

## Ink Paint The Women Of Walt Disneys Animation Disney Editions Deluxe

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

The groundbreaking New York Times bestseller, *Women in Science* by Rachel Ignotofsky, comes to the youngest readers in board format! Highlighting notable women's contributions to STEM, this board book edition features simpler text and Rachel Ignotofsky's signature beautiful illustrations to give young girls the perfect role models to grow up with while inspiring a love of science. The collection includes diverse women across various scientific fields, time periods, and geographic location. The perfect gift for every curious little girl!

This publication contains a survey of female abstract expressionist artists, revealing the richness and lasting influence of their work and the movement as a whole as well as highlighting the lack of critical attention they have received to date.

"Black women's heads of hair are galaxies unto themselves, solar systems, moonscapes, volcanic interiors." —Elizabeth Alexander, from the Introduction Using advertising photographs of black women (and men) drawn from vintage issues of *Ebony* and *Jet* magazines, the exquisite and thought-provoking collages of world-renowned artist Lorna Simpson explore the richly nuanced language of hair. Surreal coiffures made from colorful ink washes, striking geological formations from old textbooks, and other unexpected forms and objects adorn the models to mesmerizingly beautiful effect. Featuring 160 artworks, an artist's statement, and an introduction by poet, author, and scholar Elizabeth Alexander, this volume celebrates the irresistible power of Simpson's visual vernacular.

"Featuring 70 works in various media--paintings, calligraphy, photographs, woodblock prints, video, and sculpture--that were created during the past three decades, *Ink Art: Past as Present in Contemporary China* will demonstrate how China's ancient pattern of seeking cultural renewal through the reinterpretation of past models remains a viable creative path. Although all of the artists have transformed their sources through new modes of expression, visitors will recognize thematic, aesthetic, or technical attributes in their creations that have meaningful links to China's artistic past. The exhibition will be organized thematically into four parts and will include such highlights as Xu Bing's dramatic *Book from the Sky* (ca. 1988), an installation that will fill an entire gallery; *Family Tree* (2000), a set of vivid photographs documenting a performance by Zhang Huan in which his facial features--and his identity--are obscured gradually by physiognomic texts that are inscribed directly onto his face; and *Map of China* (2006) by Ai Weiwei, which is constructed entirely of wood salvaged from demolished Qing dynasty temples." --

A guide to Japanese ink painting provides information on techniques and materials needed, along with step-by-step exercises.

Comprehensive instruction on drawing with pen and ink and coloring with watercolor paint.

"One-brush" sumi-e is an easy, entertaining way to express on paper the moods and images of nature. Everything you need to know is contained in this book. All the brush skills you learn lead step by step into full compositions. Drawings, photos, and simple text explain every stroke with dozens of examples to copy and practice. Sumi-e is easy to learn and fun to do. It could be just what you're looking for!

An empowering and educational alphabet picture book about women artists, perfect for fans of *Rad American Women A-Z*. How many women artists can you name? From Frida Kahlo and Georgia O'Keeffe, to Jaune Quick-to-See Smith and Xenobia Bailey, this lushly illustrated alphabet picture book presents both famous and underrepresented women in the fine arts from a variety of genres: painting, drawing, sculpture, photography, and more. Each spread features a simple line of text encapsulating the creator's iconic work in one word, such as "D is for Dots" (Yayoi Kusama) and "S is for Spider" (Louise Bourgeois), followed by slightly longer text about the artist for older readers who would like to know more. Backmatter includes extended biographies and discussion questions for budding creatives and trailblazers. Artists featured: Mirka Mora, Betye Saar, Helen Frankenthaler, Yayoi Kusama, Kay Sage, Georgia O'Keeffe, Agnes Martin, Jaune Quick-to-See Smith, Elizabeth Catlett, Judith Leyster, Leonora Carrington, Carmen Herrera, Edmonia Lewis, Maya Lin, Hilma af Klint, Maria Martinez, Gee's Bend quilters, Frida Kahlo, Louise Bourgeois, Lois Mailou Jones, Alice Neel, Helen Zughaib, Ursula von Rydingsvard, Dorothea Lange, Xenobia Bailey, and Maria Sibylla Merian.

