Deixis as a field of research has generated increased  
interest in recent years. It is crucial for a number of  
different subdisciplines: pragmatics, semantics, cognitive  
and contrastive linguistics, to name just a few. The  
subject is of particular interest to experts and students,  
philosophers, teachers, philologists, and psychologists  
interested in the study of their language or in comparing  
linguistic structures. The different deictic structures – not  
only the items themselves, but also the oppositions  
between them – reflect the fact that neither the notions of  
space, time, person nor our use of them are identical  
cross-culturally. This diversity is not restricted to the  
difference between languages, but also appears among  
related dialects and language varieties. This volume will  
provide an overview of the field, focusing on Romance  
languages, but also reaching beyond this perspective.  
Chapters on diachronic developments (language

change), comparisons with other (non-)European languages, and on interfaces with neighboring fields of interest are also included. The editors and authors hope that readers, regardless of their familiarity with Romance languages, will gain new insights into deixis in general, and into the similarities and differences among deictic structures used in the languages of the world.

Jennifer Shoals has documented amazing experiences from her inner life, offering us new directions for the human spirit. Joan Farnam, Journalist and Art Blogger An exciting journey into the dimensions of energy beyond the physical realm. Margaret Ann Nelson, Zero Balancing Practitioner and Homeopath Grandmother Dreams is a journey of the spirit: Travel through dreams as Jennifer Shoals shares her conversations with Universal Wisdom and Teachers from across the veil. These spiritual guides are encouraging us to evolve into the next layer of conscious reality. They ask us to place our Ego in service to Spirit, create a home for Spirit, and move our attention away from time in favor of space. The requested shift is more than an internal process. It also includes taking action, action with the purpose of moving Spirit and embodying Love of experiencing and expressing compassion. When we make this shift new ways of being will unfold. We will be moving human experience into the next evolutionary level of development.

In the summer of 1931, folklorist J. Manuel Espinosa traveled throughout northern New Mexico asking Spanish-speaking residents for cuentos de cuanto hay, tales of olden times. Espinosa's transcriptions were published in Spanish in 1937. Now storyteller Joe Hayes makes them available once again, in the original Spanish and now for the first time in English translation. To read

these stories is to enter a world where the devil may come knocking on your door and ask you to marry him--and where your mule can warn you not to accept the devil's offer! As old as any Old World fairy tales, these cuentos are also thoroughly New Mexican. An enchanted frog sits under a cottonwood tree, the king wears a serape, and the princess eats eggs and garbanzos at a wedding banquet. Parents and children, folklorists and students, anyone who loves a good tale will relish this collection.

A collection of poetry by one of the greatest Indigenous poets of the Americas about the vanished world of his childhood — that of the Maya K'iche'. *Aquí era el paraíso / Here Was Paradise* is a selection of poems written by the great Maya poet Humberto Ak'abal. They evoke his childhood in and around the Maya K'iche' village of Momostenango, Guatemala, and also describe his own role as a poet of the place. Ak'abal writes about children, and grandfathers, and mothers, and animals, and ghosts, and thwarted love, and fields, and rains, and poetry, and poverty, and death. The poetry was written for adults but can also be read and loved by young people, especially in this collection, beautifully illustrated by award-winning Guatemalan-American illustrator Amelia Lau Carling. Ak'abal is famous worldwide as one of the great contemporary poets in the Spanish language, and one of the greatest Indigenous poets of the Americas. Ak'abal first composed his poems in K'iche' in his mind before writing them down in Spanish. Key Text Features foreword biographical information poems translation Correlates to the Common Core State

These illuminating essays generally follow the chronology of the twentieth-century Spanish poet Luis Cernuda's creative life, beginning with the poet's early surrealist collections and encompassing his last volume of verse, *Desolacion de la quimera* (The disconsolate chimera). The select bibliography includes all significant items of Cernuda criticism of the past forty years.

Provides parents with useful principles of behavior and

six steps to deliberate discipline, describing what parents can do when they don't like what their child is doing.

Travel has often been taken as a metaphor for human life, and the concept of travel and the traveller has varied across centuries, cultural traditions, and social groups.

