

In America Tales From Trump Country

Summer 2018: Two years into President Donald J. Trump's first term in office, America has never been greater. The Even Greater Wall along the Mexican border is under construction, paid for by Mexico. Americans have more money in their pockets thanks to lower taxes and the president's creative money-raising strategies. (Who else would have thought to pay for FEMA's budget by suing the Catholic Church over property damage caused by acts of God?) And while Trump's detractors may call him a tyrant, the American people love bullies when the victim is Congress: every time they impeach the president, his approval rating skyrockets. Ever conscious of his hugely important historical legacy, The Donald plucks disgraced tabloid reporter Jimmie Bernwood--the man responsible for publishing the infamous Ted Cruz sex tape--from the depths of anonymity to become his official biographer, giving him enviable access to the gold-plated White House and all of its secrets. When Trump's previous biographer turns up dead, Bernwood must do some real investigative reporting, get to the bottom of a long series of murders...and, if it's absolutely unavoidable, save the country. The Day of the Donald is a hilariously hair-raising look at the (possible) future of America.

#1 New York Times Bestseller #1 Washington Post Bestseller #1 Wall Street Journal Bestseller On March 16, 2018, just twenty-six hours before his scheduled retirement from the organization he had served with distinction for more than two decades, Andrew G. McCabe was fired from his position as deputy director of the FBI. President Donald Trump celebrated on Twitter: "Andrew McCabe FIRED, a great day for the hard working men and women of the FBI - A great day for Democracy." In *The Threat: How the FBI Protects America in the Age of Terror and Trump*, Andrew G. McCabe offers a dramatic and candid account of his career, and an impassioned defense of the FBI's agents, and of the institution's integrity and independence in protecting America and upholding our Constitution. McCabe started as a street agent in the FBI's New York field office, serving under director Louis Freeh. He became an expert in two kinds of investigations that are critical to American national security: Russian organized crime—which is inextricably linked to the Russian state—and terrorism. Under Director Robert Mueller, McCabe led the investigations of major attacks on American soil, including the Boston Marathon bombing, a plot to bomb the New York subways, and several narrowly averted bombings of aircraft. And under James Comey, McCabe was deeply involved in the controversial investigations of the Benghazi attack, the Clinton Foundation's activities, and Hillary Clinton's use of a private email server when she was secretary of state. *The Threat* recounts in compelling detail the time between Donald Trump's November 2016 election and McCabe's firing, set against a page-turning narrative spanning two decades when the FBI's mission shifted to a new goal: preventing terrorist attacks on Americans. But as McCabe shows, right now the greatest threat to the United States comes from within, as President Trump and his administration ignore the law, attack democratic institutions, degrade human rights, and undermine the U.S. Constitution that protects every citizen. Important, revealing, and powerfully argued, *The Threat* tells the true story of what the FBI is, how it works, and why it will endure as an institution of integrity that protects America.

A raw, thought-provoking, first person account of a working class military veteran who left his native United States when Donald

Trump rose to power. "I am the person. I did it. A lot of people declared they would leave America if Donald Trump were elected president. This is my story of leaving Trump's America and starting a new life in Canada".

NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER USA TODAY BESTSELLER "'BLITZ, Trump Will Smash the Left and Win', by David Horowitz. Amazon #1 Bestseller. Hot book, great author!" — President Donald J. Trump
BUCKLE UP—2020 WILL BE THE POLITICAL RIDE OF YOUR LIFE! IN NOVEMBER TRUMP WILL SMASH THE LEFT AND WIN! "We love David Horowitz. He thinks Trump is gonna win in a landslide in November, and he gives reasons why in the book, and he says Republicans are gonna be singing 'Happy Days Are Here Again' once November comes and the election is over and the votes are counted." — Rush Limbaugh "He is one of the bravest guys. He found the real intent [of the Left] was to control America. He has never, ever sat down. A true national treasure." — Glenn Beck "If you're interested in debating deranged liberals with facts, you won't want to miss this latest book." — Donald Trump, Jr. "BLITZ is a MUST-read for those who want to better understand what is really happening in the 'idea war' for the soul of America." — Governor Mike Huckabee
BLITZ reveals the attacks made against Trump have been the most brutal ever mounted against a sitting president of the United States. Blinded by deep-seated hatred of his person and his policies, the left even desperately tried to oust Trump in a failed impeachment bid. Horowitz shows that their very attacks—targeting a man whose mission has been to "Drain the Swamp" and "Make America Great Again" backfired, turning Trump himself into a near martyr while igniting the fervor of his "base." With the 2020 election upon us, New York Times bestselling author David Horowitz chronicles the brutal battles, bitter backlash, and leftwing lies Trump has faced as Democrats repeatedly try to sabotage his presidency. You'll discover the left's terrifying socialist and, in some cases, communist agendas as you've never seen them before. Trump's response? In the meantime, he's going to steamroll this opposition in November using the same playbook he has used to win before. In BLITZ you will find shocking revelations: The 9 biggest dangers to America the left poses—their agenda will blow your mind. Show me the money: naming the billionaires and fat cats really out to get Trump. How patriotism suddenly became "white nationalism" linking Trump to Hitler and the KKK . The growing secularism of the left and how the hate pushed against Christians will backfire. Why every effort to demonize Trump and his supporters is failing like crazy. Obama's agenda: how the former president casts a much greater shadow over Trump's political woes than you ever imagined. The Genius: how Trump's brilliant strategy has worked and will continue to work, making him president again in 2021! The effort to remove and destroy our duly elected President may be the greatest challenge America has faced since the Civil War, explains Horowitz. For the first time BLITZ exposes the left's strategy to take down Trump, and how Trump not only beat them at their own game, but how he's turning the tables on them to achieve a stunning reelection win come November. "An indispensable book—BLITZ— explaining why today's Democrats are so dangerous and why President Trump is their nemesis." — Mark R. Levin, New York Times bestselling author of Unfreedom of the Press "BLITZ is the latest must-read from Horowitz: insightful, hard-hitting, controversial, and uncompromising. Ignore him at your peril." — Peter Schweizer, New York Times bestselling author of Clinton Cash and Profiles in Corruption "This is the book your anti-Trump relatives and friends should