The Los Angeles Times Bestseller A Tor.com Most Anticipated Book of 2019 A PureWow "Book We Can't Wait to Read in 2019" A Bustle Nonfiction Book Coming Out In 2019 To Start Getting Excited About *The Lady from the Black Lagoon* uncovers the life and work of Millicent Patrick—one of Disney's first female animators and the only woman in history to create one of Hollywood's classic movie monsters As a teenager, Mallory O'Meara was thrilled to discover that one of her favorite movies, *Creature from the Black Lagoon*, featured a monster designed by a woman, Millicent Patrick. But for someone who should have been hailed as a pioneer in the genre, there was little information available. For, as O'Meara soon discovered, Patrick's contribution had been claimed by a jealous male colleague, her career had been cut short and she soon after had disappeared from film history. No one even knew if she was still alive. As a young woman working in the horror film industry, O'Meara set out to right the wrong, and in the process discovered the full, fascinating story of an ambitious, artistic woman ahead of her time. Patrick's contribution to special effects proved to be just the latest chapter in a remarkable, unconventional life, from her youth growing up in the shadow of Hearst Castle, to her career as one of Disney's first female animators. And at last, O'Meara discovered what really had happened to Patrick after *The Creature's* success, and where she went. A true-life detective story and a celebration of a forgotten feminist trailblazer, Mallory O'Meara's *The Lady from the Black Lagoon* establishes Patrick in her rightful place in film history while calling out a Hollywood culture where little has changed since.

Capture the beauty and charm of wonderful weathered buildings! Paint may fade and iron may rust, but the character of buildings strengthens with age. Join Claudia Nice as she shows you how to portray the mellow hues, weathered wood, cracked windowpanes and other imperfections that make old buildings perfectly wonderful subjects to paint. Using the exciting combination of pen, ink and watercolor, Claudia will help you discover the joy of painting barns, farmhouses, painted ladies, southern mansions and other beautiful, classic buildings. Like a treasured artist's journal, this book is filled with art, inspiration and handwritten notes, along with Claudia's friendly, step-by-step instruction.

Explore the ancient technique of Japanese ink painting. The art of sumi-e, which means "ink picture," combines calligraphy and ink-painting to produce brush painting compositions of rare beauty. This beauty is paradoxical—ancient but modern, simple but sophisticated, bold but subdued—no doubt reflecting the art's spiritual basis in Zen Buddhism. At the same time, sumi-e painting is firmly rooted in the natural

world, its various techniques serving as the painter's language for describing the wonders of nature. Buddhist priests brought the ink stick and the bamboo-handled brush to Japan from China in the sixth century, and over the past fourteen centuries, Japan has developed a rich heritage of ink-painting. Today the artistry of sumi-e can be admired in books, reproductions, and museums, but the techniques of the art have been much less accessible. As a result, little information has been available to the inquisitive Western artist attracted to Japanese sumi-e. This book, designed to help remedy that deficiency, is the product of the author's study with her teacher, Ukai Uchiyama, master calligraphist and artist. It contains extensive explanations of technique as well as detailed painting instructions and diagrams. Pour and paint your way to stunning fluid effects. In *Creative Alcohol Inks*, artist and Instagrammer Ashley Mahlberg of @inkreel shares step-by-step techniques for creating spontaneous, organic effects with this vibrant transparent medium. Get an overview of essential materials, substrates, and finishes. Explore techniques for applying alcohol inks, such as pouring, creating texture, lifting, masking, adding embellishments, and more. Learn helpful troubleshooting tips and tricks. Use what you've learned to create one-of-a-kind artworks and stylish projects. Find your creative flow with *Creative Alcohol Inks!* Perfect for creative beginners, the books in the *Art for Modern Makers* series take a fun, practical approach to learning about and working with paints and other art mediums to create beautiful DIY projects and crafts.

An updated edition of the classic work on ink drawing, providing comprehensive instruction in, information about, and illustration of all aspects and techniques of rendering

A guide to creating country garden art reviews basic watercolor techniques including glazing and texturing as well as basic pen-and-ink techniques for producing a variety of line textures, in a volume complemented by demonstrations on how to add country scene details.

A *New York Times*, *USA Today*, *Wall Street Journal*, and *Amazon Charts Bestseller!* For fans of *Hidden Figures*, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the "wonder" substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

There are no secrets in *Saintstone*. From the second you're born, every achievement, every failing, every significant moment are all immortalized on your skin. There are honorable marks that let people know you're trustworthy. And shameful tattoos that announce you as a traitor. After her father dies, Leora finds solace in the fact that his skin tells a wonderful story. That is, until she glimpses a mark on the back of his neck . . . the symbol of the worst crime a person can commit in *Saintstone*. Leora knows it has to be a mistake, but before she can do anything about it, the horrifying secret gets out, jeopardizing her father's legacy . . . and Leora's life. In her startlingly prescient debut, *Alice Broadway* shines a light on the dangerous lengths we go to make our world feel orderly—even when the truth refuses to stay within the lines. This rich, lyrical fantasy with echoes of Orwell is unlike anything you've ever read, a tale guaranteed to get under your skin . . .

