

Intoxicated Felony Romance 1 Jeana E Mann

Beginning with the first film noir, *The Maltese Falcon*, and continuing through the postwar "glory days," which included such films as *Gilda*, *The Big Sleep*, *Dark Passage*, and *The Lady from Shanghai*, *Borde and Chaumeton* examine the dark sides of American society, film, and literature that made film noir possible, even necessary. *A Panorama of American Film Noir* includes a film noir chronology, a voluminous filmography, a comprehensive index, and a selection of black-and-white production stills.

My name is Jamie Alexander but my clients call me Romeo. I make my living by fulfilling the fantasies of Chicago's richest and most powerful women. For the right price, I'll do anything you want, and I'll enjoy every minute of it. Nothing is too dirty or scandalous for my taste. Nothing is off-limits. Give me a call. I'm waiting. Your satisfaction is always guaranteed. USA Today bestselling author Jeana E. Mann delivers a world of love, greed, secrets, and pleasure told through the eyes of a paid escort and the powerful women he serves. Although these stories can stand alone, this is part of a series of novellas and is meant to be read in order. Widely praised for its balanced treatment of computer ethics, *Ethics for the Information Age* offers a modern presentation of the moral controversies surrounding information technology. Topics such as privacy and intellectual property are explored through multiple ethical theories, encouraging readers to think critically about these issues and to make their own ethical decisions.

Two books. One story. The complete tale of a modern American girl forced into marriage with a handsome, ruthless king and their path to love. *THE ROYAL ARRANGEMENT* A billionaire prince searches for a new wife in this intriguing tale of power and seduction from USA Today bestselling author Jeana E. Mann. When I walk into a room, people look twice. Once because I'm the Crown Prince of Androvia, and twice because I'm that guy—the one who makes your panties wet with just a smile. My life is grand until the unexpected death of my father. To claim the throne, I've got to find a wife in twenty-four hours or be forced to marry the woman who cheated on me. A chance encounter with the daughter of my sworn enemy changes everything. The first time I saw her, she was chained to a dungeon wall. The second time I saw her, I took her to my bed. The third time, I proposed marriage. If she accepts, I'll rule her body the same way I intend to rule my kingdom—with an iron hand and no mercy. The stakes are high for both of us. If she turns me down, I could lose the throne to my traitorous uncle. Even worse, if she accepts, I might lose my heart. *THE REBEL QUEEN* "Shall we begin?" When spoken by my new husband, these three little words fill me with terror and anticipation. In private, King Henry rules my body like he rules his country—with unrelenting control and passion. I crave his orders, his punishment, his commands. Outside the bedroom, we're strangers caught in a web of lies and decadence. Our marriage is a sham, a business arrangement devised to save my life and secure his crown. He doesn't love me. He loves my body, controlling it, shaming it, worshipping it. To survive the dangers at court, I need to be smart, but it's hard to think straight with a man like Henry between my legs. Each night, he locks the bedroom door, determined to teach me a new lesson. Obedience, patience, trust. I lie awake in bed waiting for the sound of his footsteps and the latest installment in pleasure and pain. My heart pounds when the hinges creak and his broad shoulders block the door. I'm not ready, but I can't wait to feel his hands on me. He shoves his bowtie into my mouth, binds my hands to the headboard, and whispers in my ear, "Shall we begin?" Lies, seduction, and the struggle for a kingdom will heat up your e-reader. Grab this page-turning contemporary royalty romance today.