Download Ebook In America Tales From Trump Country

read...as clear a moral indictment of the anti-Trump left as has been written.” — Dennis Prager, President of PragerU and New York Times bestselling author “Unparalleled insight into the current political climate, how we got here and what it means for 2020 elections.” — Sean Spicer, Host of Spicer & Co., Newsmax TV “Horowitz understands the left’s malevolent goals and how to stop them. This is a must read-book!” — Charlie Kirk, New York Times bestselling author of The MAGA Doctrine “[David Horowitz] author and political activist believes President Donald Trump should focus on the issue of keeping Americans safe to help secure his re-election in the fall.” – One News Now

Instant #1 New York Times and Wall Street Journal bestseller From the Washington Post journalists Yasmeen Abutaleb and Damian Paletta—the definitive account of the Trump administration’s tragic mismanagement of the COVID-19 pandemic, and the chaos, incompetence, and craven politicization that has led to more than a half million American deaths and counting. Since the day Donald Trump was elected, his critics warned that an unexpected crisis would test the former reality-television host—and they predicted that the president would prove unable to meet the moment. In 2020, that crisis came to pass, with the outcomes more devastating and consequential than anyone dared to imagine. Nightmare Scenario is the complete story of Donald Trump’s handling—and mishandling—of the COVID-19 catastrophe, during the period of January 2020 up to Election Day that year. Yasmeen Abutaleb and Damian Paletta take us deep inside the White House, from the Situation Room to the Oval Office, to show how the members of the administration launched an all-out war against the health agencies, doctors, and scientific communities, all in their futile attempts to wish away the worst global pandemic in a century. From the initial discovery of this new coronavirus, President Trump refused to take responsibility, disputed the recommendations of his own pandemic task force, claimed the virus would “just disappear,” mocked advocates for safe-health practices, and encouraged his base and the entire GOP to ignore or rescind public health safety measures. Abutaleb and Paletta reveal the numerous times officials tried to dissuade Trump from following his worst impulses as he defied recommendations from the experts and even members of his own administration. And they show how the petty backstabbing and rivalries among cabinet members, staff, and aides created a toxic environment of blame, sycophancy, and political pressure that did profound damage to the public health institutions that Americans needed the most during this time. Even after an outbreak in the fall that swept through the White House and infected Trump himself, he remained defiant in his approach to the virus, very likely costing him his own reelection. Based on exhaustive reporting and hundreds of hours of interviews from inside the disaster zone at all levels of authority, Nightmare Scenario is a riveting account of how the United States government failed its people as never before, a tragedy whose devastating aftershocks will linger and be felt by generations to come.

What do you do when you spot a wild Trump in the election season? New York Times bestselling author and comedian Michael Ian Black has some sage advice for children (and all the rest of us who are scratching our heads in disbelief) in this perfectly timely parody picture book intended for adults that would be hysterical if it wasn’t so true. The beast is called an American Trump. Its skin is bright orange, its figure is plump. Its fur so complex you might get enveloped. Its hands though are, sadly, underdeveloped.

Download Ebook In America Tales From Trump Country

The Trump is a curious creature, very often spotted in the wild, but confounding to our youngest citizens. A business mogul, reality TV host, and now...political candidate? Kids (and let's be honest many adults) might have difficulty discerning just what this thing that's been dominating news coverage this election cycle is. Could he actually be real? Are those...words coming out of his mouth? Why are his hands so tiny? And perhaps most importantly, what on earth do you do when you encounter an American Trump? With his signature wit and a classic picture book style, comedian Michael Ian Black introduces those unfamiliar with the Americus Trumpus to his distinguishing features and his mystifying campaign for world domination...sorry...President of the United States.

****THE INSTANT NEW YORK TIMES BESTSELLER**** Kompromat n.—Russian for "compromising information" This is a story about the dirty secrets of the most powerful people in the world—including Donald Trump. It is based on exclusive interviews with dozens of high-level sources—intelligence officers in the CIA, FBI, and the KGB, thousands of pages of FBI investigations, police investigations, and news articles in English, Russian, and Ukrainian. American Kompromat shows that from Trump to Jeffrey Epstein, kompromat was used in operations far more sinister than the public could ever imagine. Among them, the book addresses what may be the single most important unanswered question of the entire Trump era: Is Donald Trump a Russian asset? The answer, American Kompromat says, is yes, and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first “spotted” Trump as a potential asset, how they cultivated him as an asset, arranged his first trip to Moscow, and pumped him full of KGB talking points that were published in three of America’s most prestigious newspapers. Among its many revelations, American Kompromat reports for the first time that:

- According to Yuri Shvets, a former major in the KGB, Trump first did business over forty years ago with a Manhattan electronics store co-owned by a Soviet émigré who Shvets believes was working with the KGB. Trump’s decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset, thus launching a decades-long “relationship” of mutual benefit to Russia and Trump, from real estate to real power.
- Trump’s invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel, but according to Shvets, was actually initiated by a high-level KGB official, General Ivan Gromakov. These sorts of trips were usually arranged for ‘deep development,’ recruitment, or for a meeting with the KGB handlers, even if the potential asset was unaware of it. .
- Before Trump’s first trip to Moscow, he met with Natalia Dubinina, who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives. And many more...

