During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But imagine being able to sell your products when others cannot, being able to take market share from both your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. *If You're Not First, You're Last* is about how to sell your products and services—despite the economy—and provides the reader with ways to capitalize regardless of their product, service, or idea. Grant shares his proven strategies that will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in *If You're Not First, You're Last* include: *Converting the Unsold to Sold* *The Power Schedule to Maximize Sales* *Your Freedom Financial Plan* *The Unreasonable Selling Attitude*

Bestselling author Ally Carter returns with an exciting stand-alone novel, about a girl stranded in the middle of the Alaskan wilderness with the boy who wronged her... as an assassin moves in.

Attitude. Personality. Mindset. Spirit. Essence. Regardless of how you define your state of being, it is the basis for your existence and how you experience life. *The Art of Being* lays the foundation for your first impressions because if you get this part wrong not much else matters. All other efforts may be diminished or wasted. Your way of being sets the tone for how people relate to you, behave toward you, and engage with you. The more positively centered and grounded you are

in your authentic being, the more people may be drawn to you. Becoming the person you want to be includes being your best, doing your best, and allowing your personality, passions, and purpose to shine through. This book is Book 1 of 8 from the Susan Young's mastery manual *The Art of First Impressions for Positive Impact: 8 Ways to Shine Bright to Transform Relationship Results*.

When you read the history of First Presbyterian Church of Richmond, Kentucky, you are not merely reading about a church's story. You are exploring God's story—a story of God's justice and grace, of love and compassion, of redemption and hope. When you read the church's history, you discover your own story—the story of all who believe in God's just and compassionate activity in the world today. When you read the church's story, you discern the voice of God's spirit speaking within each one of us and calling us to make Christ's love known throughout the world. If you want to know the grace of God today, you need to hear that grace in the voices of our ancestors; for, they yet speak.

Warning: Don't read if your heart is weak! A vigilante uses an ingenious new method to end homelessness in a coveted beach city. The mission focuses not on the homeless, but on those who are unsympathetic to their plight. Carefully-targeted fear cures public apathy toward the impoverished. The city's terrified citizens flaunt the Golden Rule in a desperate attempt to avoid the vigilante's wrath.

Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed

miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

In the tradition of novels of Gayle Forman and John Green comes this extraordinary YA debut about a blind teen girl navigating life and love in high school. Parker Grant doesn't need 20/20 vision to see right through you. That's why she created the Rules: Don't treat her any differently just because she's blind, and never take advantage. There will be no second chances. Just ask Scott Kilpatrick, the boy who broke her heart. When Scott suddenly reappears in her life after being gone for years, Parker knows there's only one way to react--shun him so hard it hurts. She has enough on her mind already, like trying out for the track team (that's right, her eyes don't work but her legs still do), doling out tough-love advice to her painfully naive classmates, and giving herself gold stars for every day she hasn't cried since her dad's death three months ago. But avoiding her past quickly proves impossible, and the more Parker learns about what really happened--both with Scott, and her dad--the more she starts to question if things are always as they seem. Maybe, just maybe, some Rules are meant to be broken. Combining a fiercely engaging voice with true heart, debut author Eric Lindstrom's *Not If I See You First* illuminates those blind spots that we all have in life, whether visually impaired or not. BONUS: This edition contains Peter F. Hamilton's short story, *If At First... Exposed* as the Second Dreamer, Araminta has become the target of a galaxywide search by others equally determined to prevent—or facilitate—the pilgrimage into the Void. An indestructible microuniverse, the Void may contain paradise, but it is also a deadly threat. For the reality that exists inside its boundaries demands energy drawn from planets, stars, galaxies—from everything that lives.

Meanwhile, the story of Edeard, the Waterwalker, continues to unfold. With time running out, Inigo, the First Dreamer, must decide whether to release Edeard's dangerous final dream. And Araminta must choose whether to run from her responsibilities or face them down, with no guarantee of success or survival. But all these choices may be for naught if the leader of a rival faction enters the Void. For it is not paradise she seeks there, but dominion.

This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encouraging her six children to laugh at life, and believe in tomorrow. She did this inspiring while battling a domineering old grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the author meeting his American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where

To Amos Jordan, Secretary for Cislunar Navigation, no situation was unsolvable. There were rules for everything, weren't there.... Except maybe this thing ... Is my child too sick to go to daycare today? When can my child go back to daycare? What should I look for when I am considering a daycare center for my new baby? Every parent of a child in daycare asks these questions. Dr. Leigh Grossman's new book, THE PARENT'S SURVIVAL GUIDE TO DAYCARE INFECTIONS, presents the facts about different germs and provides guidance on what to do when your child

has been exposed to or is sick with a specific infection.