A one-night hookup leads to an attraction that threatens the futures and hearts of a college student and a nightclub bouncer. Karly has been working hard to support her little sister and finish college. Her girls' night out turns unexpected when she runs into Felony Bar's notorious

bad boy, Randy McKenzie. Randy doesn't do relationships—not since his girlfriend left with their son. When she left, something died inside him. They're over and now he's playing the field—hard. When Karly walks into his bar, he's only interested in getting her into his bed. He has no idea that she'll stay in his heart long after they part. If you love dark, gritty, and real, you'll want to one-click this new adult bad boy romance. Reading order of the Felony Romance Series: Intoxicated Unexpected Vindicated Impulsive Drift Committed

"A powerful — and personal — account of the movement and its players."—The Washington Post
"This perceptive resource on radical black liberation movements in the 21st century can inform anyone wanting to better understand . . . how to make social change."—Publishers Weekly
The breadth and impact of Black Lives Matter in the United States has been extraordinary. Between 2012 and 2016, thousands of people marched, rallied, held vigils, and engaged in direct actions to protest and draw attention to state and vigilante violence against Black people. What began as outrage over the 2012 murder of Trayvon Martin and the exoneration of his killer, and accelerated during the Ferguson uprising of 2014, has evolved into a resurgent Black Freedom Movement, which includes a network of more than fifty organizations working together under the rubric of the Movement for Black Lives coalition. Employing a range of creative tactics and embracing group-centered leadership models, these visionary young organizers, many of them women, and many of them queer, are not only calling for an end to police violence, but demanding racial justice, gender justice, and systemic change. In *Making All Black Lives Matter*, award-winning historian and longtime activist Barbara Ransby outlines the scope and genealogy of this movement, documenting its roots in Black feminist politics and situating it squarely in a Black radical tradition, one that is anticapitalist, internationalist, and focused on some of the most marginalized members of the Black community. From the perspective of a participant-observer, Ransby maps the movement, profiles many of its lesser-known leaders, measures its impact, outlines its challenges, and looks toward its future.
Committed

The continuation of the award-winning *Intoxicated*, Book 1 of the Felony Romance Series. Jack and Ally have endured a lot to be together. Their relationship has survived the test of his ex-wife, her ex-boyfriend, and the trials of running Felony Bar. Jack's ready to tie the knot, but Ally's got cold feet. With her bipolar mother back in the picture, Ally has to find a way to get past her commitment issues. This is a novella and is intended to be read in conjunction with the other Felony Romance books.

The best-selling bible of the movement to defund the police in an updated edition
The massive uprising that followed the police killing of George Floyd in the summer of 2020—by some estimates the largest protests in US history—thrust the argument to defund the police to the forefront of international politics. That case had been put persuasively a few years earlier in *The End of Policing* by Alex Vitale, now a leading figure in the urgent public discussion over policing and racial justice. The central problem, Vitale demonstrates, is the dramatic expansion of the police role over the last forty years. Drawing on firsthand research from across the globe, he shows how the implementation of alternatives to policing—such as drug legalization, regulation, and harm reduction instead of the policing of drugs—has led to reductions in crime, spending, and injustice. This updated edition includes a new introduction that takes stock of the renewed movement to challenge police impunity and shows how we move forward, evaluating protest, policy, and the political situation.

A personal assistant marries her exiled prince boss and learns that happily-ever-after only exists in fairy tales. When Roman Menshikov asks Rourke to marry him, she doesn't think twice. Once the ring is on her finger, she finds out he's not the man she thought he was. He's darker and more dangerous than she suspected. His involvement

in an international war might kill them both. With wealth and power comes great responsibility for Roman. He's determined to save his country from ruin but will he sacrifice his new wife in the process? Passions ignite when the truth about Roman's business comes to light. Lives will be lost, hearts will be broken, and a new kingdom is about to be built. If you enjoy alpha billionaire, royal romance, one-click today! Incarceration Nation demonstrates that the US public played a critical role in the rise of mass incarceration in this country.

