizing case for a sexual revolution in the Arab world.

In this newly discovered work by the late Iceberg Slim, the man who essentially birthed street lit, an LAPD vice detective intent on sweeping away street prostitution and police corruption finds himself up against Shetani (Swahili for Satan), a leading pimp who uses violence and heroin to control his prostitutes.

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —*New York Times* *Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the *New York Times* bestseller *Fuzzy Mud*.

A meticulously researched and revealing expose of the new players in organised crime.

Tells the story of Otis Tilson, a transvestite living a life of pimping and tricking amid the violence and crime of the homosexual underground.

It was a David and Goliath style battle: Australian investigators up against a global organised crime empire. What seemed like an impossible task resulted in one of the most ambitious investigations in the world, infiltrating international money laundering streams and exposing the global crime bosses in control of the world's drug trade. *The Sting* is the never-before-told story of the ongoing efforts of Australia's most secretive and powerful law enforcement agency to topple the new face of organised crime. This is a tech-savvy, billion-dollar empire with tentacles reaching across the world, from outlaw motorcycle gangs to powerful Asian crime syndicates to law and government agencies. This is not a conventional story of good versus evil. It chronicles criminal, law enforcement and political tactics through the eyes of its major players - the criminal investigators, the international crime bosses, the senator, the drug cook and the investigative journalist - and exposes what many in power don't want the public to know.

New edition of the perennial cult classic with a specially commissioned introduction by Irvine Welsh

Pimp: The Story of My Life Simon and Schuster

"[In *Pimp*], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special *The Bird Revelation* *Pimp* sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, *Pimp* would go on to sell millions of copies, with translations throughout the world.

And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.

"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special *The Bird Revelation* An immersive experience unlike anything before it, Pimp is the classic hustler's tale that never seems to go out of style. Iceberg Slim's autobiographical novel sent shockwaves throughout the literary world when it published in 1969. Groundbreaking for its authentic and oft-brutal account of the sex trade, the book offers readers an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." With millions of copies sold, Pimp has become vital reading across generations of writers, entertainers and filmmakers alike, making it a timeless piece of American literature.

The Art of Mackin' was written by Tariq "King" Nasheed.

Friday, 12th February, 1993. Two outwardly unremarkable ten-year-old boys began the day by playing truant and ended it running an errand for the local video shop. In between they abducted and killed a two-year-old boy, James Bulger. In search of an explanation, award-winning journalist David James Smith looks behind the misinformation, misunderstanding and sensational reporting to an exact account of the events of that day. A sensitive and definitive account, *The Sleep of Reason* achieves a unique understanding of the James Bulger case, and comes as close as may ever be possible to explaining how two ten-year-olds could kill.

A must-read after watching Ava DuVernay's *When They See Us* In this spellbinding account of the real facts of the Central Park jogger case, Sarah Burns powerfully reexamines one of New York City's most notorious crimes and its aftermath. On April 20th, 1989, two passersby discovered the body of the "Central Park jogger" crumpled in a ravine. She'd been raped and severely beaten. Within days five black and Latino teenagers were apprehended, all five confessing to the crime. The staggering torrent of media coverage that ensued, coupled with fierce public outcry, exposed the deep-seated race and class divisions in New York City at the time. The minors were tried and convicted as adults despite no evidence linking them to the victim. Over a decade later, when DNA tests connected serial rapist Matias Reyes to the crime, the government, law enforcement, social institutions and media of New York were exposed as having undermined the individuals they were designed to protect. Here, Sarah Burns recounts this historic case for the first time since the young men's convictions were overturned, telling, at last, the full story of one of New York's most legendary crimes.

