In her new book about the men who were instrumental in establishing the Rome of the Emperors, Colleen McCullough tells the story of a famous love affair and a man whose sheer ability could lead to only one end -- assassination. As The October Horse begins, Gaius Julius Caesar is at the height of his stupendous career. When he becomes embroiled in a civil war between Egypt's King Ptolemy and Queen Cleopatra, he finds himself torn between the fascinations of a remarkable woman and his duty as a Roman. Though he must leave Cleopatra, she remains a force in his life as a lover and as the mother of his only son, who can never inherit Caesar's Roman mantle, and therefore cannot solve his father's greatest dilemma -- who will be Caesar's Roman heir? A hero to all of Rome except to those among his colleagues who see his dictatorial powers as threats to the democratic system they prize so highly, Caesar is determined not to be worshiped as a god or crowned king, but his unique situation conspires to make it seem otherwise. Swearing to bring him down, Caesar's enemies masquerade as friends and loyal supporters while they plot to destroy him. Among them are his cousin and Master of the Horse, Mark Antony, feral and avaricious, priapic and impulsive; Gaius Trebonius, the nobody, who owes him everything; Gaius Cassius, eaten by jealousy; and the two Brutuses, his cousin Decimus, and Marcus, the son of his mistress Servilia, sad victim of his mother and of his uncle Cato, whose daughter he marries. All are in Caesar's debt, all have been raised to high positions, all are outraged by Caesar's autocracy. Caesar must die, they decide, for only when he is dead will Rome return to her old ways, her old republican self. With her extraordinary knowledge of Roman history, Colleen McCullough brings Caesar to life as no one has ever done before and surrounds him with an enormous and vivid cast of historical characters, characters like Cleopatra who call to us from beyond the centuries, for McCullough's genius is to make them live again without losing any of the grandeur that was Rome. Packed with battles on land and sea, with intrigue, love affairs, and murders, the novel moves with amazing speed toward the assassination itself, and then into the ever more complex and dangerous consequences of that act, in which the very fate of Rome is at stake. The October Horse is about one of the world's pivotal eras, relating as it does events that have continued to echo even into our own times.

Gathers thirty-three story ideas for films by the Italian director noted for his use of silence, omission, and suggestion

A teenager discovers his voice in this contemporary love story from "one of young adult literature's greatest living writers" (Booklist). Shy teenager Karl is desperately in love with his girlfriend, Fiorella, a literary enthusiast who's asked him to write her a letter in which he reveals his true self. There's just one problem . . . Karl is dyslexic. Convinced that his attempts to express himself with words will end in disaster, Karl tracks down Fiorella's favorite novelist and begs him to take up the task. The famous writer unexpectedly agrees, but on one condition: Karl must participate in a series of interviews so the author can pen an authentic portrait of his affections. What follows is a series of misunderstandings, a startling revelation, and an unusual bond that will change all three of their lives. A moving story of love and friendship, Dying to Know You is the perfect novel for "that cloudy expanse between older teenager and younger

adult, a novel that doesn't pretend to advise, but merely sees its characters for who they really are" (The Guardian). "This quietly understated performance captures the wistfulness of music in a minor key." —Kirkus Reviews

Chunky Rice, a small green turtle, embarks on an ocean voyage, where he meets a shady skipper and conjoined twins, Ruth and Livonia, but he also leaves behind his mouse deer girlfriend Dandel, who sends him letters in a bottle. Reprint. 20,000 first printing.

While on summer vacation at the seaside, twelve-year-old Irene Adler meets the young Sherlock Holmes, and his friend Arsáene Lupin--and when a dead body floats ashore the three young friends set out to solve the mystery.

YA. Adventure fiction. Fantasy fiction. Listen then, and I'll tell you again of the Battle of the Rock. But none of your usual wriggling, or I'll stop before I've begun . . .Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is . Jonathan Stroud has created an epic saga with a funny, unique spin, and an unforgettable anti-hero.

Il cercatore, lo scampato, l'astuto, il sognatore. Storie di patriarchi e di matriarcheAbramo Isacco e Giacobbe. Padri di ebrei, cristiani e musulmaniYoucanprint Having coined a new term modern epic, the author analyses the phenomenon, & attempts to situate the works of e.g. Joyce, Proust & Musil within our literary tradition.