A totally accessible user's guide from the creator of a scientifically proven form of psychotherapy that has successfully treated millions of people worldwide. Whether we've experienced small setbacks or major traumas, we are all influenced by memories and experiences we may not remember or don't fully understand. Getting Past Your Past offers practical procedures that demystify the human condition and empower

readers looking to achieve real change. Shapiro, the creator of EMDR (Eye Movement Desensitization and Reprocessing), explains how our personalities develop and why we become trapped into feeling, believing and acting in ways that don't serve us. Through detailed examples and exercises readers will learn to understand themselves, and why the people in their lives act the way they do. Most importantly, readers will also learn techniques to improve their relationships, break through emotional barriers, overcome limitations and excel in ways taught to Olympic athletes, successful executives and performers. An easy conversational style, humor and fascinating real life stories make it simple to understand the brain science, why we get stuck in various ways and what to do about it. Don't let yourself be run by unconscious and automatic reactions. Read the reviews below from award winners, researchers, academics and best selling authors to learn how to take control of your life.

A picture-perfect small town holds a dark and dirty secret in this suspenseful mystery novel by USA Today bestselling author Jeana E. Mann. Stella Valentine has traveled the world as a free-lance photographer, but there is only one place she calls home. After a decade on the road, an unexpected inheritance brings her back to Corbett, Indiana, where her life took an ominous turn. The last person Stella expects to see in Corbett is Owen Henry. Convicted murder. Liar. Sexy as sin. He's out on parole and part of the crew hired to renovate her house. Sparks fly between them from the minute he knocks on her door. As Stella and Owen endure a reunion complicated by painful secrets and mistrust, it becomes obvious that one of them lied about what happened on the night of the murder. Their relationship heats up while they untangle the events that changed their futures forever. Someone in their small town killed Owen's brother. No one can be trusted. Not even the person she loves the most. *This book was formerly released as Monster Love and contains new content. ?

My name is Jamie Alexander but my clients call me Romeo. I make my living by fulfilling the fantasies of Chicago's richest and most powerful women. For the right price, I'll do anything you want, and I'll enjoy every minute of it. Nothing is too dirty or scandalous for my taste. Nothing is off-limits. Give me a call. I'm waiting. Your satisfaction is always guaranteed. Life is looking up. I got a sweet new ride as a gift from one of my Janes and a referral to a rich client. She's offering more money than I make in a year to spend one weekend with me. As much as I hate leaving my baby daughter, I need the money. Thank goodness, the cute girl on the fourth floor doesn't mind babysitting while I work. If she ever finds out what I do for a living, she'll never talk to me again. A good man would confess his sins, but no one has ever accused me of being a saint. USA Today bestselling author Jeana E. Mann delivers a world of love, greed, secrets, and pleasure told through the eyes of a paid escort and the powerful women he serves. Although these stories can stand alone, this is part of a series of novellas and is meant to be read in order.

Parenthood can test the best of marriages. Sam and Dakota have their hands full with their new family. For the readers who loved Pretty Broken Girl, Pretty Filthy Lies, and Pretty Broken Promises, you won't want to miss this short story and endearing peek into the Seaforth's family home. Includes a sneak peek of Pretty Broken Hearts.

A billionaire prince searches for a new wife in this intriguing tale of power and seduction from USA Today bestselling author Jeana E. Mann. Lies, seduction, and the struggle for a kingdom heat up the pages. This is a contemporary billionaire royalty romance.

Adolescence is a pivotal period of development with respect to health and illness. It is during adolescence that many positive health behaviors are consolidated and important health risk behaviors are first evident; thus, adolescence is a logical time period for primary prevention. In addition, the predominant causes of morbidity and mortality in adolescence are quite different from those of adults, indicating that early identification and treatment of adolescent health problems must be directed to a unique set of targets in this age group. Moreover, because of the particular developmental issues that characterize adolescence, intervention efforts designed for adults are often inappropriate or ineffective in an adolescent population. Even when chronic illnesses are congenital or begin in childhood, the manner in which the transition from childhood to adolescence to young adulthood is negotiated has important implications for disease outcomes throughout the remainder of the person's life span. Organized in five major sections (General Issues, Developmental Issues, Treatment and Training, Mental Health, and Physical Health) and 44 chapters, *Handbook of Adolescent Health Psychology* addresses the common and not so common health issues that tend to affect adolescents. Coverage includes: ? Context and perspectives in adolescent health psychology ? Health literacy, health maintenance, and disease prevention in adolescence ? Physical disorders such as asthma, obesity, physical injury, and chronic pain ? Psychological disorders such as substance abuse, attention deficit hyperactivity disorder, depression, and eating disorders ? Congenital chronic diseases such as type 1 diabetes and spina bifida *Handbook of Adolescent Health Psychology* is the definitive reference for pediatricians, family physicians, health psychologists, clinical social workers, rehabilitation specialists, and all practitioners and researchers working with adolescents.

