Bill Bruford - once known as the godfather of progressive-rock drumming - has been at the top of his profession for four decades, playing with Yes, King Crimson, Genesis, Earthworks, and many more. This is his autobiography, a memoir of life at the heart of progressive rock and electronic and acoustic jazz. It's an account of Bill's 40 years on the road and in the studio, rubbing shoulders with everyone from Phil Collins to Allan Holdsworth and creating an impressive tally of great music.

La preistoria non è mai stata così divertente! In un'epoca lontana e in un mondo misterioso, Mumù e Rototom fanno amicizia... il primo è un grande e grosso cucciolo di dinosauro, colto, raffinato e timido; il secondo è ragazzino senza peli (neanche sulla lingua), rozzo e... simpatico. Non potrebbero essere più diversi, e in effetti sembrano non avere nulla da spartire, o per lo meno è così che la pensano i dinosauri, una razza ben più antica di quella di quegli strani esseri, maleducati e puzzolenti, appena spuntati sulla faccia della Terra. Eppure Mumù, salvato da un burrone da Rototom, mette da parte la sua diffidenza e prova a conoscere meglio il suo nuovo amico, e forse ne è valsa la pena, perché insieme vivranno un sacco di simpatiche e allegre avventure! È tempo di gare, nella preistoria dinozoica! Mumù e i suoi amici sono al mare per partecipare al Torneo Palafitta. Ma in gara combinano solo pasticci, mentre i loro rivali sembrano imbattibili... che disastro! Quando scoppia un maremoto, però, i dinoamici sono gli unici a non perdersi d'animo. Riusciranno a salvare tutti i concorrenti prima che le onde li portino via? I titoli della serie Dinoamici Amici per la clava, Il furto delle banane arrosto, Allarme T-Rex, Trappola tra i ghiacci dinozoici, Sfida all'ultima clava, Cucciolo d'uomo in pericolo!, Il mostro della laguna dinozoica, Una preistogita da brividi

Mustafa Jouni was born in Lebanon. He traveled to Italy to study Engineering. He then returned to his homeland where he excelled in teaching, public service and business. The author's memories in Italy turned with time into nostalgia, which in turn drove him to write them down as short stories book titled "The Thief Of Rome". The book, originally in Arabic, was translated into Italian and English, and the author has more works in the pipeline, in multiple languages. In his words: "My body may certainly end up buried in the land of my ancestors, but my soul will forever roam the skies of Italy, especially my beloved Rome. This fair fate was the first thought I had when I returned home, and it's a dream I've been having since."

Five women must spend months alone together in a hostile jungle, threatened on land and in the water and—perhaps most dangerous of all—by their own exposed and violent passions, that turn them, into savages far worse than their hunters and enemies.

Nestled in the mountains of Jordan, Petra is the most spectacular ancient city remaining in the modern world. This fascinating volume takes readers on a memorable journey through this wonderland of hundreds of temples, tombs, and elaborate buildings carved out of solid stone. Tracing the origins of Petra to prehistoric times, the text describes its evolution, demise, and eventual rediscovery in 1812.

Throughout the book, archival photographs showcase the remarkable architecture and readers are given the opportunity to explore al-Khazueh, "The Treasury," one of the most impressive of Petra's monuments. Other remarkable sights include the 8,000-seat amphitheater, Petra Church with its beautifully preserved mosaics, and al-Deir or "The Monastery" perched high on a cliff, all vividly depicted in the photography of this handsome volume. With text contributed in part by the distinguished American Center of Oriental Research in Amman, this authoritative resource is essential reading for archaeologically-minded travelers and anyone interested in ancient history.

Tony Lightspeed is always bringing home sick and injured animals, so when he turns up with an unconscious man dressed from head to toe in rather stinky bandages, his family aren't too surprised. But then they discover that the man is an ancient Egyptian pharaoh named Sennapod, who has been dead for over 4,000 years. Brought back to life by two dastardly grave robbers, Sennapod is on the run. Can he persuade the Lightspeeds to help him?

A daybreaker rebels on an overpopulated planet in this dystopian adventure by the author of the World of Tiers series. Jeff Caird was once a daybreaker: a criminal who avoided government-required suspended animation by living seven different identities. Now he goes by the name William St.-George Duncan, and he's suppressed the memory of his past, and even his real identity, in order to avoid harsh punishment by the government of the Organic Commonwealth of Earth. But the danger is far from over, and the authorities continue to hunt him—because among the things he's forgotten there's something very important . . . In the wilderness of northern New Jersey, Dunc has fallen in with a group of rebel daybreakers. As he struggles to retrieve the memory that's so valuable—and dangerous—to the government, he learns from his new allies that there's a larger movement to break free from the control of the corrupt World Council that limits citizens to one day of consciousness per week. And the knowledge buried deep within him may be the key to their success. Hugo award-winning Science Fiction Grand Master Philip José Farmer returns to the Dayworld universe for the second installment of his richly imagined trilogy, in which Earth's overpopulation has led to the most stringent government restrictions on personal freedom imaginable.