After dozens of books and articles by anonymous sources, here is finally a history of the Trump White House with the President and his staff talking openly, on the record. In *Inside Trump's White House*, Doug Wead offers a sweeping, eloquent history of President Donald J. Trump's first years in office, covering everything from election night to the news of today. The book will include never-before-reported stories and scoops, including how President Trump turned around the American economy, how he "never complains and never explains," and how his actions sometimes lead to misunderstandings with the media and the public. It also includes exclusive interviews with the Trump family about the Mueller report, and narrates their reactions when the report was finally released. Contains Interviews with the President in the Oval Office, chief of staff, Mick Mulvaney, Jared and Ivanka Kushner,

Donald Trump, Jr., Eric and Lara Trump, and White House insiders.

#1 New York Times bestseller! A respected, long-time Republican strategist, ad-maker, and contributor for The Daily Beast skewers the disease that is destroying the conservative movement and burning down the GOP: Trumpism. Includes an all-new chapter analyzing Trump's impact on the 2018 elections. In the #1 New York Times bestselling Everything Trump Touches Dies, political campaign strategist and commentator Rick Wilson delivers "a searingly honest, biting funny, comprehensive answer to the question we find ourselves asking most mornings: 'What the hell is going on?'" (Chicago Tribune). The Guardian hails Everything Trump Touches Dies, saying it gives, "more unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back." Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump's deceptions and the illusions to which his supporters cling, shedding light on the guilty parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. Publishers Weekly calls it, "a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency." No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and Everything Trump Touches Dies is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump's first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. "Hilarious, smartly written, and usually spot-on" (Kirkus Reviews), Everything Trump Touches Dies is perfect for those on either side of the aisle who need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics.

A compulsively readable debut novel about marriage, immigration, class, race, and the trapdoors in the American Dream—the unforgettable story of a young Cameroonian couple making a new life in New York just as the Great Recession upends the economy New York Times Bestseller • Winner of the PEN/Faulkner Award • Longlisted for the PEN/Open Book Award • An ALA Notable Book NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The New York Times Book Review • San Francisco Chronicle • The Guardian • St. Louis Post-Dispatch • Chicago Public Library • BookPage • Refinery29 • Kirkus Reviews Jende Jonga, a Cameroonian immigrant living in Harlem, has come to the United States to provide a better life for himself, his wife, Neni, and their six-year-old son. In the fall of 2007, Jende can hardly believe his luck when he lands a job as a chauffeur for Clark Edwards, a senior executive at Lehman Brothers. Clark demands punctuality, discretion, and loyalty—and Jende is eager to please. Clark's wife, Cindy, even offers Neni

Download Ebook In America Tales From Trump Country

temporary work at the Edwardses' summer home in the Hamptons. With these opportunities, Jende and Neni can at last gain a foothold in America and imagine a brighter future. However, the world of great power and privilege conceals troubling secrets, and soon Jende and Neni notice cracks in their employers' façades. When the financial world is rocked by the collapse of Lehman Brothers, the Jongas are desperate to keep Jende's job—even as their marriage threatens to fall apart. As all four lives are dramatically upended, Jende and Neni are forced to make an impossible choice. Praise for *Behold the Dreamers* “A debut novel by a young woman from Cameroon that illuminates the immigrant experience in America with the tenderhearted wisdom so lacking in our political discourse . . . Mbue is a bright and captivating storyteller.”—The Washington Post “A capacious, big-hearted novel.”—The New York Times Book Review “Behold the Dreamers' heart . . . belongs to the struggles and small triumphs of the Jongas, which Mbue traces in clean, quick-moving paragraphs.”—Entertainment Weekly “Mbue's writing is warm and captivating.”—People (book of the week) “[Mbue's] book isn't the first work of fiction to grapple with the global financial crisis of 2007–2008, but it's surely one of the best. . . . It's a novel that depicts a country both blessed and doomed, on top of the world, but always at risk of losing its balance. It is, in other words, quintessentially American.”—NPR “This story is one that needs to be told.”—Bust “Behold the Dreamers challenges us all to consider what it takes to make us genuinely content, and how long is too long to live with our dreams deferred.”—O: The Oprah Magazine “[A] beautiful, empathetic novel.”—The Boston Globe “A witty, compassionate, swiftly paced novel that takes on race, immigration, family and the dangers of capitalist excess.”—St. Louis Post-Dispatch “Mbue [is] a deft, often lyrical observer. . . . [Her] meticulous storytelling announces a writer in command of her gifts.”—Minneapolis Star Tribune

A Scathing Indictment of Donald Trump on the Eve of the 2020 Election Un-American? President Donald J. Trump has been called many names, but how can this term apply to a candidate and president whose slogan is “make America great again?” How can such a term apply to the “America First” president? In this book, John J. Pitney Jr., one of America's most incisive conservative commentators exposes a core irony of Trump's presidency: that a man who is quick to question the patriotism of his critics is himself deeply unpatriotic. Pitney argues that real Americanism is about ideas and ideals: truth, equality, the rule of law, patriotic service, and the hope that America can serve as an example to the rest of the world. By words and actions, Trump has disparaged all of these things. Through an examination of his record, this book tells how Trump subverts genuine American greatness.

