Step Beast Selena Kitt,2015-08-26 They call him Beast because he fights and f*cks like one. Because he's built like the tanks he rode in Afghanistan. Beneath Conrad Beast Beeston III's fierce, intense gaze, his brooding temperament, his knuckles scarred from fighting, lurks a wild man, his strong, broad back darkly inked with his own hard truths. He only has one mode, and Beast is it. He ripped through Tilly's life, tearing it to shreds, and then he was gone, giving a stiff middle finger to a life of entitlement. He left her like he leaves them all-with little more than a broken heart. But for Tilly, there was one more thing. He left her with an unbearable secret she's been forced to keep for years. Tilly's privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed she'd never see her Devil Dog stepbrother again? Now he's coming home-and she's forced to face his cocky smirk and arrogant swagger, to look once again into the eyes of the monster who left her. Forced to confront him, what she sees is a raw, broken, tortured man who just might be the only person she knows keeping even bigger secrets than she is. Worse, she still wants him. Even if it means breaking everything in her life wide open-even if it means unleashing the Beast.

Heidi and the Kaiser Selena Kitt,2009-12-22 Mousy little Heidi is a wanna-be designer who works as nothing more than a glorified go-fer for one of the largest and most well-known companies in the world of fashion. When she accidentally stains CEO Mr. Kaiser's pants, she gets two things she didn't expect—a spanking...and a job. Kaiser hires her as his assistant, and her “training” proves to be quite a test of surrender.-----Warning: This title contains erotic situations, graphic language,

spanking, domination, submission, and an office romance hot enough to leave handprints!.-----*~*~2011 EPIC AWARD FINALIST~*~*~-----EXCERPT:Heidi took a deep breath, glancing around the office. I've never been anyone's secretary.He shook his head, smiling. Irrelevant. You have what I need.I... do? She met his eyes, her breath coming a little faster as she squirmed in her seat. His eyes were dark, moving over her, and she couldn't help remembering the incident in the bathroom.I need someone who can follow orders. He leaned back in his chair again and she could see the memory of yesterday in his eyes. Who would be willing to do whatever I asked. You showed me yesterday that you are... quite willing.Heidi swallowed, pressing her damp palms to her shorts. I'm not sure I know what you mean?Yes, you do. His eyes were smiling. I compensate very well. You would be my assistant, answering my calls, handing my correspondence and taking care of my professional and personal needs during the day. Would you be interested in such an arrangement?It wasn't the promise of money or the poshness of his office, or even the fact that he was the head of one of the richest fashion companies in the world -- it was the way he looked at her, with nothing concealed or disguised. His eyes saw directly through her, and there was no smugness in the way it appeared as if he had her figured out, because he had. They both knew it, and there was only one answer she could give him.Yes. She squeezed her hands together, her legs, too. Sir.He gave her a nod. Good. I think we'll both be satisfied with the arrangement.Opening the top drawer of his desk, he withdrew a large white envelope and slid it across the blotter. Heidi didn't know if she should take it or not, so she kept her hands clasped, just looking from him to the envelope.This contains general information about Kaiser, which you have already, of course, since you are essentially already in my employ, he explained. There is also a contract and information about duties as well as your salary and benefits.She nodded, looking at his hand, the buffed, square nails, resting on the stark envelope. Her bottom tingled, remembering how red his palm had been after he spanked her. Shifting in her seat, she crossed one knee over the other, trying to make herself more comfortable with the yearning ache between her legs.If, for some reason, you read those over and change your mind... He nodded toward the envelope. You simply need to tell me, and you will consequently stay in your current position.I can't imagine why I would object.No. He smiled. I don't imagine you will. In spite of the apparent haste of my offer, I actually choose my assistants quite carefully.Standing, he leaned his palms on the desk blotter, his eyes moving down the front of her t-shirt, looking at her hands in her lap. Now, there is just the matter of your tardiness.Her heart leapt and she met his eyes, feeling faint. My... tardiness?Mr. Kaiser reached underneath the desk and Heidi heard the door behind her lock. The sound made her mouth go dry.One of the things that I cannot abide is lateness. He reached down and unbuckled his belt. She felt faint as she watched it slipping through the loops of his pants.

The Baumgartners Plus One Selena Kitt,2011-01-28 When Danielle Stuart meets the Baumgartners, her life doesn't need to get any more complicated. Studying Italian on scholarship at the University of Michigan, Dani is haunted by a horrible tragedy that her husband, Mason, simply can't come to terms with. But when she meets Carrie Baumgartner, and

then her handsome husband, Doc, she finds her attraction to the couple irresistible, no matter how complicated things might get. While the two women bond over being childless and yet surrounded by children in the university's married housing complex, it's Doc Baumgartner who really brings them together with a game-changing idea that serves to reshape all of their lives. -----WARNING: 18+ ONLYThis title contains erotic situations and graphic language, and makes mention of porn, strippers, high heels, snow angels, wishbones, micro bikinis, white hot sand, Victoria's Secret, birth control, mittens, kitty cats, margaritas and various other alcoholic beverages, plus a plethora of sex including girl on girl, anal sex and a (mff) threesome in true Selena Kitt style.-----

Hussy Selena Kitt, 2013-08-31 The Eskimos may have over a hundred words for snow, but that doesn't even come close to how many words the English language has for "slut"—and Lindsey has been called them all. "Hussy" is Lindsey's personal favorite, given to her by her own grandmother, who likes to pat her on the hand and whisper, "Don't worry, dear—a hussy is just a woman with the morals of a man." But Lindsey's not ashamed of her reputation. She knows she's earned it—and she's proud of it. After all, you only live once, right? In fact, she goes out of her way to make it known to every guy she comes in contact with, she's available for the taking—the rougher, the better. That is until Lindsey meets Lieutenant Zachary Davis, a man who refuses to treat her like the trash she believes she really is. But can Lindsey change her impulsive ways and learn to value herself the way the Zach does? Warnings: This title contains graphic language and extreme sexual situations as well as a girl with a slutty attitude bigger than Texas covering a haunted past, and a sweet, hot man in uniform dead set on rescuing her from herself. Note to Readers: This novel was previously released as "Falling Down."

M. Butterfly David Henry Hwang, 1993-10-01 David Henry Hwang's beautiful, heartrending play featuring an afterword by the author - winner of a 1988 Tony Award for Best Play and nominated for the 1989 Pulitzer Prize Based on a true story that stunned the world, M. Butterfly opens in the cramped prison cell where diplomat Rene Gallimard is being held captive by the French government—and by his own illusions. In the darkness of his cell he recalls a time when desire seemed to give him wings. A time when Song Liling, the beautiful Chinese diva, touched him with a love as vivid, as seductive—and as elusive—as a butterfly. How could he have known, then, that his ideal woman was, in fact, a spy for the Chinese government—and a man disguised as a woman? In a series of flashbacks, the diplomat relives the twenty-year affair from the temptation to the seduction, from its consummation to the scandal that ultimately consumed them both. But in the end, there remains only one truth: Whether or not Gallimard's passion was a flight of fancy, it sparked the most vigorous emotions of his life. Only in real life could love become so unreal. And only in such a dramatic tour de force do we learn how a fantasy can become a man's mistress—as well as his jailer. M. Butterfly is one of the most compelling, explosive, and slyly humorous dramas ever to light the Broadway stage, a work of unrivaled brilliance, illuminating the conflict between men and women, the differences between East and West, racial stereotypes—and the shadows we cast around our most cherished illusions. M.

Butterfly remains one of the most influential romantic plays of contemporary literature, and in 1993 was made into a film by David Cronenberg starring Jeremy Irons and John Lone.