Dennis Hof, proprietor of the world-famous Moonlite BunnyRanch brothel and the P.T. Barnum of prostitution, charts his path to fame and infamy, while dispensing homespun wisdom about sex, sales, money, and how to live as the country's most recognizable pimp. In *The Art of the Pimp*, Dennis Hof offers a hilarious, insightful, behind-the-scenes look at life as the proprietor of The Moonlight BunnyRanch, the world's most famous legal brothel, and recounts his chaotic life as the king of America's sex industry. Hof, the star of HBO's critically lauded series *Cathouse*, reveals the tricks of turning tricks, the secrets of his outrageous marketing stunts, and scandalous details of his friendships with porn stars, prostitutes, and politicians. Readers will learn how Hof's "girls" negotiate the highest prices for sex, the dirty little secrets of getting men to fall in love with them, and the inside tales of "The Girlfriend Experience," the #1 requested menu item. *The Art of the Pimp* will take readers on a wild ride through his countless sexual conquests, romantic failures, and business successes.

Terry and Teddy's relationship crumbles and they go in separate directions as they become heroin addicts and seek their dealer's favor in order to feed the addiction.

Open Blind Eyes brings you face to face with the reality of sex trafficking in America through the true story viewpoint of a girl from a small town. Rachel was only nine years old when she was first approached by a perpetrator who was known to her as a teacher and coach. She goes into detail of the process of being groomed and how the evil of what was happening to her in the dark remained unseen by everyone around her. She describes how she coped for so many years by blocking out the memories only to have them resurface when she was an adult with a family of her own. Rachel had no idea that when she would pursue justice it would end up putting her right back in the world of trafficking. It wasn't until her church family saw the signs and believed what she was saying that she was able to start the process of finding freedom. Rachel shows her faith and love of God during the highs and lows of her journey and she prays for each person who reads her story. That their eyes will be opened and their actions will lead us toward ending sex trafficking in our world.

Originally published in 1973, "Black Players" was the first book to undertake a thorough examination of the urban pimp culture. Social anthropologists Richard and Christina Milner were allowed access to the secretive and controversial world of pimps and prostitutes, and allowed the players to describe themselves, and the rules of the game in their own words.

Whoreson Jones is the son of a beautiful black prostitute and an unknown white john. As a child, he's looked after by his neighbourhood's imposing matriarch, Big Mama, while his mother works the streets. At the age of 12, his street education begins when a man named Fast Black schools him in trickology. By 13, Whoreson is a cardsharp. At the age of 16 his childhood comes to an abrupt end when he becomes a fully-fledged pimp: cold-blooded and ruthless. As he battles to understand his world, he must learn to live up to his mother's words, 'First be a man, then be a pimp'.

Teenagers Sandra and Chink fall in love after they start selling drugs in inner-city Los Angeles, but when he goes to jail and Sandra is later raped, Chink escapes to seek revenge against the men responsible.

An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning *Last Podcast on the Left* Since its first show in 2010, *The Last Podcast on the Left* has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kissel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, *The Last Book on the Left* will satisfy the bloodlust of readers everywhere.

Straight from the source: Iceberg Slim gives unprecedented insight into his incredible life and mind in this second collection of rare, explicit, interviews. Iceberg Slim is infamous as a pimp. But he was many things: Victim of childhood abuse, racism and the Great Depression; drug addict; hustler; prison escapee; multi-million book selling author; one of the first rap record artists; orator; pre-eminent writer; father; husband; advocate of socially constructive life. The interviews (big topics from applying the game in square relationships, to the con game, sex, drugs,

education, writing, racial issues, fatherhood, politics, crime and punishment) are complimented by: Camille Beck's tragic story, told by her sister Misty; FBI records, mug shots, historical records; the true story of Baby Bell and Sweet Jones; and the true story of Henry and Iceberg's mother. Revealing insights with those who knew Iceberg Slim are included: Mike Tyson; Camille and Misty Beck; Diane Beck; Betty Beck's story from the day she met Iceberg; Bentley Morriss (CEO, Holloway House Publishing). Plus Ice-T, Bishop Don Magic Juan and others provide relevant commentary on Iceberg's life, work and great legacy.