A handsome, vengeful man. The passionate retelling of a marriage gone wrong. Dakota Atwell did a terrible thing. She sold her soul to the devil,

and the man she loved along with it. Now, by an unexpected twist of fate, he's back in her life, he's her boss, and he's ready to make her pay. When Dakota walked out of his life, she took Samuel Seaforth's heart with her. He's hollow inside, and she made him that way. A decade later, he's out to break her. What he doesn't know is that she's already broken. From the boardroom to the bedroom, they're locked in a battle of wits and desire. One of them will break. One of them will pay. Both of them want to win. Neither of them expects to fall in love...again.

From USA Today Bestselling Author Jeana E. Mann. A one-night stand between a hotshot divorce attorney and his best friend's little sister threatens to uncover secrets neither of them wants to share. What could possibly go wrong?

To derive statistics about crime " to estimate its levels and trends, assess its costs to and impacts on society, and inform law enforcement approaches to prevent it " a conceptual framework for defining and thinking about crime is virtually a prerequisite. Developing and maintaining such a framework is no easy task, because the mechanics of crime are ever evolving and shifting: tied to shifts and development in technology, society, and legislation. Interest in understanding crime surged in the 1920s, which proved to be a pivotal decade for the collection of nationwide crime statistics. Now established as a permanent agency, the Census Bureau commissioned the drafting of a manual for preparing crime statistics"intended for use by the police, corrections departments, and courts alike. The new manual sought to solve a perennial problem by suggesting a standard taxonomy of crime. Shortly after the Census Bureau issued its manual, the International Association of Chiefs of Police in convention adopted a resolution to create a Committee on Uniform Crime Records "to begin the process of describing what a national system of data on crimes known to the police might look like. The key distinction between the rigorous classification proposed in this report and the "classifications" that have come before in U.S. crime statistics is that it is intended to partition the entirety of behaviors that could be considered criminal offenses into mutually exclusive categories. Modernizing Crime Statistics: Report 1: Defining and Classifying Crime assesses and makes recommendations for the development of a modern set of crime measures in the United States and the best means for obtaining them. This first report develops a new classification of crime by weighing various perspectives on how crime should be defined and organized with the needs and demands of the full array of crime data users and stakeholders.

My name is Jamie Alexander but my clients call me Romeo. I make my living by fulfilling the fantasies of Chicago's richest and most powerful women. For the right price, I'll do anything you want, and I'll enjoy every minute of it. Nothing is too dirty or scandalous for my taste. Nothing is off-limits. Give me a call. I'm waiting. Your satisfaction is always guaranteed. A new girl moved into my apartment building last week. Chloe. A sweet, sunny girl with laughing eyes and a bright smile. I can't get her out of my mind. While I'm servicing the municipal judge who kept me out of jail, I picture Chloe's face, her body, her scent. As much as I like her, a relationship with someone my own age is out of the question. I have goals and none of them include a girlfriend. So why can't I leave her alone? USA Today bestselling author Jeana E. Mann delivers a world of love, greed, secrets, and pleasure told through the eyes of a paid escort and the powerful women he serves. Although these stories can stand alone, this is a series of novellas and is meant to be read in order.

