Delivering WOW is a blueprint for running and growing a dental practice. Dr. Anissa Holmes was sick of working too much and earning too little, so she decided to do something about it. After years of learning and experimentation, she developed a simple, high-impact process to run and grow a dental practice that turned her office into a high-profit practice with over 50,000 raving Facebook fans and a reliable team she can trust to handle anything that comes their way. With this newly-updated and expanded version of a book that helped thousands of dentists build more profitable and enjoyable dental practices, Dr. Holmes walks dentists through building a winning team, maximizing profitability, and reliably growing patient numbers without having to waste time and money on expensive and ineffective advertising methods. If you're tired of feeling guilty, stressed, and frustrated by your practice and want to build one that allows you to make more, work less, and have a meaningful impact in the world, Delivering WOW is the step-by-step plan for you!

Is Your Marketing as Simple, Effective, and Affordable as Duct Tape? Let's face it, as a small business owner, you are really in the business of marketing. The problem for most small business owners is that they suffer from "marketing idea of the week" syndrome instead of implementing a systematic approach to the problem of small business marketing. In Duct Tape Marketing, renowned Small Business Marketing guru John Jantsch shows you how to develop and execute a marketing plan that will give your business the life and longevity you knew you could have when you made that decision to go out on your own. CAREFUL! Duct tape is a serious tool... it sticks where you put it. So are the ideas in this book. If you're ready to make a commitment and are willing to make something happen, John's book is a great place to start. --Seth Godin, author of Purple Cow For all those who wonder why John Jantsch has become the leading advisor and coach to small businesses everywhere, Duct Tape Marketing is the answer. I have never read a business book that is as packed with hands-on, actionable information as this one. There are takeaways in every paragraph, and the success of John's blog is living proof that they work. Duct Tape Marketing should be required reading for anyone who is building a business, or thinking about it. --Bo Burlingham, editor-at-large, Inc. magazine, and author of Small Giants: Companies That Choose To Be Great Instead of Big Duct Tape Marketing is a worthy addition to the growing library of how-to books on small business marketing -- concise, clear, practical, and packed with great ideas to boost your bottom line. --Bob Bly, author of The White Paper Handbook With the world suffering from depleted reserves of trust, a business that sells plenty of it every day tends to create the most value. The great thing about trust as a product feature is that it delivers exceptional returns. With this book, John Jantsch has zeroed in on exactly what small businesses need to sell every day, every hour. --Ben McConnell, co-author of Creating Customer Evangelists: How Loyal Customers Become a Volunteer Sales Force John Jantsch has provided small businesses with the perfect perspective for maximizing all marketing activities - offline and on. Jantsch has the plan to help you thrive in the world of business today. Read it, all your competitors will. --John Battelle, cofounding editor of Wired and author of The Search: How Google and Its Rivals Rewrote the Rules of Business and Transformed Our Culture Duct Tape Marketing is a great read for anyone in business. It has fresh ideas laid out in a practical and useable way. I highly recommend this book for growing any business. --Dr. Ivan Misner, Founder of BNI and Co-author of the New York Times bestseller, Masters of Networking

The way brands communicate with their existing and target audience has undoubtedly transformed. One of the main reasons for this transformation is the increase in the popularity of social networking platforms. These days, an increasing number of brands are using visual media for communicating their brand's message. Social media has certainly revolutionized our lives. Instagram has stood the test of time and is now one of the most popular social networking platforms today. So, if your brand isn't already on Instagram, then there is no time like the present to get started. Instagram has been around for a while, but not a lot of people know how to make the most of its features. The creators of this platform keep introducing new features along with changes to the algorithm. So, it is quintessential that you stay on top of all the updates. In this book, you will learn about the things you need to increase your following on Instagram so you can maximize your profits. You will be given information about the different benefits you can reap by using Instagram. You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand's Instagram profile. Apart from this, you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience. Marketing on Instagram and how you can increase your following are also discussed in detail in this book. A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer. You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world. Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers, make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together. Use your brand or company name in hashtags: the hashtags that you pick don't have to be complicated. If you already have a pretty good following on Instagram, or your brand name is well known, go ahead and use this as one of your hashtags. This will make it easier for your followers to find you because they can just search the name and find some of your posts. Make a follower famous: it is not just about your followers checking out your posts, it is about how you interact with your followers. Take the time to look over the pages of your followers and then like and share some of their posts. This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page. Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are

unsure whether they would like it shared or not. So, if you are ready to learn more, then let us get started immediately! No longer considered "the one to watch," Instagram is the king of engagement..more than Facebook and Twitter! It is a major force online, dismiss it at your peril or harness it's power and explode your business. Let's get this in to perspective: Over 700 million users 70.7% of US Businesses Are Using Instagram in 2017 80% of Users Follow At Least One Business on Instagram Posts With a Location Get 79% More Engagement 65% of Top-Performing Instagram Posts Feature Products 59% of 18-29 Year Olds Use Instagram

