This book was updated 7/3/13 Ever Shade ~ a dark twist on faeries. For Shade, a chance meeting with a powerful Teleen Faery warrior who wields electrical currents and blue fires along his skin, has her joining him on a treacherous mission for the good Seelie Faerie Court across the land of Faerie. Magic and malice abound and nothing is what it really seems to be.

First published in 1959, *Metamorphosis* remains one of the great works of developmental psychology of the past century. From his thoughtful meditation on the assumptions of classical Freudian psychoanalysis, among them the pleasure and reality principles, the relations of drive and affect, and the nature and causes of infantile amnesia, Schachtel moves on to profound reflections on the senses considered both in terms of their evolving relation to one another during maturation and as variable ingredients in the perception and cognition of the adult.

Magic is not a game. It's real, deadly, and inescapable. Sage Cynwrig knows her way around a pair of twenty-sided dice, and has forgotten more spells than you'll ever know. But when her mother is killed by a weapon of magical destruction, fantasy merges into a strange new reality. Her birthmark morphs into the Tree of Life, her boss goes full troll (warts and all), vampires start hitting on her, and shadows do more than just follow silently. Had Sage been warned about her special lineage, before her mother's murder, she might have agreed to join the Anonymous Supernatural Security and Elimination Taskforce (A.S.S.E.T). When agent Grey Maddox shows up to recruit Sage, filling her head with stories of an ancient race of people uniquely gifted to withstand the forces of magic, she dismisses him as a fraud. The truth about Sage's lineage comes crashing down around her when a supernatural pick-up artist tries to kill her. Bearing the mark of the Tree of Life makes Sage special while also putting a target on her head. With the weapon still at large, and strange Fae creatures popping up all around her, figuring out who to trust is priority number one. Only then can Sage find the key to neutralizing the weapon before its power is unleashed again.

Becoming a vampire saved Alyssa from death, but the price was high: the loss of everything and everyone attached to her mortal life. She's still learning to cope when a surprise confrontation with Santino Vitale, the Acta Sanctorum's most fearsome hunter, sends her fleeing back to the world she once knew, and Fallon, the friend she's missed more than anything. Alyssa breaks vampire law by revealing her new, true self to her old friend, a fact which causes strong division in the group that should support her most: her clan. Worse yet, her revelation entangles Fallon in the struggle between vampires and hunters and The Acta Sanctorum is ready to attack again, with a new army of hybrid creations: the Frenzy Soldiers. If Alyssa hopes to survive and keep her mortal friend safe, she'll have to be willing to make a deal with the enemy, and regain her clan's support. It will take everyone working together in a precarious truce to fight against the Acta Sanctorum's new threat.

Helper12 works as a Baby Helper in the Pre Ward until one of her charges is adopted by the Sloane family and she is sold to the family, as well. At the Sloanes, Helper12 enters a world where people should be able to enjoy life and individual freedoms, but the Sloanes have family secrets and so does Helper12. When all your choices are made for you, how do you make some for yourself?--Excerpted from back cover.

When a ritual killer starts terrorizing her town, FBI agent Matt Boulet is sent to lead the task force to catch the murderer. While Rita feels she has a connection with Agent Boulet, she senses he is holding back a deep dark secret about the killer. Her suspicions deepen when she learns another secret about her Roma family-one she finds impossible to swallow.

The blood is everything... KEPT: Cat shifter blood is sought after to enhance spells and potions, but due to a quirk of her birth, Greta's blood

is potent enough to kill for. When she learns she'll be sacrificed, Greta is forced to ally herself with Dayne, the dangerous local sorcerer, and the only person strong enough to protect her. CLAIMED: Charlee wakes in a strange bed without any memory of who she is. All she knows is that the man who claims to be a doctor and is there to help her doesn't seem to want to let her go. And maybe this is just her imagination, but does he have fangs? MATED: Jane isn't a vampire, but their blood runs through her veins, making her a target for those who resent a human being "kindred". When she's given to the leader of the werewolf pack to satisfy a gambling debt, she discovers her blood has a far greater impact on her destiny than she ever could have imagined. Note: This title was originally published by Zoe Winters (who is the same person as Kitty Thomas), as Blood Lust, Preternaturals Book 1. All story content remains the same. This is the only title in the series which is 3 novellas, the other 5 books are novels. All titles are complete and will be released on a rapid-release schedule (a month or less between releases, likely 2 weeks between releases.)