For the last two years Ari's life has been anything but normal and on her 18th birthday, when her friends surprise her with a gimmick genie claiming to grant wishes, Ari discovers the truth. The tragic and strange occurrences surrounding her 16th birthday were not coincidental and her life is never going to be the same again. Ari's real parents are not normal. They are not loving. They are not human. They are myth. They are Smokeless Fire. They are Jinn. REVIEWS "I am a brand new fan of the world of the Jinn. Samantha Young created one that is unique and alluring and filled with all kinds of secrets that I want answers to...Smokeless Fire is an utterly riveting must read ..."

Fiktshun Reviews "I honestly cannot wait for book 2. Smokeless Fire is unique, exciting, yet so real. This book has just enough fantasy, just enough real world, just enough love triangle, just enough strength, just enough laughs. I couldn't put it down and Samantha has definitely found herself a new fan." Shortie Says Reviews "Smokeless Fire makes for a great read. There is no way I won't be grabbing book 2 as soon as it is released! This YA paranormal romance was an awesome story and one I totally recommend you add to your reading pile very soon!" 5/5 Stars - The Slowest Bookworm Reviews

"Smokeless Fire is the beginning to an incredible series surely to capture everyone's hearts. The characters are unique and easy to fall in love with. I hate to say that I am team Jai all the way! I totally recommend reading Smokeless Fire and any book from Samantha Young. " Once Upon a Twilight Reviews "This book was jam-packed with everything that I love, a wholly unique premise...a strong (and snarky) female character, equally strong male characters (both of whom were entirely swoon-worthy)... All in all, this is a book that I know I will be rereading time and time again." Avery's Book Nook Reviews "The whole concept of Jinn (Genies) in Smokeless Fire definitely stood out and made it such a wonderful and enjoyable read...I loved all the characters presented in Smokeless Fire, namely Jai, Ari, and Charlie, in that order..Action packed throughout and leading to a cliffhanger ending will leave readers wanting more! 5/5 Must Read! Highly Recommended!" Moonlight Gleam Reviews

Examines the relationship between the law and the school-to-prison pipeline, argues that law can be an effective weapon in the struggle to reduce the number of children caught, and discusses the consequences on families and communities.

The devil in my nightmares is the man of my dreams. For the past three years, I've been running from a man I've never met. A man who carries a grudge. A man who specializes in revenge. I thought I had it all—a career and a new home in a sleepy small town. My world comes crashing down when a sexy gang member from the city arrives at my job, wrapped in tattoos and sinful smiles. Beneath his flirtatious facade beats the heart of an angry man. I've committed the one sin he can never forgive. I stole from him, and he won't be satisfied until he's repaid with the money or my life. They say there are two kinds of power: power derived from fear and power obtained by acts of love. Cash Delacorte holds them both over my head. He's everything I never wanted: dark, deceptive, and dedicated to a life of crime. He's determined to pull me into the darkness with him, and the thing is—I want to go. Every kiss, every lie, every punishment propels me into a future I never dreamed possible. Will I choose the darkness or escape into the light? ? alpha male, bad boy, bad boy romance, free bad boy romance, billionaire, billionaire romance, billionaire romance free, captive, captivating romance, captivating romance free, contemporary romance, BDSM, BDSM romance, dominate male, edgy romance, erotic books, erotic romance free, erotic

An extreme sports enthusiast falls for a straight-laced girl struggling to care for her paraplegic brother. I'm beyond embarrassed when the sexy hunk of man on the elevator turns out to be the one giving my job interview. I've seen him before. His wild eyes haunt me. His sexy grin taunts me. Despite my attraction, I can't allow myself to fall for him. When extreme sports enthusiast Tucker Spaulding lands on my doorstep, I have no idea how to explain the mess of my life to him. He's sweet and sexy and wild. And he treats my paraplegic brother like a man instead of an invalid. No matter how much I like Tucker, I can't risk my heart on a guy who plays so recklessly with his life. I know how fragile life can be, and Tucker takes too many chances. Maybe I'm wrong. Maybe I'm missing out on life and hiding behind Hank. Maybe-just maybe-I should give Tucker a chance. A 2017 Carolyn Readers Choice Award Winner