Winner of the Barbara Ramsden Prize, 1990. This was life: no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again. Born into a world without welcome, Isobel observes it as warily as an alien trying to pass for a native. Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes. Later she meets Byron, W.H. Auden and T.S. Eliot. Isobel is not so much at ease with the flesh-andblood people she meets, and least of all with herself, until a lucky encounter and a little detective work reveal her identity and her true situation in life. I for Isobel, a modern-day Australian classic, was followed by Isobel on the Way to the Corner Shop, winner of the Age Book of the Year Award. Amy Witting was born in Annandale, an inner suburb of Sydney, in 1918. She attended Sydney University, then taught French and English in state schools. Beginning late in life she published six novels, including The Visit, I for Isobel, Isobel on the Way to the Corner Shop and Maria's War; two collections of short stories; two books of verse, Travel Diary and Beauty is the Straw; and her Collected Poems. 'When we come to write the history of Australian writing in the twentieth century, the strange case of Amy Witting will be there to haunt us. Here is a writer who not only has great gifts - the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine-lined American naturalist like

William Maxwell - but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal, the sort of appeal that Helen Garner could command in her fiction-writing days. And yet this woman who published in the New Yorker and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing. It wasn't until the publication of I for Isobel...that Witting gained a national profile.' Peter Craven 'Australia's Amy Witting is comparable to Jean Rhys, but she has more starch, or vinegar. The effect is bracing.' New Yorker 'Isobel is instinctively searching for a lost part of her substance, the very memory of which has been obliterated. Prompted by her inexplicable sense of loss, she goes on her way, deviating, baffled, yet rejecting substitutes. To call the ending happy is to say both too much and too little. Was the lost part also searching for her? Amy Witting's admirers will find this novel as distinctive and compelling as her stories and her poetry.' Jessica Anderson '[Witting] lays bare with surgical precision the dynamics of families, sibling, students in coffee shops, office coteries. One sometimes feels positively winded with unsettling insights. There is something relentless, almost unnerving in her anatomising of foibles, fears obsessions, private shame, the nature of loneliness, the nature of panic.' Janette Turner Hospital 'A beautifully but unobtrusively honed style, a marvellous ear for dialogue, a generous understanding of the complex waywardness of men and women.' Andrew Riemer 'Terrific - incredibly wise...When I finished it I went straight back to the first page.' Cate Kennedy Over the course of more than twenty-five years, Primo Levi gave more than two hundred newspaper, journal, radio and television interviews speaking with such varied authors as Philip Roth and Germaine Greer. Marco Belpoliti and Robert Gordon have selected and translated thirty-six of the most important of these interviews for The Voice of Memory.

"This book stems from my PhD thesis ... The peasant poets: a case study in oral folk-poetry: the octave of Latium in its social context, supervised by Mike J. Rowlands and discussed by Ruth Finnegan at the University of London in 1989, of which it is an abridged, edited and updated version" -- T.p. verso. It's the return of Europe's greatest paranormal investigator Dylan Dog! Join Dylan and his sidekick Felix as they investigate a strange portal to a beautiful yet deadly otherworldly dimension called ZED. It's up to Dylan and Felix to figure out the mystery before the world of ZED kills again!

No shrinking violet, Scott holds his own in astonishing adventures with Spider-Man, the Thing and the Avengers...and when Ant-Man and Hawkeye join forces, somebody' gonna

get it! Collecting Avengers #195 (May 1980) Marvel Comics, Avengers #196 Avengers #181 (Mar 1979) Marvel Comics, Marvel Premiere #47-48, Iron Man (1968) #131-133 and #151, Avengers (1963) #223, Marvel Team-Up (1972) #103.

In the second book of Arno Camenisch's Alp trilogy, Behind the Station, is told through the eyes of two young brothers growing up in a small, secluded village in a valley flanked by the alpine mountains. Written in the same style as The Alp, we start to believe that there's little difference between the children and the adults in this village, save for their love for mischief and ghost stories. The grandmother, the parents, and the neighbors: it is an amphitheater full of drama, somehow colored through the eyes of children. Arno Camenisch's quiet control and powerful descriptions of village life prove that he is an international voice to follow.