Describes ways artists can use traditional animation techniques with computer technology.

Based on Mindy Johnson's critically acclaimed *Disney Editions* title, *Ink & Paint: The Women of Walt Disney's Animation*, this nonfiction picture book is a fun and inspiring look at many of the amazing women who have worked at Disney Animation over the years—from Story Artists, to Animators to Inkers and Painters, all with unique personalities and accomplishments, such as becoming a record-holding pilot, or designing Hollywood monsters, or creating an international club for tall people!

In this Japanese ink painting book renowned Japanese master Shozo Sato offers his own personal teaching on the beautiful art of sumi-e painting. *Sumi-e: The Art of Japanese Ink Painting* provides step-by-step, photo-by-photo instructions to guide learners in the correct form, motions and techniques of Japanese sumi-e painting. Featuring gorgeous images and practical advice, it includes guided instructions for 35 different paintings. From waterfalls to bamboo, learners paint their way to understanding sumi-e—a style of painting that is characteristically Asian and has been practiced for well over 1,000 years. Although it's sometimes confused with calligraphy, as the tools used are the same, sumi-e instead tries to capture the essence of an object or scene in the fewest possible strokes. This all-in-one resource also provides a timeline of brush painting history, a glossary of terms, a guide to sources and an index—making it a tool to use and treasure, for amateurs and professionals alike. This sumi-e introduction is ideal for anyone with a love of Japanese art or the desire to learn to paint in a classic Asian style.

This biography of Vincent van Gogh's sisters tells the fascinating story of the lives of these women whose history has largely been neglected. Many people are familiar with the life and art of Vincent van Gogh, and his extensive correspondence with his brother Theo. But their sisters—Ana, Lies, and Wil van Gogh—have gone overlooked until now. In this compelling group biography based on extensive primary resources, art historian Willem-Jan Verlinden brings Vincent's three sisters into the spotlight. At a time when the feminist movement was beginning to take root and idealists were clamoring for revolution, the Van Gogh sisters recorded their aspirations and dreams, their disappointments and grief. Based on little-known correspondence between the sisters, this fascinating account of these remarkable women captures a moment of profound social, economic, and artistic change. With great clarity and empathy, *The Van Gogh Sisters* relates the sisters' intimate discussions of art, poetry, books, personal ambitions, and employment. Their story will resonate with readers and broaden understandings of Vincent van Gogh's childhood. Set against the backdrop of a turbulent period in nineteenth-century history this story sheds new light on these impressive women, deepening our understanding of this unique and often troubled family.

**WINNER OF A NATIONAL JEWISH BOOK AWARD A USA TODAY BESTSELLER** "A gifted writer, astonishingly adept at nuance, narration, and the politics of passion."—Toni Morrison Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is

permitted to scribe for a blind rabbi, just before the plague hits the city; and Helen Watt, an ailing historian with a love of Jewish history. When Helen is summoned by a former student to view a cache of newly discovered seventeenth-century Jewish documents, she enlists the help of Aaron Levy, an American graduate student as impatient as he is charming, and embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph." Electrifying and ambitious, *The Weight of Ink* is about women separated by centuries—and the choices and sacrifices they must make in order to reconcile the life of the heart and mind.

How did Tinker Bell get her name? In J. M. Barrie's original version of the play "Peter Pan," the little sprite's name was Tippytoe, and she had speaking lines. But over time, Barrie decided that the fairy's expressions would be best voiced by musical chimes. During the early 1900s, vagabonds known as tinkers traveled from town to town, performing jack-of-all-trade repair services. Their arrival was hailed by the jingling of bells fashioned from tin that they mounted on their wagons. One of these "tinker bells" was used to give Peter's fairy friend her voice in the original stage production, and the name stuck. Now, more than a hundred years later, it is difficult to believe that this popular pixie began as a circle of lamplight, reflected in a mirror controlled by a stage hand behind the curtains. She is now the center of a major Disney franchise, she flies through the skies in Orlando and Anaheim introducing the nightly fireworks displays, and she opens every Walt Disney Pictures film with a sprinkling of pixie dust. *Tinker Bell: An Evolution* is a full biography of the fiery little fairy. Designed in collaboration with the Animation Research library, it contains artwork that has never been seen before. The book is heavily illustrated, highly detailed, and will make the perfect gift for every grown-up who believes in fairies.