How do I choose a daycare center that uses current infection control practices? How long does a child need to stay home when they do have an infection? Can I prevent infection in my child? What are the appropriate and inappropriate uses of antibiotics? What are the best practices for treating a specific childhood infection? Designed to be the home reference book for parents of young children in daycare and preschool, **THE PARENT'S SURVIVAL GUIDE TO DAYCARE INFECTIONS** is a comprehensive and clear book, with an easy-to-use format, informational quick reference tables, and a detailed index. Providing up-to-date guidance, the book includes contributions from 39 pediatric expert physicians. With chapters on most of the infections that parents of children in daycare and preschool encounter, the authors explain what the illness is, how the infection is spread, how the illness is diagnosed, how long it lasts and how long the child needs to stay at home. This book is a ready reference for the children in your life and an excellent gift for the new parent.

What do comedians know about killing it in business? Just ask a behavioral economist who teaches MBAs by day and decodes comedy by night. Dr. Peter McGraw--a business school professor, professional speaker, and founder of the Humor Research Lab (aka HuRL)--translates the genius and madness of the world's funniest people into powerful prescriptions for professional success. Drawing on cutting-edge research, case studies, and his own comedy successes (and

failures), Peter reveals surprising business lessons from the masters of comedy: What Bill Murray and Groucho Marx know about career management. Why Dave Chappelle and Joan Rivers are a blueprint for brand building. What Tina Fey and Amy Poehler can teach you about leadership and teamwork. How Jerry Seinfeld's daily rituals made him the wealthiest comic alive. The insights in *Shtick to Business* will help you improve innovation and outsmart the competition. You'll build new skills--enhanced creativity, better decision-making, and a marketing mindset--to launch a business, tackle tough management problems, and build a serious career. And you'll never have to tell a joke.

Jacek Lidwin presents "Unknown People", a book containing 126 black and white street portraits. This book highlights provoking and contemporary examples of the medium of portraiture. Jacek is trying to express his perspective on individuals, unknown people who he meets in the streets of Poland. His art illustrates Osho's words: "We are born alone, we live alone and we die alone. Aloneness is our very nature but we are not aware of it". He is inspired by street photography of Robert Frank, Henri Cartier-Bresson, Robert Doisneau.

Revisit the emotional and inspiring work of Abigail Johnson with *If I Fix You* and *The First to Know*, two stories of resilience, love, and coming-of-age. **IF I FIX YOU** When sixteen-year-old Jill Whitaker's mom walks out—with a sticky note as a goodbye—only Jill knows the real reason she's gone. But how can she tell her father? Without her best friend/secret crush, she is broke. And for what seems like the first time, she is faced with something that cannot fix. When a new guy moves in next door—intense, seriously cute, but with scars that he thinks don't show—Jill finds herself trying to make things better for Daniel. But over one long, hot Arizona summer, she realizes she can't fix anyone's life until she fixes her own. And she knows just where to start... **THE FIRST TO KNOW** When Dana secretly does a DNA test for her dad, hoping to find him some distant relatives for his birthday, her entire world implodes. Instead of a few third cousins, Dana discovers a half-brother her age whose very existence means her parents' happy marriage is a lie. Dana's desire to know her half-brother, Brandon, and the extent of her dad's deception clashes with her wish not to destroy her family. But the opportunity to get to know Brandon is irresistible. But the more she finds out about Brandon, her father's past and the irresistible guy who'll never forgive her if he discovers the truth, the more she sees the inevitable fallout from her own lies. There are countless books on the market about nutrition, diet, and exercise in isolation. Optimal Aging brings these topics together as they relate to the process of aging and the diseases which so often accompany it. Written by Jerrold Winter, PhD, a professor of pharmacology and toxicology and the author of True Nutrition True Fitness, this book provides an integrated discussion about health matters, offering evidence-based advice regarding nutrition, exercise, and the use of pharmaceuticals as they relate to dementia, obesity, diabetes, cancer, pain, and other hazards of aging. Amid a sea of contradictory information about what's healthful, Optimal Aging stands out, delivering a comprehensive discussion about healthy living that's buoyed by source references, illustrative anecdotes, and just the right dose of humor. Drawing from current scientific understanding and providing historical perspectives, Winter speaks sensibly about drugs and their effects, vitamins and minerals, exercise, weight control, and treatment of age-related symptoms and diseases. With this authoritative book in hand, you'll gain a fundamental understanding of the disparate factors that come together to influence your well-being, setting you on the path to a longer, healthier, and happier life.

