The overhead camshaft single provided the DNA for Ducati motorcycles, but, with little accurate documentation and information available until now, they can be difficult to restore and authenticate. This is the first book to provide an authoritative description of the complete range of Ducati OHC singles.

"Amtliche Berichte aus den Königlichen Kunstsammlungen" is included in v. 1-28; since Oct. 1907 issued separately as a monthly supplement.

The 924 Carrera was a homologation model built to qualify the 924 model to race in Group 4. One of the great supercars of the 1980s, the 924 Carrera was considered by many to have better handling characteristics than Porsche's flagship 911. The book features interviews with many of those involved with the car at the time together with race stories, statistics, and a unique exposé of component failures during racing.

Beginning with a look at the SL model's heritage, this book describes the full development and production history of a modern classic. Covering available models in all the major markets, year-by-year, and including limited editions, the data is supported by contemporary illustrations, sourced from the factory, plus in-depth appendices.

Automakers are as prone to turn out clunkers as politicians are to lie. Their cars may be ugly, misconceived, badly built, diabolical to drive, ridiculously thirsty, or just plain unreliable. So which were the worst of the past 20 years?

Mila è una bambina dolcissima, ma anche tormentata e sola. Da quando i suoi genitori si sono separati, scaricando su di lei la loro faida senza fine, è stata travolta da un effetto a valanga di sensi di colpa, che ha destabilizzato la sua infanzia. Nella casa della domenica, dove il padre vive insieme alla sorella e dove lei è costretta ad andare ogni settimana, conosce l'umiliazione di non sentirsi amata; per sette lunghi anni sente su di sé solamente collera, disprezzo ed estraneità, chiudendosi sempre di più in un mutismo solitario. Circondata da adulti privi di tenerezze nei suoi confronti, inizia a rifugiarsi nel suo mondo ricco di colori e sfumature, circondandosi dei personaggi delle sue favole preferite, che le aprono una porta verso una vita in cui il lieto fine è ancora possibile. Le storie la curano, la prendono per mano... e così, diventata adulta, si affida al potere terapeutico della parola scritta per raccontare il suo vissuto senza provare eccessivo dolore; in questo delicato viaggio dell'anima, può accarezzare la fragile bambina che è stata, e promettere alla donna che è diventata che non smetterà mai di sognare.

This is the story of a Grand Prix formula that no British constructor wanted but which became one that they would almost totally dominate. It has remained largely overlooked due to the perception that the cars were underpowered and hence unspectacular. Such a perception ignores the significant technical developments that took place that are now taken for granted, such as monocoque chassis construction. It saw the career of Stirling Moss come to a premature end, but in his absence the rise to prominence of a new breed of British

Available again after a long absence! Always big on character and charm, Fiat's little cars played an important international roll in providing affordable and practical private transport for millions who had previously thought their dream impossible. With particular emphasis on the now classic 600 and Nuova 500 cars, this book tells the full story of these 'baby' Fiats. Built, and exported to, many countries outside of the marque's native Italy, over 6.5 million Topolinos, 600s and Nuova 500s were sold, and an amazing number survive to this today. Also covered are the wonderful models built on these cars' tiny chassis by Italy's leading coachbuilders, and the motorsport success achieved by the Abarth versions of the little cars that everybody loves.