*Guerrilla Girls: The Art of Behaving Badly* is the first book to catalog the entire career of the Guerrilla Girls from 1985 to present. The Guerrilla girls are a collective of political feminist artists who expose discrimination and corruption in art, film, politics, and pop culture all around the world. This book explores all their provocative street campaigns, unforgettable media appearances, and large-scale exhibitions. • Captions by the Guerrilla Girls themselves contextualize the visuals. • Explores their well-researched, intersectional takedown of the patriarchy In 1985, a group of masked feminist avengers—known as the Guerrilla Girls—papered downtown Manhattan with posters calling out the Museum of Modern Art for its lack of representation of female artists. They quickly became a global phenomenon, and the fearless activists have produced hundreds of posters, stickers, and billboards ever since. • More than a monograph, this book is a call to arms. • This career-spanning volume is published to coincide with their 35th anniversary. • Perfect for artists, art lovers, feminists, fans of the Guerrilla Girls, students, and activists • You'll love this book if you love books like *Wall and Piece* by Banksy, *Why We March: Signs of Protest and Hope* by Artisan, and *Graffiti Women: Street Art from Five Continents* by Nicholas Ganz Splatter, stamp, scrape, repeat. A quick-start guide to beautifully layered and textured abstracts! While there are many approaches to painting abstract art, Jodi Ohl's philosophy is to simply start. In this book, the successful, self-taught artist helps you "dive in with an open mind and fearless heart." Everything inside is geared toward kick-starting your creativity: • An exciting series of 22 fun-to-follow, step-by-step projects. • A tantalizing variety of approaches and inspirations for applying and manipulating paint, crayons, pencils, ink, paper, photos and more. • Quick and loose exercises for building a library of ideas, color palettes, patterns and designs to use in future paintings. • Loads of practical advice, including how to stock your studio without going broke, the five must-haves mediums, and how to finish and protect your artwork. For beginners eager to get to the "good stuff" and for artists looking to expand their repertoire, it just doesn't get any better. Every action-packed page will have you trying something new and pushing your boundaries! Make marbled acrylic skins \* Add a stain \* Discover instant gratification with Yupo paper \* Achieve the wonderfully aged look of image transfers \* Play with graffiti-style art \* Experiment with gel mediums \* Incorporate non-commercial add-ins like eggshells and netting \* Create incredible abstract landscapes and cityscapes \* And so much more!

Create worlds of incredible pen, ink and watercolor art with Claudia Nice! Let best-selling author and artist Claudia Nice show you how to create incredible art in pen, ink and watercolor. She makes it easy by covering all the drawing and painting basics—everything from materials and texture techniques to color theory and special effects. It's a one-of-a-kind course in making extraordinary art, from mastering value, contrast and definition to getting your surface techniques just right. You'll never run out of ideas or challenges. In fact, this incredible volume—a compilation collection some of the finest instruction from Claudia's best-selling books—contains enough instruction, inspiration and gorgeous art to keep you drawing, painting and enjoying the outdoors for years to come.

A dazzlingly original and ambitious book on the history of female self-portraiture by one of today's most well-respected art critics. Her story weaves in and out of time and place. She's Frida Kahlo, Loïs Mailou Jones and Amrita Sher-Gil en route to Mexico City, Paris or Bombay. She's Suzanne Valadon and Gwen John, craving city lights, the sea and solitude; she's Artemisia Gentileschi striding through the streets of Naples and Paula Modersohn-Becker in Worpswede. She's haunting museums in her paint-stained dress, scrutinising how El Greco or Titian or Van Dyck or Cézanne solved the problems that she too is facing. She's railing against her corsets, her chaperones, her husband and her brothers; she's hammering on doors, dreaming in her bedroom, working day and night in her studio. Despite the immense hurdles that have been placed in her way, she sits at her easel, picks up a mirror and paints a self-portrait because, as a subject, she is always available. Until the twentieth century, art history was, in the main, written by white men who tended to write about other white men. The idea that women in the West have always made art was rarely cited as a possibility. Yet they have - and, of course, continue to do so - often against tremendous odds, from laws and religion to the pressures of family and public disapproval. In *The Mirror and the Palette*, Jennifer Higgie introduces us to a cross-section of women artists who embody the fact that there is more than one way to understand our planet, more than one way to live in it and more than one way to make art about it. Spanning 500 years, biography and cultural history intertwine in a narrative packed with tales of rebellion, adventure, revolution, travel and tragedy enacted by women who turned their back on convention and lived lives of great resilience, creativity and bravery.