Book 4 in the Immortalis series. It's a desperate time for rookie vampire Alyssa, and her sanity is hanging by a slender thread. Her clan is still reeling from the monumental battle with Aniketos; a battle that claimed the body of Lysander, her sire and lover, and trapped his spirit in a mysterious crystal. A Soulstone. Unfortunately, no amount of magic has been able to release Lysander's spirit, and the stone is starting to fade. Weeks of effort have proved futile. Her clan, the Peregrinus, have all but given up hope. Only Alyssa still believes her lover can be released. In despair, Alyssa begs the help of the local witch coven, and unwittingly exposes the supernaturals of Boston to unwanted attention from the Acta Sanctorum. The Saints converge on the city and begin their cleansing crusade to rid the world of all things "Unnatural." In the middle of an all-out war, but no closer to a solution to the dying stone, Alyssa is left with an unenviable choice: save her mate, or save her clan.

It's all hands on deck at ASSET. Magical creatures are disappearing from the Las Vegas Strip. Rumor has it, the missing creatures are ingredients in a forbidden magical recipe. Someone's attempting to recreate the lost Amulet of Emmuri, and gain power to rival the gods.

Philadelphia streets were never silent. Gangs wars on corners, screeching cars on avenues, and squealing steel trolley tires on tracks kept you alert for the next confrontation. Philadelphia playgrounds were sometimes silent. These were sanctuaries where you confronted your deepest memories. These were places packed with people, but on a summer's midday, they were virtually empty. Streets made habitable again by the actions of a few good men.

The magical world of Corona is engulfed in darkness as Pony's son Aydrian attempts to conquer all of Corona, while the gemstone-bearing Pony struggles to free the land from the malevolent forces that threaten to destroy it.

1st Edition Cover: I was tantalized by the mystery of her. The leech inside me came out to find prey, but found none in this enigmatic girl. The close proximity of her essence didn't entice the monster within, so what did that make her? I had more questions than answers, but one thing was unmistakable; although she released me from her embrace, her hold on me remained. Cruel circumstances turned Curry Brennan into the wretched monster he hates and refuses to accept, but when an expected turn of events releases him from the bond of his obsessive maker, he returns to the home he knew 161 years earlier and finds the return of happiness and joy in something he didn't know existed. Puzzled by his growing attraction to Chansey Leclair, a human,

he is unable to resist the captivating relationship that threatens to reveal his existence as a vampire. He eventually discovers the reason he was destined to find what he didn't know he searched for and is faced with the cruel realization that the living and the immortal undead will always be separated by one thing. Eternity.

The Amber Room A wondrous room made from panels of carved amber - a gift in the 18th Century to Peter the Great, Czar of Russia. Once part of a palace outside St Petersburg, this priceless treasure has been missing since the end of World War II. Removed from the palace by a Nazi art collection squad at the height of the war, the Amber Room was last seen in Konigsbourg in late 1944 - it vanished without a trace. Now, someone knows where it has come to rest and will do anything to get it. Ninety years on and beautiful young women are being found dead with no evidence of why they died. Forensics has no clues and fewer answers. Haunted by a mysterious benefactress, Jaared Sen is hired by an old friend to find his missing niece. A Contractor for The Company, Jaared is the only one who can find her - and the Amber Room - before the killer strikes again.

Orphaned as a pup, and lost in the foster care system, Giselle Richards has spent the last 16 years dreaming of finding her pack. But, when she does she's forced to decide if submitting to an alpha is worth sacrificing her life.

Caleb can't seem to stop the accidental zombie raisings, the science experiments are murder and road kill has taken on a whole new meaning. Add in the two dudes who are dogging him at school and he's about to explode. When he finally gets the courage to ask Jade out things begin to go his way ... until Jade's dad starts stalking her and the government starts stalking Caleb. How does Caleb defeat them, protect Jade and shake the losers who are making him miserable?

Bleeding to death after brutal mugging , twenty-five year old Alyssa, is rescued by an unlikely hero. The cold and aloof vampire, Lysander. By saving Alyssa, he unwittingly thrust her into a dark world filled with blood lust and thousand-year old vendettas. Now, she must find the strength to accept her terrifying new reality, Carpe Noctem, or submit to final death.