What Is Social Media Engagement? It is the number of shares, likes, and comments. A big following is great, but an engaged audience is better than a big one—quality over quantity. There are certain metrics used to measure social media

engagement. They include: Use of branded hashtags. Mentions. Click-throughs. Audience and followers' growth. Likes. Comments. Retweets/shares. Your followers can naturally start engaging with your content. But often, you may need to encourage them a little. Here are a few tricks to help you with that. Assess your engagement: see how many followers you have, the average number of shares and comments you get on each post and any other relevant numbers. Make sure you continue monitoring these numbers. Choose your strategy: every company has different goals and strategies are, thus, different. Your strategy will depend on your goals. This could be educating the audience, collecting feedback, changing the public perception, etc. Understand your audience: it is not easy to engage people you do not know.

"Covering the latest and breaking news in Facebook advertising, this updated edition introduces revised, expanded, and new chapters covering fundamentals, Newsfeed ads, sidebar ads, and BIG data. In addition, advertisers are taken farther than just Facebook itself. Marshall and coauthors provide priceless insight into the audience, exploring what was happening before the visitor clicked on an ad and what needs to happen after - ten seconds later, ten minutes later, and in the following days and weeks. Presented in the same step-by-step format that made Marshall's Ultimate Guide to Google AdWords a top seller, this book guides online marketers with a potential audience of 1.11 billion people via a completely different, unbelievably powerful online advertising channel. Facebook presents enhanced tools and exciting opportunities to capture clicks and create brand-loyal customers"--

Learn how to use Social Media Marketing to promote your business or start a new one. Discover a step-by-step process to use social media platforms such as Facebook, Instagram, LinkedIn, etc. to deliver interesting messages and attract customers. You will understand how to create impactful contents, how to use social media advertising and how to direct your posts to the right people and turn them into clients.- How to create powerful ads?- How to use social media to promote a local business?- How to start a new business through social media?These and many other questions are answered in this book. It's never too late to understand how this social media marketing machine works: start now! Hundreds of millions of Americans are using social media (SM), and already some 70% of businesses have joined them there, using Facebook and other SM platforms to connect with their customers, and attract new ones. So the real question isn't whether to take your business onto social media platforms—but how to do it quickly, effectively, on a budget, with smart goals, and a road map for success. Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program cuts through the hype and fluff about how social media is changing the world, and it gets down to what really matters: How you as a manager can best use SM to benefit your business. Written by a veteran online marketer and ecommerce professional, the book shares practical strategies and tactics to let you launch and scale a successful corporate social media program. Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program is for the manager who already knows something about social media and wants to roll up his or her sleeves and get down to business. In it, we simplify tasks that might otherwise be complicated—like adopting and tracking key performance metrics, developing online ad campaigns, or creating Facebook apps like games, giveaways and sweepstakes with the capacity to go viral. Businesses can harness the unique advantages of this new medium, but they need a practical, no-nonsense guide like this one. Otherwise they risk being

ignored, wasting time and money or, even worse, damaging their own brand and seeing a well-intentioned online program blow up. The book is heavy on the how-to, case studies, campaign results and other statistics, and interviews with ecommerce managers at businesses large and small. It also includes the author's own experiences at Green Mountain Coffee Roasters, Wine of the Month Club, and others. While this book will be accessible enough for someone implementing a social media program for the first time, it's ambitious enough to benefit experienced SM hands who are looking for good ideas and techniques to push their online community to the next level of size, interactivity, and buzz. If you want to promote your business and market your products using social media then keep reading...This is the ultimate social media marketing guide for beginners! Social media has radically changed how businesses interact with the people who are their customers and potential customers. For this reason, having a sophisticated social media marketing program is essential for the success of your company. There are a ton of benefits of making sure that your social media strategy is integrated with your traditional marketing initiatives. To that end, it is imperative to hire someone who has the expertise in this area to run it right. Like traditional sales, there is never a second chance to make a first impression, so if your company stumbles out of the gate on Instagram or Facebook, there is a massive cohort of the people on social media who will not let you forget it. Having a calculated plan and goals set is the cornerstone to success, so make sure that you are working towards your goals in a methodical fashion as outlined here. Google Platform: 3 important factors for local searches LinkedIn: how to make your profile more accessible and more Pinterest: the features that offers to business owners Setting goals is vital to the success of your company, and having tools to measure those goals is also essential. When it comes to goals, these goals should be all about making a profit while at the same time being attainable for employees. Goals should require some work - if something is too easy, employees will check out and they will also check out if an objective is too hard. The way to measure goals is with Key Performance Indicators (KPIs). These metrics let a business know if they are hitting the mark or if they are swinging and missing. Many businesses have used social networking sites to market what they have to offer. Social media is another advertising avenue that interests businesses, although many either do not believe in or do not know how to use social networking to its full potential. They may find it superfluous or even deem it ineffective. A short Tweet or a Pinterest link that costs zero dollars to create cannot possibly be more effective than a million-dollar TV ad campaign, and that is where less social media savvy marketers are wrong. If you are not yet using social media to promote your business and market your products, then you are definitely missing out on a lot of things. Don't miss more time, scroll to the top of the page and select the buy now button!