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

Discover the business law and legal environment book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Beatty/Samuels/Abril's BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 9E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly, thorough presentation uses conversational writing to explain complex topics in easy-to-understand language. The

authors draw from their experience practicing law to offer real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. In addition, an in-depth discussion of executive compensation contrasts theory with everyday reality. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Garnering a vast amount of attention from young people and parents, and from book buyers across the country, *Smashed* became a media sensation and a *New York Times* bestseller. Eye-opening and utterly gripping, Koren Zailckas's story is that of thousands of girls like her who are not alcoholics—yet—but who routinely use booze as a shortcut to courage and a stand-in for good judgment. With one stiff sip of Southern Comfort at the age of fourteen, Zailckas is initiated into the world of drinking. From then on, she will drink faithfully, fanatically. In high school, her experimentation will lead to a stomach pumping. In college, her excess will give way to a pattern of self-poisoning that will grow more destructive each year. At age twenty-two, Zailckas will wake up in an unfamiliar apartment in New York City, elbow her friend who is passed out next to her, and ask, "Where are we?" *Smashed* is a sober look at how she got there and, after years of blackouts and smashups, what it took for her to realize she had to stop drinking. *Smashed* is an astonishing literary debut destined to become a classic.

A fairytale marriage enters the battlefield when the exiled prince reveals his secrets and claims his throne as The War King. I married the man of my dreams and landed in a nightmare of secret government agencies, assassins, and military coups. To keep him, I must fight his enemies. To love him, I must tame my fears. He's not the man I thought he was. He's more. From award-winning author Jeana E. Mann comes the thrilling final installment to *The Exiled Prince Trilogy*.

The skills necessary to plan and deliver efficient health education programs are fundamentally the same, whether it's in a classroom, workplace, hospital, or community. *Health Education: Creating Strategies for School & Community Health, Third Edition* provides the tools to make appropriate programming decisions based on the needs of the clients and the educational settings. It encourages the systematic development of sound, effective, and appropriate presentation methods and demonstrates the evolving state of health education. The philosophy presented in this text is based on the premise that the core of health education is the process of health education. It is a must-have resource for health education methods courses.

Drug dealers are commonly presented as 'dealing in death', preying on the young and innocent and spreading addiction with little care or regard for those they entangle. Drug markets are commonly depicted as being hierarchically organized and riddled with unscrupulous practices and chaotic violence. While a strong case has been made in recent years that the powers of particular drugs have often led to an unreasonable demonization of drug users, there has been little by way of understanding drug dealers as part of that same process. Who is a drug dealer? How does the dealer operate in the drug market? What if many common perceptions, both about dealers themselves and drug markets more generally, are either incorrect or unreasonably distorted? Reviewing recent research into the minutiae of drug dealing and drug market operations, *Pusher*

Myths suggests that these overly simplistic characterizations of who the drug dealer is, what drug dealers do, and the context within which they operate serve to perpetuate unhelpful ideas of what the drug problem is and, thus ultimately, how it should be resolved. Focusing on issues such as dangerous drug adulteration, the pushing of street drugs onto the young and innocent, the provision of free drugs to hook new clients, and the legend of the Blue Star LSD Tattoo, this book goes in the direction of recasting our understanding of the drug dealer as one that has been unreasonably demonized and de-humanized. This book also provides a contemporary analysis of how the various myths (untruths) surrounding drug dealers may be understood within the broader conceptual analysis of the place of myth in modern society.

Sometimes the worst lies are the ones we tell ourselves. Ten years ago, I did a terrible thing. I sold my self-respect, my marriage, and my chances for happiness. What was the going rate for these intangible things? For me, it was a check in the sum of one million dollars and a get-out-of-jail-free card for my delinquent brother. A decade later, I'm broken, unemployed, and still single. My baby brother is back in jail. The million dollars is gone. My ex-husband wants to trust me again, but the thing is...how can he trust me when neither of us can forget all the pretty, filthy lies of our past? This book is the sequel to *Pretty Broken Girl* and is not a standalone.