Julia's coven has been at war with Roman's for generations. Now their love for each other may be the death of them both. An arranged marriage with a warlock from a new startup family of witches will finally cement the Fairweather coven's reign over Savannah and thoroughly crush those pesky Blackwoods once and for all. And it's up to Julia Fairweather to play the bride. That proves to be difficult, though, when there's Roman Blackwood to think about. Julia has never felt a connection like she does with the smug warlock from her coven's rival family. The heat, the passion-it has no place in a family feud that has stretched on for centuries, and yet, it's undeniably there. Julia must move past the way she

feels and follow through on what she needs to do for her family. But with Roman refusing to keep his distance, it's more likely the two will embark on a heated adventure destined to destroy themselves and bring down the two greatest witch families Savannah has ever seen.

But her confidence is shattered by the delivery of a mysterious package - a Pandora's Box. Seemingly innocuous, the box is in reality an ancient prison, generated by a magic more powerful than anyone in her clan has ever known. But what manner of evil could need such force to contain it? When the box is opened, the sinister creature within is released, and only supernatural blood will satiate its thirst. The clan soon learns how it feels when the hunter becomes the hunted. Powerless against the ancient evil, the clan flees Las Vegas for Boston, with only a slim hope for salvation. Could Lysander's old journals hold the key? And what if they don't? And how welcome will they be in a city run by a whole different kind of supernatural being? Werewolves...

Dive into the compelling mystical world of the Healer series by New York Times bestselling author Maria V. Snyder. Laying hands upon the injured and dying, Avry of Kazan absorbs their wounds and diseases into herself. But rather than being honored for her skills, she is hunted. Healers like Avry are accused of spreading the plague that has decimated the Fifteen Realms, leaving the survivors in a state of chaos. Stressed and tired from hiding, Avry is abducted by a band of rogues who, shockingly, value her gift above the golden bounty offered for her capture. Their leader, an enigmatic captor-protector with powers of his own, is unequivocal in his demands: Avry must heal a plague-stricken prince—leader of a campaign against her people. As they traverse the daunting Nine Mountains, beset by mercenaries and magical dangers, Avry must decide who is worth healing and what is worth dying for. Because the price of peace may well be her life...

Some mature/adult content. Sometimes the one who broke your heart is the one who needs saving the most. Piper Sandervale never thought she'd ever see Sasha Koval again, not since he'd taken her heart, ripped it out and obliterated it. Now six years have passed, and she has run into him once more at the local fairgrounds in Las Vegas. He desperately wants another chance, and he's willing to do anything to get her back. She's not willing to give him anything but a taste of his own medicine, and this may be her chance for payback. But is she only getting in way over her head? Even as she plots her revenge, Piper discovers that something has changed with Sasha, and she finds herself struggling to justify holding on to past hurts as he continues his quest for atonement. Who needs saving now? This is the first published version of what is now titled 'Keep Breathing', an extended version of this book. I've made it available again by popular demand.

First in a stunning new urban fantasy series from an author who “NEVER CEASES TO AMAZE.” (BOOKLIST, STARRED REVIEW) Demon hunter Maxine Kiss wears her armor as tattoos, which unwind from her body to take on forms of their own at night. They stand between her and her enemies, just as Maxine stands between humanity and the demons breaking out from behind the prison veils. It is a life lacking in love, reveling in death, until one moment—and one man— changes everything.

First book in New York Times-bestselling Seanan McGuire's witty urban fantasy InCryptid series about a family of cryptozoologists who act as a buffer between humans and the magical creatures living in secret around us. "The only thing more fun than an October Daye book is an InCryptid book." —Charlaine Harris, #1 New York Times-bestselling author of Sookie Stackhouse series Cryptid, noun: Any creature whose existence has not yet been proven by science. See also "Monster." Cryptozoologist, noun: Any person who thinks hunting for cryptids is a good idea. See also "idiot." Ghoulies. Ghosties. Long-legged beasties. Things that go bump in the night... The Price family has spent generations studying the monsters of the world, working to protect them from humanity—and humanity from them. Enter Verity Price. Despite being trained from birth as a cryptozoologist, she'd rather dance a tango than tangle with a demon, and is spending a year in Manhattan while she pursues her career in professional ballroom dance. Sounds pretty simple, right? It would be, if it weren't for the talking mice, the telepathic mathematicians, the asbestos supermodels, and the trained monster-hunter sent by the Price family's old enemies, the Covenant of St. George. When a Price girl meets a Covenant boy, high stakes, high heels, and a lot of collateral damage are almost guaranteed. To complicate matters further, local cryptids are disappearing, strange lizard-men are appearing in the sewers, and someone's spreading rumors about a dragon sleeping underneath the city...