Social media has traversed far greater heights than simply being a medium for user-generated content. Today, it's a tool for consumer empowerment (we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post) and a gratifying brand-consumer partnership. Even companies that have long been dismissing social media as frivolous and flippant have started taking note of its benefits. They've realized that social media is not limited to games and light-hearted opinion polls (which are also hugely successful in creating affable brands), but can involve more serious discussions and insights that are invaluable when it comes to building strong brands. Unlike traditional marketing mediums, social media doesn't swallow a huge chunk of your advertising and promotion budget. You don't need to create cost-intensive and ineffectual marketing plans that leave you broke. All you need is some creativity, perceptiveness, and an intuitive understanding about your audience's needs. More than sharp business acumen, you need a human touch. Social media gives your brand a human angle without breaking the bank. Currently, social media marketing is the most powerful tool that can help businesses to reach customers and prospects (whether small or not). But with over 88 percent of all companies selling on at least one social media platform, you can see how tempting it can be for the company to get lost in all that noise. To achieve more organic visibility, meet committed brand fans, and even generate more sales and leads on your company social media pages, you'll need a succinct marketing strategy to rise to the top. Thankfully, this book offers just that for you. The book will show you how to promote your brand on social media, peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective. Whether you are either active on social media or have never had a Facebook account, this book will lead your social media marketing campaign every step of the way—through building your account and improving your profile, to posting content that your audience will want to connect with, and the different ways to advertising and promoting your brand for more views and followers. We will look at Facebook, YouTube, Instagram, LinkedIn and Twitter, in this book and show you that given the fierce competition, social media marketing can be effective in your business. A strong presence on social media is something that the company can't afford to miss. Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly. Instagram Marketing Algorithms The way brands communicate with their existing and target audience has undoubtedly transformed. One of the main reasons for this transformation is the increase in the popularity of social networking platforms. These days, an increasing number of brands are using visual media for communicating their brand's message. Social media has certainly revolutionized our lives. Instagram has stood the test of time and is now one of the most popular social networking platforms today. So, if your brand isn't already on Instagram, then there is no time like the present to get started. Instagram has been around for a while, but not a lot of people know how to make the most of its features. The creators of this platform keep introducing new features along with changes to the algorithm. So, it is quintessential that you stay on top of all the updates. In this book, you will learn about the things you need to increase your following on

Instagram so you can maximize your profits. You will be given information about the different benefits you can reap by using Instagram. You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand's Instagram profile. Apart from this, you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience. Marketing on Instagram and how you can increase your following are also discussed in detail in this book. A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer. You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world. Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers, make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together. Use your brand or company name in hashtags: the hashtags that you pick don't have to be complicated. If you already have a pretty good following on Instagram, or your brand name is well known, go ahead and use this as one of your hashtags. This will make it easier for your followers to find you because they can just search the name and find some of your posts. Make a follower famous: it is not just about your followers checking out your posts, it is about how you interact with your followers. Take the time to look over the pages of your followers and then like and share some of their posts. This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page. Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not. So, if you are ready to learn more, then let us get started immediately!

Social Media offers businesses an unprecedented opportunity to listen, join and shape conversations between prospects and customers, free of charge. We are in an era where entire businesses are built on Instagram; kids in their bedrooms are racking up tens of millions of YouTube views; bloggers are becoming millionaires from their kitchen tables, and businesses are getting more attention from a viral video than a Super Bowl ad. But in a space that moves so fast, how can businesses keep up - let alone compete? And how do you make sure that your activity is profitable? Whether it's building a targeted fanbase, selling more of your products & services or serving customers, every piece of your social media marketing campaign should be making you money. Combining the 'holy grail' marketing principles from some of history's most successful marketers with the very latest social media strategies gives savvy

businesses of all size a chance to 'do' social media in an entirely new way. Gone are the days of fumbling around in the dark. The new era is about testing, measuring and profit. From the psychological triggers that make us buy; employing social proof to stand out; using (and faking) controversy to sell more or just simply demonstrating your true competitive advantage, profitable social media marketing is here. As Head Ninja at Exposure Ninja, Tim Cameron-Kitchen has personally worked with hundreds of businesses of all shapes and sizes, and seen first hand how doing the right things on social media can transform a business. Yvonne Ivanescu came to Exposure Ninja from one of the world's highest profile marketing agencies, and brought her brand experience to help business on the front line. This book is the distillation of everything that makes a profitable campaign, laid out in step-by-step instructions for you to follow and apply to your own business - whatever your size or market. So whether you're a local plumber looking to pick up leads from Twitter, or an independent e-commerce site wanting the attention of influential bloggers, the strategies and profitable shortcuts for entrepreneur-run businesses in this book will give you a chance to compete in competitive markets where time and budget is of the essence.
