Thank you for your interest in the Just IELTS Questions series. These practice tests can enable you to improve your understanding of the IELTS general reading exam and increase your ability for taking the IELTS tests. Doing IELTS practice tests regularly, even daily, will help you increase your skills to a level where you can pass the real exam. This set of 5 IELTS general practice tests is ideal in helping you study further for your IELTS test. If you're not doing an IELTS reading test every day for a few months before the exam, you'll find it harder to get the band score you want. These questions have been created based on many discussions with IELTS examiners, IELTS teachers and especially IELTS students who have described the sort of questions they get in the exam. Through practicing these questions and other questions in the series you'll be able to become more familiar with the types of questions asked in the exam and be better able to respond confidently. Additional notes for the private ESL tutor and classroom IELTS teacher - You'll find the text in this second edition of general reading questions has been spread out further for easier annotating while keeping the book size small for more convenient carrying in a backpack. ESL schools may also wish to offer the book as part of their IELTS course offerings. Considering this, the tests answers have been shifted to the back in case you wish to remove them easily from the book before giving it to your students. Also, to help make this less of a strain on ESL college budgets, the RRP price has been set lower than the previous edition. Adding the Just IELTS Questions series to your collection of resources for studying for the IELTS exam can help you reach the band score you want sooner.