Following a diachronic overview of travel writing, this study considers some of the most important Italian writers of the late nineteenth and twentieth-centuries, such as D'Annunzio, Pirandello, Svevo, with particular focus on their note-books, letters, travel diaries, and reportage. An analysis of this material indicates that these authors collect their miscellaneous notes, in some cases, as private and personal documents, and in other instances to possibly develop future articles, essays or novels. It goes on to focus on the journey par excellence, the trip to America, regarded as an Eden. In many of their works, writers such as Ojetti, Giacosa, Cecchi, Piovene express their ambivalence towards a place often idealized as a land of freedom and opportunity, yet also acknowledged as a land where oppression and violence are all too real. The study attempts to demonstrate how all the traveller-writers discussed "translate" their sense of discovery in their books, and the extent to which that sense affects the conception of each of the texts.

The new 'Collins Concise Spanish Dictionary' is based on the latest edition of the 'Collins Spanish Dictionary' and has additional features which will help users speak and write natural, accurate Spanish. Previous ed.: 2002. The culture, history, and spirit of the Hispanic Southwest are brought to readers through this fascinating collection of 45 cuentos (stories and legends) from the region. From ancient creation myths of the Aztecs and traditional tales of Spanish colonialists to an eclectic sampling of the work of modern Latino storytellers, this book provides a rich tapestry of both obscure and well-loved stories- religious stories; animal tales; stories of magic, transformation, and wisdom; and chistes (short comic tales). Fifteen tales are also presented in Spanish. The

origin and historical development of the stories are examined in an introductory chapter. A discussion of dichos (proverbs) and adivinanzas (riddles) illuminates the larger context of the oral tradition in which the tales have flourished. Lavishly illustrated with pictures of original paintings and sculpture by contemporary Latino artists, this fascinating collection will appeal to children and adults alike and is a must for the multicultural class.

'Studia typologica' ist der Titel der Beihefte zur Zeitschrift 'Sprachtypologie und Universalienforschung/Language Typology and Universals (STUF)'. In den 'Studia typologica' werden Beiträge veröffentlicht, die vielversprechende neue Themen im Bereich der allgemein-vergleichenden Sprachwissenschaft ansprechen. Photographs by Lewis P. Wilkerson StreetWays: Chronicling the Homeless in Miami is a collection of interviews with 28 homeless individuals living in downtown Miami and Miami Beach. Besides extensive photographs of these people and their

lives on the street, the book also includes interviews with social service providers, as well as a detailed analysis of homelessness in the United States and more specifically in Miami. The work concludes with a policy analysis and suggestions for addressing issues of homelessness in Miami and the nation. StreetWays attempts to make clear how and why homelessness occurs, and what the actual lives and experiences of the homeless are about. Through extensive interviews and extensive documentary photographs, a selected group of homeless Miamians lose their invisibility as their experiences, needs and aspirations are reported. The book calls for a better understanding of the experience of homelessness places such as Miami, and of the need to understand homelessness as an issue of diversity and human rights.

Roberto Castaneda, the dashing commander-in-chief of the armed forces of the Dominican Republic, has freed his beloved country from the ravages of the Civil War and settled down with his beautiful bride, Shane. Unfortunately, Shane is adored not only by Roberto, but also by an unlikely admirer with the potential to destroy them all. Unaware that danger lurks in the shadows, Roberto and Shane live seemingly ordinary lives in a large villa in Monte Cristi, where they have raised their three children, twins Frederik and Enrique and their younger sister, Camille. Housed behind their villa is the

headquarters of the world-famous group of specially trained bodyguards called Da Elegidos, the brainchild of Ramon Rubenstein, the eccentric family bodyguard who has been with the Castanedas for over twenty-five years and who is now husband to their daughter, Camille. But when Sierra Castille, an extremely dangerous she-devil, moves in next door to the Castanedas, no one has any idea of the power behind her poisonous tentacles. In this continuing tale of life, unconditional love, tragedy, and death, the one forever tortured by forbidden love for the woman he cannot have is about to make a move that will change everything.