A New York Times Bestseller A multigenerational saga of two families, who rose from immigrant roots to the pinnacle of wealth and power, that tracks the unraveling of American democracy. In *American Oligarchs*, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Their journey to the White

Download Ebook In America Tales From Trump Country

House is a story of survival and loss, crime and betrayal, that stretches from the Klondike Gold Rush, through Nazi-occupied Poland and across the American Century, to our new gilded age. In building and maintaining their dynastic wealth, these families came to embody the rising nationalism and inequality that has pushed the United States to the brink of oligarchy. Building on her landmark reporting for the acclaimed podcast Trump, Inc. and The New Yorker, Bernstein's painstaking detective work brings to light new information about the families' arrival as immigrants to America, their paths to success, and the business and personal lives of the president and his closest family members. Bernstein traces how the two families ruthlessly harnessed New York and New Jersey machine politics to gain valuable tax breaks and grew rich on federal programs that bolstered the middle class. She shows how the Trump Organization, denied credit by American banks, turned to shady international capital. She reveals astonishing new details about Charles Kushner's attempts to ensnare his brother-in-law with a prostitute and explores how Jared Kushner and his father used a venerable New York newspaper to bolster their business empire. Drawing on more than two hundred interviews and more than one hundred thousand pages of documents, many previously unseen or long forgotten, Bernstein shows how the Trumps and the Kushners repeatedly broke rules and then leveraged secrecy, intimidation, and prosecutorial and judicial power to avoid legal consequences. The result is a compelling narrative that details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and that reveals the historical turning points and decisions—on taxation, regulation, white-collar crime, and campaign finance laws—that have brought us to where we are today.

Trump/Russia is the greatest political scandal in American history. It's also the most complex. In this remarkable and necessary work, novelist Greg Olear weaves the loose threads of Trump/Russia into a short, easy-to-follow narrative. Dirty Rubles is an ideal primer for those new to the story, a useful review for those already in the know, and a guidebook for the agnostic #MAGA fan--a compelling overview of Trump/Russia that every American should read.

The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler Based on exclusive interviews with the president and his staff, The Trump White House: Changing the Rules of the Game tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television lights go off, while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and undercut his agenda. The Trump White House reveals: • Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York.

Download Ebook In America Tales From Trump Country

Seeing Jared on TV, Trump said, "Look at Jared, he looks like a little boy, like a child." • First Lady Melania Trump has a tremendous impact on policy and strategy. She sits in on meetings and is widely admired by aides for her judgment. • Kellyanne Conway is the No. 1 White House leaker. • Trump's Secret Service Director Randolph "Tex" Alles proposed withdrawing protection from some Trump family members and aides to save money. Horrified White House staffers shot down the idea. • Trump has told friends that billionaires are constantly asking him to fix them up with longtime Communications Director Hope Hicks, a former model, but he says he refuses. • Trump calls certain reporters directly, feeding them stories attributed to "a senior White House official," creating the impression that the White House leaks even more than it already does. Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump. Yet no president has stirred so much controversy, dominating media coverage and conversation both pro and con. Months after Trump took office, consumer confidence hit a seventeen-year high, unemployment plummeted to the lowest level in seventeen years, and the stock market zoomed to repeated record highs. At the same time, ISIS was nearly defeated, Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology, and Trump's decision to send missiles into Syria because of its use of chemical weapons and his strident warnings to North Korean leader Kim Jong-un made it clear to adversaries that they take on the United States at their peril. Yet for all the media coverage, Trump remains a cipher. Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist. The book includes an exclusive interview with Trump, the only interview he says he has given or will give for a book as president. Crammed with media-grabbing revelations. The Trump White House is the unvarnished and unbiased inside story that answers the question: Who is Donald Trump?

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

"This is a book for everyone who has developed an unexpected nostalgia for political 'norms' during the Trump years . . .

Download Ebook In America Tales From Trump Country

Other books on the Trump White House expertly detail the mayhem inside; this book builds on those works to detail its consequences." —Carlos Lozada (one of twelve books to read "to understand what's going on") "Perhaps the most penetrating book to have been written about Trump in office." —Lawrence Douglas, *The Times Literary Supplement* The definitive account of how Donald Trump has wielded the powers of the American presidency The extraordinary authority of the U.S. presidency has no parallel in the democratic world. Today that authority resides in the hands of one man, Donald J. Trump. But rarely if ever has the nature of a president clashed more profoundly with the nature of the office. *Unmaking the Presidency* tells the story of the confrontation between a person and the institution he almost wholly embodies. From the moment of his inauguration, Trump has challenged our deepest expectations of the presidency. But what are those expectations, where did they come from, and how great is the damage? As editors of the "invaluable" (The New York Times) *Lawfare* website, Susan Hennessey and Benjamin Wittes have attracted a large audience to their hard-hitting and highly informed commentary on the controversies surrounding the Trump administration. In this book, they situate Trump-era scandals and outrages in the deeper context of the presidency itself. How should we understand the oath of office when it is taken by a man who may not know what it means to preserve, protect, and defend something other than himself? What aspects of Trump are radically different from past presidents and what aspects have historical antecedents? When has he simply built on his predecessors' misdeeds, and when has he invented categories of misrule entirely his own? By setting Trump in the light of history, Hennessey and Wittes provide a crucial and durable account of a presidency like no other.

The extensively researched biography that goes beyond the hype to "separate Trump the reality from Trump the reality show" (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O'Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur's closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public's enduring fascination with Trump: "There is something crazy, hot, a phenomenon out there about me, but I'm not sure I can define it and I'm not sure I want to." Trump on naysayers: "You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I'm a great builder." Trump on the art of self-promotion: "You might as well tell people how great you are, because no one else is going to." Ultimately, when O'Brien's research revealed that Trump's business record

Download Ebook In America Tales From Trump Country

and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of *The Apprentice*—found himself in a courtroom. In a new introduction, O'Brien reflects on the recent wave of TrumpMania and updates readers on what it's like to depose one of the world's most litigious businessmen—and win.