I never heard him come after me and even as I climbed the slope and stumbled onto our shaded back lawn, I didn't look back. It was like the day the gnomes chased me all over again, but this time I was not escaping some horrible little creatures, I was fleeing from an incredibly good-looking guy who could very well understand me completely. I was either saving myself from that serial killer I always imagined lived down in the swamp, or I had finally gone over the deep end . . . Meghan Elam has been strange her entire life: her eyes have this odd habit of changing color and she sees and hears things no one else does. When the visions and voices in her head start to get worse, she is convinced that her parents will want to drag her off to another psychiatrist. That is, until the mysterious Cade MacRoich shows up out of nowhere with an explanation of his own. Cade brings her news of another realm where goblins and gnomes are the norm, a place where whispering spirits exist in the very earth, and a world where Meghan just might find the answers she has always sought.

Immortality is never guaranteed. Peace is just a breath between battles for Mira. Hardened by slavery and war, she longs for the simpler life, knowing that it might never be hers to enjoy. There is always another battle waiting to be fought, another foe on the horizon. As the world lurches toward war, it will take more than Mira's strength alone to put a stop to it. Peace may be nothing more than a dream, but Mira holds out hope. The only outcomes are peace... or death.

I'm in love with Skye Preston. The Skye Preston. The daughter of the wealthiest businessman in the world, and the most beautiful woman I'd ever known. Her looks don't compare to her golden heart. And her heart doesn't compare to that big brain of hers. But I could never tell her. Because we've been best friends for twenty years. She has a jerk for a boyfriend, and I'm not the only one who thinks so. The rest of the gang can't stand him either. But I'm not the kind of guy to intervene. I respect her too much to pull a stunt like that. But then I spot her at a party, too drunk to even walk. The men are eyeing her like easy prey so I take her home. But when we get there Skye is different. She looks at me differently. She touches me differently. And she wants me differently.

A year has passed since the Tanaan dragon Jaax and his human ward, Jahrra, came to live within the protected boundaries of Lidien, the great City of Light. But even the safest places in Ethöes can harbor enemies, and one cannot hide from one's fate forever. At the onset of yet another departure, Jahrra realizes there is more to this next step in her journey than she previously thought.

After finally finding the fur-ever home she's always wanted a witch blows into town promising to reveal the bloody past of Giselle's birth, and the circumstances that led the little werewolf to end up in the foster care system to begin with.

The death of the Regional Alpha exposes Giselle to the deadly game of werewolf politics where friends are liabilities, boyfriends are weaknesses, and family are pawns strategically played against her. Finding her fur-ever family, after years lost in the foster care system, brought more drama than little werewolf Giselle had bargained for, especially when it's discovered she's the long lost daughter of the former Regional Alpha, Orion Silverman. After the current Alpha's death, Giselle is suddenly thrust into the brutal arena to prove herself. Her veins might run with the blood of Alphas, but all her enemies can see is a legacy of human weakness, and they'll do anything to prevent this feral pup from taking leadership. In the game of Alphas, claiming the title is the greatest prize, one which most would kill to achieve. But for Giselle to win, she'll have to risk her pack, her family... and her life.

