

Il Diritto Del Bambino Al Rispetto

Janusz Korczak

Il diritto del bambino al rispetto Janusz Korczak,2013

Il diritto del bambino al rispetto Janusz Korczak,1995

La culla degli obbedienti Francesca Mandelli,2022-08-14T00:00:00+02:00 La storia degli ultimi anni ci ricorda che l'Uomo forte esercita un fascino magnetico. Seduce. Si nutre delle insicurezze della gente, delle paure, delle debolezze. La sua ascesa sembra favorita dalla disposizione di molti a seguire acriticamente i modelli valoriali che l'autorità, politica ma anche economica, impone. Adeguamento, accettazione, conformismo: sono queste le "virtù" che ci conducono a una società migliore, più sana, più sicura? Siamo davvero certi che l'educazione delle nuove generazioni debba andare in questa direzione? E cosa significa crescere, da bambini e adolescenti, in un simile clima?

Con l'altro davanti Marco Rossi-Doria,2014

Racconti e scritti educativi. Opere inedite I Janusz Korczak,2022-04-26 Gli scritti inediti in italiano che compongono questo primo volume, Racconti e scritti educativi, sono stati composti dall'autore tra il 1911 e il 1939. Offrono ai lettori una serie, articolata e composita, di spunti e di riflessioni sulle pratiche educative adottate da Janusz Korczak con i bambini che ha seguito e accompagnato durante la sua vita. Le quattro parti che costituiscono il volume permettono allo studioso del pensiero di Korczak di approfondire snodi teorici della sua riflessione sulle strategie educative che ha attuato come direttore della Casa degli Orfani. L'argomentazione del racconto Bobo, le analisi di Momenti educativi, le intuizioni ironiche di Pedagogia scherzosa e una breve selezione di articoli sul legame tra teoria e pratica tentano di narrare, da diverse prospettive e anche con modalità differenti, il «mistero» che ogni singolo bambino porta con sé e lo sforzo, da parte dell'educatore, di scoprirlo, con rispetto e prudenza, al fine di creare le condizioni e le attenzioni per aiutare i minori a realizzarlo durante le fasi della loro crescita. Traduzione e note di Francesca Fratangelo Introduzione di Andrea Potestio Postfazione di Ivo Lizzola

Le regole della vita Janusz Korczak,2017-05-29T00:00:00+02:00 Quando nel 1929 Janusz Korczak pubblica *Le regole della vita* ha uno scopo ben preciso: costruire "una pedagogia per i giovani e per gli adulti", come indica il sottotitolo; mettere a disposizione di tutti gli adulti e di tutti i giovani - insieme - un saggio, un libro scientifico che permetta di meglio comprendere quel che si gioca effettivamente nelle relazioni interumane e nello spirito dei bambini.

Studi in onore di Giorgio Marinucci Emilio Dolcini, 2006

Lettere e altri scritti. Opere inedite II Janusz Korczak, 2022-04-26 Il secondo volume degli scritti inediti in italiano di Janusz Korczak contiene le lettere inviate ad amici, collaboratori ed ex-allievi tra il 1915 e il 1939, una serie di articoli e interviste raccolte tra il 1908 e il 1939, nonché alcuni scritti riguardanti le attività della Casa degli Orfani. I testi sono caratterizzati da una forte componente autobiografica. Un orizzonte autobiografico che appartiene all'intera scrittura dell'educatore polacco e che descrive il suo sforzo costante di occuparsi dei bambini, di accompagnarli e di educarli. Scrivere sulla propria esistenza, per Korczak, significa riflettere su sé stesso come educatore e sulle strategie relazionali che coordina o che realizza direttamente al servizio dei minori. In questo senso, egli fu anche etimologicamente un paradigmatico «pedagogista». Anche se l'intera produzione dello scrittore polacco può dirsi un tentativo di narrare la propria esistenza in relazione al mondo inesauribile dell'infanzia, questo volume propone per la prima volta al pubblico italiano una serie di scritti in cui l'autore racconta le vicende della sua vita in prima persona, facendo emergere la passione e lo sforzo educativo nei confronti dei bambini. Traduzione e note di Francesca Fratangelo Introduzione di Andrea Potestio Postfazione di Massimo Giuliani

Il diritto ai diritti. Riflessioni e approfondimenti a partire dalla Convenzione Onu sui diritti delle persone con disabilità AA. VV., 2012-03-02T00:00:00+01:00 1130.293

Come glielo spiego Laura Sidoti, 2013-01-01T06:00:00+01:00 “Tutti, senza eccezioni, sbagliamo. A volte le emozioni prendono il sopravvento allontanandoci dal modello ideale di padre o di madre che abbiamo in mente. Anche se è capitato, e ricapiterà, di avere reazioni inadeguate, l'importante è prenderne atto e avere fiducia nei nostri mezzi. Il contributo del genitore è essenziale per dare senso, direzione e qualità alla vita dei figli. L'obiettivo di questo libro è aiutare le mamme e i papà a diventare un punto di riferimento disponibile, coerente e fidato per il bambino.”