After crashing his way to the presidency with the subtlety of a sledgehammer, Donald J. Trump was now faced with tackling the most important job stretched out before him during the next four years: proving he was indeed magnificent. There had to be a way for this great and powerful titan of titans to separate himself from the rest and exhibit how a man's man, a genuine hero, and an off-the-charts genius carried himself. So incorporating the masterful skills he honed as a razor-sharp orator along 2016's brutal Campaign Trail of Fears, he decided he would write letters, and not just any letters. No, these would be positively stuffed with powerful, masterful prose and Jeffersonian in weight. They would be Very Important Letters. Armed with only a nuclear-powered typewriter, the vocabulary of a true giant and a yet unseen command of centuries and centuries of history and perspective, the very important man wrote his very important letters to chronicle his very important, if not very improbable, presidency.

Washington Correspondent Caitríona Perry has earned a reputation as a reliable source of truth. She goes beyond the news reports and delves into the American heartland where she witnessed the rise of Trump first hand. Bringing to the table the voices of those who voted for Trump, Hillary Clinton's so-called 'basket of deplorables', the ones whose opinions didn't coalesce with acceptable mainstream discourse, Perry reveals just what is really happening in America right now. You know why people didn't vote for Donald Trump, now find out why some people did. Perry is an award-winning Irish journalist. One of the first journalists to suggest that Trump could actually win, Caitríona Perry's account of America right now is the definitive one.

*****THE INSTANT NATIONAL BESTSELLER***** Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row at the Trump Show*. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

"An updated portrait of the business mogul and presidential candidate, written by his ... chronicler and the author of *Funny Money*,

Download Ebook In America Tales From Trump Country

traces Trump's rise as [a] ... tribune of populist rage"--NoveList.

A "profound and provocative" new work by the Pulitzer Prize-winning author of *Disgraced* and *American Dervish*: an immigrant father and his son search for belonging—in post-Trump America, and with each other (Kirkus Reviews). One of the *New York Times* 10 Best Books of the Year One of Barack Obama's Favorite Books of 2020 Finalist for the 2021 Andrew Carnegie Medal for Excellence in Fiction A Best Book of 2020 * *Washington Post* * *O Magazine* * *New York Times Book Review* * *Publishers Weekly* "Passionate, disturbing, unputdownable." —Salman Rushdie A deeply personal work about identity and belonging in a nation coming apart at the seams, *Homeland Elegies* blends fact and fiction to tell an epic story of longing and dispossession in the world that 9/11 made. Part family drama, part social essay, part picaresque novel, at its heart it is the story of a father, a son, and the country they both call home. Ayad Akhtar forges a new narrative voice to capture a country in which debt has ruined countless lives and the gods of finance rule, where immigrants live in fear, and where the nation's unhealed wounds wreak havoc around the world. Akhtar attempts to make sense of it all through the lens of a story about one family, from a heartland town in America to palatial suites in Central Europe to guerrilla lookouts in the mountains of Afghanistan, and spares no one—least of all himself—in the process.

This collection unites Ingersoll Lockwood's classic Baron Trump adventure stories in one volume. Filled with exotic flights of fancy, the Baron Trump tales feature the titular character - a wealthy boy who lives in Trump Castle. His actual name is Wilhelm Heinrich Sebastian Von Troomp, but for the sake of simplicity he goes by his title of Baron Trump. The young fellow embarks on time travelling adventures through human history. Through his travels, he meets societies of people and tribes from long ago, picking up their language and social customs. Accompanied by his faithful and protective companion hound Bulger, the young Baron navigates a variety of adventures and surmounts many obstacles. The final book discusses the rise of a US President and has been variously described as coincidental or prescient of the 21st century political climate. Set in an America torn by division, there are references to a hotel on Fifth Avenue in New York, and an election of an outsider candidate ensuing amid chaos.

This is a fun classic book for the whole family to enjoy. It's proven the test of time and is relevant even in this day and age. Your kids will be excited as you read it to them before they go to bed. In these books, the young German protagonist, Wilhelm Heinrich Sebastian Von Troomp, better known as Baron Trump, with a brain so big that his head has grown to twice the normal size, travels around and under the globe with his dog Bulger, meeting residents of as-of-yet undiscovered lands before arriving back home at Castle Trump. Ingersoll Lockwood is particularly known today for his Baron Trump children's novels. However, he wrote other children's novels, as well as the dystopian novel, *1900: or; The Last President*, a play, and several non-fiction works. He wrote some of his non-fiction under the pseudonym Irwin Longman.

The incredible, harrowing account of how American democracy was hacked by Moscow as part of a covert operation to influence the U.S. election and help Donald Trump gain the presidency. "Russian Roulette is...the most thorough and riveting account." --
The *New York Times* *Russian Roulette* is a story of political skullduggery unprecedented in American history. It weaves together

Download Ebook In America Tales From Trump Country

tales of international intrigue, cyber espionage, and superpower rivalry. After U.S.-Russia relations soured, as Vladimir Putin moved to reassert Russian strength on the global stage, Moscow trained its best hackers and trolls on U.S. political targets and exploited WikiLeaks to disseminate information that could affect the 2016 election. The Russians were wildly successful and the great break-in of 2016 was no "third-rate burglary." It was far more sophisticated and sinister -- a brazen act of political espionage designed to interfere with American democracy. At the end of the day, Trump, the candidate who pursued business deals in Russia, won. And millions of Americans were left wondering, what the hell happened? This story of high-tech spying and multiple political feuds is told against the backdrop of Trump's strange relationship with Putin and the curious ties between members of his inner circle -- including Paul Manafort and Michael Flynn -- and Russia. Russian Roulette chronicles and explores this bizarre scandal, explains the stakes, and answers one of the biggest questions in American politics: How and why did a foreign government infiltrate the country's political process and gain influence in Washington?

