

Il Giardino Svelato Giardinieri Esperti E Appassionati Raccontano Come Inventare Il Proprio Giardino

How did propertied families in late medieval and early modern Florence maintain their power and affluence while clans elsewhere were fatally undermined by the growth of commerce and personal freedom and the consequences of the Plague? Molho suggests that the answer is found in the twin institutions of arranged marriage and the dowry.

Warren Buffett is the most famous investor of all time and one of today's most admired business leaders. He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen. The first two editions of The Warren Buffett Way gave investors their first in-depth look at the innovative investment and business strategies behind Buffett's spectacular success. The new edition updates readers on the latest investments by Buffett. And, more importantly, it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett. New material includes: How to think like a long-term investor – just like Buffett Why "loss aversion", the tendency of most investors to overweight the pain of losing money, is one of the biggest obstacles that investors must overcome. Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett's investing success Analysis of Buffett's recent acquisition of H.J. Heinz and his investment in IBM stock The greatest challenge to emulating Buffett is not in the selection of the right stocks, Hagstrom writes, but in having the fortitude to stick with sound investments in the face of economic and market uncertainty. The new edition explains the psychological foundations of Buffett's approach, thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation.

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment. This gem of a publication presents a historical documentation of the English Garden at the Royal Palaca of Caserta which was designed in the 1780's. Lavish full paged photographs illustrate the life of the park, the succession of the seasons and the changing vegetation, weather conditions and colours.

Palliative care is the duty of every neurologist: however, to date, this has not been a standard feature of neurological practice or training. This book helps define a new field, namely palliative care in neurology. It brings together all necessary information for neurologists caring for a patient with advance disease.

The earliest of the Samuel Marchbanks volumes, originally published in 1947, is available in e-book form for the first time. In 1942, two years after returning to Canada from Britain, Robertson Davies took up the role of editor of the Peterborough Examiner. During his tenure as editor at the Examiner, a post he held until 1955, and later as publisher of the newspaper (1955–65), Davies published witty, curmudgeonly, mischievous, and fiercely individualistic editorials under the name of his alter ego, Samuel Marchbanks, "one of the choice and master spirits of his age." The Diary of Samuel Marchbanks is funny, delightful, and timeless in revealing one of the most entertaining periods in a Canadian literary giant's career.

Poetry. Bilingual Editon. Translated from the Italian by Luigi Bonaffini. THE BEDROOM [La camera da letto] is Bertolucci's best-known work, so popular that the poet once read it to television viewers on a seven-hour program. It is a narrative poem that traces the history of the poet's family across seven generations with directness, precision and attention to everyday details, major events and fantastic surprises. Paolo Lagazzi writes in his introduction: "THE BEDROOM is a sort of a multi-novel, or a distillation of very diverse narrative forms and intuitions: a

Bildungsroman and fairytale, an epoch novel, a novel-chronicle, a dramatic novel and a picaresque novel. An experimental work in the most authentic sense of the word... "Nothing of time's essence escapes or is neglected by the author's ravenous sensibility, no less active in recording the multiple places in which existence rests (the city and the countryside, the sea and the plane, the Po river and the Maremma) in an exuberant display of forms, lights, perspectives, tonalities."—Luigi Ferrara

But on this not so quiet Saturday, Oskar and Teddy get a rude surprise when they're interrupted by a five-headed, hangry monster! Will Oskar ever get to finish his book in peace? Will Teddy ever get to gorge on his donuts? Or might both of them hold the secret weapons to taming the beast? O'Hara brings his signature humor and quirkiness to a story with evergreen appeal. This laugh-out-loud picture book is perfect for story time.

Ten miles off the coast of Brittany lie the fabled Glénan Islands. Boasting sparkling white sands and crystal-clear waters, they seem perfectly idyllic, until one day in May, three bodies wash up on shore. At first glance the deaths appear accidental, but as the identities of the victims come to light, Commissaire Dupin is pulled back into action for a case of what seems to be cold-blooded murder. Ever viewed as an outsider in a region full of myths and traditions, Dupin finds himself drawn deep into the history of the land. To get to the bottom of the case, he must tangle with treasure hunters, militant marine biologists, and dangerous divers. The investigation leads him further into the perilous, beautiful world of Glénan, as he discovers that there's more to the picturesque islands than meets the eye. Steeped in the enchanting atmosphere of Brittany and peppered with wry humor, Murder on Brittany Shores is a superbly plotted mystery that marks the return of Jean-Luc Bannalec's international bestselling series starring the cantankerous, coffee-swigging Commissaire Dupin.

From Court to Forest is a critical and historical study of the beginnings of the modern literary fairy tale.