"Engineers are titans of real-world problem-solving. . . . In this riveting study of how they think, [Guru Madhavan] puts behind-the-scenes geniuses . . . center stage."—Nature In this engaging account of innovative triumphs, Guru Madhavan examines the ways in which engineers throughout history created world-changing tools, from ATMs and ZIP codes to the digital camera and the disposable diaper. Equal parts personal, practical, and profound, Applied Minds charts a path to a future where we borrow strategies from engineering to find inspired solutions to our most pressing challenges.

From The Odyssey to Moby Dick to The Old Man and the Sea, the long tradition of sea voyage narratives is comprehensively explained here supported by discussions of key texts.

Originally published in 1926, this biography tells the rousing tale of Billy the Kid, once of the most well known outlaws in the Old West. The Saga of Billy the Kid focuses on a period of time where two dangerous gangs tore a bloody path across Lincoln, New Mexico. After being shot to death in 1881 by the intrepid Lincoln County sheriff Pat Garret, Billy the Kid became a romanticized symbol of the wildness that laced the American west. Interest in the outlaw's wild life grew after Burn's initial publication, setting Billy the Kid up as one of the finest examples of the loss of the Wild West. As the US grew more industrialized, the stories of saloons, train robberies, and lone cowboys became even more important, and still remain important today. In a rousing tale that is partly truth, partly fiction, read the story that started its own wild frontier in

the most influential version out there.

The first translation into English, with annotations and a critical introduction, of a significant study of the importance of the metaphor in philosophy.

NATIONAL BESTSELLER It's 1893, and at the Chicago World's Fair, Louis Comfort Tiffany makes his debut with a luminous exhibition of innovative stained-glass windows that he hopes will earn him a place on the international artistic stage. But behind the scenes in his New York studio is the freethinking Clara Driscoll, head of his women's division, who conceives of and designs nearly all of the iconic leaded-glass lamps for which Tiffany will long be remembered. Never publicly acknowledged, Clara struggles with her desire for artistic recognition and the seemingly insurmountable challenges that she faces as a professional woman. She also yearns for love and companionship, and is devoted in different ways to five men, including Tiffany, who enforces a strict policy: He does not employ married women. Ultimately, Clara must decide what makes her happiest—the professional world of her hands or the personal world of her heart. Carolina Invenizio, was an Italian novelist. She had a large popular success between late 1800s until her death in 1916.A complicated love plot. Everything goes on like a soap opera, with twists and turns of events a real classic in romace category. Reprint of a classic text.

They called Tombstone the Sodom in the Sagebrush. It was a town of smoking guns and raw guts, stage stickups and cattle runoffs, blazing shotguns and men bleeding in the streets. Then Wyatt Earp came to town and pinned on a badge. Before he left Tombstone, the lean, tall man with ice-blue eyes, a thick mustache and a long-barreled Colt became a legend, the greatest gunfighter of all time.

We live in a world where the one-time opposition between things and humans has been transformed, where the center of contemporary sensibility is the encounter between philosophy and sexuality, where sex extends well beyond both the act and the body. We live in a world where to be sexy is to ignore the distinctions between animate and inanimate objects of desire, where the aesthetics of sex are being revolutionized. An organic sexuality, based on sex difference and driven by desire and pleasure, is being replaced by a neutral, inorganic and artificial sexuality, a sexuality always available but indifferent to beauty, age or form, a sexuality freed by thought from nature. The Sex Appeal of the Inorganic takes the reader on a radical, new tour of Western philosophy—from Descartes, Kant and Hegel to Heidegger, Wittgenstein and Sartre—to reframe our understanding of personal experience and the aesthetic, to examine how, if we are to remember how to feel, we must become a thing who feels, we must think ourselves closer to the inorganic world and move further from our bodies.

In 1809 Blake was little known, and his exhibition, held in a private house in Soho,

attracted few visitors. But Henry Crabb Robinson came, and so did Charles Lamb. Five of the sixteen pictures exhibited have been lost; but among those that remain are The Spiritual Form of Nelson guiding Leviathan, The Spiritual Form of Pitt guiding Behemoth, and The Canterbury Pilgrims, from Chaucer. Blake's text for the catalogue is both commentary and manifesto, throwing light not just on the pictures but also on the illuminated books.

"Electric. A wildly astute plunge into the depths of love, rivalry, betrayal and the power of women."—Bill Clegg An internationally renowned writer, Valeria Costas has dedicated her life to her work and to her secret lover, Martin Acla, a prominent businessman.

