

Imran Khan The Cricketer The Celebrity The Politician

The definitive biography of Imran Khan, the former Pakistan cricket captain and all-rounder – the Oxbridge graduate and vociferous campaigner; the devout Muslim whose kaleidoscopic social life flooded the gossip columns; the man who raised \$60 million for cancer research and who is now one of the most important political figures in Pakistan. 1971 was the year that changed Indian cricket forever. Accustomed to seeing a talented but erratic Indian team go from one defeat to another, a stunned cricketing world watched in astonishment as India first beat the West Indies in a Test series on their home turf, and then emerged victorious over England-in England. Suddenly, the Indian team had become a force to reckon with. Boria Majumdar and Gautam Bhattacharya's book is a thrilling account of the 1971 twin tours, that brings to life the on-field excitement and the backroom drama. Against a canvas that features legends: Pataudi and Wadekar, who captained India to the two sensational series victories abroad; Sardesai, Durani, Viswanath, Engineer, Solkar, Abid Ali; the famed spin quartet of Bedi, Prasanna, Chandrasekhar and Venkataraghavan; and a young batsman named Sunil Gavaskar who was making his debut-it is the tale of a young country ready and eager to make an

impression on the world stage. Fifty years later, this is a wonderful book to relive those glory days with. From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach, Ravi Shastri has an incomparable perspective when it comes to the game of cricket. In *Stargazing: The Players in My Life*, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or that bruising bowler who went on to become a best friend? What was the most important lesson the legendary Clive Llyod taught him? How does Shastri set aside his personal bond with Virat Kohli in his role as coach? Full of never-before-revealed anecdotes, *Stargazing*, co-written with Ayaz Memon and featuring illustrations by Shiva Rao, offers a glimpse into how champions from across the globe have inspired one of the world's greatest ODI players and Team India's most successful Test cricket coach.

'Candid and forthright . . . and deliciously indiscreet'
-Hindustan Times 'A racy narrative that goes beyond recording immediate political history'
-Teelka The 2014 Indian general elections has been regarded as the most important elections in Indian history since 1977. It saw the decimation of the ruling Congress party, a spectacular victory for the BJP and a new style of campaigning that broke every rule in the political game. But how and why? In his riveting book, Rajdeep Sardesai tracks the story of this pivotal election through all the key players and the big news stories. Beginning with 2012, when Narendra Modi won the state elections in Gujarat for a third time but set his sights on a bigger prize, to the scandals that crippled Manmohan Singh and UPA-II, and moving to the back-room strategies of Team Modi, the extraordinary missteps of Rahul Gandhi and the political dramas of election year, he draws a panoramic picture of the year that changed India.

with the Australian coach Greg Chappell. He fought his way out of every corner and climbed back up from every defeat, becoming India ultimate comeback king. What does it take to perform when the pressure is skyhigh? How do you fight back and win? How do you make a name for yourself when you are young and have started the journey which is closest to your heart? As Sourav takes you through his life, he looks at how to overcome challenges and come out a winner. Time and time again.

The biography of the original Mr. Cool, Steve McQueen. The actor who perhaps, first epitomised the Action Hero; a complex man, prone to casual affairs and violence, yet capable of helping those more unfortunate than him.

The nation of Pakistan was born out of the trauma of Partition from India in 1947. Its cricket team evolved in the chaotic aftermath. Initially unrecognised, underfunded and weak, Pakistan's team grew to become a major force in world cricket. Since the early days of the Raj, cricket has been entwined with national identity and Pakistan's successes helped to define its status in the world. Defiant in defence, irresistible in attack, players such as A.H.Kardar, Fazal Mahmood, Wasim Akram and Imran Khan awed their contemporaries and inspired their successors. The story of Pakistan cricket is filled with triumph and tragedy. In recent years, it has been threatened by the same problems affecting Pakistan itself: fallout from the 'war on terror', sectarian violence, corruption, crises in health and education, and a

shortage of effective leaders. For twenty years, Pakistan cricket has been stained by the scandalous behaviour of the players involved in match-fixing. Since 2009, the fear of violence has driven Pakistan's international cricket into exile. No one knows when it will return home. But Peter Osborne's narrative is also full of hope. For all its troubles, cricket gives all Pakistanis a chance to excel and express themselves, a sense of identity and a cause for pride in their country. Packed with first-hand recollections, and digging deep into political, social and cultural history, *Wounded Tiger* is a major study of sport and nationhood.