A comprehensive biography of Donald Trump, the Republican front-runner in the presidential election campaign. Trump Revealed will be reported by a team of award-winning Washington Post journalists and co-authored by investigative political reporter Michael Kranish and senior editor Marc Fisher. Trump Revealed will offer the most thorough and wide-ranging examination of Donald Trump's public and private lives to date, from his upbringing in Queens and formative years at the New York Military Academy, to his turbulent careers in real estate and entertainment, to his astonishing rise as the front-runner for the Republican presidential nomination. The book will be based on the investigative reporting of more than two dozen Washington Post reporters and researchers who will leverage their expertise in politics, business, legal affairs, sports, and other areas. The effort will be guided by a team of editors headed by Executive Editor Martin Baron, who joined the newspaper in 2013 after his successful tenure running The Boston Globe, which included the "Spotlight" team's investigation of sexual abuse in the Catholic Church.

An instant #1 New York Times bestseller. The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." – Anderson Cooper "Jaw-dropping." – John Berman "Shocking." – John Heilemann "Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams "Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the

Download Ebook In America Tales From Trump Country

wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump’s supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

In *Gaslighting America*, Carpenter breaks down Trump's formula, showing why it's practically foolproof, playing his victims, the media, the Democrats, and the Republican fence-sitters perfectly. She traces how this tactic started with Nixon, gained traction with Bill Clinton, and exploded under Trump.

Ripped from the headlines, *Meet the Deplorables: Infiltrating Trump America* ventures deep into Red State territory and explores the current shape of our divided country, providing a fresh, first-hand perspective of right-wing subcultures and the mindsets of the so-called “deplorables” who helped propel Donald J. Trump to the Oval Office. In his inimitable Gonzo-style, infiltration journalist HARMON LEON—whose stories have appeared in *VICE*, *Esquire*, *The Nation*, and *National Geographic*—dons a variety of disguises and goes undercover into the heart of Trump America where his exploits include canvassing door-to-door as a Trump supporter, hanging out with Trump fanatics as they receive free Donald tattoos, demonstrating how easy it is to purchase an assault weapon on Facebook, visiting an anti-Muslim hate group on the same day as a mass shooting, spending time with anti-choice protesters in front of Planned Parenthood, joining a conversion therapy group that tries to “turn” gay men straight, and many, many more. Adding an innovative extra dimension to the book, two-time winner of the RFK Journalism Award and Pulitzer Prize finalist TED RALL enhances the carefully crafted narrative—and connects Leon's audacious accounts to the greater Trump phenomena—with his own distinctive full-color cartoons and insightful analysis, including a poignant epilogue. A necessary read in the time of Trump, this unique collaboration by the formidable team of Harmon Leon and Ted Rall holds up a mirror to modern conservative life and reflects a reality that is outrageous, entertaining, and always illuminating.

After a decade abroad, the National Book Award– and Pulitzer Prize–winning writer Evan Osnos returns to three places he has lived in the United States—Greenwich, CT; Clarksburg, WV; and Chicago, IL—to illuminate the origins of America’s political fury. Evan Osnos moved to Washington, D.C., in 2013 after a decade away from the United States, first reporting from the Middle East before becoming the Beijing bureau chief at the *Chicago Tribune* and then the China correspondent for *The New Yorker*. While abroad, he often found himself making a case for America, urging the citizens of Egypt, Iraq, or China to trust that even though America had made grave mistakes throughout its history, it aspired to some foundational moral commitments: the rule of law, the power of truth, the right of equal opportunity for all. But when he returned to the United States, he found each of these principles under assault. In search of an explanation for the crisis that reached an unsettling crescendo in 2020—a year of pandemic, civil unrest, and political turmoil—he focused on three places he knew firsthand: Greenwich, Connecticut; Clarksburg, West Virginia; and Chicago, Illinois. Reported over the course of six years, *Wildland* follows ordinary individuals as they navigate the varied landscapes of twenty-first-century America. Through their powerful, often poignant stories, Osnos traces the sources

Download Ebook In America Tales From Trump Country

of America's political dissolution. He finds answers in the rightward shift of the financial elite in Greenwich, in the collapse of social infrastructure and possibility in Clarksburg, and in the compounded effects of segregation and violence in Chicago. The truth about the state of the nation may be found not in the slogans of political leaders but in the intricate details of individual lives, and in the hidden connections between them. As Wildland weaves in and out of these personal stories, events in Washington occasionally intrude, like flames licking up on the horizon. A dramatic, prescient examination of seismic changes in American politics and culture, Wildland is the story of a crucible, a period bounded by two shocks to America's psyche, two assaults on the country's sense of itself: the attacks of September 11 in 2001 and the storming of the U.S. Capitol on January 6, 2021. Following the lives of everyday Americans in three cities and across two decades, Osnos illuminates the country in a startling light, revealing how we lost the moral confidence to see ourselves as larger than the sum of our parts.