Céleste Albaret was Marcel Proust's housekeeper in his last years, when he retreated from the world to devote himself to *In Search of Lost Time*. She could imitate his voice to perfection, and Proust himself said to her, "You know everything about me." Her reminiscences of her employer present an intimate picture of the daily life of a great writer who was also a deeply peculiar man, while Madame Albaret herself proves to be a shrewd and engaging companion.

The Flame (1900) is a novel by Gabriele D'Annunzio. Inspired by the author's interpretation of the work of Friedrich Nietzsche and Walter Pater, *The Flame* is a semi-autobiographical account of the end of D'Annunzio's relationship with famed actress Eleonora Dusa. Considered a central text of Italian Decadentism, the novel has earned comparisons to the work of Oscar Wilde and Joris-Karl Huysmans. "With an all-comprehensive glance, she looked around at all the beauty of this last twilight of September. In the dark wells of her eyes were reflected the circles of light made by the oar as it flashed in the water, which was illuminated by the glittering angels that shone from afar on the campaniles of San Marco and San Giorgio Maggiore." Venice, a symbol of the Renaissance, is changing. The churches and canals of old remain, but an era of cultural achievement is coming to a close. As the public anticipates the death of legendary composer Richard Wagner, who has taken to his deathbed at the palace of Ca' Vendramin Calergi, Stelio Effrena dreams of establishing his reputation as one of Italy's greatest poets. Filled with theories of art and philosophies of life, possessing an undeniable mastery of language, he nevertheless feels uninspired by his muse, the aging actress La Foscarina. Meditative and introspective, *The Flame* has attracted praise for its portrayal of nineteenth century Venice, a city seemingly lost in time. With a beautifully designed cover and professionally typeset manuscript, this edition of Gabriele D'Annunzio's *The Flame* is a classic work of Italian literature reimagined for modern readers.

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

Collins shows how the principal herbal traditions of Classical descent were replaced by a new observation of nature that itself paved the way for the magnificent paintings of later French and Italian herbals. Weeds survive, entombed in the soil, for centuries. They are as persistent and pervasive as myths. They ride out ice ages, agricultural revolutions, global wars. They mark the tracks of human movements

across continents as indelibly as languages. Yet to humans they are the scourge of our gardens, saboteurs of our best-laid plans. They rob crops of nourishment, ruin the exquisite visions of garden designers, and make unpleasant and impenetrable hiding places for urban ne'er-do-wells. Weeds can be destructive and troubling, but they can also be beautiful, and they are the prototypes of most of the plants that keep us alive. Humans have grappled with their paradox for thousands of years, and with characteristic verve and lyricism, Richard Mabey uncovers some of the deeper cultural reasons behind the attitudes we have to such a huge section of the plant world.

This fascinating account of eleven remarkable, eccentric, dedicated, and sometimes obsessive individuals that established the science of botany brings to life these extraordinary adventurers and draws out the scientific and cultural value of their work and its legacy.

Excerpt from *Elective Affinities: A Novel* I have carefully collected whatever I have been able to learn of the story of poor Werther, and here present it to you, knowing that you will thank me for it. To his spirit and character you cannot refuse your admiration and love: to his fate you will not deny your tears. And thou, good soul, who sufferest the same distress as he endured once, draw comfort from his sorrows; and let this little book be thy friend, if, owing to fortune or through thine own fault, thou canst not find a dearer companion. Learn the art of Japanese gardening with this classic, fascinating text. The *Sakuteiki*, or "Records of Garden Making," was written nearly one thousand years ago. It is the oldest existing text on Japanese gardening—or any kind of gardening—in the world. In this edition of the *Sakuteiki* the authors provide an English-language translation of this classic work and an introduction to the cultural and historical context that led to the development of Japanese gardening. Central to this explanation is an understanding of the sacred importance of stones in Japanese culture and Japanese garden design. Written by a Japanese court noble during the Heian period (794-1184), the *Sakuteiki* includes both technical advice on gardening—much of which is still followed in today's Japanese gardens—and an examination of the four central threads of allegorical meaning, which were integral features of Heian-era garden design. For those seeking inspiration to build a rock garden or just better understand the Japanese stone garden, the *Sakuteiki* is an enduring classic.

The riveting New York Times bestselling tale of romance and suspense with an "edge-of-your-seat conclusion" (Booklist). Julie Barenson's young husband left her two unexpected gifts before he died - a Great Dane puppy named Singer and the promise that he would always be watching over her. Now four years have passed. Still living in the small town of Swansboro, North Carolina, twenty-nine-year-old Julie is emotionally ready to make a commitment to someone again. But who? Should it be Richard Franklin, the handsome, sophisticated engineer who treats her like a queen? Or Mike Harris, the down-to-earth nice guy who was her husband's best friend? Choosing one of them should bring her more happiness than she's had in years. Instead, Julie is soon fighting for her life in a nightmare spawned by a chilling deception and jealousy so poisonous that it has become a murderous desire...