A memoir like no other, from a cricketing expert known for speaking his mind This book is about me, my cricket career, my life. My strengths and weaknesses, my successes and failures. Every individual lives a uniquely different life. Life stories are always interesting. No one leads an uneventful life. Having been a sportsman, I also want young, aspiring sportsmen to learn from my career. Like a father once said to his son: 'I made twenty mistakes in my life, you'll make twenty new ones.' In *Imperfect*, Sanjay Manjrekar uses his famous analytical powers to look back on his own career as a cricketer. His photographic memory takes the reader along on his journey from the dusty maidans of Mumbai to the world stage as the combative batsman faces up to the fearsome West Indian and Pakistani pace attacks. In his precise plainspeak, Sanjay reflects on his father Vijay Manjrekar and the effects of his personality on his game. He comments on the complex equations with the India greats with whom he shared the dressing room, and on

the lessons learnt from his opponents. He also reveals his own excruciating obsession with batting technique, the quest for perfection, and the battle to shake off his mental shackles. Imperfect sets a new standard for cricket writing in India, with significant life lessons even for those who aren't cricket fans.

The definitive history of a cricket team the world loves to watch, but is at a loss to explain The story of Pakistan cricket is dramatic, tortured, heroic and tumultuous. Beginning with nothing after the Partition of 1947 to the jubilation of its victory against England at the Oval in 1954; from earning its Test status and competing with the best to sealing a golden age by winning the World Cup in 1992; from their magic in Sharjah to an era-defining low in the new millennium, Pakistan's cricketing fortunes have never ceased to thrill. This book is the story of those fortunes and how, in the process, the game transformed from an urban, exclusive sport into a glue uniting millions in a vast, disparate country. In its narration, Osman Samiuddin captures the jazba of the men who played for Pakistan, celebrates their headiest moments and many upheavals, and brings to life some of their most famous - and infamous - contests, tours and moments. Ambitious, spirited and often heart breaking, The Unquiet Ones is a comprehensive portrait of not just a Pakistani sport, but a national majboori, a compulsion whose outcome can often surprise and shock, and become the barometer of everyday life in Pakistan, tailing its ups and downs, its moods and character. province of Pakistan and in this book he describes their way of life, culture and traditions. The author makes a journey through wild and hostile terrain, finding a proud and warlike people who received him with great generosity and quiet courtesy. Every Pathan male carries a gun and defends his independence and the honour of his family and his tribe, to the death.

A former national security advisor and secretary of state offers the compelling story of her eight years serving at the highest levels of government, including the difficult job she faced in the wake of 9/11.

Biography of Imran Khan, b. 1952, Pakistani cricketer and politician.

In this biography, written with Imran Khan's co-operation, Ivo Tennant charts in detail the former Pakistan Test Match captain's exploits on the field, culminating in his team's triumph in the 1992 World Cup.

When a woman with brains and beauty from a wealthy background decides to take her fate into her own hands and challenge the restrictions of a male-oriented, conservative society, the consequences can be devastating. Born into one of Pakistan's most influ

Adult, sports autobiography, printed in Large Print. *Brim Full of Passion* follows the story of Wasim Khan's journey to becoming the first British born Asian to play professional cricket. Eight-year-old Wasim Khan yanks a board out of the garden fence, nicks his Mum's only decent knife, and starts whittling. A month later he's putting his first bat to good use: sending the school's tennis balls high onto the roof so that he can sneak back over the gate at night and liberate them. *Brim Full of Passion* follows this son of Kashmiri immigrants from the grimy streets of Small Heath to leafy Edgbaston, where

he breaks in through the fence to watch England play Pakistan. A year later he's there legitimately, batting for the under-13s. The dream is simple: Warwickshire, England, the world. After four gruelling years as an apprentice pro he makes the all-conquering Bears team of 1995, and is on the brink of the England 'A' squad. But a loss of form, a dodgy selection policy, and one of the first British-born Asians to make the country grade loses his confidence. A move to Sussex is a disaster: he falls out with captain Chris Adams, can't get a game, and winds up playing for Derbyshire for nothing. At 30 it's all over and he's embarking on a new career as a coach. Anything to stay in the game he loves.

'Pakistan' tells the fascinating history of the country as seen through the eyes of one of its most famous sons, Imran Khan. There is no one else in the world like you. Your personal brand has been registered in your name and patented with your persona even though there may be hundreds of people carrying the same name. Creating, building, and developing your personal brand is entirely in your own hands.