New York Times Bestseller *The Trump administration is remaking the government. It's Even Worse Than You Think: What the Trump Administration Is Doing to America* tells us exactly how it is making America worse again. Bestselling author and longtime Trump observer David Cay Johnston shines a light on the political termites who have infested our government under the Trump Administration, destroying it from within and compromising our jobs, safety, finances, and more. No journalist knows Donald Trump better than David Cay Johnston, who has been following him since 1988. *It's Even Worse Than You Think: What the Trump Administration Is Doing to America* goes inside the administration to show how the federal agencies that touch the lives of all Americans are being undermined. Here is just some of what you will learn: The Wall. Mexican President Enrique Peña Nieto told President Trump that Mexico will never pay for the border wall. So, Trump is proposing putting a tariff on Mexican imports. But a tariff will simply raise the price of Mexican goods in the US, meaning American consumers will end up paying for the wall—if it ever gets built. Climate Change. Welcome to the new EPA, run by Scott Pruitt, a lawyer who has spent much of his career trying to destroy the agency he now heads. Secrecy reigns at the new EPA because Pruitt meets with industry executives to find out which clean air and clean water provisions they most want to roll back, and keeps staffers in the dark to make sure these pro-pollution plans don't leak prematurely. Stocking the Swamp. Contrary to his promise to "drain the swamp" in Washington, DC, Trump has filled his cabinet with millionaires and billionaires, from Treasury Secretary Steven Mnuchin, a Goldman Sachs and hedge fund veteran who made much of his fortune foreclosing on homeowners to billionaire heiress Education Secretary Betsy DeVos, who has already put the interests of bankers ahead of debt-burdened students and their families. The Kleptocracy. Under Donald Trump conflict of interest is passé. When Trump isn't in Washington, he stays at one of his properties, where the taxpayers pick up the tab for staffers, Secret Service, and so on, all at full price. And back in Washington, everyone now knows that the Trump International Hotel is the only place to stay if you want to do business with the administration. Meanwhile sons Donald Jr. and Eric run an eyes-wide-open blind trust of Trump holdings to avoid the appearance of conflict of interest—but not the reality.

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and

Download Ebook In America Tales From Trump Country

unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Now a Washington Post bestseller. Respected conservative journalist and commentator Timothy P. Carney continues the conversation begun with *Hillbilly Elegy* and the classic *Bowling Alone* in this hard-hitting analysis that identifies the true factor behind the decline of the American dream: it is not purely the result of economics as the left claims, but the collapse of the institutions that made us successful, including marriage, church, and civic life. During the 2016 presidential campaign, Donald J. Trump proclaimed, "the American dream is dead," and this message resonated across the country. Why do so many people believe that the American dream is no longer within reach? Growing inequality, stubborn pockets of immobility, rising rates of deadly addiction, the increasing and troubling fact that where you start determines where you end up, heightening political strife—these are the disturbing realities threatening ordinary American lives today. The standard accounts pointed to economic problems among the working class, but the root was a cultural collapse: While the educated and wealthy elites still enjoy strong communities, most blue-collar Americans lack strong communities and institutions that bind them to their neighbors. And outside of the elites, the central American institution has been religion. That is, it's not the factory closings that have torn us apart; it's the church closings. The dissolution of our most cherished institutions—nuclear families, places of worship, civic organizations—has not only divided us, but eroded our sense of worth, belief in opportunity, and connection to one another. In *Abandoned America*, Carney visits all corners of America, from the dim country bars of Southwestern Pennsylvania, to the bustling Mormon wards of Salt Lake City, and explains the most important data and research to demonstrate how the social connection is the great divide in America. He shows that Trump's surprising victory was the most visible symptom of this deep-seated problem. In addition to his detailed exploration of how a range of societal changes have, in tandem, damaged us, Carney provides a framework that will lead us back out of a lonely, modern wilderness.

"Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy... compelling." --Financial Times Political historian and commentator David Rothkopf shows how Trump will be judged by history (Spoiler alert: not well) in *Traitor*. Donald Trump is unfit in almost every respect for the high office he holds. But what distinguishes him from every other bad leader the U.S. has had is that he has repeatedly, egregiously, betrayed his country. Regardless of how Senate Republicans have let him off the hook, the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous. He has clearly broken faith with the people of the country he was chosen to lead, starting long before he took office, then throughout his time in the White House. And we may not yet have seen the last of his crimes. But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history: is the president of the United States the greatest threat this country faces in the world? We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective. After his examination of traitors including Benedict Arnold, Aaron Burr, and leaders of the Confederacy, David Rothkopf concludes that Donald Trump and his many abettors have committed the highest-level, greatest, most damaging betrayal in the history of the

country.

In *The Tribe*, Caitríona Perry is on familiar ground, returning to Washington and the green strongholds of the United States. Irish Americans were once considered kingmakers in local and national elections, but generations of assimilation and rising numbers of newer immigrants have diluted that power. Many even argue that the concept of an Irish vote is dead. But through exclusive interviews with powerful Irish American insiders, including President Bill Clinton, President Donald Trump's former Press Secretary Sean Spicer, Trump's Chief of Staff Mick Mulvaney, Congressman Joe Kennedy III, legendary Boston mayor Ray Flynn and many more, a clear sense that the Irish are still wielding valuable soft power at the highest levels of US politics emerges. Here, Caitríona Perry gets to the heart of the source and effectiveness of Irish power and influence in America and how it could, or should, evolve in a post-Brexit world, offering a fascinating insight into the inner workings of US politics. Perspectives on Irish America from some of the interviewees in *The Tribe* 'I knew getting involved in Northern Ireland was a controversial thing to do, but I knew that America had an unusual impact or potential impact on the situation. I just thought we had the largest Irish diaspora in the world, and we ought to get involved.' Former US President Bill Clinton 'Often times we work on Irish issues together across the aisle because of the cultural connection. Is that a voting bloc? No. Does that mean the Irish punch way above their weight? Yes, it absolutely does.' Chief of Staff to President Trump, Mick Mulvaney 'The thing that is truly unique in America is that there is not another country that gets the attention that Ireland does. So our entire country stops and celebrates St Patrick's Day in a way that we don't celebrate any other culture or country.' Former White House Press Secretary Sean Spicer 'The commitment that our countries have made to each other, regardless of party, regardless of who's in power back in Ireland or here at home, is something to be nurtured and respected and it would be a shame for anybody to do any damage to that.' Democratic Congressman Joe Kennedy III 'The relationship between Ireland and the US is not a political tie. It's a tie at a cellular level.' Kevin O'Malley, former US Ambassador to Ireland America is no stranger to political violence. Never before, though, has the nation had a president who, at such a magnanimous stage, seeks to incite unrest within the country. To be re-elected by whatever means possible or whatever the cost might be, a desperate man grabbing straws. He seems to provoke the slightest aggression. He has proceeded to explain different explanations why he is the wrong person for the role. The president, whose role it is to unite the country, has provoked Americans against each other. A man who reportedly cheated on his wife with a porn star, who is said to have been dubbed 'losers' and 'suckers' by fallen U.S. troops, and who during his tenure presided over a \$4.4 trillion spike in the national debt. This book the President that divided America-Proceeds to explain why he is the wrong man for the greatest public office in America-It begs the question Will America rise above the ashes to come back unified and stronger?-Will America be made great again?-covers the fairy tales and lies Trump continues to manufacture from his inauguration to his final days as POTUS This is a 2nd book to DONALD TRUMP IS A CLOWN: Donald Trump quotes and shit Trump says. Well he is the 1st president to be impeached twice all for what?

