A hilarious picture book featuring the big, bad wolf from the popular Gecko Press book, I am so Strong. " 'Hey, little bacon bits! Tell me, who's the handsomest of all?' demanded the wolf."

HarperCollins is proud to present its new range of best-loved, essential classics.

È ormai ampiamente dimostrato che il bambino fin dalla più tenera età è un lettore a tutti gli effetti e che la consuetudine al libro e alle storie ha effetti sorprendentemente positivi sullo sviluppo affettivo, cognitivo, relazionale. Il periodo di vita zero-5 è uno dei più potenti per l'apprendimento, in grado di riversare gli effetti di quanto assimilato su tutto il resto della vita. Leggere e sentir leggere è il miglior modo per sconfiggere le povertà che avanzano e per offrire a ogni bambino l'opportunità di inserirsi come soggetto attivo nella comunità: "La cultura paga, il sapere toglie dalle povertà". La biblioteca dei piccoli può creare contesti di socialità, diventare uno dei principali servizi per accogliere e sostenere le potenzialità dei bambini. Istituirlo e mantenerlo seguendo le indicazioni della psicologia ambientale e della architettura relazionale in un'ottica di condivisione non è più una possibilità, ma un dovere. Il manuale si rivolge agli Amministratori pubblici, ai bibliotecari, ai genitori, agli educatori e propone interventi concreti per qualificare e promuovere il servizio della biblioteca pubblica.

The new year had begun and January was already nearing its end, but it was still very cold. The sparrows found it strange, that the men had declared that it was the new year, as everyone knows that the year only begins with the coming of spring. However, spring was late and a few intrepid sparrows decided to go looking for it. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

Includes entries for maps and atlases.

In the jungle, the mighty jungle, the little frog finds an egg. "That's mine!" he says. But the snake wants his egg, and so does the eagle, and so does the lizard... But what does the angry elephant want? In a strangely heartwarming story, a duck strikes up an unlikely friendship with Death. "Who are you? Why are you creeping along behind me?" "Good. You've finally noticed me," said Death. "I am Death." Duck was startled. You couldn't blame her for that. Death, Duck and the Tulip is the much anticipated translation of Wolf Erlbruch's latest masterpiece. Death, Duck and the Tulip will intrigue, haunt and enchant teenagers and adults. Simple, unusual, warm and witty - a picture book version of The Book Thief. This book deals with a difficult subject in away that is elegant, straightforward, and thought-provoking.

From the award-winning designer of the iconic Penguin Hardcover Classics comes a beautifully illustrated fable about loss, friendship, and courage The Fox and the Star is the story of a friendship between a lonely Fox and the Star who guides him through the frightfully dark forest. Illuminated by Star's rays, Fox forages for food, runs with the rabbits, and dances in the rain—until Star suddenly goes out and life changes, leaving Fox huddling for warmth in the unfamiliar dark. To find his missing Star, Fox must embark on a wondrous journey beyond the world he knows—a journey lit by courage, newfound friends, and just maybe, a star-filled new sky. Inspired by the Arts and Crafts movement and the art of William Blake, The Fox and the Star is a heartwarming, hopeful tale which comes alive through Bickford-Smith's beloved illustrations, guiding readers both young and grown to "look up beyond your ears."

Sullo sfondo dell'America lacerata dalla guerra di Secessione si snodano le storie delle protagoniste, tutte femminili, di questo romanzo divenuto da subito un classico amatissimo dal pubblico dei giovani lettori (e non solo). Le "piccole donne" del titolo sono le sorelle March. Quattro ragazze con caratteri molto diversi tra loro: Margaret, per tutti Meg, la maggiore, sedici anni, ha una passione inveterata per l'eleganza del bel mondo; Josephine, la scarmigliata, ribelle e anticonformista Jo, quindici anni, adora scrivere racconti e divorare libri; Elizabeth, detta Beth, tredici anni, timida al punto da non riuscire ad andare a scuola, molto dolce e con uno spiccato talento per la musica; Amy, la piccola di casa, dodici anni, capricciosa e vanesia, adora dipingere e disegnare ed è l'artista del gruppo. Basta leggere la prima pagina per immergersi nell'atmosfera casalinga di casa March: il chiacchiericcio fitto delle sorelle, gli echi di un mondo che fuori è pieno di gioia, le evasioni nel sogno. La bellezza di "Piccole donne" è tutta nel divampante incendio di un mondo che fu, il mondo delle illusioni fanciullesche, un mondo in cui la vita è ancora potenza e scrigno di ogni possibilità. Nell'affollarsi dei presagi all'ultima pagina del libro, quando le quattro sorelle, ognuna con un tono diverso, si dicono che non sarebbe possibile essere più felici di così, e nel dirlo riescono a fermare l'attimo, ma solo per poco; perché poi crescono.

From the award-winning creator of Shh! We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.