"The Quit Smoking Answer" is structured in such a way that all readers follow a process of "cold turkey" cessation through a step-by-step system to become nicotine free. The system shared is quick, easy, and proven, regardless of a person's dependency on nicotine. If you have ever thought, "wouldn't it be nice to quit smoking" than you've set the mood and you're ready

to begin. It's easier to quit nicotine than you think! JW Smith, a smoker for 40 years, wrote this book after ending his vicious cycle of numerous failed attempts to quit. His system for nicotine cessation evolved over a subsequent six-week period of preparation to quit. He shares his story about a conversation with his nine year-old granddaughter that finally set the wheels in motion to find a better way - one that works. JW researched smoking cessation methods and used his own experience to forge a new path. This book may very well be destined to be in a category by itself in the nicotine cessation world of recommendations and advice. Why? Because it works! JW makes the case that smoking cessation is not an event, but rather a process. His book will teach you the key cognitive techniques he used to end both the physical and psychological addictions to nicotine. It debunks myths about nicotine replacement therapy products and instead lays out a natural progression of steps for becoming a nonsmoker. The premise of the book is based on this famous quote; "When you change the way you look at things, the things you look at change." In the beginning of the book it is recommended to establish an environment and path of least resistance. Less resistance to quit is the first key step to becoming nicotine free. It is recommended that readers continue the use tobacco products including e-cigarettes while reading the book over a two or three day period of time- helping again to establish less resistance to quit. He additionally recommends as a first step that you tell no one of your desire to quit - preventing anyone including yourself of sabotaging your intention. As you

apply the techniques and methods written about it becomes a natural procession leading up to your very last cigarette or use of chewing tobacco. A transformation of your thinking takes place and ending your addiction will seem like an "almost non-event" - as something just happens to you as you read this book. You will be physically and mentally prepared to end your addiction after reading this one of a kind book. Free from nicotine for life - and all the great rewards that come with it!

The Rules: Don't deceive me. Ever. Especially using my blindness. Especially in public. Don't help me unless I ask. Otherwise you're just getting in my way or bothering me. Don't be weird. "This book is a message from autistic people to their parents, friends, teachers, coworkers and doctors showing what life is like on the spectrum. It's also my love letter to autistic people. For too long, we have been forced to navigate a world where all the road signs are written in another language." With a reporter's eye and an insider's perspective, Eric Garcia shows what it's like to be autistic across America. Garcia began writing about autism because he was frustrated by the media's coverage of it; the myths that the disorder is caused by vaccines, the narrow portrayals of autistic people as white men working in Silicon Valley. His own life as an autistic person didn't look anything like that. He is Latino, a graduate of the University of North Carolina, and works as a journalist covering politics in Washington D.C. Garcia realized he needed to put into writing what so many autistic people have been saying for years; autism is a part of their identity, they don't need to be fixed. In *We're Not Broken*, Garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum. From education to healthcare, he explores how autistic people wrestle with systems that were not built with them in mind. At the same time, he shares the experiences of all types of autistic people, from those with higher support needs, to autistic people of color, to those in the LGBTQ

community. In doing so, Garcia gives his community a platform to articulate their own needs, rather than having others speak for them, which has been the standard for far too long.

the kind of personality to take the small business world by storm. In *If at First You Don't Succeed...*, Brent Bowers, the small-business editor for the New York Times reveals the eight patterns that highly successful entrepreneurs share – and what we can learn from them. Brent Bowers, in covering small business for decades at the Wall Street Journal and the New York Times, has chronicled the rise and fall of hundreds of start-ups. In *If at First You Don't Succeed...*, he analyzes the common characteristics shared by dozens of successful small-business owners and their companies. Drawing on extensive interviews and research, as well as on the experiences and expertise of business consultants, venture capitalists, academics, and the entrepreneurs themselves, he describes the key traits that successful entrepreneurs have in common. Among them:

- The ability to spot and seize opportunities
- An overwhelming urge to be in charge coupled with a gift for leadership
- The flexibility to come up with creative, out-of-the-box solutions to problems or obstacles
- Incredible energy and tenacity in the pursuit of their goals
- Unwavering faith in their business
- The ability to take smart risks
- The ability to bounce back from setbacks and see failure as just one step on the path to ultimate success

For anyone thinking about starting a business, or attempting a start-up a second or third time, this book offers invaluable lessons and insights.

An insidious parasite is working its way through the suburbs of Washington, D.C. NITS follows the trail of a virulent outbreak of head lice as it wreaks havoc on the lives of a social climbing mother of a scholarship student, a buff young Latin teacher and a controlling do-gooder who is so consumed with exterminating the pest, people start calling her the "Lice Nazi." A social satire with bite, NITS explores the themes of class, ambition, and the unavoidable interconnectedness of modern life.