ON TOP OF THE WORLD ... IN A HOUSE OF CARDS The tabloids tracked his every move. The business magazines predicted his demise. And the public couldn't get enough. But the only people privy to Donald Trump's real story were the members of his inner circle—men such as Jack O'Donnell, a top executive at Atlantic City's Trump Plaza Casino until April, 1990. For three years O'Donnell witnessed the goings-on in the House of Trump that the people only guessed at. Now he reveals what he saw. Here's the inside story of Trump's legendary tirades, his convenient forgetfulness, and the infamous Donald Trump ego. O'Donnell tells

Download Ebook In America Tales From Trump Country

how the Plaza staff catered to Trump's personal whims, and to those of his mistress—and how the man who built the largest gambling hall in the world knew little about running a casino. From the hypocrisy, bad deals, and the monumental debt to the untold tales of Marla and Ivana, *Trumped!* rips the mask off the mighty Trump facade—revealing a man whose castle is about to collapse.

A must-read riveting account of the worst year of our lives from the top Trump advisor who sounded the alarm about the China virus, Dr. Fauci's harmful recommendations, and the election fraud.

As RTÉ's Washington correspondent, Caitríona Perry has earned a reputation as a reliable source of truth as the world tries to make sense of the maelstrom of shocking headlines emanating from Donald Trump's America. In her first book, she goes beyond the news reports and delves into the American heartland where she witnessed his rise at first hand, while others were blindsided by his victory. Bringing to the table the voices of those who voted for President Trump, the ones whose opinions didn't coalesce with acceptable mainstream discourse – Hillary Clinton's so-called 'basket of deplorables' – Caitríona Perry reveals just what is really happening in America right now. This is the story of the American people who were angry and disillusioned by traditional politics. It is the story of the workers of the industrial heartland, of the women of America, of immigrant communities, of the people who viewed a wealthy businessman from the city of New York as 'one of us'. This is the story of the people who shook the world. 'Spellbindingly good. Journeying across America, Caitríona Perry masterfully takes us into the hearts and minds of those who voted for Donald Trump. A triumph of a book.' Prof. Gary Murphy, Head of the School of Law and Government, DCU 'From the Mexico border to the Oval Office, Caitríona Perry brings us to the coalface of one of the most tempestuous and extraordinary opening periods of any presidency in modern memory.' Ryan Tubridy 'In my visits to Ireland since the 2016 election, the most frequent question I get is "How could that happen?" Caitríona Perry answers it honestly and candidly as only someone who takes the time to understand could.' Cody Keenan, Chief Speechwriter to President Barack Obama 'Bringing us vivid voices from Trump country, and exploring the emotional landscape in which his campaign took root, this book deepens our understanding of the Trump phenomenon.' Anne Anderson, Former Irish Ambassador to the US. 'The hopes, contradictions and beliefs of Trump voters brilliantly told – a necessary and insightful book!' Joe Duffy 'This entertaining and insightful travelogue, through its attention to detail of both place and people, lays bare both the death and residual power of the American Dream.' Prof. Liam Kennedy, Clinton Institute for American Studies, UCD 'A genuinely fascinating chance to meet the most and least likely Trump voters and find out why his election was ultimately bound to happen.' Rick O'Shea

The instant #1 bestseller. "This taut and terrifying book is among the most closely observed accounts of Donald J. Trump's shambolic tenure in office to date." - Dwight Garner, *The New York Times* Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's presidency "I alone can fix it." So proclaimed Donald J. Trump on July 21, 2016, accepting the Republican presidential nomination and promising to restore what he described as a fallen nation. Yet as he undertook the actual work of the commander

Download Ebook In America Tales From Trump Country

in chief, it became nearly impossible to see beyond the daily chaos of scandal, investigation, and constant bluster. In fact, there were patterns to his behavior and that of his associates. The universal value of the Trump administration was loyalty—not to the country, but to the president himself—and Trump's North Star was always the perpetuation of his own power. With deep and unmatched sources throughout Washington, D.C., Carol Leonnig and Philip Rucker reveal the forty-fifth president up close. Here, for the first time, certain officials who felt honor-bound not to divulge what they witnessed in positions of trust tell the truth for the benefit of history. A peerless and gripping narrative, *A Very Stable Genius* not only reveals President Trump at his most unvarnished but shows how he tested the strength of America's democracy and its common heart as a nation.