Conversely, destroying or diminishing your brand is also only in your own hands. Your brand is the essence of your own unique story. The key to this is reaching deep inside yourself and pulling out the authentic, the unique 'you', from within your own self. What we do with our own brand name could be the difference between being very successful and not so successful. This is as true for personal branding as it is for business branding. The Brand Called You outlines how critical it is for each one of us to understand the power and vulnerabilities of our brand and invest wisely and consistently in our persona and our name. Remember, the only legacy you will leave behind in the world is your name.

A tell-all book on and by Pakistan cricket's fastest and most controversial bowler One of the most talented and certainly one of the most colourful players in the history of cricket, Shoaib Akhtar holds the record for the fastest delivery ever, clocking in at 11.2 mph. Having taken more than 400 wickets in his international career, Shoaib has seen it all-the best matches, the most exciting tournaments, the highs and lows of personal achievement and failure. Controversially Yours is his take on the game, on his peers, on the fraught tussles between bowlers and batsmen and, of course, the institutions that control the sport, including the ICC and the Pakistan Cricket Board. From the early days of struggle to the 2011 World Cup, this is Shoaib's story in his own words, straight from the heart.

The first volume of a comprehensive and authentic book on the history of Pathans is ready for unveiling covering its history from per-historic period that also includes cultural heritage traditions and history of Pathan land etc. To many a people the name Pathan suggest a native of Afghanistan or that of the North West Frontier of Pakistan. To most the race itself with its extremely complicated ramification into various tribes and clans is a mystery. This study is an attempt to unravel that mystery writes author of the Book Brigadier(R) Haroon Rashid SI(M) a son of Kohat soil. The book titled History of the Pathans Vol_1 The Sarabani Pathans has a total of ten volumes. The 475 pages book has 37 chapters starting from history of the pathan land and ended up at the Urmors and Bareches. The first volume of the book dealt with Sarabani Pathans which has been categorized into process of ethnologist tribal movements the Tarins the Durranis the

Sheranis the Miana tribe including the Lunis the Khetrans the Hasnis the Nahars the Gharshins the Jafars and the Urmors. The book also contained a number of rare photographs of Afghan Kings like Dost Muhammad Khan Barakzai Akbar Khan Habibullah Khan Nadar Shah Amir Muhammad Khan Shah Shujaul Mulk Amir Abdur Rehman and Zahir Shah. To know about the ingredients which make Pathans indomitable race one has to go deep into their history tradition and life style. This work is an endeavor in this context with a view to compile a comprehensive and authentic history of this brave race which so far has been either dealt with summarily or in piecemeal. In the introduction chapter the Pathan has been described as a hard rugged man as a warrior and a mystic a rogue and a saint foxy and innocent chivalrous and ruthless. A Pathan is born free and wants to remain free.

"The book will appeal to a global audience: to anyone with an interest in soccer, sports and business. They will be shocked to learn what goes on behind the scenes of the world's most popular sport"--

A world-famous biographer reveals the strange relationship between Sir Arthur Conan Doyle's real life and that of Sherlock Holmes in the engrossing *The Man Who Would Be Sherlock*. Though best known for the fictional cases of his creation Sherlock Holmes, Conan Doyle was involved in dozens of real life cases, solving many, and zealously campaigning for justice in all. Stanford thoroughly and convincingly makes the case that the details of the many events Doyle was involved in, and caricatures of those involved, would provide Conan Doyle the fodder for many of the adventures of the violin-playing detective. There can be few (if any) literary creations who have found such a consistent yet evolving independent life as Holmes. He is a paradigm that can be endlessly changed yet always maintains an underlying consistent identity, both drug addict

Pakistan has been labelled as one of the most controversial countries in the world. A country tainted with military dictatorships, tormented by religious extremists and fleeced by years of corrupt democratic rule. It is a place where an endemic culture of nepotism blooms with impunity. The biggest casualty of this political and social homicide are the ordinary citizens who are left to struggle with appalling economic conditions and a system sorely in need of repair. In a climate as unsettling as that, one noise exploded onto the scene with an unyielding aggression. Imran Khan, former cricket celebrity, philanthropist and turned politician, seems to have changed the decorum of Pakistan's botched-up political landscape. An irreverent iconoclast, Khan established his Movement for Justice party back in 1996 and has doggedly moved up the ranks. Brazenly accusing his opponents with unprecedented levels of corruption, Imran's party has gone from being a novice presence to one of the most defiant voices in the parliament's opposition benches. Let There Be Justice: The Political Journey of Imran Khan is an intriguing story of Imran Khan's populist politics, his verve and unfettered commitment which may eventually swing him into power at the next general elections in 2018.