What happens when a mouse that loves to paint meets a cat that loves to draw? At first enemies, and then reluctant friends, the two learn to work together and use their wits and art techniques to join forces to create beautiful works of art. *Scribbles & Ink* inspires children to doodle and draw with their parents and friends, showing that working together with someone different than ourselves can still make great artwork. With step-by-step instructions guiding the two artists to first paint and then draw, children and their parents can work together to create doodled scenes and drawings. Activities include drawing and painting a variety of doodled animals and people, with funny side commentary from the ever-arguing Scribbles the cat and Ink the mouse. Disaster-piece becomes masterpiece with this concealed spiral-bound book with enclosed watercolor paints and colored pencils, teaching children not only about creativity and self-expression, but also about sharing, patience, and working together as a team. As a bonus, two fold-out, removable posters are bound into the back of the book for young artists to create their final masterpieces using the painting and drawing techniques they've learned throughout the book. Chock-full of action and step-by-step illustrations, *Scribbles & Ink* is a must-have for young artists eager to learn about friendship and the benefits of teamwork.

This resource covers all the materials and techniques of drawing with ink.very type of pen, brush, ink, drawing surface and technique is described.

Established in October 1923, the Ink & Paint Department set up shop at the first Disney studios on Kingswell Avenue in Los Angeles before moving to the Disney Hyperion Studio, and finally to the Burbank Studios in 1940. At the height of production, the staff was comprised primarily of women, numbering more than 250 artists and technicians. Today, this vital division continues with a small number of talented artists who keep the hand-made magic alive, even with the advent of 3-D animation. In this glossy volume, featuring never-before-seen photos, artwork, and detailed accounts, the process, techniques, and contributions of the women-and men-who defined the Walt Disney Studio's legendary Ink & Paint Department over the years are carefully explored, preserved, and shared for future generations.

Text by Jason C. Kuo.

Ink & PaintThe Women of Walt Disney's AnimationDisney Editions

Learn the magic of the toned paper in bringing your pen, ink and watercolor sketches alive! Are you a beginner sketcher? Or are you a seasoned sketcher looking to infuse some magic in your illustrations? Do you think that the average art instruction book omits too many steps in explaining the illustration techniques? Then this book is for you. Why combine pen, inks and watercolor for illustrations? And why use toned paper? Pen and ink are the ideal tools to create mind-blowing textures and contrasts in illustrations. Watercolor painting is appealing for the charming effects it creates but notorious for its unpredictability. Toned paper brings in a surreal charm to the pen-ink-watercolor sketches. A toned paper can be used to create a vintage feel or to create unexpected, vivid color effects. What will you learn in this book? - Understanding shapes and values. - Color theory - complementary colors, warm and cool colors. - Composition and coloring techniques. Of course, the real learning happens by doing, not just reading. So, we will implement all the shading techniques and the brush techniques into ten step-by-step demonstrations. Each demonstration will teach you how to do the initial rough pencil sketch, line work using pens, and coloring. The ten step-by-step demonstrations will cover the following topics: A Ladybug We will begin our exercises by painting a beautiful Ladybug on beige paper. This is a simple exercise where we will learn to create a luster effect using white paint. An Old Wall and Door You will learn to create exquisite textures using pens, ink, and watercolor in this exercise. Reflection of a Tree You will venture to the dark side by doing our first painting on black paper. You will learn to paint loose and take advantage of the paper color. The Waterfall You will paint a beautiful waterfall in the jungle. You will also learn to use overlapping elements to create depth in a painting. The Garden Steps You will learn to simplify a seemingly complex subject and add some jazz to the painting using white highlights. The Bicycle You will paint a beautifully charming, yet neglected bicycle surrounded by thick foliage. You will learn to handle complex overlapping elements in this illustration. A Path in the Forest You will again visit the black paper in this illustration. In this illustration, you will learn an interesting technique of painting fog and creating many levels of depth in a painting on black paper. The White Church A painting with various elements and their complex interactions with each other. This is one of the most demanding paintings in this book. The Yellow Boat A simple yet beautiful illustration of a boat and the lapping waves around it. Learn to use a limited palette to paint beautiful illustrations. An Autumn House You will learn to declutter a seemingly overwhelming subject in this complex exercise. You will also learn to understand how to handle highly complex overlapping elements.

