Old-House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories--all in a trusted, authoritative voice.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Descriptions of cars made by Chrysler from 1924 to 1990.

Richard Stone has drawn on his extensive knowledge of the National Library of Australia's treasure trove of ephemera to compile this fascinating visual journey. Whether designed to inform, persuade or shock, these remarkable 'reminders' are a fascinating record of Australian life over the last 150 years.

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law

students, law librarians and associate members of the American Bar Association. To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both. This volume contains a selection of papers from the CAL '89 Symposium and includes papers on a wide range of topics related to computer assisted learning. Papers selected include those from the following areas: CAL design, electronic mail and networks, hypermedia, learning and cognition, multimedia, CAL policy and practice and artificial intelligence techniques and knowledge base systems.
