Drawing on his own experiences of working as a vet, Malcolm Welshman brings to life a wealth of colourful characters -- including the formidable practice receptionist, Beryl, with her one steely eye -- and an ark's worth of marvellous animals. As enchanting as it is funny, this wonderful story will delight any animal fan. When Paul Mitchell arrives for his first day's work at Prospect House Veterinary Hospital, he never expects this...Oh his very first day, he is bitten by a feisty hamster...but this is a mere prelude to a cavalcade of hilarious -- and often painful -- encounters with fish, flesh and fowl. From stalking a feral cat to rescuing a cow stuck in a gravel pit, life is never short of animal adventures for the newly qualified vet. On top of treating all manner of creatures at the practice, Paul and his girlfriend Lucy, also nurse a host of waifs and strays back to health at their home. Besides six budgerigars, two love birds, a hoard of guinea pigs and three tabby cats, their menagerie includes Gertie the Goose, whose talent for house security saves her from the Christmas Day table, and Nelson, their lovable -- and stone deaf -- Jack Russell.

Thirty popular expressions such as "straight from the horse's mouth" and "white elephant" are amusingly explained and illustrated.

For use in schools and libraries only. Thirty common English phrases, such as "a chip off the old block" and "cry over spilled milk" are illustrated and explained.

When Pickles the elephant turns his life upside-down, Pete the pig comes to realize that a perfectly predictable, practical, and uncomplicated life is not always preferable.

A book touching on the importance of protecting the world we live in, whilst also reinforcing the beauty of grandparent and grandchildren relationships. This poignant and humorous picture book from debut author/illustrator Martin Stanev would make a beautiful, and fun, addition to any child's bookshelf. When two siblings visit Grandma's house for a routine visit, they can't help but think she's stuffy, plain and no fun at all. But what they don't realise is that Grandma has a secret she's yet to reveal - and she might not be as boring as they first thought.

Dramatic photographs complement poems selected for their contemporary concerns and their appeal for the young.

On Sunday, Danny was asked to clean the basement of his new home. By Friday, he was New York City's last, desperate hope against total nuclear annihilation. That's a lot for one week, especially when it's also the first week of sixth grade. Danny's amazing adventure is told by a mysterious Uncle who is babysitting his young nephew, Tommy. An otherwise ordinary eleven year old boy from Brooklyn, Danny discovers a long-lost secret formula that grants him incredible superhuman abilities. To Danny, this is the most awesome thing that has ever happened to anybody. But this ultimate dream-come-true begins to turn into a nightmare, as Danny must contend with well-connected class bullies, hostile media, and the sinister organization that is attempting to seize the formula for its own nefarious purposes. All this, while keeping his true identity safe from his annoying and nosy little sister! Will Danny have what it takes to overcome these challenges, as well as a terrorist threat that threatens to flatten Manhattan? Or will the forces arrayed against him prove too much for his inexperience to overcome? Find out, together with the spellbound Tommy. But there is one part of the story that the Uncle cannot reveal to his young nephew - and is left for the readers to discover on their own!

"A pithy parable of prison breaks, performance anxiety, and pickled vegetables -- and a publication complete with app, 3D printing, and more"--

In 1955, Andy Meyer, a young farmer and manager of the pickle factory in Link Lake, Wisconsin, and his fellow farmers are confronted by the arrival of the powerful H. H. A talking pickle with a television show meets a penguin in Antarctica and brings him back to New York City.

When a mysterious silver fox becomes intrigued with this small town's most disliked society woman, he finds she's more than a little trouble and possibly a whole lot of heart. Scotia Simmons. The name says it all-ornery, judgmental, mean-but underneath a woman like that is typically a shattered heart. Locked within her secrets, this fried pickle princess has used her unkindness as a shield of protection against the loneliness. However, menopause and a one-night stand can change a woman's perspective on things. Who knew it would take a man the likes of him to push her strong will to its limits?

Chester Chesterfield. The name has more than one meaning-generous, quiet, private-but within one man is a multitude of personas. The gruff oil mogul has a wounded heart (and a big secret) that holds him hostage from the man he's meant to be. His past defined him, or so he thought. He never imagined it'd take a woman like her to push him over his carefully constructed edges and show him love has no boundaries. When you're in a pickle, it's time to relish what-or rather who-stands before you and accept that even over forty, a second chance at love can be a big dill (every pun intended). 'Love in a Pickle' is a full-length contemporary romance, can be read as a standalone, and is book #9 in the Green Valley Library series, Green Valley Chronicles, Penny Reid Book Universe.

From New York Times Bestselling Author Jessica Beck! When dying pickle-fortune heir Curtis Trane finally succumbs in the Charming Moose Diner, everyone believes that it's just the end of the man's long illness, but upon closer examination, it turns out that Curtis has been murdered! In a plea from beyond the grave, Curtis asks Moose and Victoria to solve his homicide, and the two must leave everything they know and venture out into the rich man's rarefied world.