As an Iranian woman, Shirin Neshat's startling photographs convey a power that is more than merely exotic. Veiled women brandish guns in defiant stances, with Arabic calligraphy drawn upon the background of the photos. Though their non-Western iconography may at first disorient the viewer, these pictures have a boldly stylized look that is utterly compelling.

Quiet does not equal weak... Leaving a dependable job to apprentice as a tattoo artist was a drastic step after surviving breast cancer, but Cassie Whiteaker is nearly five years cancer-free. Nearly. She's not ready to go out on her own until she clears that all-important hurdle. Also off-limits are relationships and sex—something Cassie is sure she'll never want again. Struggling tattoo shop owner MJ Flores doesn't give a damn what people think, but losing Thorn & Thistle would mean losing everything. When her former mentor's protégé arrives at her door, MJ hires her out of obligation...at first. Cross-stitching goody-goodies are not her type, but Cassie's business background might just get the shop back on solid footing. They strike a bargain: Cassie will enact new marketing plans and MJ will teach her to find her inner bitch. Only when clients request to see Cassie—having learned of the beautiful, compassionate tattoos she creates for survivors and their families—does MJ realize all Cassie has endured. And as Cassie's fears fade, she finds it harder to keep her admiration for her bad-girl boss from reawakening all she'd feared was lost. This book is approximately 82,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

#1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- The New York Times From the revered British illustrator, a modern fable for all ages that explores life's universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book based on his famous quartet of characters. The Boy, the Mole, the Fox, and the Horse explores their unlikely friendship and the poignant, universal lessons they learn together. Radiant with Mackesy's warmth and gentle wit, The Boy, the Mole, the Fox, and the Horse blends hand-written narrative with dozens of drawings, including some of his best-loved illustrations (including “Help,” which has been shared over one million times) and new, never-before-seen material. A modern classic in the vein of The Tao of Pooh, The Alchemist, and The Giving Tree, this charmingly designed keepsake will be treasured for generations to come.

A stirring debut novel-of love, struggle, and savagery on America's colonial frontier- (Bernard Cornwell). They call her Dark Maggie for her thick black hair, but the name also has a more sinister connotation. As the lone survivor of an attack on her village, she was thought to be cursed, and unfit for marriage. Maggie is also gifted with quick wits and skilled

in medicine, trained as a midwife. Venturing to the colonies as an indentured servant, she hopes to escape the superstitions of the old country, and find a home of her own. But what she discovers is a New World fraught with new dangers.

Illus. in full color. "Ringgold recounts the dream adventure of eight-year-old Cassie Louise Lightfoot, who flies above her apartment-building rooftop, the 'tar beach' of the title, looking down on 1939 Harlem. Part autobiographical, part fictional, this allegorical tale sparkles with symbolic and historical references central to African-American culture. The spectacular artwork resonates with color and texture. Children will delight in the universal dream of mastering one's world by flying over it. A practical and stunningly beautiful book."--(starred) Horn Book.

From the bestselling author of *Rise of the Rocket Girls*, the untold, "richly detailed" story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, *New York Times* bestselling author of *Hidden Figures*). From *Snow White* to *Moana*, from *Pinocchio* to *Frozen*, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often ruthless male-dominated industry and who have slipped under the radar for decades. In *The Queens of Animation*, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and based on extensive interviews and exclusive access to archival and personal documents, *The Queens of Animation* reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering *Frozen*, Disney's first female-directed full-length feature film. A Best Book of 2019: *Library Journal*, *Christian Science Monitor*, and *Financial Times*

The Toronto Ink Company was founded in 2014 by designer and artist Jason Logan as a citizen science experiment to make eco-friendly, urban ink from street-harvested pigments. In *Make Ink*, Logan delves into the history of inkmaking and the science of distilling pigment from the natural world. Readers will learn how to forage for materials such as soot, rust, cigarette butts, peach pits, and black walnut, then how to mix, test, and transform these ingredients into rich, vibrant inks that are sensitive to both place and environment. Organized by color, and featuring lovely minimalist photography throughout, *Make Ink* combines science, art, and craft to instill the basics of ink making and demonstrate the beauty and necessity of engaging with one of mankind's oldest tools of communication.