Nascere genitori Alessandro Volta, 2010-10-18T00:00:00+02:00 “Quando ti scopri genitore ti senti nuovo, ri-nato, e vivi l'ambivalenza di capire che nulla sarà più come prima”. Sì, quando nasce un bambino, nascono anche due genitori. Partendo da questo assunto – solo apparentemente banale – l'autore, pediatra e padre di tre figli, si è dedicato alla scrittura di questo libro. Con linguaggio chiaro e tono amichevole, traendo spunto dai tanti interrogativi dei genitori incontrati nei suoi corsi di accompagnamento alla nascita, guida all'esplorazione del mondo del bambino nelle sue componenti fisiche ed emotive, da quando il neonato è ancora nel pancione della mamma ai primi anni di vita. Offrendo stimoli di riflessione e occasioni per acquisire una nuova consapevolezza del diventare genitori, invita a considerare che, nonostante le pratiche ospedaliere e mediche cui ormai siamo abituati, il parto, la nascita, l'allattamento e lo sviluppo del neonato sono eventi naturali e profondi, da vivere con serenità. Non mancano in queste pagine risposte efficaci agli interrogativi più concreti dei neogenitori, preziosi consigli per risolvere i problemi più comuni come il pianto, le coliche, la pappa, il sonno, i giochi. Ricordandoci sempre che le

risposte più importanti le otterremo prendendo in braccio il nostro bambino..

Schegge di memoria Salvatore Modaffari,2017-08-11 Salvatore Modaffari stato per anni membro del Direttivo e vicepresidente dell'Associazione CEMEA (Centri di Esercitazione ai Metodi dell'Educazione Attiva) e consulente pedagogico, tramite la società DEGREES Ansal, della Telecom (allora SIP), operando come direttore di corsi residenziali di formazione educatori e di aggiornamento insegnanti in Italia e nel resto d'Europa. Questo libro raccoglie le sue memorie di quegli anni e racconta simpatici ma significativi aneddoti che lo vedono protagonista insieme a bambini e ragazzini impegnati nelle varie attività DEGREES dei centri di soggiorno estivi, che dimostrano come aiutare il bambino a crescere con una buona percezione di sé e degli altri, nel rispetto consapevole del vivere sociale, comporti, tra le altre cose, riconoscerlo come soggetto nella comunicazione.

The Importance of Listening to Children and Adolescents Silvana Calaprice,Antonella Nuzzaci,2019-01-08 This volume highlights the importance of teaching adults to listen to children and adolescents, illustrating the principles and contexts that define young people's tangible and intangible rights and ideals. It reflects on the difficulties that impede the implementation of children and adolescents' right to be listened to, in line with guidelines linked to national and international policies regarding children and adolescents. The book provides examples of how educational research can be used as a resource for the development of educational processes and of educational systems that put listening and participation at the heart of educational culture, as instruments of intervention and a possible component of social transformation.

L'infanzia ,1985

Gioco e studio in ospedale Michele Capurso,2014-06-05 Al giorno d'oggi, grazie ai progressi compiuti dalla medicina, le possibilità di guarire da malattie un tempo incurabili, anche nel caso dei bambini, migliorano di anno in anno. Tuttavia, la «macchina terapeutica» degli ospedali rischia di rimanere insensibile al disagio psicologico dei pazienti, soprattutto se questi sono bambini, che si trovano — in una fase della vita delicata, come l'età evolutiva — a vivere il trauma emotivo dell'ospedalizzazione. Questo libro nasce dall'esperienza di un gruppo di persone, dell'Associazione A.C. Capelli - Gioco e Studio in Ospedale, impegnate da anni nel campo della tutela del bambino malato e della sua famiglia. Sotto forma di percorso di formazione per operatori, vengono prese in esame le caratteristiche della «scuola-gioco in ospedale», tenendo sempre presente il legame tra l'aspetto didattico e quello ludico-ricreativo della relazione d'aiuto al bambino malato. Ogni capitolo è corredato da preziose indicazioni operative, sotto forma di esercitazioni e questionari; completa il volume un'appendice che raccoglie una serie di «idee per giocare e studiare in ospedale» e le più importanti normative emanate in materia.

L'umanizzazione dell'ospedale. Riflessione ed esperienze Antonella Delle Fave,Sergio Marsicano,2004

Minerva rassegna internazionale ,1923

Quale educazione per salvare il mondo? Dalla libertà di pensare alla costruzione di un mondo comune Philippe Meirieu,2023-08-11 In una società preoccupata per il futuro, in preda a tentazioni autoritarie e derive neoliberiste, di fronte all'ascesa dell'individualismo e del comunitarismo, l'educazione può ancora fare qualcosa? Philippe Meirieu cerca di rispondere a questa domanda sviluppando alcune riflessioni a partire dalla storia della pedagogia e dalla sua esperienza personale. L'educazione non è una forma di manipolazione: noi possiamo creare le condizioni per l'esercizio della libertà, ma non possiamo esonerare nessuno dal suo libero impegno ad apprendere e ad agire. Per Philippe Meirieu questa tensione tra l'educabilità di tutti e la libertà di ciascuno è al centro di ogni democrazia e, quindi, della stessa educazione alla democrazia. A partire da questa tensione, possiamo individuare i due obiettivi dell'educazione e della scuola di oggi: aiutare le nuove generazioni a pensare con la propria testa per sfuggire a ogni forma di controllo manipolatorio e promuovere la creazione di un terreno comune per "costruire la società". Attraverso la sua esperienza di allievo e di studente, di padre e di insegnante, di ricercatore e di cittadino impegnato nella società, Philippe Meirieu ci accompagna nell'avventura educativa con le sue prove e le sue gioie, le sue preoccupazioni e le sue sfide, ma anche con la speranza che oggi si possa fare qualcosa per salvare le nostre democrazie.

Manuale del diritto del lavoro Giampiero Falasca,2012

Il Diritto Del Bambino Al Rispetto Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change. Il Diritto Del Bambino Al Rispetto Introduction

Free PDF Books and Manuals for Download: Unlocking

Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Il Diritto Del Bambino Al Rispetto PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant

advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Il Diritto Del Bambino Al Rispetto PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Il Diritto Del Bambino Al Rispetto free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Il Diritto Del Bambino Al Rispetto Books

1. Where can I buy Il Diritto Del Bambino Al Rispetto books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