Reham Khan's eventful life took her from Gaddafi's Libya to Zia's Pakistan and thence to England as a teenage bride, before she returned to Pakistan in her forties. Hers has been a life of extraordinary contrasts: she has been through a violent marriage and domestic abuse, but her story also includes the rebuilding of her life after she chose to end her first marriage, raising three children single-handedly and at the same time, attaining hard-earned professional success. Today she has a successful career as a broadcast journalist and anchor, both in the UK and in Pakistan. Reham Khan was married to the celebrity cricketer-turned-politician Imran Khan for a year in 2015. She self-published her memoir in the summer of 2018, revealing facets of her relationship with Imran Khan and the murky world of Pakistan politics to which she has had a ringside view, taking the world by storm. This edition of her much-discussed book now makes her incredible story available to readers in the Indian Subcontinent. Despite all that Reham Khan has endured, her story is ultimately one of resilience, strength, courage and conviction. It is the story of a woman who believed in herself and stood up to the world despite the fact that the odds were stacked against her - and ultimately emerged victorious. In clear, crisp prose, Reham Khan tells her story with wit, intelligence and candour. This is a memoir that will engage and surprise readers of all ages and of both genders; to many it will be an inspirational tale from a woman who fought for respect and for her identity on her own terms, a woman who is a survivor, and a winner. of the security state In 2012 five Muslim men—Babar Ahmad, Talha Ahsan, Khalid al-Fawwaz, Adel Abdul Bary, and Abu Hamza—were extradited from Britain to the US to face terrorism-related charges. Fahad Hashmi was deported a few years before. Abid Naseer and Haroon Aswat would follow shortly. They were subject to pre-trial incarceration for up to seventeen years, police brutality, secret trials, secret evidence, long-term detention in solitary confinement, citizenship deprivation and more. *Deport, Deprive, Extradite* draws on their stories as starting points to explore what they illuminate about the disciplinary features of state power and its securitising conditions. In looking at these stories of Muslim men accused of terrorism-related offences, Nisha Kapoor exposes how these racialised subjects are dehumanised, made non-human, both in terms of how they are represented and via the disciplinary techniques used to expel them. She explores how these cases illuminate and enable intensifying authoritarianism and the diminishment of democratic systems.

In this revealing autobiography, Wasim Akram writes about his life as one of the most spectacular cricketers of all time. A devastating match winner with bat and ball for both Pakistan and Lancashire, he is one of the select few to have taken more than three hundred test wickets.

What is the highest number of runs a player has scored in Test matches without ever being dismissed? Did P. G. Wodehouse name Bertie Wooster's valet, Jeeves, after a county cricketer? Ask Bearders collects the best of the Q & As from Bill's popular column, offering cricket fans a one-stop compendium of the most challenging bits of history and statistics the game has to offer. It is a unique testament to the perfection Bill sought in his study of the game, and an essential book for any serious cricket fan

Salman Rushdie once described Pakistan as a 'poorly imagined country'. Indeed, Pakistan has meant different things to different people since its birth seventy years ago. Armed with nuclear weapons and dominated by the military and militants, it is variously described around the world as 'dangerous', 'unstable', 'a terrorist incubator' and 'the land of the intolerant'. Much of Pakistan's dysfunction is attributable to an ideology tied to religion and to hostility with the country out of which it was carved out -- India. But 95 per cent of Pakistan's 210 million people were born after Partition, as Pakistanis, and cannot easily give up on their home. In his new book, Husain Haqqani, one of the most important commentators on Pakistan in the world today, calls for a bold re-conceptualization of the country. Reimagining Pakistan offers a candid discussion of Pakistan's origins and its current failings, with suggestions for reconsidering its ideology, and identifies a national purpose greater than the rivalry with India.

Tracing the careers of the Pakistani fast bowlers, Wasim and Waqar, this book looks at their rise to prominence and their effect on the national team. They both discuss fame, playing for Pakistan and in county matches, and the stress and injuries which arise from playing non-stop cricket.
