It's 1839 and you are a medical student working on your first human body dissection! Under the watchful eye of Dr Walker, peel the flaps back to reveal the inner workings of the human body, from bone and muscle, to the brain, eyes, heart, lungs and everything in-between. Victorian-inspired illustrations meet with medical notes and sketches to give a complete in-depth exploration of how the human body works.

Jack Tagger è un giornalista che non sa tenere la bocca chiusa. Per questo da cronista d'assalto è finito a scrivere coccodrilli sulle pagine dello Union-Register, quotidiano del Sud della Florida che negli anni, come Jack, sembra aver perso mordente. Ma ora che Jimmy Stoma, incendiario leader degli Slut Puppies a metà strada tra un Kurt Cobain e un Jeff Buckley, è annegato in un incidente subacqueo a largo delle Bahamas in circostanze poco chiare, Jack ha l'occasione di scrivere molto più che un necrologio. Cleo, la vedova di Jimmy, è una Courtney Love priva di talento, divenuta famosa per aver mostrato al mondo, nel suo unico video in stile Basic Instinct, la sua "personalità", e adesso sta dando versioni talmente incoerenti sull'incidente di Jimmy che Jack vuole andarci a fondo. Grazie a una caparbia da vecchio cronista, a Carla (diciassettenne ad alta tensione con il piercing ai capezzoli), alla sorella di Jimmy (poliziotta sexy via webcam) e alla caporedattrice Emma (irreprensibile antagonista che sotto la rigida scorza nasconde un animo colorato quanto gli smalti che indossa), Jack rincorrerà a tempo di rock il suo riscatto: un pezzo da prima pagina! Perché in ballo non c'è più solo il cadavere di Jimmy... Un thriller dal pungente black humour e dalla travolgente colonna sonora, in cui la musica sfida la morte, e dove le donne brillano di colori accesi e fosforescenti come la Florida.

The field of Popular Music Studies is growing, but still lacks some basic reference materials. The Chronology of American Popular Music, 1899-2000 fills this gap by offering a comprehensive overview of the field. It will be a must-own for libraries and individuals interested in this growing field of research.

Hop on Pop showcases the work of a new generation of scholars—from fields such as media studies, literature, cinema, and cultural studies—whose writing has been informed by their ongoing involvement with popular culture and who draw insight from their lived experiences as critics, fans, and consumers. Proceeding from their deep political commitment to a new kind of populist grassroots politics, these writers challenge old modes of studying the everyday. As they rework traditional scholarly language, they

search for new ways to write about our complex and compelling engagements with the politics and pleasures of popular culture and sketch a new and lively vocabulary for the field of cultural studies. The essays cover a wide and colorful array of subjects including pro wrestling, the computer games *Myst* and *Doom*, soap operas, baseball card collecting, the Tour de France, karaoke, lesbian desire in the Wizard of Oz, Internet fandom for the series *Babylon 5*, and the stress-management industry. Broader themes examined include the origins of popular culture, the aesthetics and politics of performance, and the social and cultural processes by which objects and practices are deemed tasteful or tasteless. The commitment that binds the contributors is to an emergent perspective in cultural studies, one that engages with popular culture as the culture that "sticks to the skin," that becomes so much a part of us that it becomes increasingly difficult to examine it from a distance. By refusing to deny or rationalize their own often contradictory identifications with popular culture, the contributors ensure that the volume as a whole reflects the immediacy and vibrancy of its objects of study. *Hop on Pop* will appeal to those engaged in the study of popular culture, American studies, cultural studies, cinema and visual studies, as well as to the general educated reader. W. E. B. Du Bois's seminal treatise on the African American experience *The problem of the Twentieth Century is the problem of the color line*. W. E. B. Du Bois was arguably the most progressive African American leader of the early twentieth century, and this collection of essays is his masterpiece. An examination of the black experience in America following emancipation, and an introduction to the historic concept of "double-consciousness" as it pertains to that experience, *The Souls of Black Folk* is an extraordinary literary achievement—a provocative, profound, and courageous clarion call. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Brimming with concert information, the histories of their songs, profiles of band members, tour highlights, Phish-filled anecdotes, articles by fans and editors, and more, this book is the ultimate guide to this popular band.

OFF THE GRID WITHOUT A PADDLE is the true story of two greenhorns, escapees from the gritty City Of Los Angeles, who buy a home off the grid in a tropical mountain rainforest in rural Hawaii, with fantasies of utopia and dreams of self-sufficiency, but no real idea of what they're getting into. In their first year in an unfamiliar new world, the high-tech, low-tech, no-tech learning curve is steep and hilarious: exasperating, exhilarating . . . exciting! Whether or not you share the dream of moving off the grid, you'll get a laugh out of their unexpected adventures.