When his sudden stroke makes headlines, her world implodes; the idea of losing him is terrifying. Desperate to find a way to be present during her lover's final days, Valeria commissions his artist wife, Isla, to paint her portrait—insinuating herself into Martìn's family home and life. In the grand, chaotic London mansion where the man they share—husband, father, lover—lies in a coma, Valeria and Isla remain poised on the brink, transfixed by one another. Day after day, the two women talk to each other during the sittings, revealing truths, fragilities and strengths. But does Isla know of the writer's long involvement with Martìn? Does Valeria grasp the secrets that Isla harbors? Amidst their own private turmoil, the stories of their lives are exchanged, and as the portrait takes shape, we watch these complex and extraordinary women struggle while the love of their lives departs, in an unforgettable, breathless tale of deception and mystery that captivates until the very end.

Le vicende dei patriarchi sono state rilette dai giudei dopo l'esilio babilonese in modo da far loro esprimere il senso profondo della loro religione, come l'avevano riformulata durante il periodo trascorso in Mesopotamia. Ciò che rende interessante ancora oggi lo studio dei racconti patriarcali consiste anche nel fatto che i loro protagonisti sono considerati come padri nella fede dai seguaci di tre grandi religioni che per questo sono dette «abramitiche»: ebraismo, cristianesimo e islam. Ritornando alla fede dei padri comuni è possibile aprire tra di esse un fruttuoso dialogo interreligioso.

Egyptian Light and Hebrew Fire focuses on the cosmology of ancient Egypt and on derived traditions. The book outlines how the ancient Egyptian world view affected Hebrew religion, Greek philosophy, Neoplatonism, Gnosticism, and early Christianity. It traces ideological roots of Western civilization back to its earliest known prototypes in the Pyramid and Coffin texts of ancient Egypt. It challenges us to refocus some of our history of early Greek philosophy, and it positively identifies Neoplatonism as a philosophized and scarcely disguised neo-Egyptian theology.

Tells the story of Eddie, a fifteen-year-old boy coming of age in Khrushchev's Soviet Union, as he rebels against his parents and society

{\rtf1\ansi\ansicpg1252\deff0\deflang2057{\fonttbl{\fo\fswiss\fprq2\fcharset0}} Calibri;}{\f1\fnil\fcharset0 Verdana;}}\viewkind4\uc1\pard\sa160\sl252\slmult1\f0\fs22 In a number of significant sites of the vast ancient pasturelands of the Old World, generations of wandering shepherds have left their testimony in the form of graffiti drafted on the rocks, sometimes in their tens of thousands, over a period of hundreds of years from ancient to modern times. The phenomenon is a conspicuous one, and has considerable significance for two reasons. On the one hand, the study of such pastoral graffiti may convey fresh ethnoarchaeological information as to the circumstances of the pastoral activities and the pastoral economy of the past. On the other hand, these signs, which can be often fully alphabetic as well as drawing upon ancient symbolic repertoires, can be of some aid in the interpretation of rock art as a whole genre of human expression, and projected back, in their significance and their modes of appearance, the earliest times of prehistory.\par\pard\f1\fs17\par}

The fourth volume of The Heritage of Shannara, which continues one of the most popular fantasy series of all time. The Shadowen still swarm over the Four Lands, poisoning everything with their dark magic. And their leader is determined to destroy all the Scions of Shannara. For Walker Boh, he dispatches the Four Horsemen. For Wren, he sends an untrue friend. And for Par, he devises the most terrible fate of all. With

these traps cleverly laid, the charges given by the shade of the Druid Allanon are doomed to failure—unless Par can discover a way to harness the power of the Sword of Shannara. Thus continues the enthralling Shannara epic, a spellbinding tale of adventure, magic, and myth... BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic.

Mere Marie-Helene once turned her back on life, sealing up her heart in order to devote herself to God. Now the formidable Mother Superior of an Irish convent, she has, for some time, been experiencing grave doubts about her vocation. But when she meets Anna Murphy, the youngest-ever boarder, the little girl's solemn, poetic nature captivates her and she feels 'a storm break in her hollow heart'. Between them an unspoken allegiance is formed that will sustain each through the years as the Reverend Mother seeks to combat her growing spiritual aridity and as Anna develops the strength to resist the conventional demands of her background.
