I never planned to fall in love. Least of all with a woman, you. But I did, and telling you was the hardest thing I ever did. I knew how you would reach first, but I never anticipated how hard it will be for me or how you reacted next. I had to write, for the first time ever, and now we face book number two. I wrote just to tell you how I feel, what I think. All the things I wanted to say to you but you didn't want to listen. So I wrote, and wrote, and wrote. Flood of thoughts, feelings, whatever came to my mind. Just to give me five minutes of strength to get out of bed. I wrote for me. I wrote for you. Most of them are here. My pain, my love, my longing, my hesitations, My certainty. I know you don't want to hear from me, don't want to read what I have to tell you. But I have to get them out of me, if not to you then just out there, to the world who doesn't know me. Maybe some day you will find your courage and return. Until then my love, You Still don't Know How Much I Love You.

The main reason I am writing yet another book about chickens is because this book will discuss some very important points that were never presented to us in any book or Internet information we came across: -The reality of the responsibility you are taking on by inviting chickens to live with you. -What happens when a chicken gets sick? -What is a shell-less egg and is my chicken going to die? -Can I have a garden AND chickens? This book will also cover all bases from the chicken's-eye view, down here in the dirt, where there are all manner of wonderful things to eat and poop on.

"Write right - right now - the book by Walter M. Perkins is entertaining and informative for anyone who has ever wanted to write AND publish a book but did not know the steps. The book is broken into easy-to-understand components. Perkins emphasizes the business aspects of writing a book and sheds light on issues such as doing business with graphic designers, agents, publishers, and printers"-- Taken from Amazon.com November 7, 2014.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. This comprehensive volume explores the interface between sport and religion, or more broadly, sport and spirituality. While most of the contributions come from Western and Christian traditions, the volume raises broader questions about the kinds of impact that spirituality can and should have on sport, and equally, that sport can and should have on spirituality. The authors put forth an anti-dualistic message, one that argues against any vision of sport and religion existing in separate domains. Mind interpenetrates body, faith and love interpenetrate competition, spirituality and the Divine can interpenetrate secular games. This positive book has powerful implications for reforming contemporary sport, particularly crass, extrinsically-driven, win-at-all-cost versions of competition. It is a book about the incarnation, the paradoxical existence of the spirit in the flesh, love in competition, the myth-making power and meaning of games to engage the world, transcendent hope found in kicking a ball around, and how sport as a liturgy can mediate divine presence. This book was originally published as a special issue of the journal *Sport, Ethics and Philosophy*.

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you... You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. \*\*\* Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

The White Seed Brings Life to Worlds Three thousand years ago, the seeds arrived from Earth on hundreds of worlds. The developed worlds formed the Network, connected only by radio and laser. Since the time of the seeds, nothing but information has traveled between the stars. Now a starship, The Child of Ambition, is changing that. Her first mission: to explore the dark worlds, the ones that failed. Kali Hakoian, pilot-astronaut and war hero, thought landing on the super-Earth of Keto would be routine. Their hypothesis—self-termination of the seed base. But when an act of sabotage strands her in the path of a superstorm, she's forced to escape with the man she trusts the least. that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."