TRILOGY COMPLETE! Three contemporary billionaire royalty romance novels to set your ereader ablaze by USA Today bestselling author Jeana E. Mann. **THE EXILED PRINCE (Book 1)** A secret masquerade hookup leads to complications with Rourke's new boss. One night. No names. No faces. It should have been simple. Instead, she's tossed into a life filled with decadence, heat, and sinful surprises. Delve into the dark side of romance with an exiled prince, a secret masquerade ball, and all the complications they create for personal assistant Rourke Donahue. **THE DIRTY PRINCESS (Book 2)** A personal assistant marries her royal boss and learns that happily-ever-after only exists in fairy tales. When Roman Menshikov asks Rourke to marry him, she doesn't think twice. Once the ring is on her finger, she finds out he's not the man she thought he was. He's darker and more dangerous than she suspected. His involvement in an international war might kill them both. With wealth and power comes great responsibility for Roman. He's determined to save his country from ruin but will he sacrifice his new wife in the process? **THE WAR KING (Book 3)** A fairytale marriage enters the battlefield when the exiled prince reveals his secrets and claims his throne as The War King. I married the man of my dreams and landed in a nightmare of secret government agencies, assassins, and military coups. To keep him, I must fight his enemies. To love him, I must tame my fears. He's not the man I thought he was. He's more.

Life has never been easy for Karly Eriksson. Raised in a dysfunctional and abusive home, she struggles to break the chain of misfortune. She's determined to finish college and rescue her little sister Emma from a similar fate at any cost, including her self-esteem. The mistakes of her past complicate her future when she hooks up with Randy Mackenzie, the tattooed bouncer/bartender from the infamous Felony Bar. They shared one night together during the previous summer, and now he's back in her life. He's hot, intense, and tortured by emotions he'll never reveal to anyone, especially her. Despite Randy's feelings for Karly, he can't tell her what she needs to hear. She's the only sunshine in his bleak existence, illuminating the dark and dusty corners

of his life. The mother of his child left him because he couldn't say those three little words, and it cost him the most precious thing in his life: his son. Will he lose Karly, too, or can he overcome his irrational fear of emotional intimacy? This book is the second book in the Felony Romance series. It can be read as a standalone but is meant to be read following Intoxicated (Book 1), and Unexpected (Book 1.5). Warning: this book contains hot bartenders, sexy bouncers, and lots of steamy romance.

"A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one — and how we can come together to stop it. Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding current events in politics and pop-culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for *The Macho Paradox*: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men* "[This anthology] addresses the gap between international standard-setting prohibiting international sex crimes and actual accountability for individuals who are responsible for such crimes. The book provides detailed analysis of the legal requirements of international sex crimes and types of fact that can be used to meet these requirements. It includes a unique knowledge-base that digests international case law on such crimes. The anthology also contains several studies of institutional and evidentiary challenges in the prosecution of international sex crimes"--Series pref.

A STEAMY ROMANTIC SUSPENSE NOVEL BY WALL STREET JOURNAL & USA TODAY BESTSELLING AUTHOR CHELLE BLISS. Qualifications: Tough as nails, willing to play dirty, and a chiseled body... When former Navy SEAL Morgan DeLuca joined the team at ALFA Investigations, he never imagined he'd find more than a job. But his first client was a drop-dead gorgeous, powerful businesswoman with a no-holds-barred attitude. Never cross the line. That had always been his rule, but that was before Race True. The moment he saw her, it was game over. After one touch, his take-what-I-want attitude had Morgan staking his claim and stopping at nothing until he made Race his. *Sinful Intent* is book one in the ALFA Investigations series and a full-length novel by author Chelle Bliss told in first person point of view.