Save My Soul: The Preternaturals, Book 2 ... All he's asking for is her soul. That house. You know the one. It's the one that seems alive from the road with windows like eyes that watch you, the one that seems to always be for sale, the one Anna Worthington has wanted to live in since childhood. Ghost stories be damned. But the dark being that haunts this house, is something far more sinister than a ghost. Luc is an ancient incubus, trapped by a fifty-year-old curse, and Anna is a temptation too sweet for any demon, let alone a practically starved and crazy one. Will she exorcise her house and live happily ever after with her cats, or will she fall prey to a dark lover who doesn't just want her body, but her soul as well? If the demon has his way, dying will be her best case scenario. What Readers are Saying about Save My Soul: "I have not read anything previously by this author, but with one book Zoe Winters has made it to my favorite authors list. I have already purchased the first book in this series, and fully intend to buy the rest. If you enjoy paranormal romance then you can't go wrong with Zoe Winters' Preternatural Series." -Nancy Miller "Zoe Winters did it again! Just you think you have it all figured out, she introduces you to more characters that have their own story to tell! Anna & Luc will keep you on the edge of your seat until the end." - Kelly Gee "I bought this book because I really enjoyed Blood Lust, the first part of this series. This is by far the best one. It's longer than the other books and I've never read another book that had an incubus as the hero. Luc was so sweet and would cook and clean for Anna all the time. He really made me fall in love with him. I would deffinetly recommend this book to anyone who likes paranormal romance." -Karmen "Most of you know that I dislike Romances. Actually, I kind of hate them - there is too much panting and not enough plotting. Winters work is nothing like that. It has plenty of plot, great characters, and a wonderful blend of words. It is quite likely perfect for this genre. It does have a 3 out of 5 flames, indicating, I believe, how much explicit sex is included. There is some fairly graphic sex and some profanity, the latter is sparse and, to my mind, justified. The best of the best is the twist at the end of the story. It took me by surprised, which seldom happens. I must say this was a well worked plot twisted that left me saying, "Wow, I never saw that coming!" - A Book A Day Reviews "I will say, I NEVER saw the end coming. EVER! I loved the whole reading experience but the ending had me flying out my seat shouting "NO FREAKING WAY!" I loved

being surprised in a book, of being delivered a story where the author has me so wrapped up looking over there, that I don't see the sneaky things she's doing in the other corner. It has me excited to go back and read the first book and any future book she releases in this series. This is DEFINITELY a book to go out and grab a copy of. Zoe Winters delivers one heck of a paranormal romance, one that still has me buzzing as I sit here and type out this review. You'll fall hopelessly in love with Luc and will be frantically trying to find a way to shove your soul into the book for him. And here's something to tempt you (because I know it tempts me) but Zoe has another swoonworthy character that was the right kind of villain - Cain *shivers* He was magnificent! Keep your eye out for her next release. Happy reading!" - The Bookish Snob "If I had enough time and I was sure people wouldn't get sick of reading what I'm writing I would go on about this book forever. First of all it's hilarious. Anna cracks me up. She is super funny and her antics with Mimi and Bitsy and her passel of hookers is so funny. I love Anna she is such a good character and she has such a great personality. She's very caring and compassionate; even to hookers (which a lot of people wouldn't be). Luc is awesome. So very, very hot. And he's humane. An incubus with humanity, who would've thunk it? The antics that these two get into make for a great read. We've got house hauntings, spells and curses, witches, gypsies, priests, and thousands year old evilness floating around. Luc and Anna have a great relationship. Very spunky and sarcastic, which I love. And you can see Anna's feelings for him growing. They don't immediately fall for each other or jump into bed together. Everything that I'm looking for in a leading lady and incubus in a book. I would recommend this book to the world. It was amazing and I only wish it wasn't over." -AwesomeSauce Book Club "Save My Soul was a refreshingly different paranormal romance by the very talented Zoe Winters. This is the story of Anna Worthington who moves back to her little southern town and buys a house that she always loved. The house just happens to be haunted by a gorgeous and sexy incubus. At first she fights with him and tries everything she can to break the curse that is keeping him in her house. All the while she is trying to get rid of him, she is also falling for him. I enjoyed the twist at the end. It was definitely a big shock that I was not expecting. This was a sweet and sexy story that I would recommend to any lover of paranormal romance." -Krissy P. "I finished Blood Lust in less than 24 hours. I finished Save My Soul in less than 8, and I had to work that day. If you like paranormal romance, you'll love this story. The characters feel real, and even though Luc is an incubus, you empathize with him and want him to succeed in his seduction of Anna. Meanwhile, Anna rightfully has doubts and struggles with her love and desire for the demon. The romantic and sexual tension is exquisite and the ending has a fantastic twist that leaves you thinking about the story for hours (maybe days...we'll see)." - Megan Haskell "I was referred onto Zoe Winters by Amanda Hocking through her blog. I figured that I loved Amanda's books so if she loved Zoe it was worth a go. I was far from disappointed. Zoe Winters' books are amazing, my only disappointment is that I read them both in two days and am now once again

searching for another fantastic author with fantastic books. Zoe Winter I am keeping an eye on you and will eagerly be awaiting your next book. Anyone out there who loves the whole paranormal thing will love these books. They are well written and the thought process is remarkable especially in this book 'Save my Soul'. I don't want to give any of it away but the ending was very clever and smart - I had no idea!! Great work, I'll be promoting your books to anyone who will listen to me." -cjamum "This all sounds like a pretty dramatic story, and that's there. But the true delight comes in the snarky wit of the characters and the sometimes madcap humor with which Winters delivers the tale. Save My Soul brings its otherworldly elements to shimmering life in a way that will delight any fan of the paranormal as Anna turns to gypsies, ghost hunters, and the Holy Catholic Church in her attempts to try to evict the incubus from her home. Before it's too late." -Susan Bischoff "The Preternaturals series is awesome. I've not been reading them in order, having read three and four before reading this one, which is book two - and I've not been lost at all. So it is entirely possible to pick these up as you go. Sure, there are tidbits of information throughout the books. Like in book four, Anna and Luc are in it, and Cain touches on their situation, but it in no way ruined the fun of this book." - Liz @ Fictional Candy The Complete Preternaturals (Paranormal Romance Series): Book 1: Blood Lust Book 2: Save My Soul Book 3: The Catalyst Book 4: Life Cycle Book 5: Forbidden Book 6: Unleash The Moon Shorts: Cat Fight Dark Mercy (Forbidden Teaser) If you enjoy Zoe Winters, here are some other authors you might also enjoy: Bella Forrest, J.R. Ward, Milly Taiden, H.P. Mallory, Amanda Hocking, Cynthia Eden, and Larissa Ione Zoe Winters writes paranormal vampire romance and werewolf romance.

According to Rayea, the oldest daughter of Satan, the origin of vampires started in Hell, and it started with her. Rayea isn't daddy's little girl, even if he is the most powerful fallen angel around. He wants her to take an active role in the family business. But she's not interested in his schemes for world domination. Instead she wants to spend her time shopping on the Internet, rescuing humans from a horrific eternity, and practicing martial arts with her seven foot hellhound. Then one day everything changes. Part 1 began as a short story and starts Rayea's story about how she became the Vampire from Hell. To commemorate the paperback edition, the author has included an extended ending to the last chapter of Part 1. Also in this edition, excerpts from "The Vampire from Hell (Part 2) - A Vampire among Angels" (released Fall 2011) and "The Vampire from Hell (Part 3) - A Vampire on Vacation" (Summer 2012) are included. An excerpt from the new series, Fanged Love is included as well. "Fanged Destiny (Fanged Love #1)" debuts Fall 2012 with a tale about Grace, a naive human led astray by her sinister boyfriend, Nathan into a world of bloodletting and vampirism. A few characters from the Vampire from Hell series will appear in this new series. The Vampire from Hell is a novella series and is being released as installments. Book 3 of the bestselling series: A Dark Faerie Tale Shade has been left all but shattered. Travelling to the Ice kingdom, along with her 'body guard' Dylan who continues to be bound to her, to where the holder of her magic dwells. The war of Faerie amplifies and her only chance to save it will be to resist the enchantments of the Ice King, one of the Ancient rulers of Faerie. But, he has his own agenda and will do anything to stop her from making it to the Summer Kingdom, with her family, to claim back her throne. These Ancients of Faerie don't want her to succeed, and the wards between the land of Faerie and the mortal world are blurring rapidly. Shade must face treacheries in every crevice of the land, even among the human mortals and trusted allies, before all is lost.

Waking up next to a dead body is terrifying enough. Waking up with no memory, a bleeding cut on her forearm, and a dead body? Can it get any worse? Going by what she assumes is a fake name, Clara attempts to fill in her past following the only clues she can... all while balancing mind reading and telekinetic powers she can't remember having. But as the questions keep building about her past, so do the voices in the back of her head that belong to the mysterious Blue Star. It isn't hard for Nate to hide his shadow powers when his parents aren't around. Even easier is that his only friend, Glitch, has his own secret power to deal with, so when a new girl with purple hair shows up in the senior class, it isn't hard to keep that secret up. As his relationship with her grows, with the help of his best friend and wing man, Clara and Nate find out they have a lot more in common than just their taste in music. With the looming threat of death, an evil power in the Blue Star, and more past than Clara wants to know, the three friends try to balance their relationships and keep hope as their history is revealed.
